ANNEX (9)

*LIST OF NSCL ADDITIONAL PRIORITIZED ITEMS REQUESTED FOR
EQUIPMENT , SPARE PARTS AND BOOKS*

List of NSCL Additional Prioritized items Requested for
Equipment , Spare Parts and Books.

1- Spare Parts for NSCL Equipments:

1-1- Spare Parts for Datron, 1 set from
what is mentioned in attached list.

1-2- Spare Parts for YEW instruments, 60%
of what is mentioned in attached
list

+ Spare Parts for air conditioning
system. as mentioned in attached in
list.

2- 75 ohm Calibration system for Network
Analyzer . Anritsu type MS 620 J.

2-1- 75 ohm unbalanced unit type MH683A
10MHz to 1 GHz , MP669A 75 standard
termination(BNCP),MP670A Open/short,
(BNCP) , measurement cable.

2-2- SWR Bridge set type MR 63A, 20 Cm
BNC (P620) 2 pc.

2-3- 75 ohm set type MA 610 A.

3- AC Voltage regulator type SA-2500 Sutaka
elec 1 pc.

4- Universal winding machine.

5- Transfer Standard

5-1- Double-wall standard resistor YEW
type 2781/1ohm 3 pcs.

5-2- Power Sensor Arnitsu type MA4702A
2pcs.

6- Periodicals & Books

1- Metrologia

2- IEE I & M

3- IEEE I & M

4- Special publications issued from NIST
in the field of electrical metrology
and traceability.

7- General Spare Parts as mentioned in attached list .
