Below the map, there is a technical information block containing a scale bar, a legend, and a title block.

Scale: A graphical scale bar is located below the map, indicating distances in meters and kilometers.

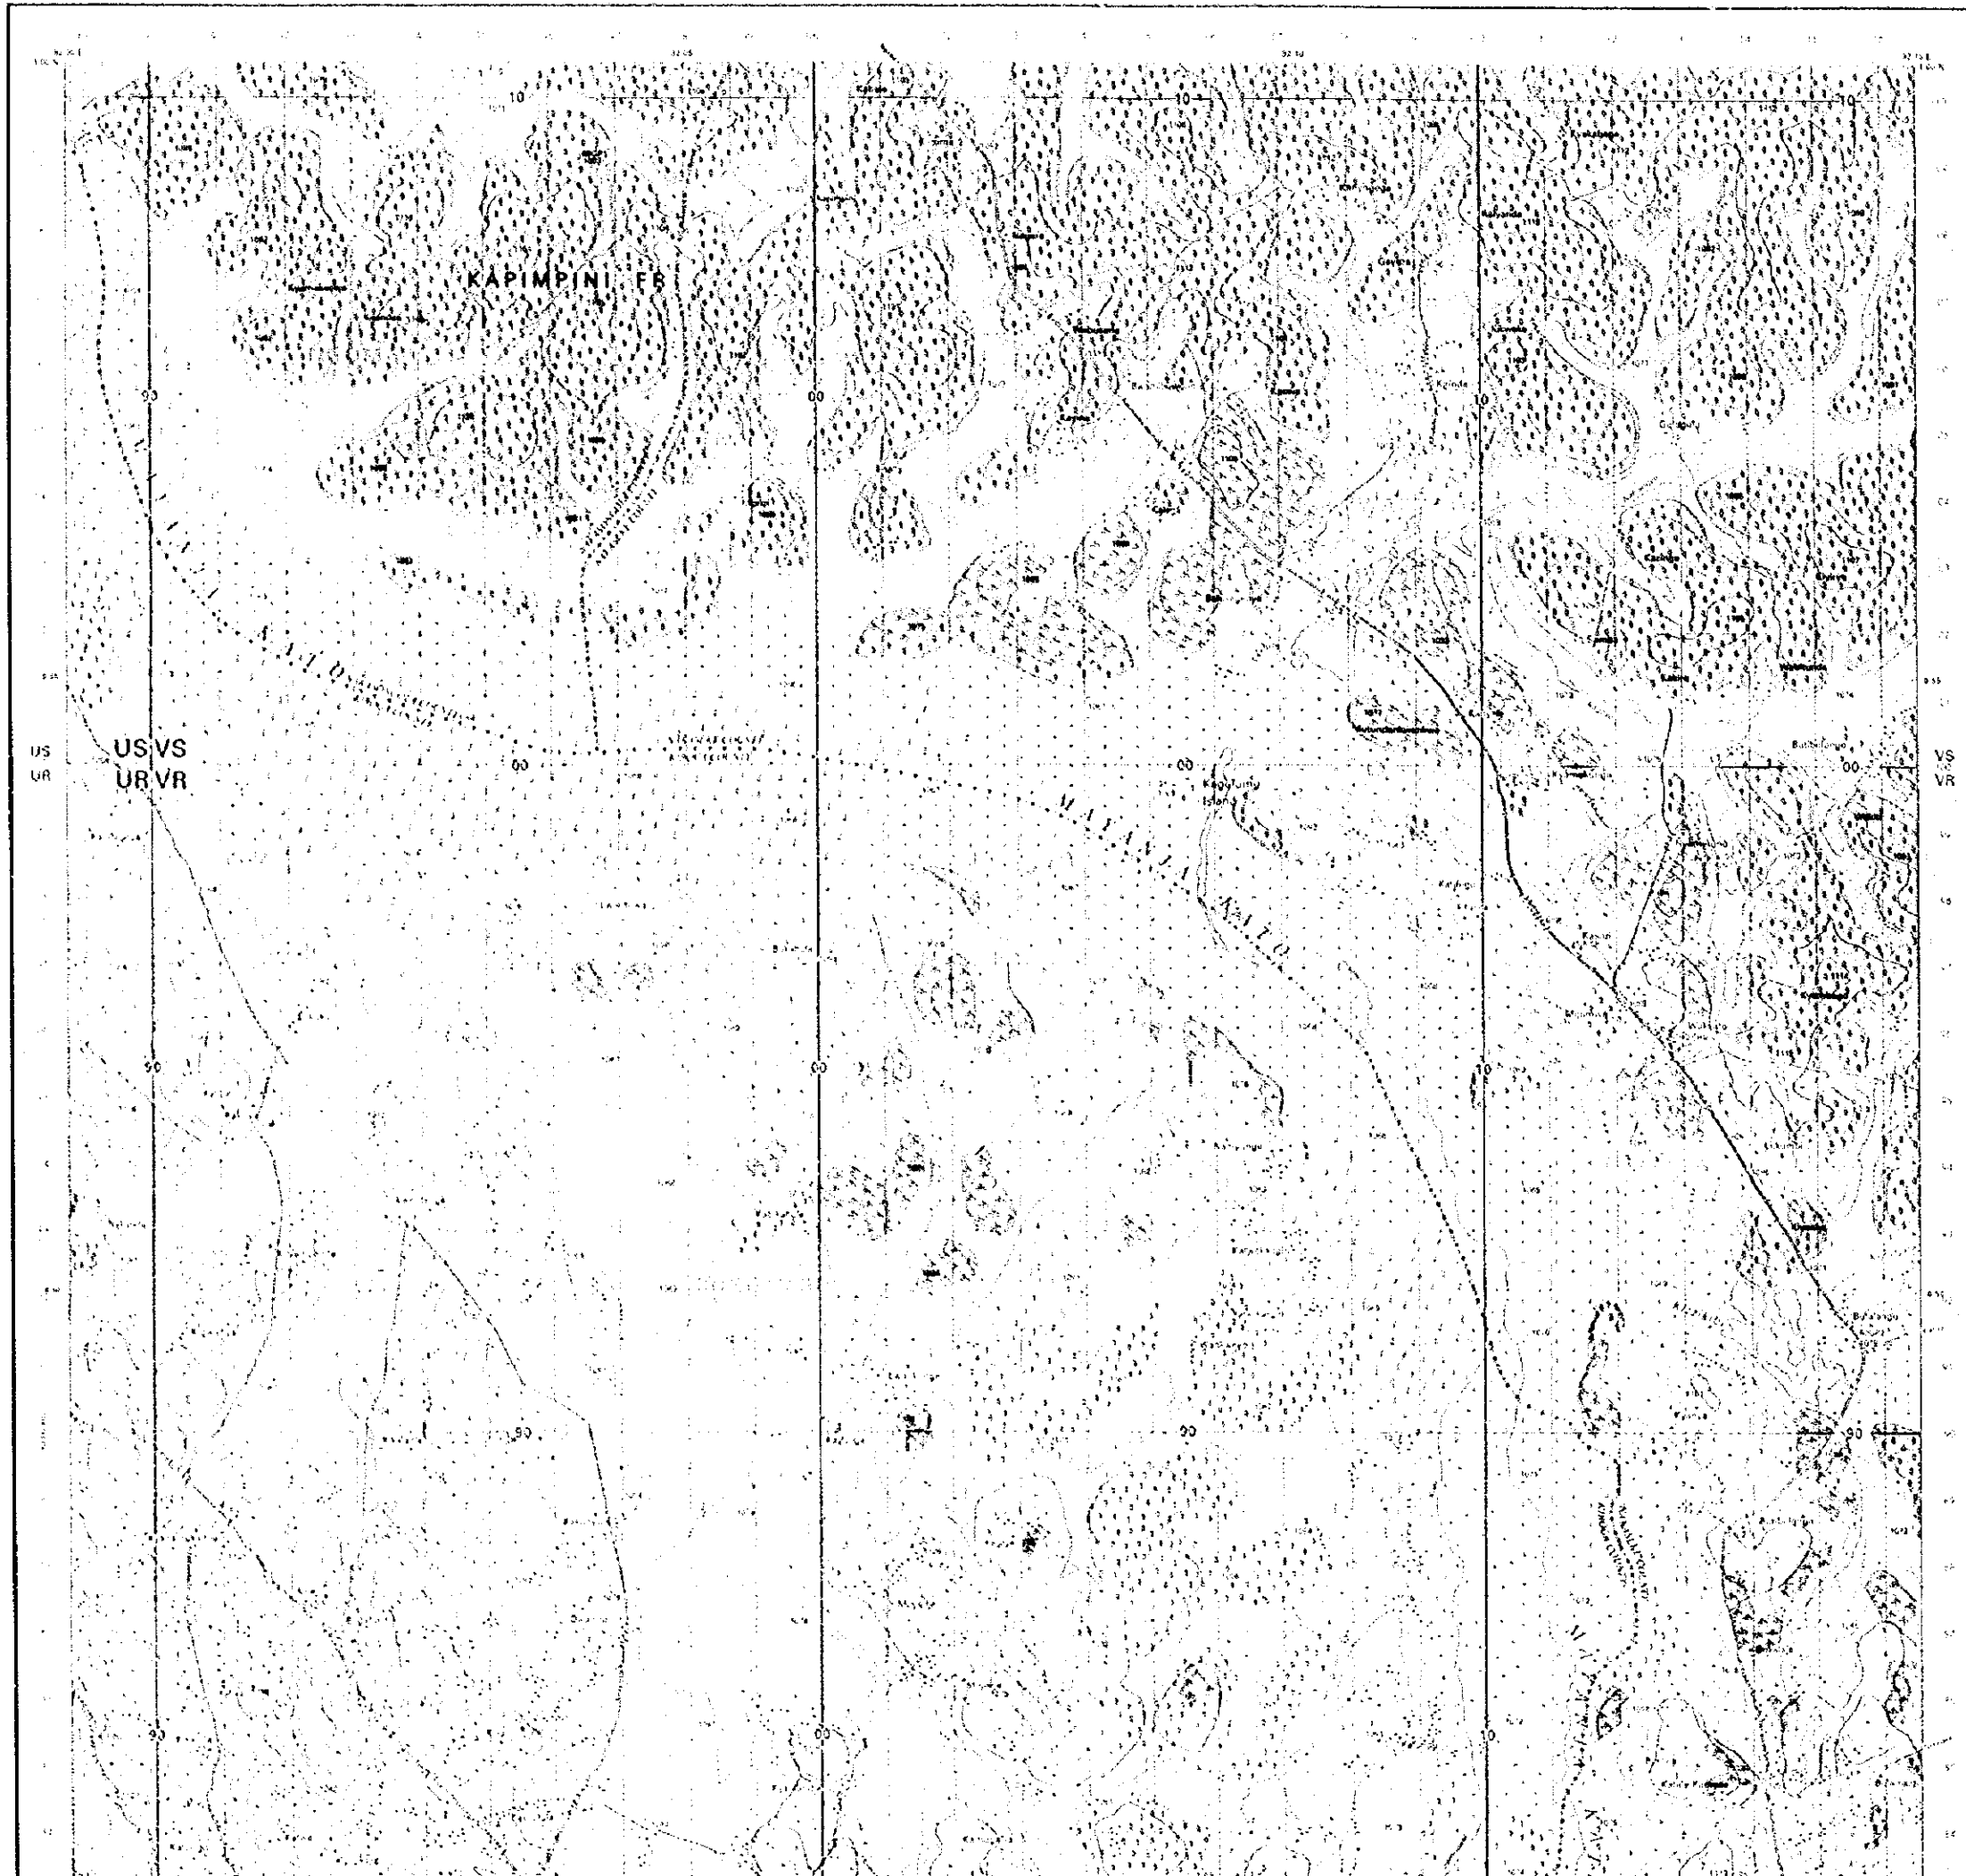

Legend: A legend is provided to explain the symbols used on the map, such as contour lines, roads, and buildings. It includes symbols for "Contour Lines", "Roads", "Buildings", and "Water Features".

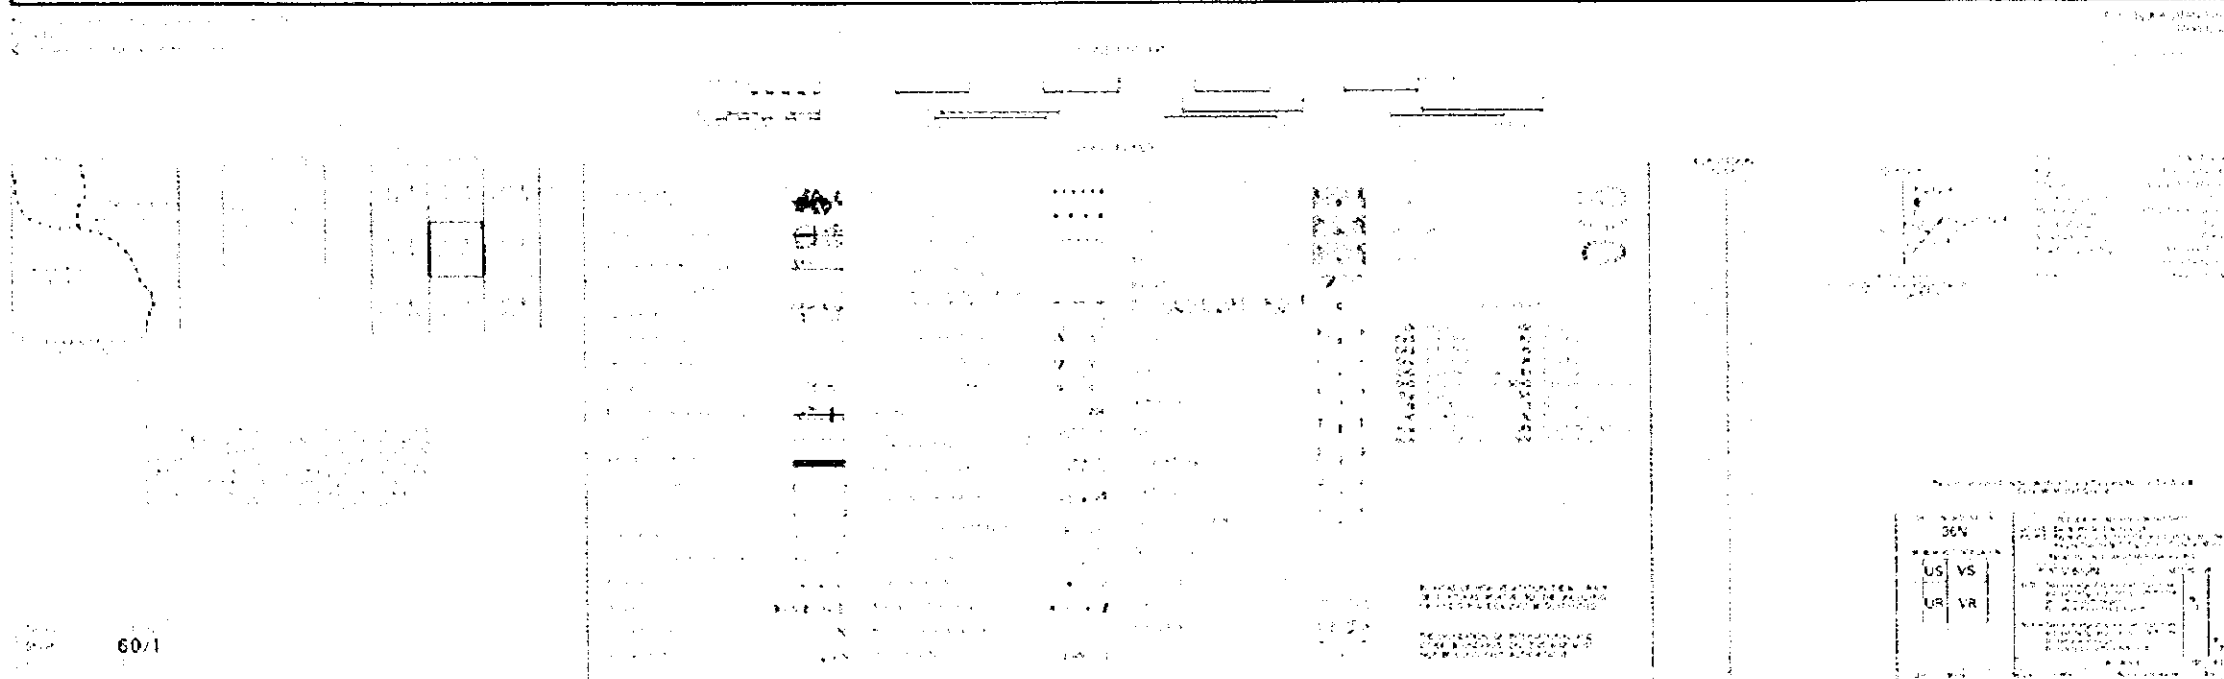

Title Block: The title block contains the following information:

- Scale:** 1:50,000
- Projection:** UTM
- Zone:** 48N
- Sheet:** S-10-10-10
- Year:** 1980
- Author:** [Illegible]
- Editor:** [Illegible]
- Reviewer:** [Illegible]
- Checked:** [Illegible]
- Approved:** [Illegible]

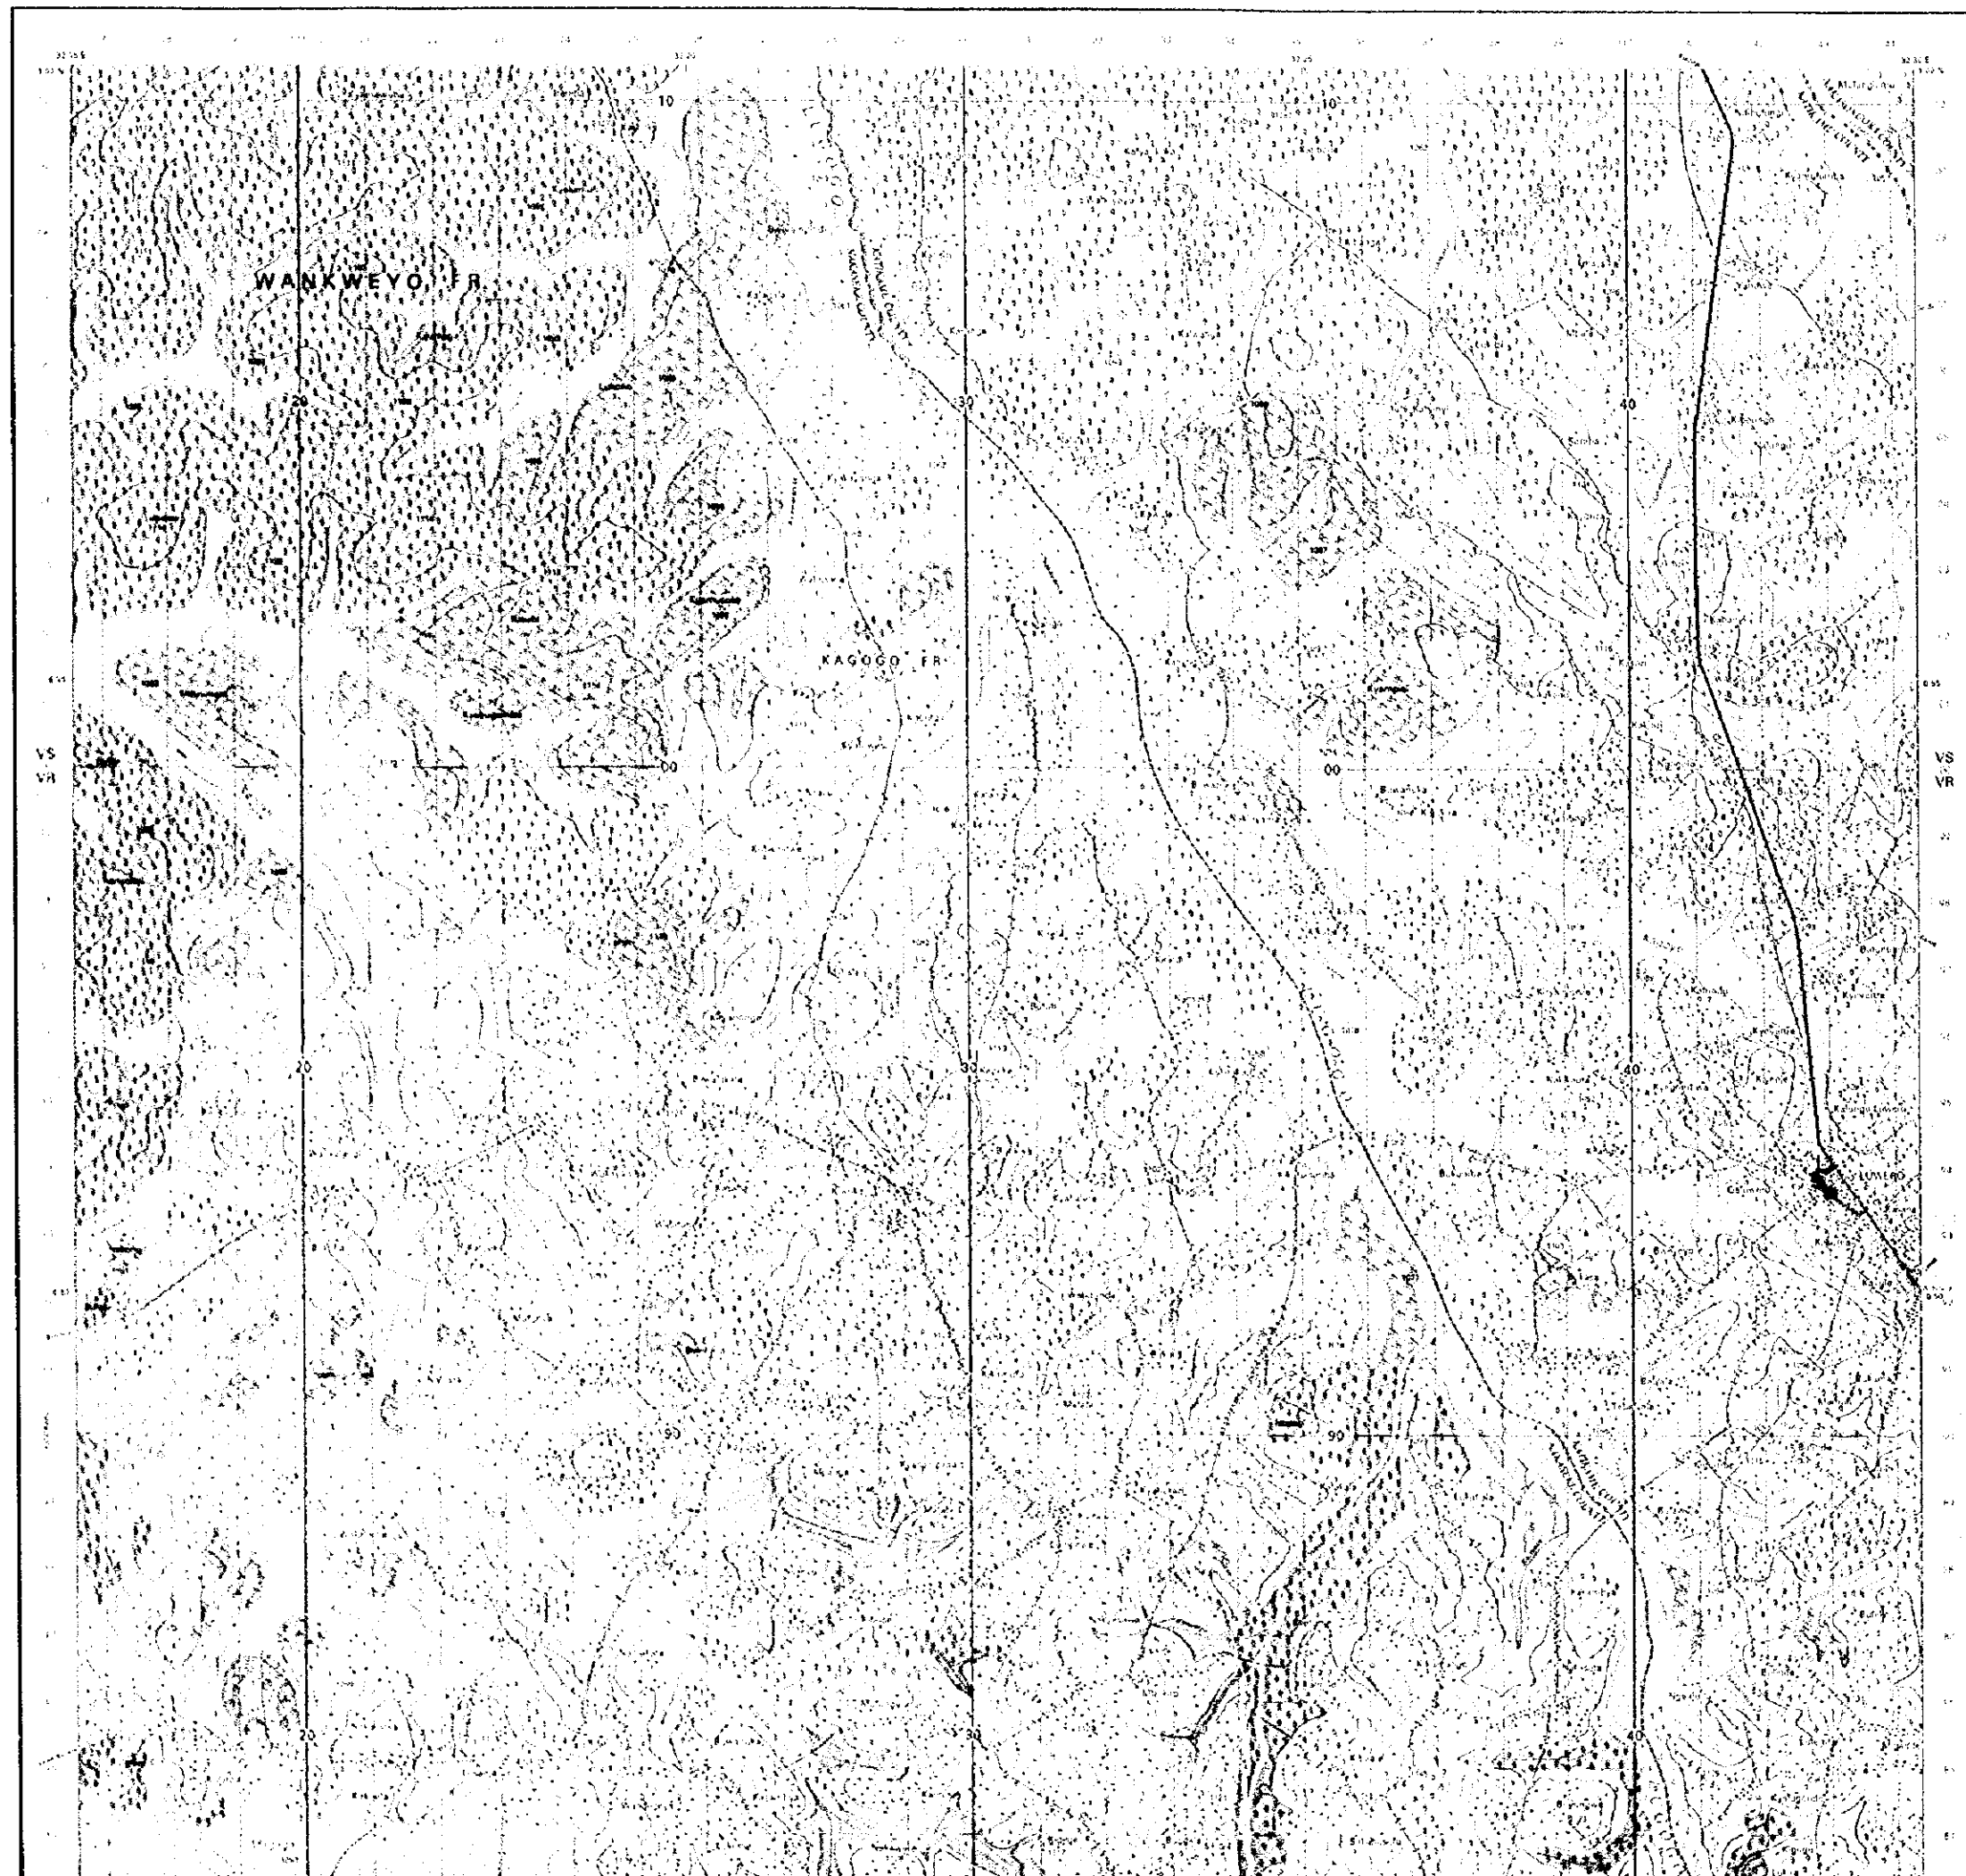

Other Information: There are additional notes and a small diagram on the left side of the block, and a small table or legend on the right side.
