PROGRESS REPORT

FOR

PIG AND POULTRY DEVELOPMENT PROJECT

(up to 31th December, 1980)

The Government of Burma made a request for the transfer of modern technology in the pig and poultry development to the Government of Japan on the basis of an investigation report made by the Livestock Development and Marketing Corporation. Then, the identification team, headed by Dr. Eguchi visited Burma from the 30th November to 10th December, 1976. Through discussions with Burmese officials concerned and surveys conducted by both sides, the Japanese preliminary Survey team headed by Dr. Hirofumi Kaitoku and the Japanese implementation survey team led by Mr. Yamashita, visited Burma from 19th January to 2nd February, 1978 and from 6th April to 3rd May, 1978 respectively, the Record of Discussions in Connection with the Project was signed on 12th April, 1978 and the Project originated with a co-operation period of four years.

In pursuance of the conditions as per the Record of Discussions, the Japanese Teams organized by the Japan International Co-operation Agency (JICA), visited Burma once in January 1979 and another in January 1980. The team headed by Dr. Hirofumi Kaitoku visited Burma from 26th January to 5th February, 1979 and the team headed by Dr. Masayoshi Hirose visited Burma from 29th January to 10th February, 1980, for the purpose of reviewing the progress of the Technical Co-operation project for the Pig & Poultry Development in Burma and conferring the future plans for the project with the Burmese officials concerned. During their stay in Burma, the teams observed the present activities of the Project, discussed problems involved, and exchanged views on the future plans with the Burmese officials concerned, including the Japanese experts, for the successful implementation of the Project.

The Progress of the Project from the very beginning up to 31th December, 1980 is outlined in this Progress Report.

1. Assignment of Japanese Experts

On the basis of the plan of J.I.C.A., Dr. Reiji Seki (Team Leader) and Mr. Keizo Egawa (Liaison Officer) were despatched to the Project site on 28th September, 1978.

The statement showing the position of these experts serving in Burma and the work undertaken by them is appended is Annexture I to this Report.
