PREQUALIFICATION QUESTIONNAIRE

1. GENERAL

It is understood and agreed that the information submitted herein is to be used by the Ministry of Mauritius (the Employer) in determining, according to his sole judgement and discretion, the qualifications of prospective tenderers to submit tender for works in connection with the project described in the "General Description of the Project" attached hereto. In consideration of being permitted to submit his qualifications as a prospective tenderer, the undersigned waives any claim against the Employer that might arise with respect to his decision as to a prospective tenderer's qualification. It is understood that the decision of the Owner with respect to the qualifications of any prospective tenderer is final and not subject to appeal of any kind.

A prospective tenderer will not be qualified by the Employer unless he possesses sufficient financial and technical capacities to execute the contract, should it be awarded to him.

The signing by the undersigned of this questionnaire guarantees the truth and accuracy of all statements and all answers to the interrogatories hereinafter made.

The undersigned understands and agrees that further qualifying information may be requested, and agrees to furnish any such information at the request of the Employer. Failure to complete the prequalification document adequately may result in disqualification.
