

LAOS-JAPAN: MEMO ON MAP MAKING PROJECT

VIENTIANE, AUGUST 15 (KPL). The National Cartography Department and the Japanese International Cooperation Agency (JICA) signed here a memorandum on the production of maps on a 1:25,000 scale of the central Borikhamxay province and the km-20 area with grant aid from the Japanese government.

Within four years of implementation starting in this year's dry season, the project is aimed to facilitate the economic and cultural expansion in the areas.

The signatories to the memorandum were Mr. Thongpene Soukhaseng, Director of the National Cartography Department and Mr. Yoshi-Osaba, Director of the Cartography Department Institute of Topography Research Ministry of Construction of Japan, on behalf of JICA.

Item ends.
