MINUTES OF MEETINGS

FOR

INCEPTION REPORT

ON

THE STUDY

ON

INTEGRATED RADIO AND TELEVISION SERVICING SYSTEM PROJECT

IN

THE REPUBLIC OF INDONESIA

Jakarta, Indonesia
22nd April, 1989

Mr. Hiroo SUZUKI
Leader,
JICA Study Team

Mr. Ir. NURHADI SUBROTO
Secretary,
Directorate General of
Radio-Television-Film
Department of Information

The meetings were held from 18th April to 21st April, 1989, between Directorate General of Radio, Television and Film (hereinafter referred to as "RTF"), Department of Information (hereinafter referred to as "DEPPEN") and the JICA Study Team (hereinafter referred to as "the Team"), on the draft of Inception Report on the Study on Integrated Radio and Television Servicing System Project in the Republic of Indonesia (hereinafter referred to as "the Study").

Mr. Drs. Alex Leo Zulkarnain, Director General of RTF, expressed his warm welcome to the Team who were sent to Indonesia in response to the request of the Government of Indonesia, and explained the background of the Study and specially requested the Team to plan the most suitable broadcasting system for Indonesia taking account into the present situation.

The Team explained the draft of Inception Report and submitted Questionnaire and Data File with the request of good cooperation of Indonesian side.

As a result of a series of discussions, the draft of Inception Report attached herewith was accepted in principle by both parties with the following minor revisions:

- 1) "more than 40 Non-RRI stations" on the second line on Page 13 shall read for "38 Non-RRI stations"
- 2) Indicated lines for PHASE in Tables on page 30 and 31 shall be corrected.

According to the request of the Team, DEPPEN has appointed counterparts as shown in the Attached Sheet-1.

The list of attendants for the meetings is also shown in the Attached Sheet-2.

MINUTES OF MEETING

The JICA Study Team (hereinafter called "the Team") on the Study of Integrated Radio and Television Servicing System Project in the Republic of Indonesia has conducted the Study from 18th April to 8th June, 1989 in Jakarta and 14 regional cities and prepared the Progress Report on the basis of the Minutes of Meeting dated 22nd April, 1989 and the Inception Report.

1. The meetings were held from 5th through 7th, June, 1989 at the Directorate General of Radio, Television and Film (hereinafter called "RTF") and the Team explained the result of the field surveys and made the presentation of the Progress Report.
2. The Team asked RTF for further data and accurate figure indications enough to comprehend the current situations, particularly on a financial side related to every fiscal year. At the request, RTF agreed that data will be supplied the Team with further as asked and likewise an authorized figure will be indicated to the Team for this Study.
3. As a result of a series of the discussions, the Progress Report was accepted in principle, and agreed upon by both parties to prepare an Interim Report in line with the basic concept mutually agreed on, providing that some parts, if any, will be amended after a careful check of the contents of the Progress Report.
4. RTF expressed that the Interim Report would be reflected by the most feasible recommendations to be made in consideration of a deviation gap between the existing conditions and ideal goals of Broadcasting in the Republic of Indonesia.

The Team expressed its sincere thanks for the undertakings given to the Team by RTF, and wishes the same cooperation in the time of the Phase-2 Study which is tentatively scheduled in the middle of August, 1989, together with the Advisory Committee.

MINUTES OF THE MEETINGS

In accordance with the Scope of Work for the Study on the Integrated Radio and Television Servicing System Project in the Republic of Indonesia, the JICA (Japan International Cooperation Agency) Study Team presented 20 copies of the Interim Report to Directorate General of Radio - Television - Film, Department of Information (DEPPEN) on 5th September.

DEPPEN Officials concerned headed by Mr. Ir. NURHADI SUBROTO, Secretary, Directorate General of Radio - Television - Film, DEPPEN, expressed gratitudes to the members of the Japanese mission composed of the JICA Advisory Committee and the Study Team.

The meetings were held on 6th, 7th and 8th September, 1989 in DEPPEN, under friendly atmosphere to explain the details of the Interim Report, and DEPPEN agreed in general to the contents of the Interim Report.

In the discussions, the following items attached hereto are confirmed.

S=

- 1) It was agreed that the Alternative 1 was accepted among three (3) Alternatives planned by JICA Study Team.
- 2) It was understood that the condition of Income should be Case - 4 that TV subscription fee and collection rate to be improved as mentioned in the Interim Report page 309.
- 3) It was agreed that any further comment should be studied to be reflected into the Draft Final Report.
- 4) It was agreed that the Study Team should conduct the Feasibility Study covering Repelita V and make suggestions covering Repelita VI as to the reviewed long-term plan based on the Alternative 1.

Minutes of Meeting

The JICA Study Team (hereinafter called "the Team") on the Study of Integrated Radio and Television Servicing System Project in the Republic of Indonesia has explained the Draft Final Report in the presence of the JICA Advisory Committee from 18th January to 23rd January, 1990.

1. The meetings were held from 18th, 19th, 22nd and 23rd January, 1990 at the Directorate General of Radio, Television and Film (hereinafter called "RTF"). The Team made a presentation of the Draft Final Report and explained the result of the Study.
2. As a result of a series of discussions, the Draft Final Report was accepted in principle and agreed upon by both parties to prepare the Final Report in line with the basic concept mutually agreed on, provided that some parts mentioned below will be amended after a careful check of the contents of the Draft Final Report and, if any, further comment will be given to the Team by RTF until 16th February 1990.
 - 1) Software implementation schedule in Repelita V shall be prepared and compiled in the Final Report.
 - 2) The Team presented up-to-date financial planning in several cases as separate sheets which should be compiled in the Final Report.

The Team expresses its sincere thanks for the undertakings given to the Team by RTF during the study. And RTF expresses its sincere thanks for technical cooperation made by JICA to prepare the long-term and short-term plans for Integrated Radio and Television Servicing System in Indonesia.

It is scheduled to prepare the Final Report by the end of March, 1990.

The attendants list of the meetings is shown in the Attached Sheet.
