

TEKAI HYDRO-ELECTRIC POWER DEVELOPMENT PROJECT.

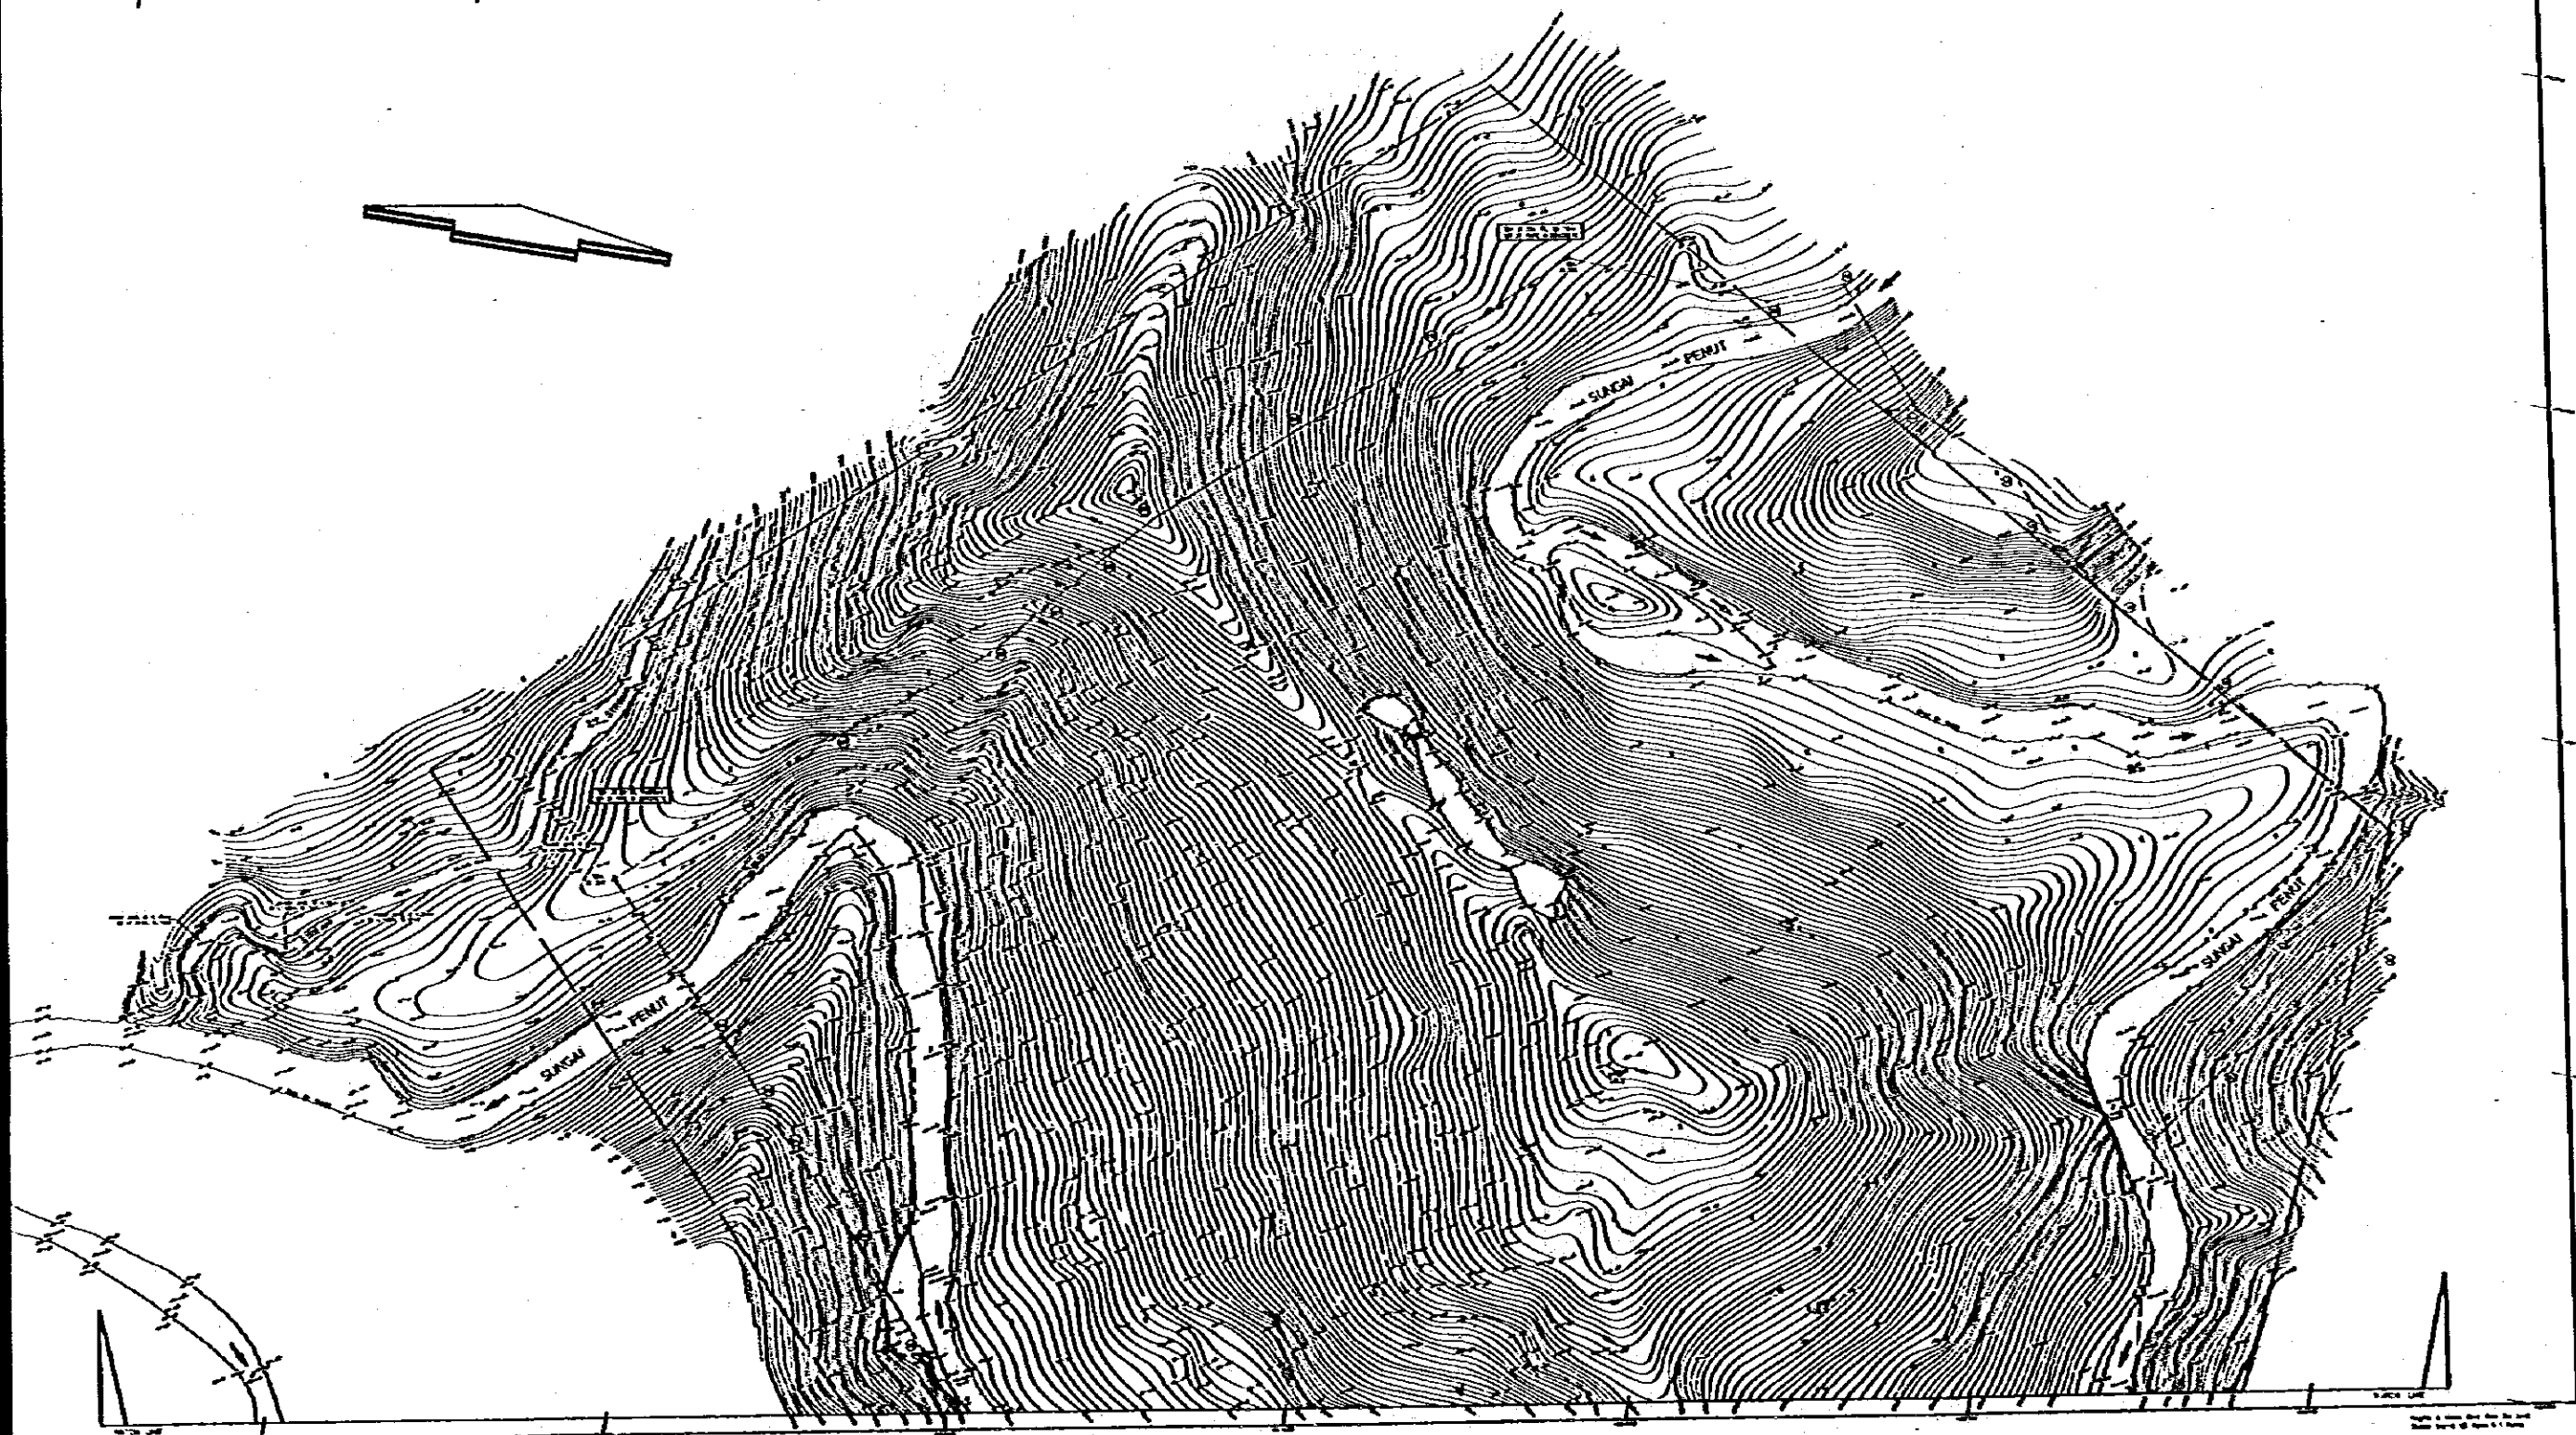

1. The project is a hydro-electric power development project.
 2. The project is a hydro-electric power development project.
 3. The project is a hydro-electric power development project.
 4. The project is a hydro-electric power development project.
 5. The project is a hydro-electric power development project.
 6. The project is a hydro-electric power development project.
 7. The project is a hydro-electric power development project.
 8. The project is a hydro-electric power development project.
 9. The project is a hydro-electric power development project.
 10. The project is a hydro-electric power development project.
