

APPENDIX G : SURVEY PHOTOGRAPHS

Sei Buah Keras

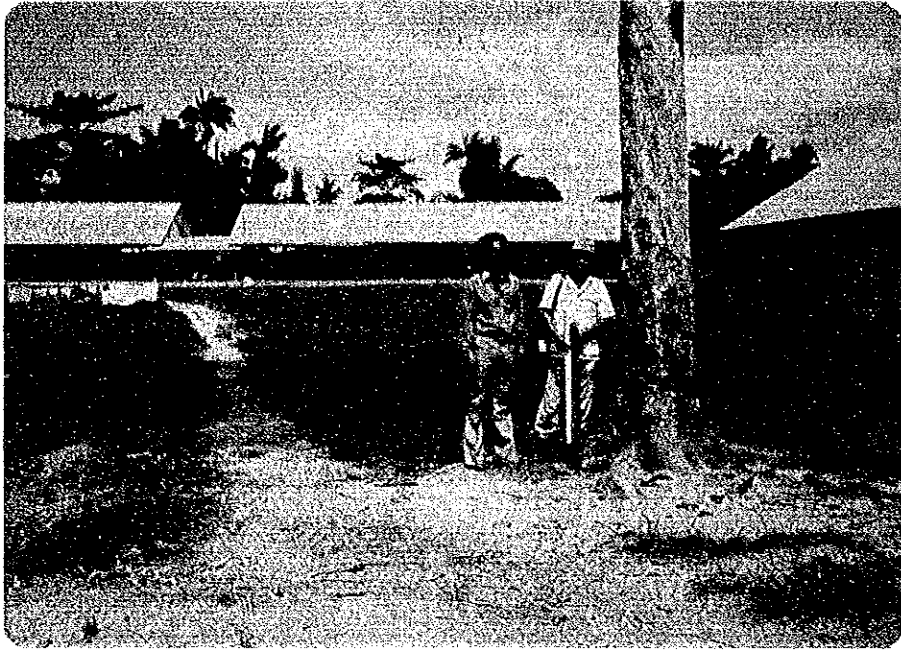

Deep well casing pipe,  
ø40 mm

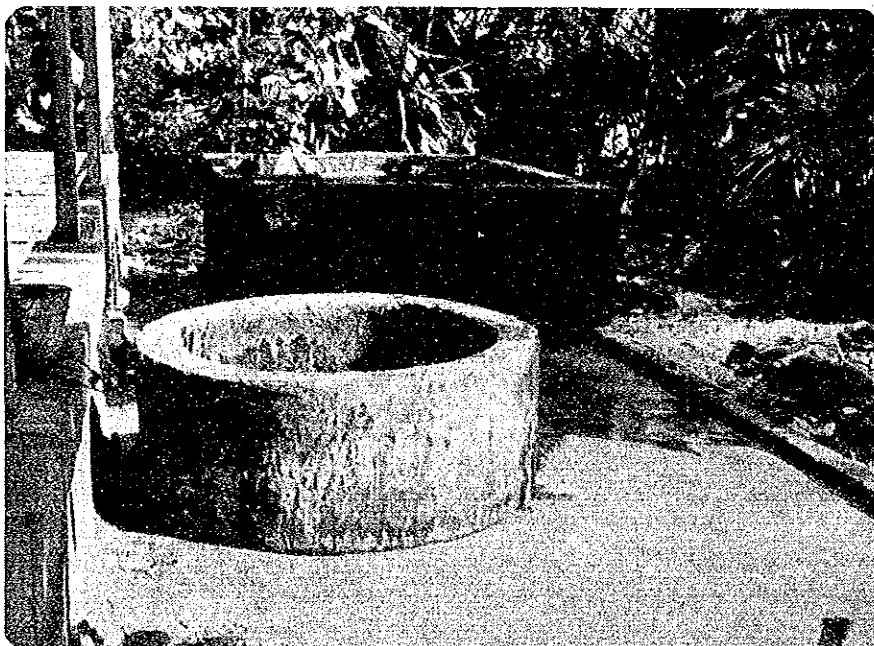

Deep well shed constructed  
in March '79

Sei Buah Keras

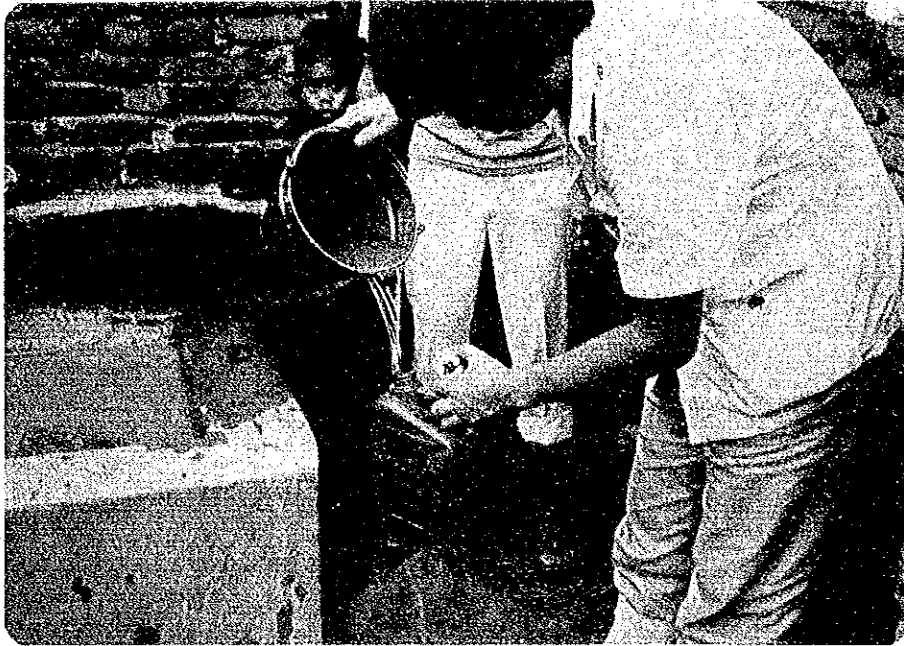

Primary school  
(Scola Dasar)  
INPRES program

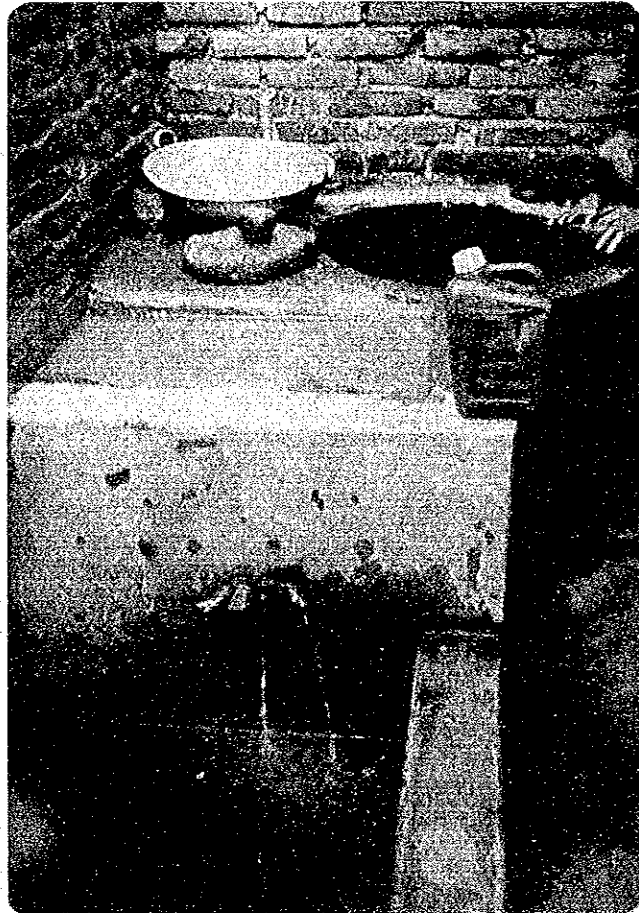

Shallow well

Limau Sundai

Shallow well

Shallow well  
and sand filter

Limau Sundai (Air Putih)

Lorong V, VI & VII

Lorong I  
entrance

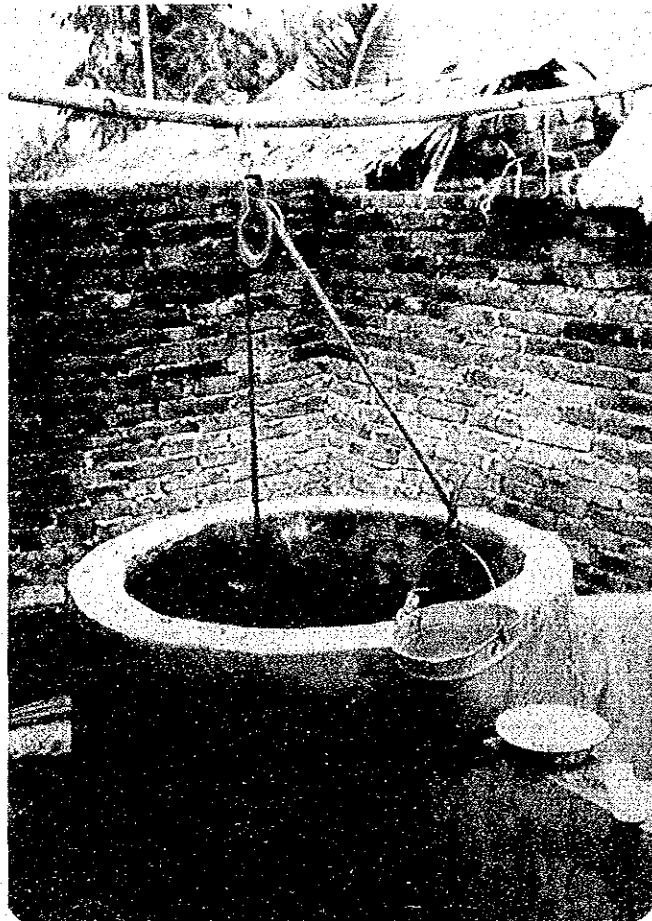

Geoelectric  
resistivity survey  
Infront of Primary  
School

Tanjung Muda

Shallow well

Shallow well

Guntung

Artesian deep well constructed in around 1910's Dutch age

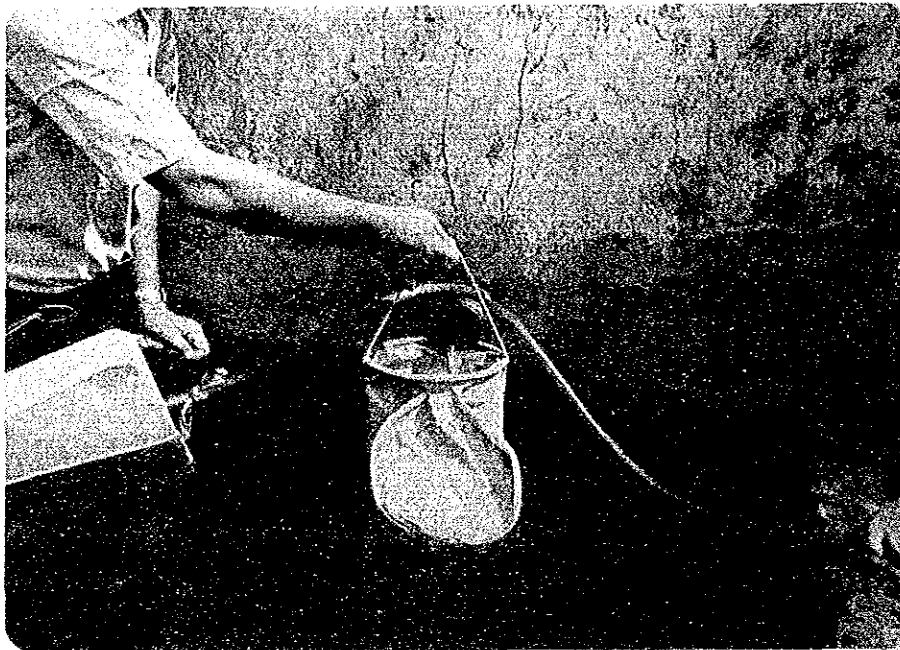

- ditto -

Guntung

Public washing  
space

Public bath  
house  
approximately  
100 meters from  
deep well

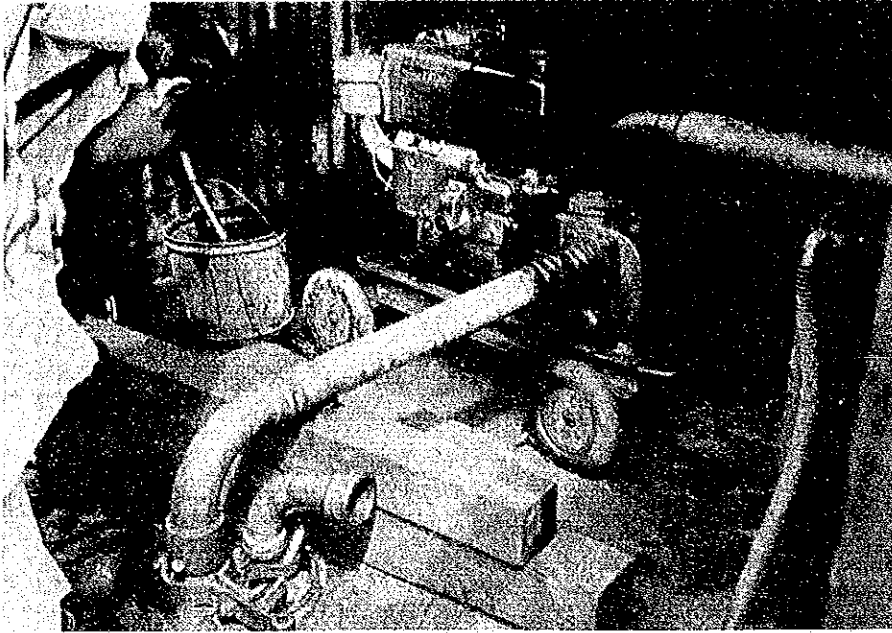

Indrapura Health Center

Elevated  
water tank &  
well pump house

Elevated water  
tank

Deep well at  
rubber factory

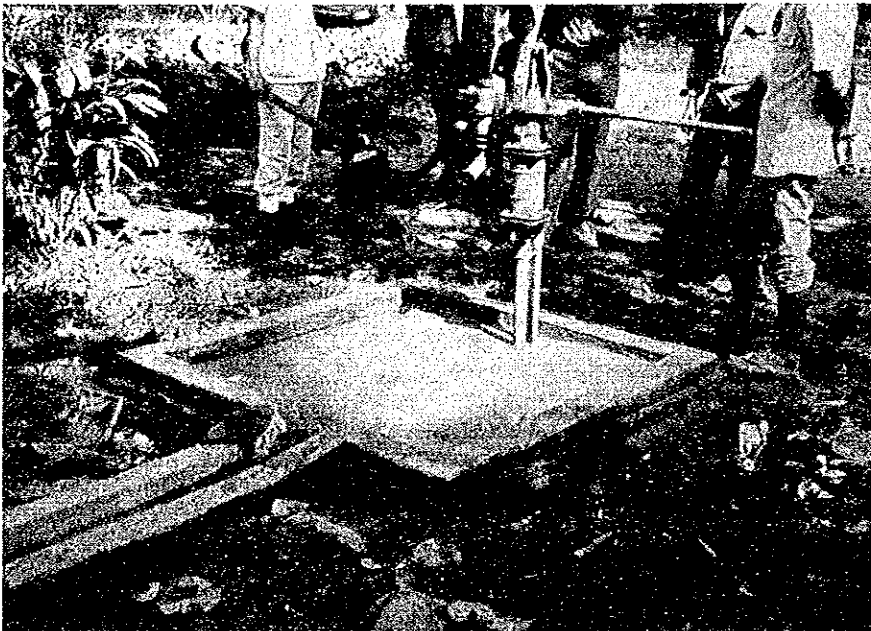

- ditto -

Limau Sundai

Abandoned  
hand pump well,  
constructed by  
INPRES

Sei Buah Keras

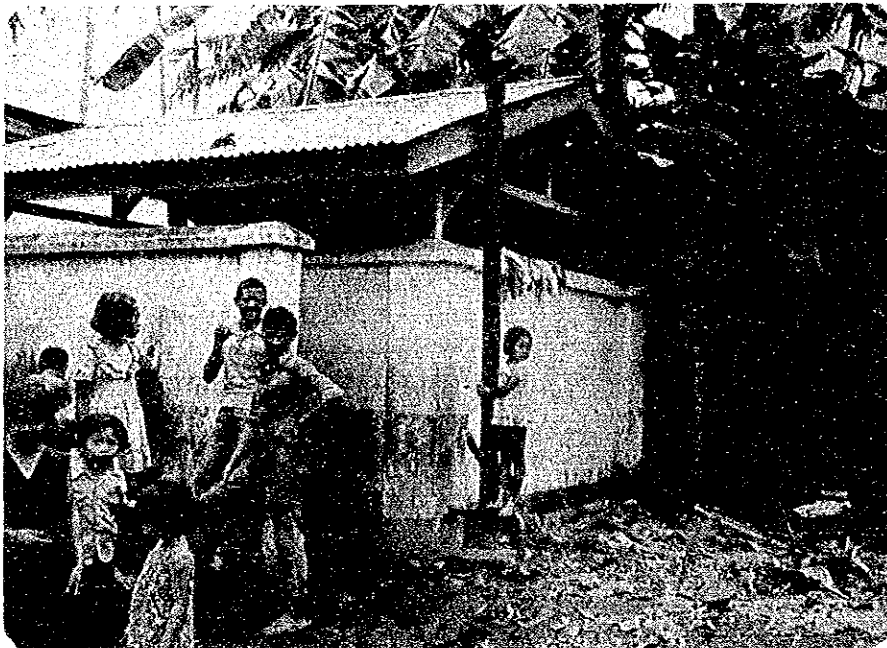

Shallow well  
with hand pump  
INPRES

Simpang Dolok

Artesian deep well  
constructed in  
Dutch age

- ditto -

Pagrawan

Public bath house

Tebing Tinggi

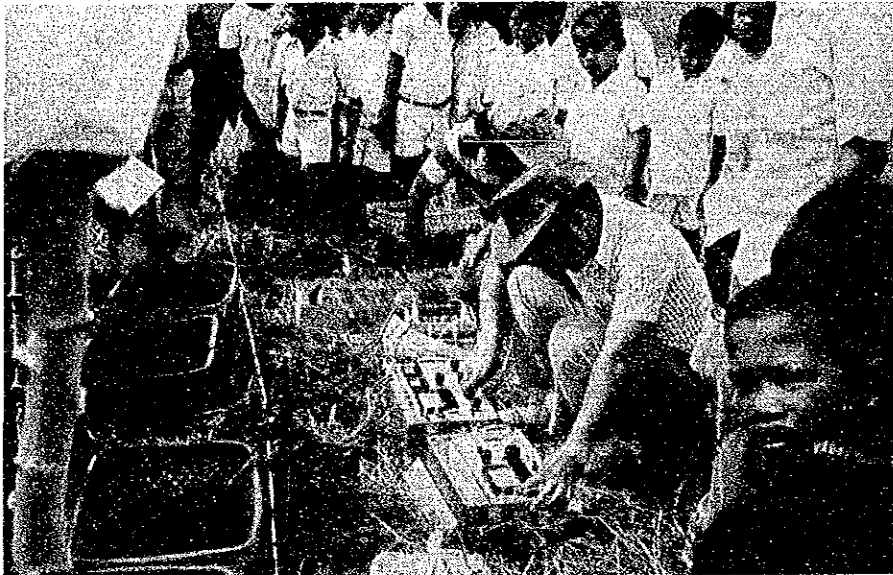

Artesian deep well

Geoelectric  
resistivity  
survey

(instruments)

Geoelectric  
resistivity  
survey
