ISLAMABAD NOVEMBER 25, 1992

JICA delegation arrives

ISLAMABAD, Nov. 24: A three-member Japan International Cooperation Agency (JICA) team, led by Mr. Shinobu Matsumoto of Japan Highway Public Corporation, has arrived here to submit and explain the draft final report on the project of "provision of road construction equipment in NWFP".

For the objective of providing adequate machinery and equipment for the completion of various road projects and the maintenance and strengthening of the roads in the NWFP under the Japanese grant aid assistance, a similar five-member JICA team paid a visit from Aug. 24 to Sept. 13, 1992 to carry out the basic design study and survey of the project sites. —PPI

ROAD BUILDING EQUIPMENT

JICA team arrives with final report

RECORDER REPORT

ISLAMABAD, Nov 23: A 3-member Japan International Cooperation Agency (JICA) team led by Shinobu Matsumoto of Japan Highway Public Corporation, has arrived in Pakistan to submit and explain the draft final report on the project of "Provision of Road Construction Equipment in NWFP".

The team members during their 10 days stay in Pakistan will hold discussions with their Pakistani counterparts and officials at the Planning and Development and the Communication and Works Departments of the NWFP Government.

For the objective of providing adequate machinery and equipment for the completion of various roads projects and the maintenance and strengthening of the roads in the NWFP under the Japanese grant aid assistance a similar 5-member JICA team paid a visit from August 24 to September 13 to carry out the basic design study and survey of the project sites.

The following other projects are ongoing in NWFP under the grant by the Government of Japan; Construction of bridges in NWFP. Educational Equipment for NWFP University of Engineering & Technology. Procurement of Spare parts for Bulldozers and Feasibility Study of Chashma Right Bank Lift Irrigation Project.
