

8. List of Activities by Objectives (Draft 4)

APPENDIX 1

List of Activities by Objectives (Draft 4)

Objectives	Major Activities	Activities	Related Agency					Dower	Time		
			MoA	MPU	MICSED	MTFSR	Others				
1. Human resources and system development of central and local government to improve planning and administrative capabilities	11. Improvement of information collection and analysis capability	111. Improvement of Systems and Technologies for Information Collection and Analysis on Agricultural Statistics	SG								
		12. Improvement of capability on economic analysis and planning	121. Revision of crop promotion plan	SG							
			13. Strengthening of the capability of development plan formulation on agricultural sub-sectors	131. Revision of crop promotion plan	DGFCH						
				132. Revision of livestock development promotion plan	DGLS						
				133. Revision of fresh water fish development promotion plan	DGF						
14. Strengthening of capacity for plan formulation of regional agricultural development	141. Integrated regional agricultural development	DGFCH									
2. Improvement of the capability in research to support development of appropriate production technologies	21. Improvement of breeding and multiplication technologies for superior seed and seedlings	211. Improvement of multiplication technology for chicken	DGLS								
		212. Development of bio-technology for increased livestock production	DGLS								
		213. Improvement of seedling culture technology for fresh water fish	DGF								
	22. Development of production technologies	221. Strengthening of research on production	AARD								
		222. Strengthening of research on livestock hygiene	AARD								
		223. Strengthening of research on fresh water fisheries	AARD								
	23. Development of farming technologies	231. Strengthening of research on appropriate agricultural machinery	AARD								
	24. Development of technologies for irrigation and drainage	241. Improvement of irrigation and drainage technologies		DGWRD							
	3. Development of agricultural extension systems in order to improve farm management and to promote diversification in agricultural production	31. Modernization of extension materials	311. Training and extension of seed production technologies	DGFCH							
			312. Inspection of animal quarantine, medicines and feeds, and their stable	DGLS							
313. Development of dairy farming technologies at farm level			DGLS								
32. Improvement of extension teaching capacity		321. Strengthening and promotion of extension activities	AARD AAET DGFCH								
		322. Extension of Integrated technology for agriculture, forestry and fishery.	MOA								
33. Development of farmers' capability		331. Strengthening of training for youth farmers and women	331. Strengthening of training for youth farmers and women	AAET							
	332. Operation & maintenance of irrigation facilities by farmers' organization			DGWRD							

List of Activities by Objectives (Draft 4)

Objectives	Major Activities	Activities	Related Agency					Donor	Time
			MoA	MPU	MCSED	MITFSR	Others		
4. Development of irrigation and drainage facilities and improvement of water resources management systems	41. Irrigation and drainage development and land development	411. Expansion of irrigated field	DGFCH	DGWRD					
		412. Development of small scale irrigation and drainage systems		DGWRD					
	42. Improvement of operation and maintenance of irrigation and drainage facilities	421. Rehabilitation and improvement of existing irrigation and drainage facilities		DGWRD					
5. Development of system for effective promotion of ..	51. System development and fund preparation for agricultural credits	511. Strengthening of agricultural credit system			DGRCD				
		512. Preparation of fund for agricultural credit			DGRCD				
6. Development and strengthening of the activities of farmers' organizations	61. Development and strengthening of agricultural cooperatives	611. Expansion and strengthening of activities of agricultural cooperatives	AAET		DGRCD				
		612. Establishment of model agricultural cooperatives			DGRCD				
	62. Development and strengthening of farmers' organizations	621. Development of farmers' organization	DGFCH						
7. Development of post-harvest activities including handling, processing and marketing of agricultural products to improve and add value to farm products	71. Promotion of post-harvest, processing and marketing activities according to the needs	711. Promotion of post-harvest processing and marketing of agricultural products based on the consumers' needs	AA						
		712. Development of post-harvest processing and marketing facilities	DGFCH						
	72. Increase of value of marketed agricultural products through standardization	721. Development of standard	AA						
8. Improvement of rural infrastructure	81. Improvement of Rural Infrastructure	811. Improvement of Rural Water Supply		DGRPHS					
		812. Improvement of Rural Road	DGEC			SG	* Local government		
	82. Improvement of sub-district level infrastructure	821. Improvement of sub-district road.		DGR					

Note:

MoA: Ministry of Agriculture
 MPU: Ministry of Public Works
 MCSED: Ministry of Cooperatives and Small Enterprises Development
 MITFSR: Ministry of Transmigration and Forest Squatters Resettlement

AA: Agency for Agri-business
 AAET: Agency for Agricultural Education and Training
 AARD: Agency for Agricultural Research and Development
 DGEC: Directorate General of Estate Crops
 DGF: Directorate General of Fishery
 DGFCH: Directorate General of Food Crops and Horticulture
 DGL: Directorate General of Livestock
 SG: Secretariat General
 DGR: Directorate General of Road
 DGRPHS: Directorate General of Regional Plan and Human Settlement
 DGWRD: Directorate General of Water Resources Development
 DGRCD: Directorate General of Rural Cooperatives Development
