MODULE 1: ORGANIZATION -- MANAGEMENT -- GENERAL CHARACTERISTICS

B. Managerial organization

1. Prepare an organizational chart showing the administrative organization of the hospital: from administrative and medical directors, the executive board, and the control institution, etc... to department and services directors. Base this chart on any existing charts, if available, and update them if necessary. Indicate vacant positions with a red asterisk.

2. Professional training of Hospital Director:

- 1 Masters Degree (Maestria) in Public Health
- 2 Masters Degree (Maestria) in Health Administration
- 3 Specialty in Hospital Administration
- 4 Other Hospital Management Training
Duration: _____ months
- 5 None of the above

3. Managerial experience:

Time spent as Director of this hospital: _____ years _____ months
Time spent as Director of other hospitals: _____ years _____ months
Time spent as head of department or services: _____ years _____ months

4. Management technical support:

Is there a Technical Consulting Committee?

- 1 Yes
- 2 No

5. Is there a 1995 hospital work plan?

- 1 Yes, it was seen
- 2 Yes, but it was not seen
- 3 No Skip to 7

Establishment code: _____

6. Were one or more meetings held to monitor compliance with this plan?

- 1 At the end of the first and second trimesters
- 2 At the end of the first semester
- 3 They were scheduled, but never held
- 4 Other
- 5 Unknown

7. Does the Administration have a departmental supervision plan?

- 1 Yes, it was seen 2 Yes, but it was not seen
- 3 No

8. Does the hospital have a Support Committee?:

- 1 Yes 2 No

Frequency of meetings:

- 1 Weekly 4 Every trimester
- 2 Bimonthly 5 Every semester
- 3 Monthly 6 Annually

- general services: kitchen, laundry, maintenance, etc...
- administrative services: administration, accounting, registration and statistics, etc...

Ensure that no part of the hospital is forgotten when completing this module. If there exist several departments or services for a single specialty, complete one module for each. It is very important to identify each separate department and service. The preparation of department and service plans is a useful tool for the systematization of the investigation.

Complete the following charts for Module 4:

- Chart 10: Current human resources and those necessary for adequate operation
- Chart 11: Personnel training (internal mechanisms)
- Chart 12: Personnel training in past year
- Chart 13: Training requirements
