MINUTES OF DISCUSSIONS  
ON  
THE PROJECT FOR CONSTRUCTING PRIMARY  
AND SECONDARY SCHOOLBUILDINGS (PHASE V)  
IN  
THE REPUBLIC OF THE PHILIPPINES

In response to the request of the Government of the Philippines, the Government of Japan decided to conduct a basic design study on the project for constructing primary and secondary schoolbuildings (Phase V) and the Japan International Cooperation Agency (JICA) sent to the Philippines the study team headed by MR. ITARU MINAMI, Grant Aid Division, Economic Cooperation Bureau, Ministry of Foreign Affairs of the Government of Japan, from December 3rd to December 22nd, 1992. The team had a series of discussions on the Project with the officials concerned of the Government of the Republic of the Philippines and conducted a field survey in Region I and Region III.

As a result of the study and discussions, both parties agreed to recommend to their respective Governments that the major points of understanding reached between them, attached herewith, should be examined towards the realization of the Project.

## A T T A C H M E N T

### 1. Project Title

The Project for constructing primary and secondary schoolbuildings (Phase V).

### 2. Objective of the Project

The objective of the Project is to construct Typhoon-Resistant Pre-Fabricated Schoolbuildings with basic furniture in Region I and Region III.

### 3. Government Organizations Related to the Project

Responsible and Coordinating Agency for the Project:  
Department of Education, Culture and Sports (DECS)  
Executing and Implementing Agency for the Project:  
DECS-Educational Development Projects Implementing Task  
Force (EDPITAF)

### 4. Schools to be Covered by the Project

The list of schools where the primary and secondary schoolbuildings are to be constructed is attached as Annex 1.

### 5. Project Sites

The Project sites in Region I and Region III are shown in the map in Annex 2.

### 6. Major Items Included in the Project

The major items included in the Project are listed in Annex 3.

### 7. Tentative Floor Plans

The tentative floor plans for the primary and secondary schoolbuildings are shown in Annex 4.

### 8. Grant Aid Program

- 1) The Government of the Philippines understands that Japan's Grant Aid Program includes the requirement of employing a Japanese consulting firm to implement the Project to provide the buildings and furniture.

- 2) The Study Team will convey to the Government of Japan the desire of the Government of the Philippines that the Government of Japan takes necessary measures in implementing the Project and provides necessary buildings and furniture under the Japan's Grant Aid Program.
- 3) The Government of the Philippines confirms that it will implement the necessary measures as listed in Annex 5 on condition that a Grant Aid by the Government of Japan will be extended to the Project.

UNDERTAKINGS BY THE GOVERNMENT OF THE PHILIPPINES

1. To secure the sites for the Project.
2. To clear, level and reclaim the sites prior to the commencement of the construction.
3. To undertake incidental outdoor works such as gardening, fencing, etc.
4. To construct access roads to the sites prior to the commencement of construction (only in cases they are not available).
5. To provide facilities for distribution of electricity, water supply, drainage and other incidental facilities to the sites when needed.
6. To obtain building, occupancy and all necessary permits for the Project with respect to the laws and regulations in the Philippines.
7. To ensure necessary budget and personnel for the proper and effective maintenance of the schoolbuildings and furniture to be provided under the Grant Aid.
8. To provide exemptions for taxes and all other levies and duties and to ensure prompt unloading and customs clearances at the port of disembarkation in the Philippines for the materials to be provided under the Grant Aid.
9. To exempt Japanese nationals involved in the Project from customs duties, internal taxes and other fiscal levies which may be imposed in the Philippines with respect to supply of the materials and services under the verified contracts.
10. To accord Japanese nationals whose services may be required in connection with the supply of the materials and services under the verified contracts such facilities as may be necessary for their entry to the Philippines and stay therein for the execution of the Project.
11. To bear commissions to the Japanese foreign exchange bank for the banking services based on the Banking Arrangement, in accordance with standard grant procedures.
12. To bear all expenses other than those to be borne by the Grant, necessary for the construction of the schoolbuildings as well as for the transportation and installation of pre-fabricated materials and equipment.
