

- 2) The Government of St. Vincent and the Grenadines shall extend financial assistance to the respective fisheries cooperatives for smooth start up of the operation.
- 3) The Government of St. Vincent and the Grenadines shall conclude the agreements with the parties concerned for the operation of the Fisheries Centers. The agreements shall stipulate the scope of work of each body and define the responsibilities for the better management and operation of the Fisheries Centers.

(3) Fish Marketing

- 1) The Marketing Corporation or New Kingstown Fish Market (NKFM) shall extend necessary assistance such as personnel positioning and technical guidance to the Fisheries Centers in the Grenadines, and enable fisheries cooperatives to establish profitable fish market channels to St. Vincent.
- 2) The Fisheries Division/Ministry of Agriculture, Industry and Labour shall make efforts to establish fish marketing channels inland and on the east part of St. Vincent island and increase fish consumption of the domestic market.
- 3) The Fisheries Division/Ministry of Agriculture, Industry and Labour shall promote export of fish caught in the Grenadines by providing overseas marketing information to private entrepreneurs.
- 4) The NKFM and Fisheries Division/Ministry of Agriculture, Industry and Labour shall conduct research and development studies to find the most economical and effective fish transportation method that must be used in order to transport fish from the Grenadines to Kingstown.

(4) Report

The Government of St. Vincent and the Grenadines shall submit annual reports of the project to the Government of Japan.
