

附表 8 河川堆積物試料分析結果一覽表

(10)

Table with columns for Element, SH, Y, TA, ND, AU, HO, CS, BU, LA, LU, NO, SM, TD, TR, U, Y, and SC. It contains a detailed list of test results for various elements and samples, with values in PPM or PPB and units specified.

付表 10 パンニング試料分析結果一覧表
