ORGANIZATIONAL STRUCTURE OF THE NATIONAL AIDS PREVENTION AND CONTROL PROGRAMME (NAPCP)

- PNAC - Philippine National AIDS Council
- NAC - National Advisory Committee
- NAPMC - National AIDS Programme Management Committee

FIGURE 2

PROFILE OF NGO's

NGOs	Agency Profile
Health Action Information Network (HAIN)	Established in 1985, HAIN gives education and information to sex workers, gay people, students and other groups. It is a referral center for the AIDS hotline.
Population Services Pilipinas Inc. (PSPI)	Founded in 1990, PSPI is the local partner of Marie Stopes International, the largest private sector founder of family planning services in Britain. PSPI deliver FP and reproductive health services, which includes HIV/AIDS. It has AIDS CHECK which serves female commercial sex workers and male homosexuals.
Remedios AIDS Foundation Inc.	Remedios was established in 1991 to encourage initiatives from NGOs on HIV prevention. The Foundation administers the Remedios AIDS Information Center (RAIC). The center was established in 1991 with funds from the Agency for Educational Development, a subcontractor of the U.S. Agency for International Development (USAID).
Reach Out AIDS Education Foundation	Established in May, 1990, the foundation is composed of artists, actors, directors, film makers, writers and other concerned citizens who have banded together to stop the spread of HIV/AIDS and to minimize the social impact of AIDS. Its services include advocacy, education programs and community empowerment.
Marching for Life Coalition (MCL)	Founded in 1992 as a reaction to the renewed mobilization of pro-lifers/anti-choice segment, responsible sexuality, family planning, HIV/AIDS advocacy and networking.

NGOs**Agency Profile**

Foundation for
Adolescent
Development (FAD)

Founded in 1991, the foundation manages a youth and sexuality drop-in centers in Quiapo, runs monthly medical missions, manages a telephone counselling project (Dial a Friend) and promote family planning.

KABALIKAT ng
Pamilyang Pilipino

Founded in 1979, Kabalikang Pamilyang Pilipino Foundation, Inc. means "Assistance to the Filipino Family." It is dedicated to the cause of improving the health status of Filipino families by increasing their awareness and access to information, products and practices. Its scope of services include research, product introduction and adaptation, development of communication materials, and technical assistance on health-related technologies, and pilot-testing of health products/interventions.

Institute for Social Studies
and Action (ISSA)

Established in 1983, ISSA help respond to the health needs and concerns of women, youth and children. Its activities are centered on five (5) identified programs: maternal and child health; fertility management and contraception; health of the reproductive systems such as reproductive tract infections (RTIs), STDs and AIDS and other reproductive organs of both males and females; violence against women; and sexuality.

Woman Health
Philippines

Founded in 1987 as a reaction against the proposed constitutional provision on the right of the unborn over the woman. This NGO has advocacy and networking as its goals for women centered health. It has a pilot project for a community-based health management and improvement.

NGOs

Agency Profile

**Third World
Movement Against
the Exploitation
of Women
(TW-MA-EW)**

Founded in 1987 against the commercialization of the tourism industry for the IMF-World Bank meeting in the Philippines, the movement runs home for prostituted women, those in transition and those with STDs and AIDS. It was developed for international linkages for women's rights and against sexual slavery/trafficking of women.

**Family Planning
Organization of the
Philippine (FPOP)**

Established in August, 1969, the agency engaged in the promotion of family planning and maternal and child health and responsible parenthood. This private, voluntary, non-profit organization is one of the Family Planning Associations (FPAs) associated with the London-based International Planned Parenthood Federation (IPFF). Since January, 1994 FPOP integrates AIDS education, counselling and referral services and provision of condom in their MCH program.

**Institute for Maternal
and Child Health (IMCH)**

IMCH was established in 1968 to complement the teaching hospital founded by Dr. Fe del Mundo, internationally known pediatrician. The institute runs clinics throughout the country and train service providers for family planning and maternal and child health, and recently, STDs including HIV/AIDS.

**Philippine NGO Council
on Population, Health
and Welfare, Inc.**

Established in 1987, PNGOC is a council of NGOs involved in population, health and welfare activities for the betterment of the Filipino nation. The five (5) program thrusts of PNGOC are networking; sub-granting of projects; social advocacy; self-reliance and institutional building.
