農地水資源開発コース

Agricultural and rural development in Japan 289

Agricultural development and environmental conservation 277

Agricultural infrastructure consolidation : land improvement for the preservation of our beautiful and fertile land, and our lifestyle 289

Computer application of hydraulic structures and hydraulic system .. 291

Design of fill dam 291

Design of fill-type dams	291	Land reclamation in sloping area	289,290
Design of headworks	291	Open-channel hydraulics	294
" : appendix	291	Operation, maintenance and management (OMM) of land improvement facilities	294
Design of Nishiwasaki headworks	291	The outline of agricultural administration and its tasks for future in Japan	281
Design workshops for hydraulic structures	291	Outline of Japanese agriculture	283
Designing for canal works	291	Outline of Land Improvement Law in Japan	284
Drainage planning for agricultural land	292	Outline of nan-yo irrigation project	284
Drainage planning for agriculture	292	Outline of overseas technical cooperation in agriculture and rural development	278
Dry field irrigation	292	Overview of Japanese overseas cooperation	279
Economic assessment on land improvement work : kemubu irrigation project (Malaysia) : case study	292	Project planning	282
Economic evaluation	292	Project planning for agricultural and rural development in Japan ..	289
Electronic computer contribution on water and land resources development engineering	292	Rural development planning and project in Japan	282
Farmer's-organizations for irrigation water use and their movement..	292	Some Technical Cooperation Projects on Irrigation and Land Consolidation	295
Farming programme	289	Some technical indices for the project planning & evaluation of irrigation development	295
Groundwater resources and environmental engineering	293	Steps and procedures of project formulation	279
Integrated rural development project	281	Textbook for the Group Training Course in Agricultural land and Water Resources Development Vol. 1~3	286
An introduction to land consolidation in paddy fields	290	Water resources and its development in Japan	286
Irrigation and drainage for a paddy field	293	Water resources development in Japan	286
Irrigation and drainage for paddy fields	293		
Irrigation and drainage planning for a paddy field	293,294	農地用水資源開発コース	
Irrigation development : problems and prospects	294	Ground water resources	283
Irrigation in the world	294	農業普及コース	
Irrigation planning for upland fields	294	Agricultural extension method : its theory and application	277
Japan's direction for agricultural and rural development cooperation	278	Extensión agrícola	277
Land improvement district	281	Extension method : it's theory and practice	277
Land improvement project	290		

Método de extensión agrícola : su teoría y aplicación	278
農業普及指導者コース	
Outline of agricultural extension service in Japan	278
農業機械設計コース	
Farm Machinery Design Course : presentation report	297
Farm Machinery Design Course : symposium reports	297
Heat treatment : basic knowledge of metals necessary for agricultural machine design	298
ホームステイ報告書(新潟県三条市工場実習)	298
Postharvest processing technology and the possibility of its improvement	299
農家実習報告書(北海道長沼町)	299
農業機械化コース	
Farm machinery. Vol. 1~2	297
Farm Mechanization Course : symposium report	298
Farm mechanization planning	297
農家調査報告書(新潟県)	299
農業機械化コース(佛国研修員フォローアップチーム公開技術セミナー)	
Seminar text on Mechanization in Rice Cultivation	305
農業協同組合コース	
Agricultural Cooperative Youth Organization in Japan : activities and organization	286
Agricultural land law	283
Education activities of the agricultural cooperation movement in Japan	286
Farm credit	287
Glossary on agricultural cooperatives	286
Method for diagnosis of farm work on rice cultivation	303
Perspective planning in agricultural cooperatives : an introductory note to Japanese experience	287

農業農村情報システムコース

Annual sample census of agriculture	275
Textbook for the Training Course in Information System for Agriculture and Rural Communities	276

農業・農村環境保全コース

Agricultural development and environmental conservation	280
Agricultural land conservation in Thailand	300
Agroforestry	314
Cow slurry irrigation and environmental preservation	291
Desertification control in the Niger river basin	291
Desertification control practices	288
Environment and rural development : assessment of environmental impacts from development	91
Environment management of Japan	91
Environmental administration in Japan	91
Global environmental problems and agriculture, forestry and fisheries	92
Groundwater resources and environmental engineering	92
Integrated rural development of salt-affected land in Asian countries	301
Irrigation and drainage for a paddy field	293
Japan's direction for agricultural and rural development cooperation	278
Lake Biwa comprehensive development project	95
Land improvement project in Japan	290
Land use with agricultural land conservation and disaster prevention taken into consideration, and a method for working out the plan	290
Local soil of Okinawa and farmland conservation there	290

Outline of multiple purpose development of Lake Kasumi-ga-ura	82	Field trip guidance for Farm Household Development Course : a study on the advanced areas in Iwate prefecture	281
Outline of rural sewerage project	282	農家生活水準向上専門用語集 英和・和英	281
Overseas Economic Cooperation Fund's approach to environmental consideration in development assistance : OECF environmental guidelines	96	Textbook for the Group Training Course in Farm Household Development	283
The present status of agricultural administration and its problems in Japan	282	農林水産統計コース	
Principles of rural sewerage and effective utilization of sludge ..	282	Agricultural product	285
Project planning	291	Agricultural statistics in Japan	283
The projects related to environmental preservation	291	Annual sample census of agriculture	275
Remote sensing	43	Computer, basic knowledge and application	277
Rural development planning system in Japan	282	Crop statistics survey	275
Salinization control practices	288	Farming community in Japan	280
Self-help and sustainable development in rural area	279	Forestry region survey, world agriculture-forestry census	316
Small-scale hydro power generation	299	Index numbers of rural consumption levels	287
Soil conservation methods and practices	288	Legislation on statistical coordination in Japan	19
Steps and procedures of project formulation	279	Methods of sample survey	278
Technical cooperation by Japan International Cooperation Agency ..	279	Outline of farm household economy survey	287
The technology for utilization of renewable energy	300	Outline of statistical services in Japan	20
Textbook for the Group Training Course in Environmental Planning and Management in Agriculture and Rural Area. 1~2	283	An outline of survey of agricultural production cost : farm products	288
Tropical forestry : harmony with agriculture	321	Outline of survey of timber production and marketing in Japan	319
Water pollution and agriculture	312	Report on the 1980 world census of agriculture in Japan	276
Water quality monitoring method	296	Revision of current base year (1975) for index numbers of rural commodity prices	288
Water resources development and water management in Japan	296	Some examples of statistical retrieval and analysis using electronic data processing system in the Ministry of Agriculture, Forestry and Fisheries	279
農業統計コース		The state of Japan's agriculture : a summary report 1981	283
Agricultural, forestry and fishery production indexes	275	Statistical survey of livestock in Japan	311
農家生活水準向上コース		Survey of crop damage : survey cards and forms	276
Farm household development course field trip to Ibaraki Prefecture..	280		

Survey of major crop production : survey cards and forms	279
Survey of production cost of livestock products	312
Survey on commodity prices and wages in rural villages	288
農林統計コース	
Agricultural statistics in Japan	274
Annual sample census of agriculture	275
Area survey : survey cards and forms	275
Basic knowledge of sample survey	275
Census of agriculture and forestry in Japan	280
Crop statistics survey	300
Farming community in Japan	280
Fishery Statistics Course	329,330
Forestry region survey, world agriculture-forestry Census	316
The framework of agricultural insurance scheme in Japan	286
Methods of design and consideration for production cost surveys	285
Statistical survey of livestock in Japan	311
Outline of agricultural price indices	286
Outline of farm household economy survey	287
Outline of joint utilization of computer	275
Outline of the system for storage, retrieval and analysis of statistical information on agriculture, forestry and fisheries	276
Preparation of regional statistics : centering around the cadaster of municipal statistics	276
The present conditions of marketing of agricultural products in Japan	286
Rice production cost statistics survey book for farm households	304
Rice production cost statistics survey book for farm households, crop year	304
Rice production cost statistics survey book for official	304

Statistical data retrieval and analysis using and electronic data processing system	276
Statistical survey of livestock in Japan	311
Supplemental materials.1~2	276
Survey of crop damage : survey cards and forms	276
Survey of major crop production : survey cards and forms	305
Survey on commodity prices and wages in rural villages : index numbers of prices in rural areas, index numbers of consumption levels in rural areas	288
Survey on horticulture	306

農業利用コース

Guide for laboratory exercises	301
--------------------------------------	-----

NTT受入、電気通信関係テキスト

Carrier telephone engineering : practical carrier telephone measurement, digital multiplexer	154
Digital line transmission system engineering : general transmission techniques	157
Microwave communication engineering : FM transmission system	170
" : microwave digital system	170
" : microwave propagation and path design	170
Microwave communication engineering : outline of radio communication	170
" : practical microwave digital system (5L-D1)	170
Microwave communication engineering : space diversity technique	170
Telephone switching engineering : review of switching technology ..	186
