

BUSOLWE

BUSESA

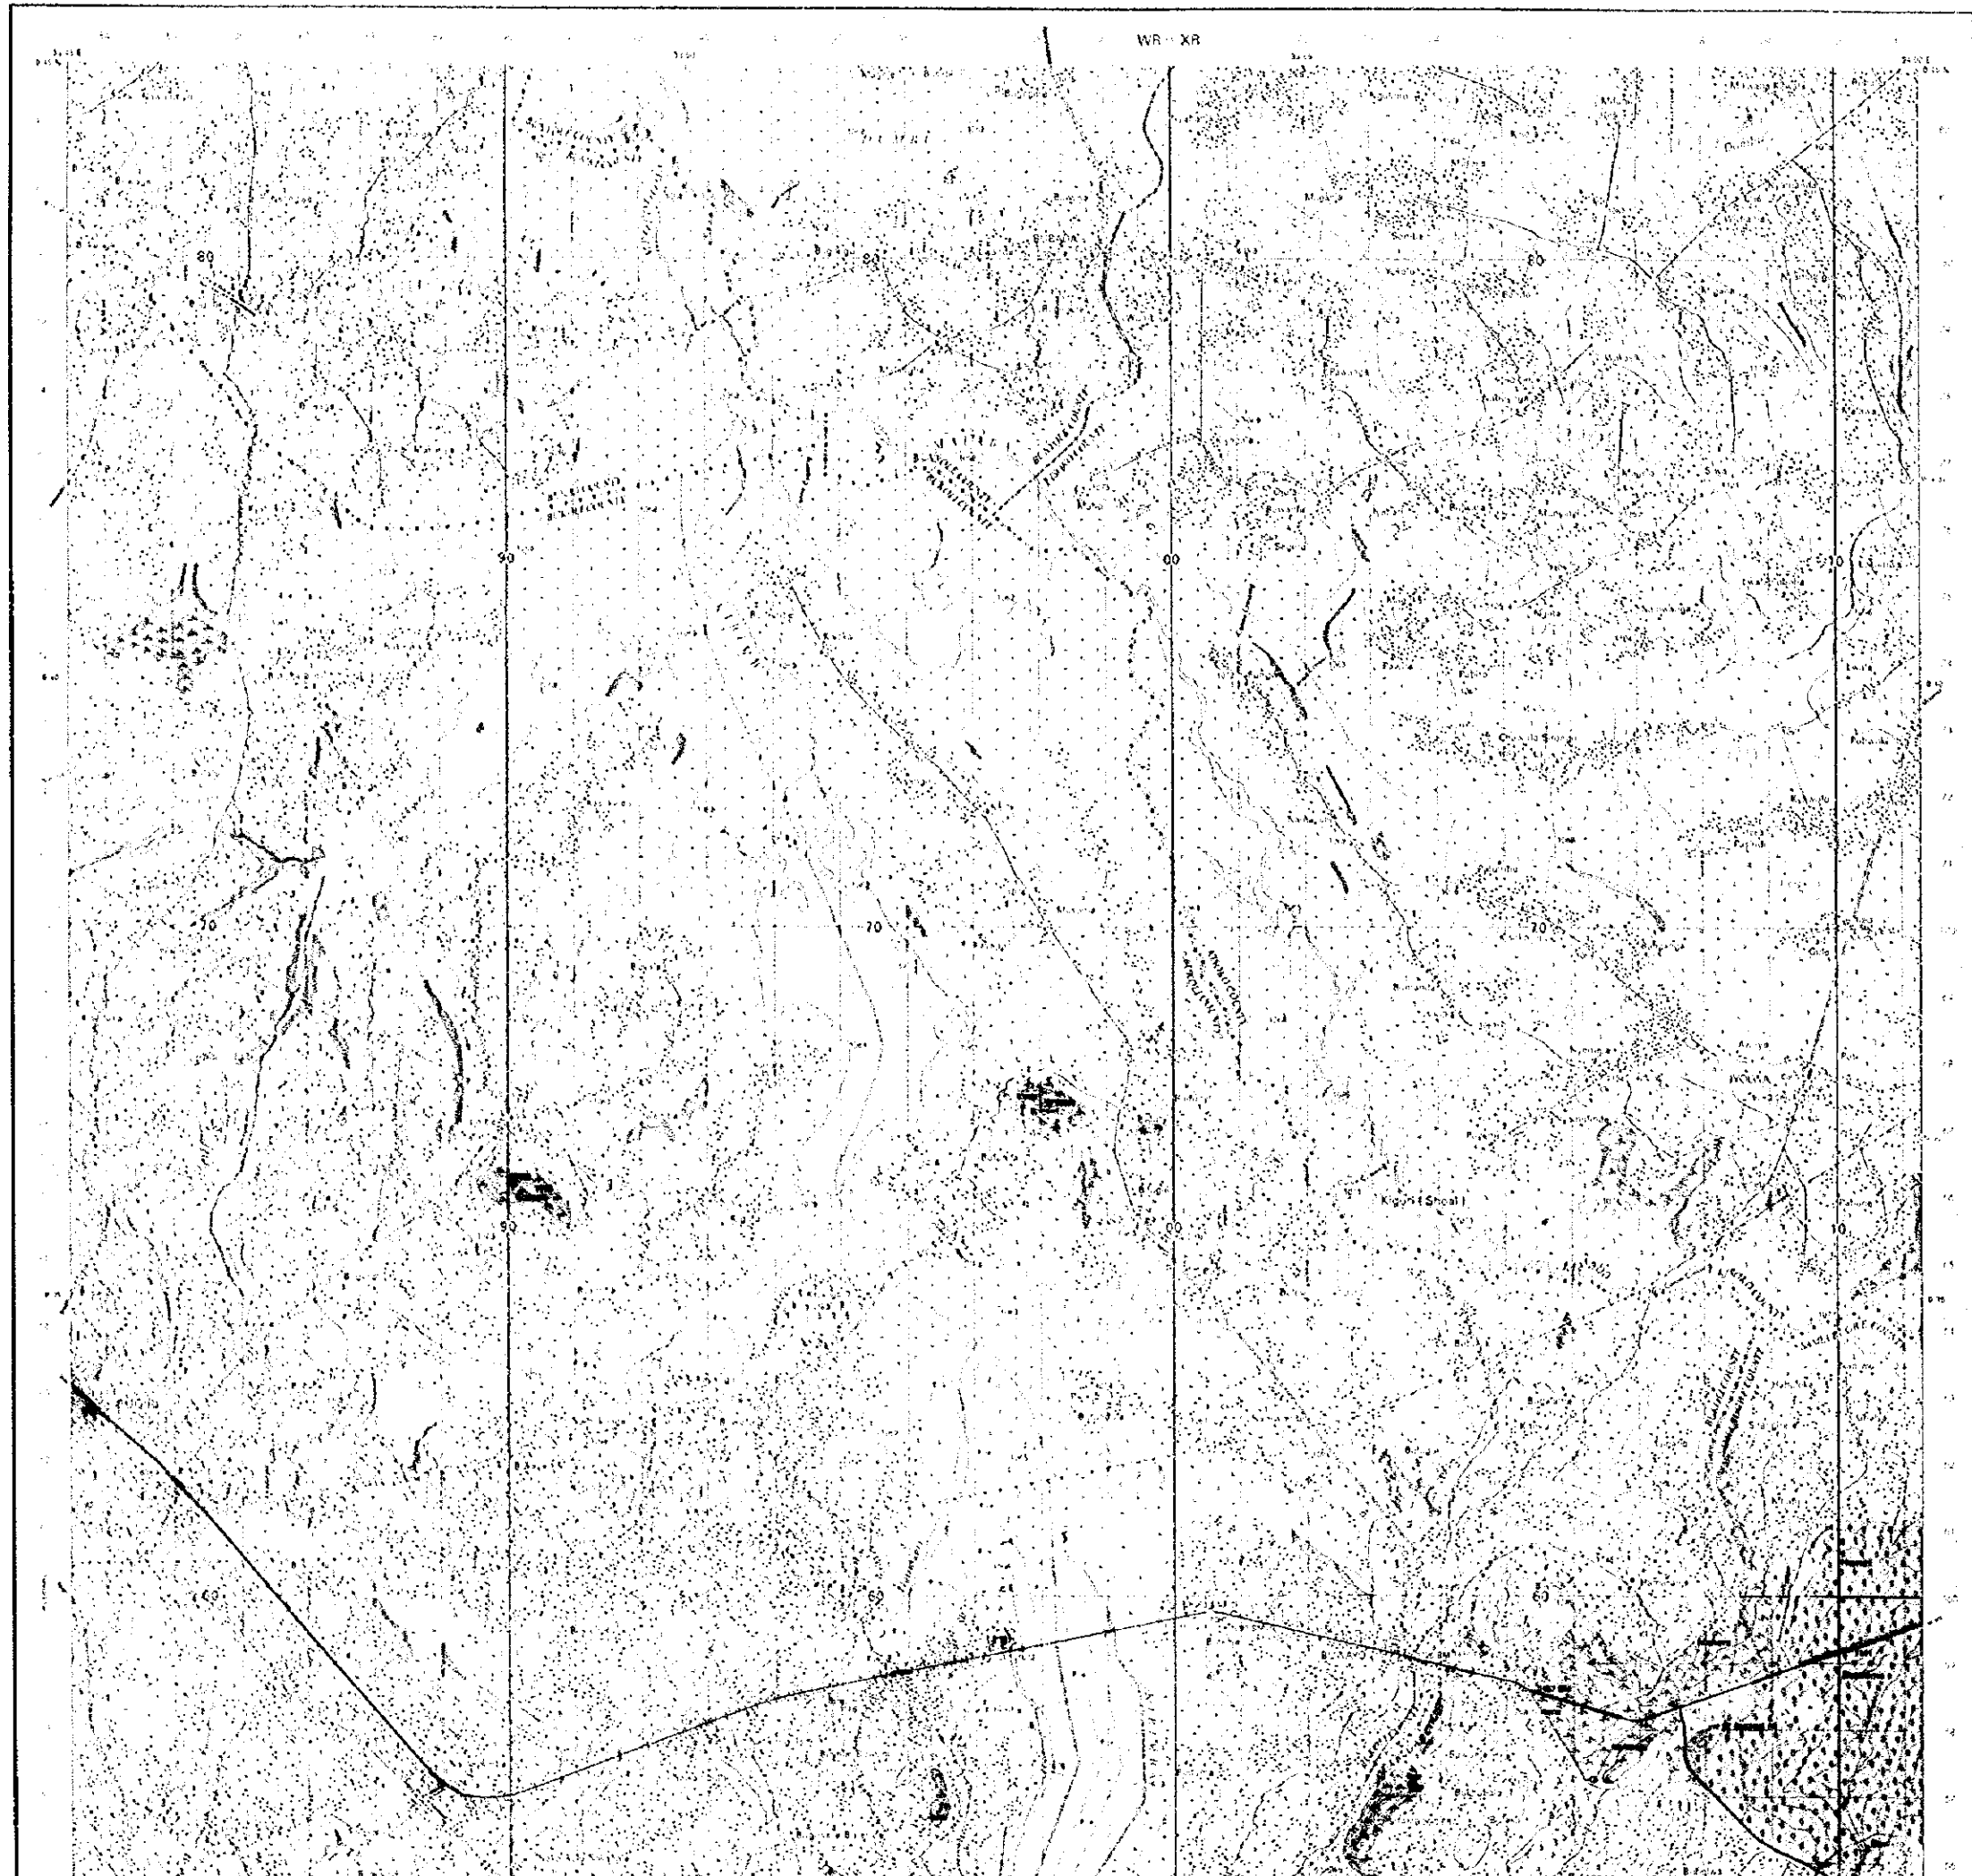

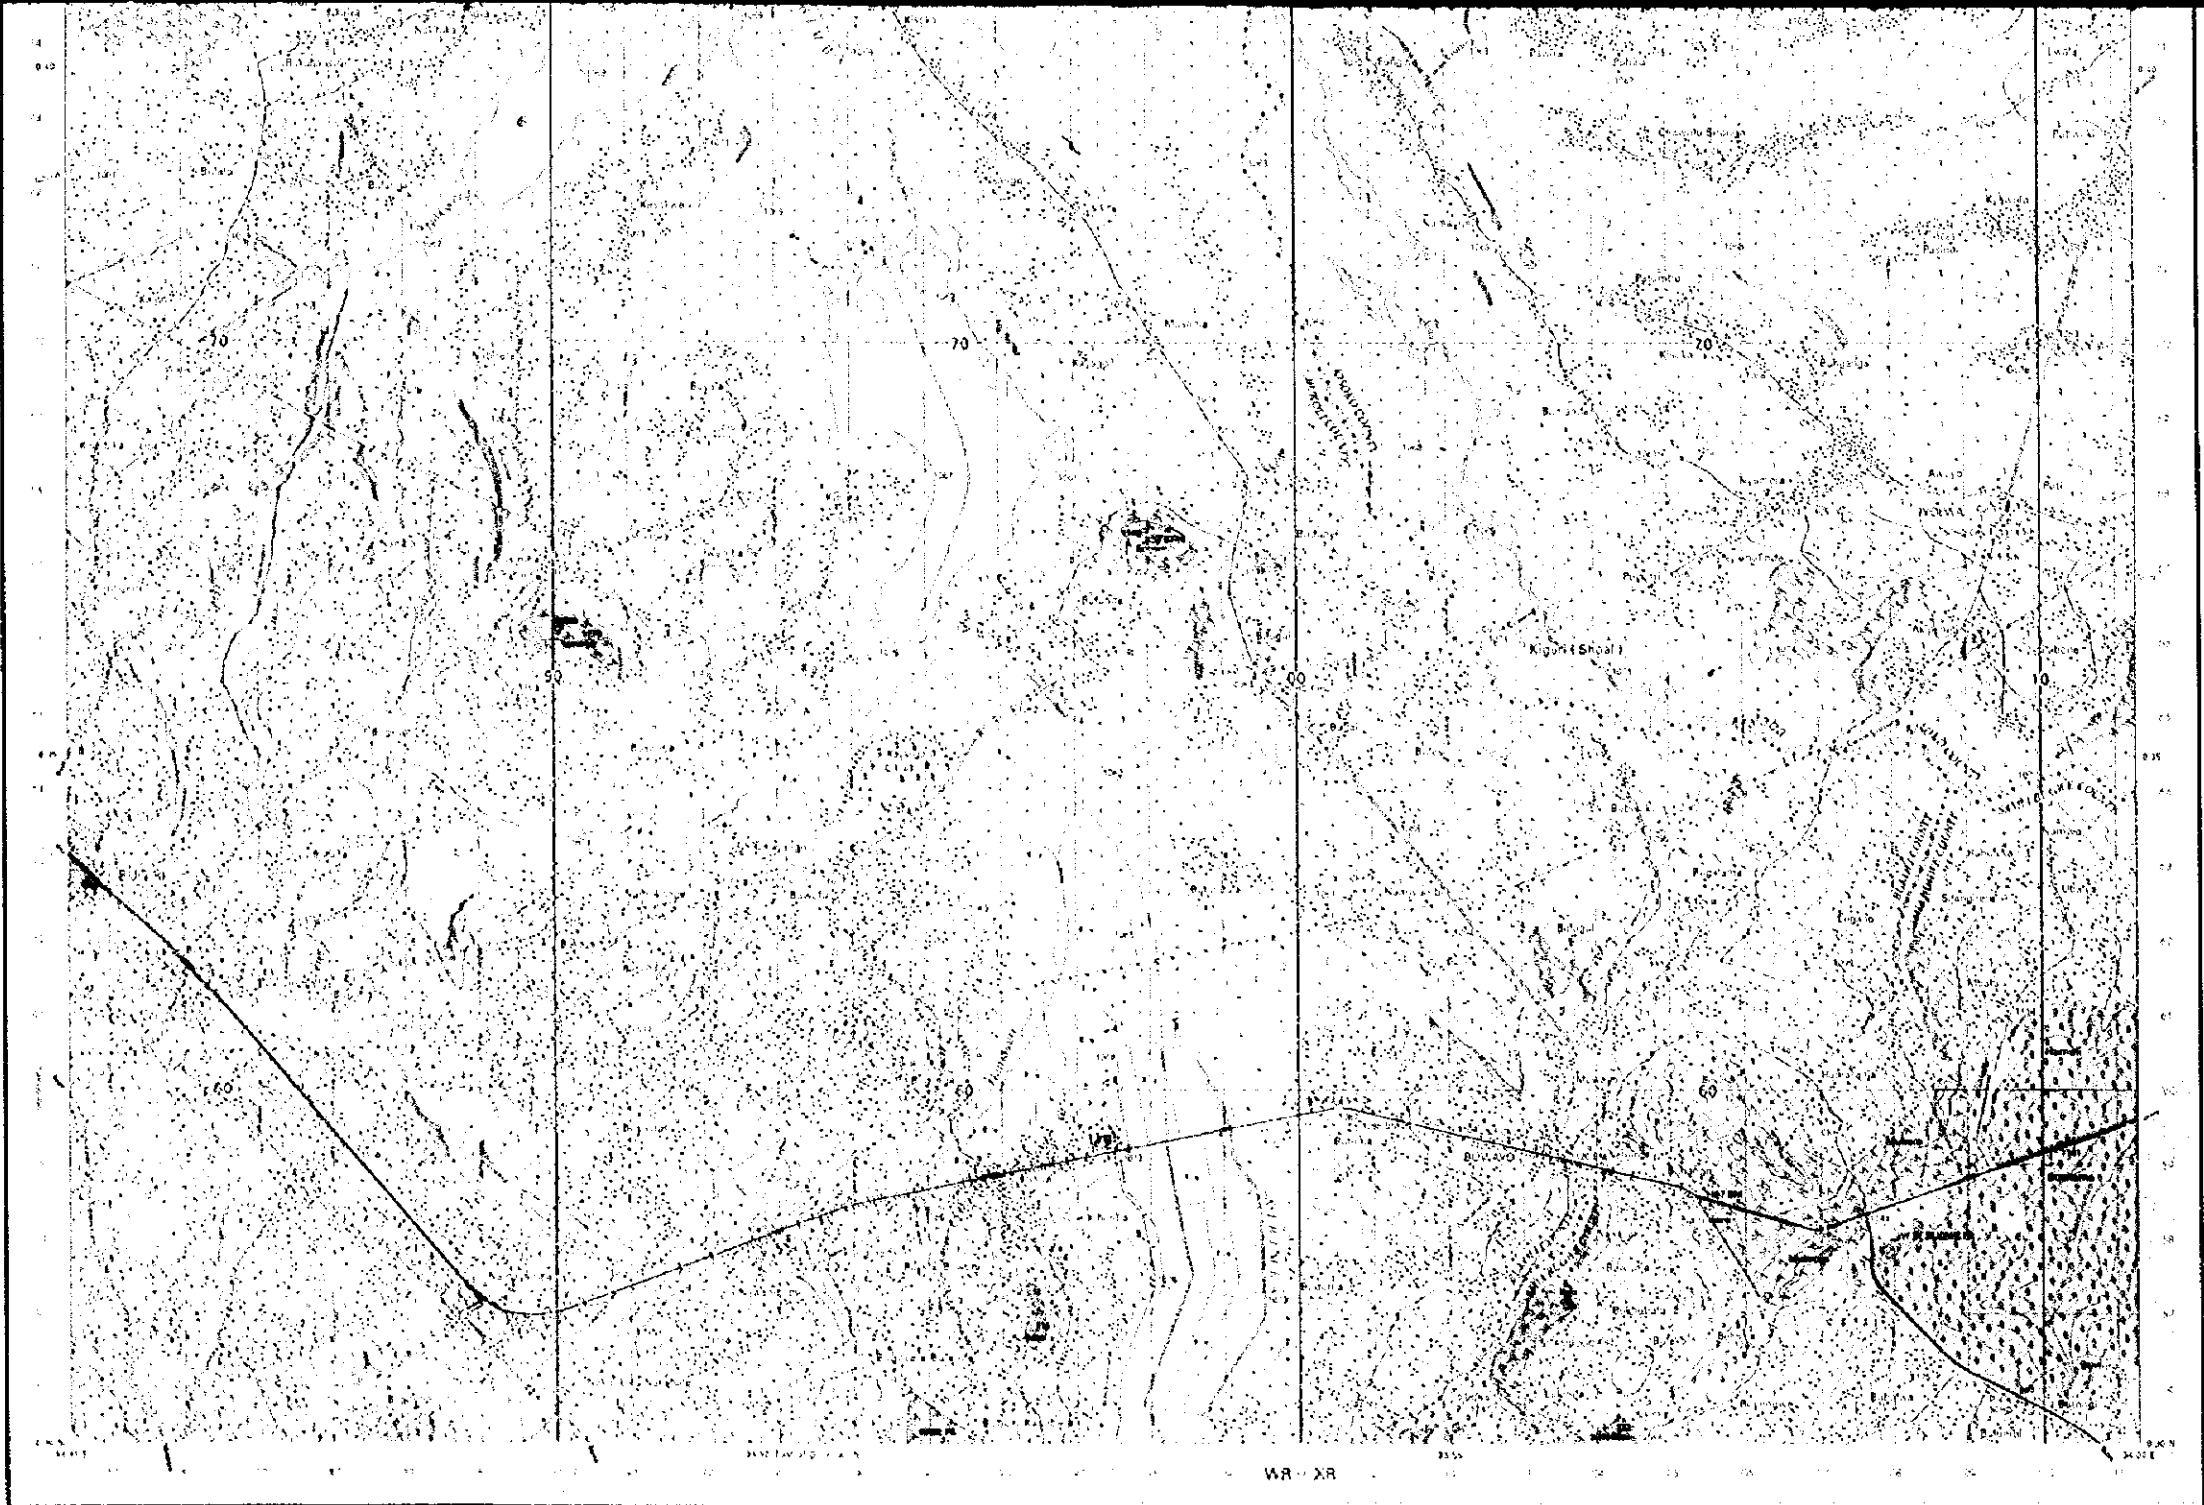

Below the map is a legend and a scale bar. The legend is organized into several columns and rows, detailing symbols for various features:

- Scale:** A horizontal scale bar at the top of the legend section, marked with '0', '100', and '200' meters.
- Legend Columns:**
 - Column 1:** Symbols for contour lines (solid and dashed), rivers, and roads.
 - Column 2:** Symbols for different types of vegetation and forest cover.
 - Column 3:** Symbols for various types of terrain and elevation markers.
 - Column 4:** Symbols for buildings, structures, and other man-made features.
 - Column 5:** Symbols for water bodies and other hydrological features.
- Text:** Vertical text in the legend, including the word 'LEGENDA' and other descriptive labels in a non-Latin script.
- Map Reference:** A small inset map in the bottom right corner showing the location of the main map area within a larger regional context.

At the bottom left of the page, there is a small number '63/3'.

BUGIRI

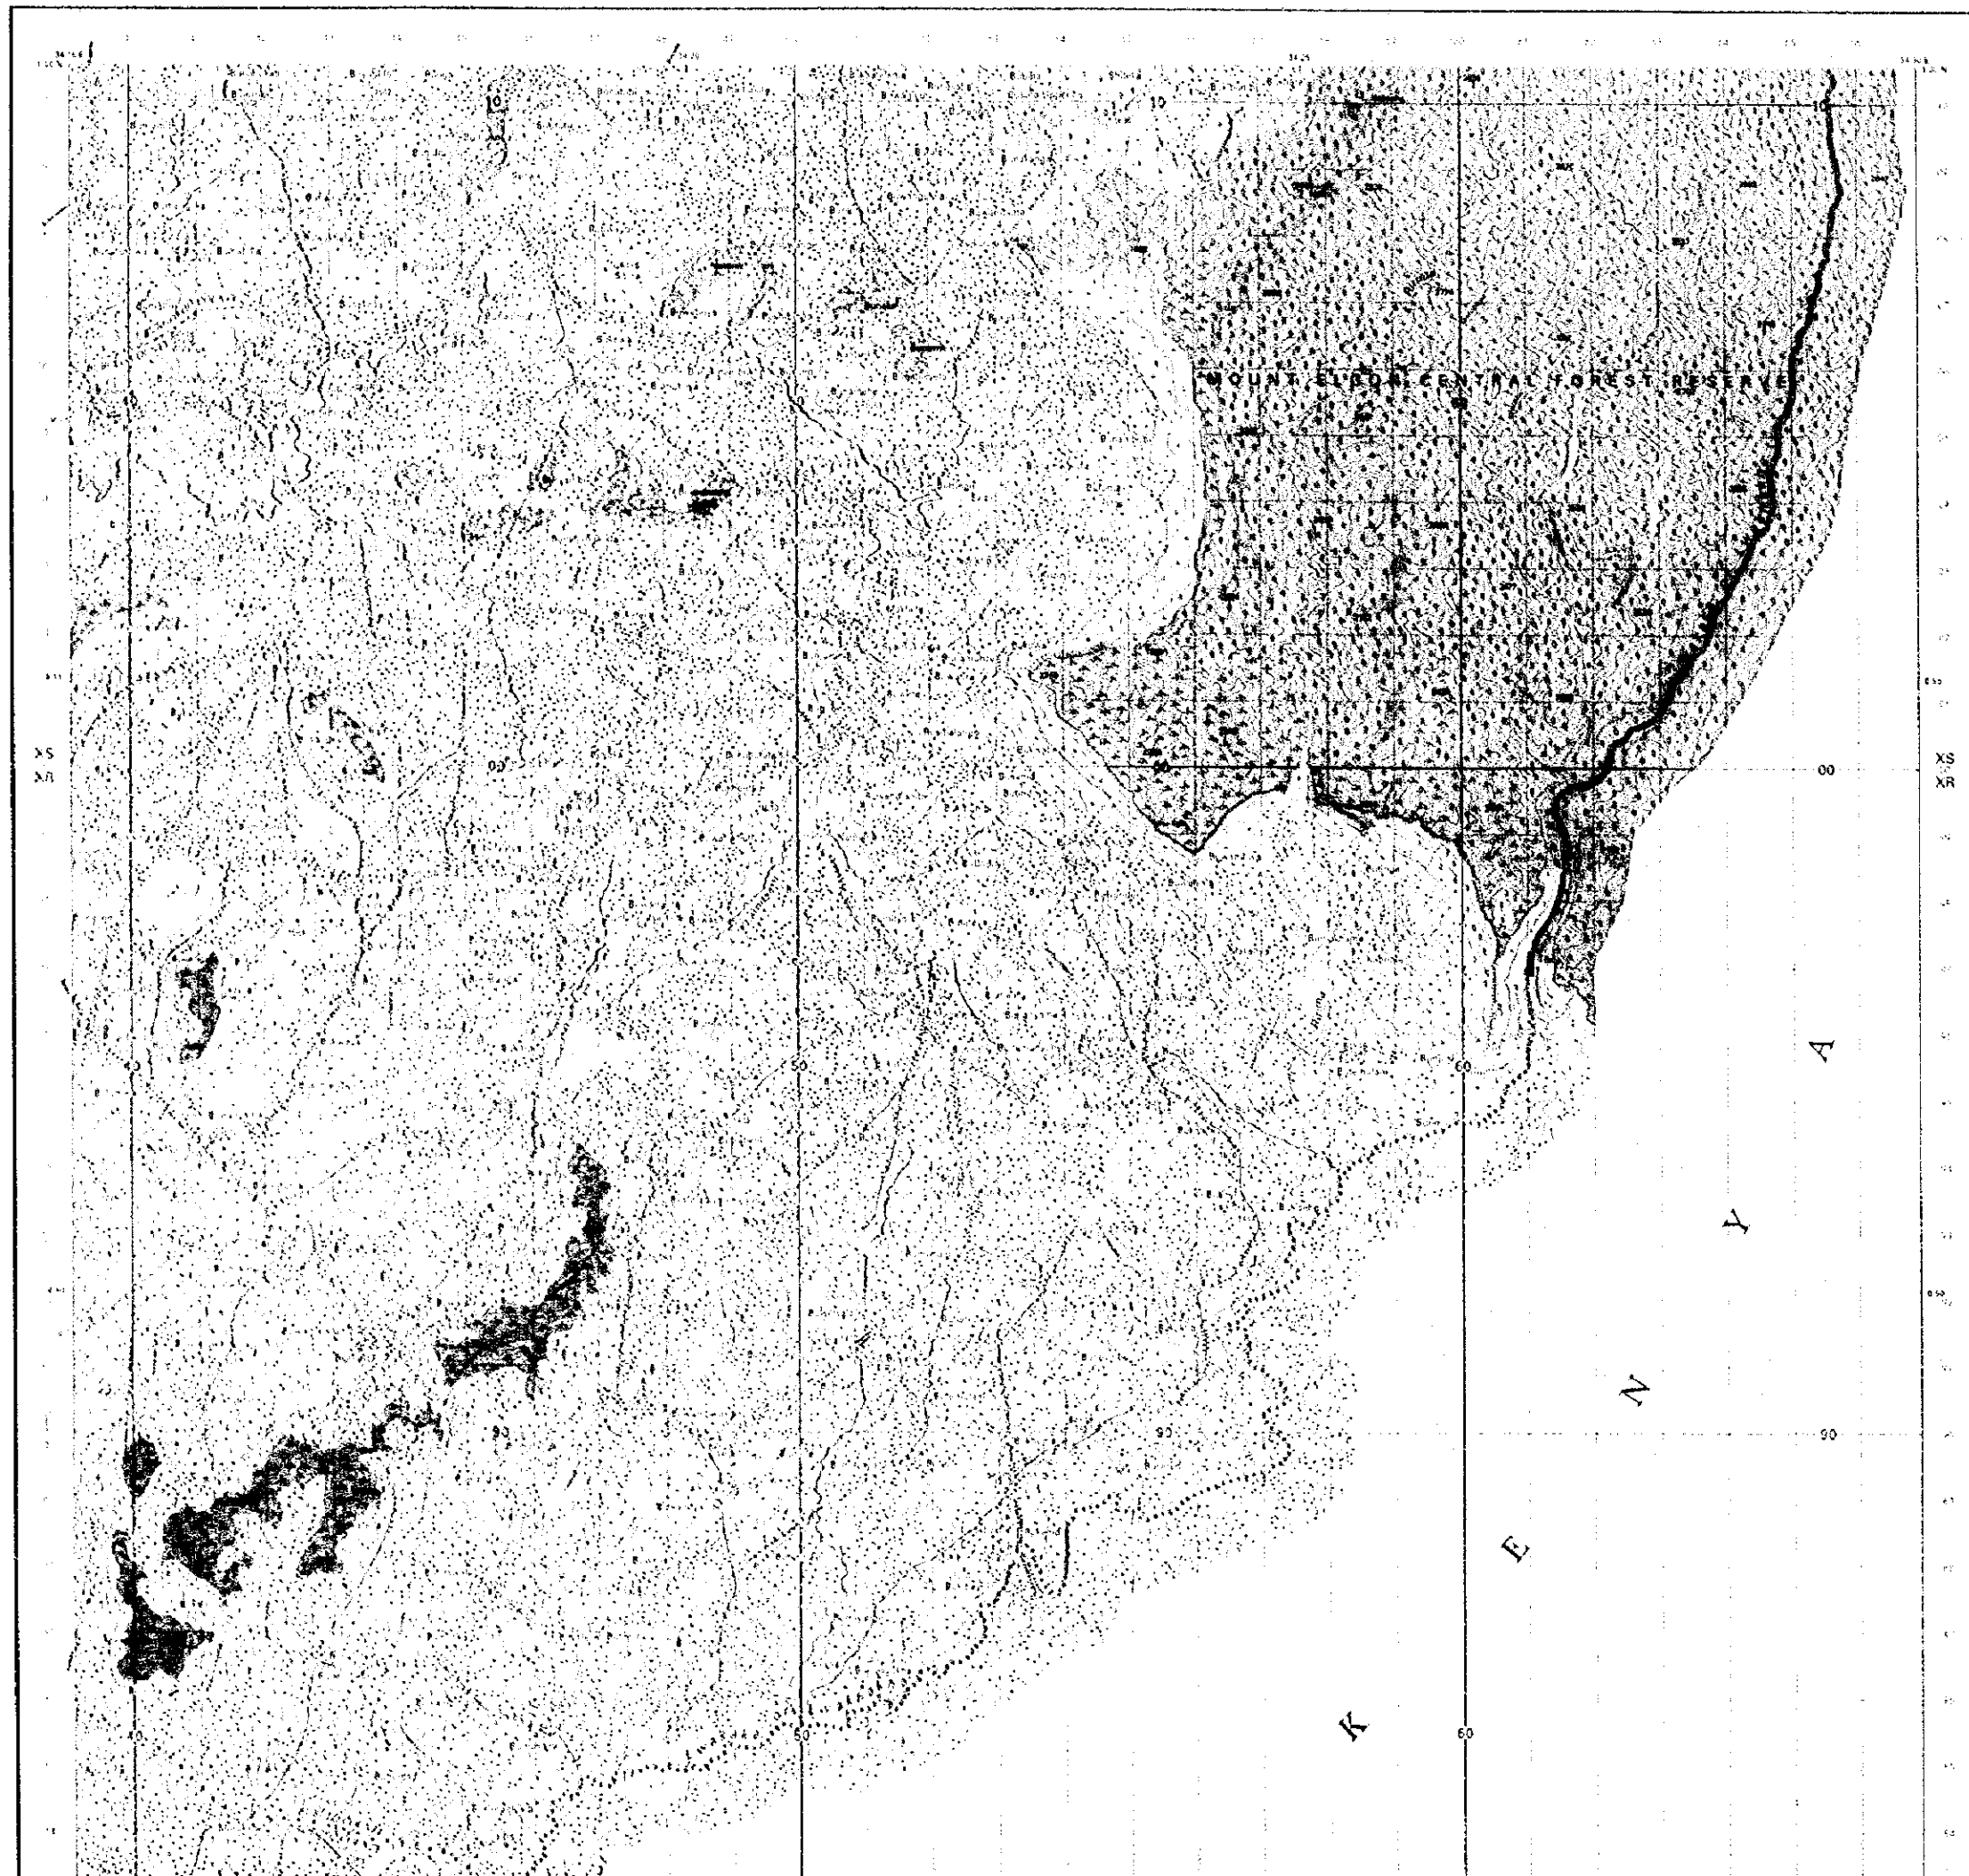

WR XR

Below the chart is a series of technical diagrams and tables. On the left, there is a small diagram of a coastline. In the center, there is a large diagram showing a series of vertical lines and dots, possibly representing a survey track or a specific navigational pattern. To the right of this diagram is a table with several rows and columns, containing various symbols and text. Below the table, there is a small diagram of a compass rose. At the bottom right, there is a small table with the following content:

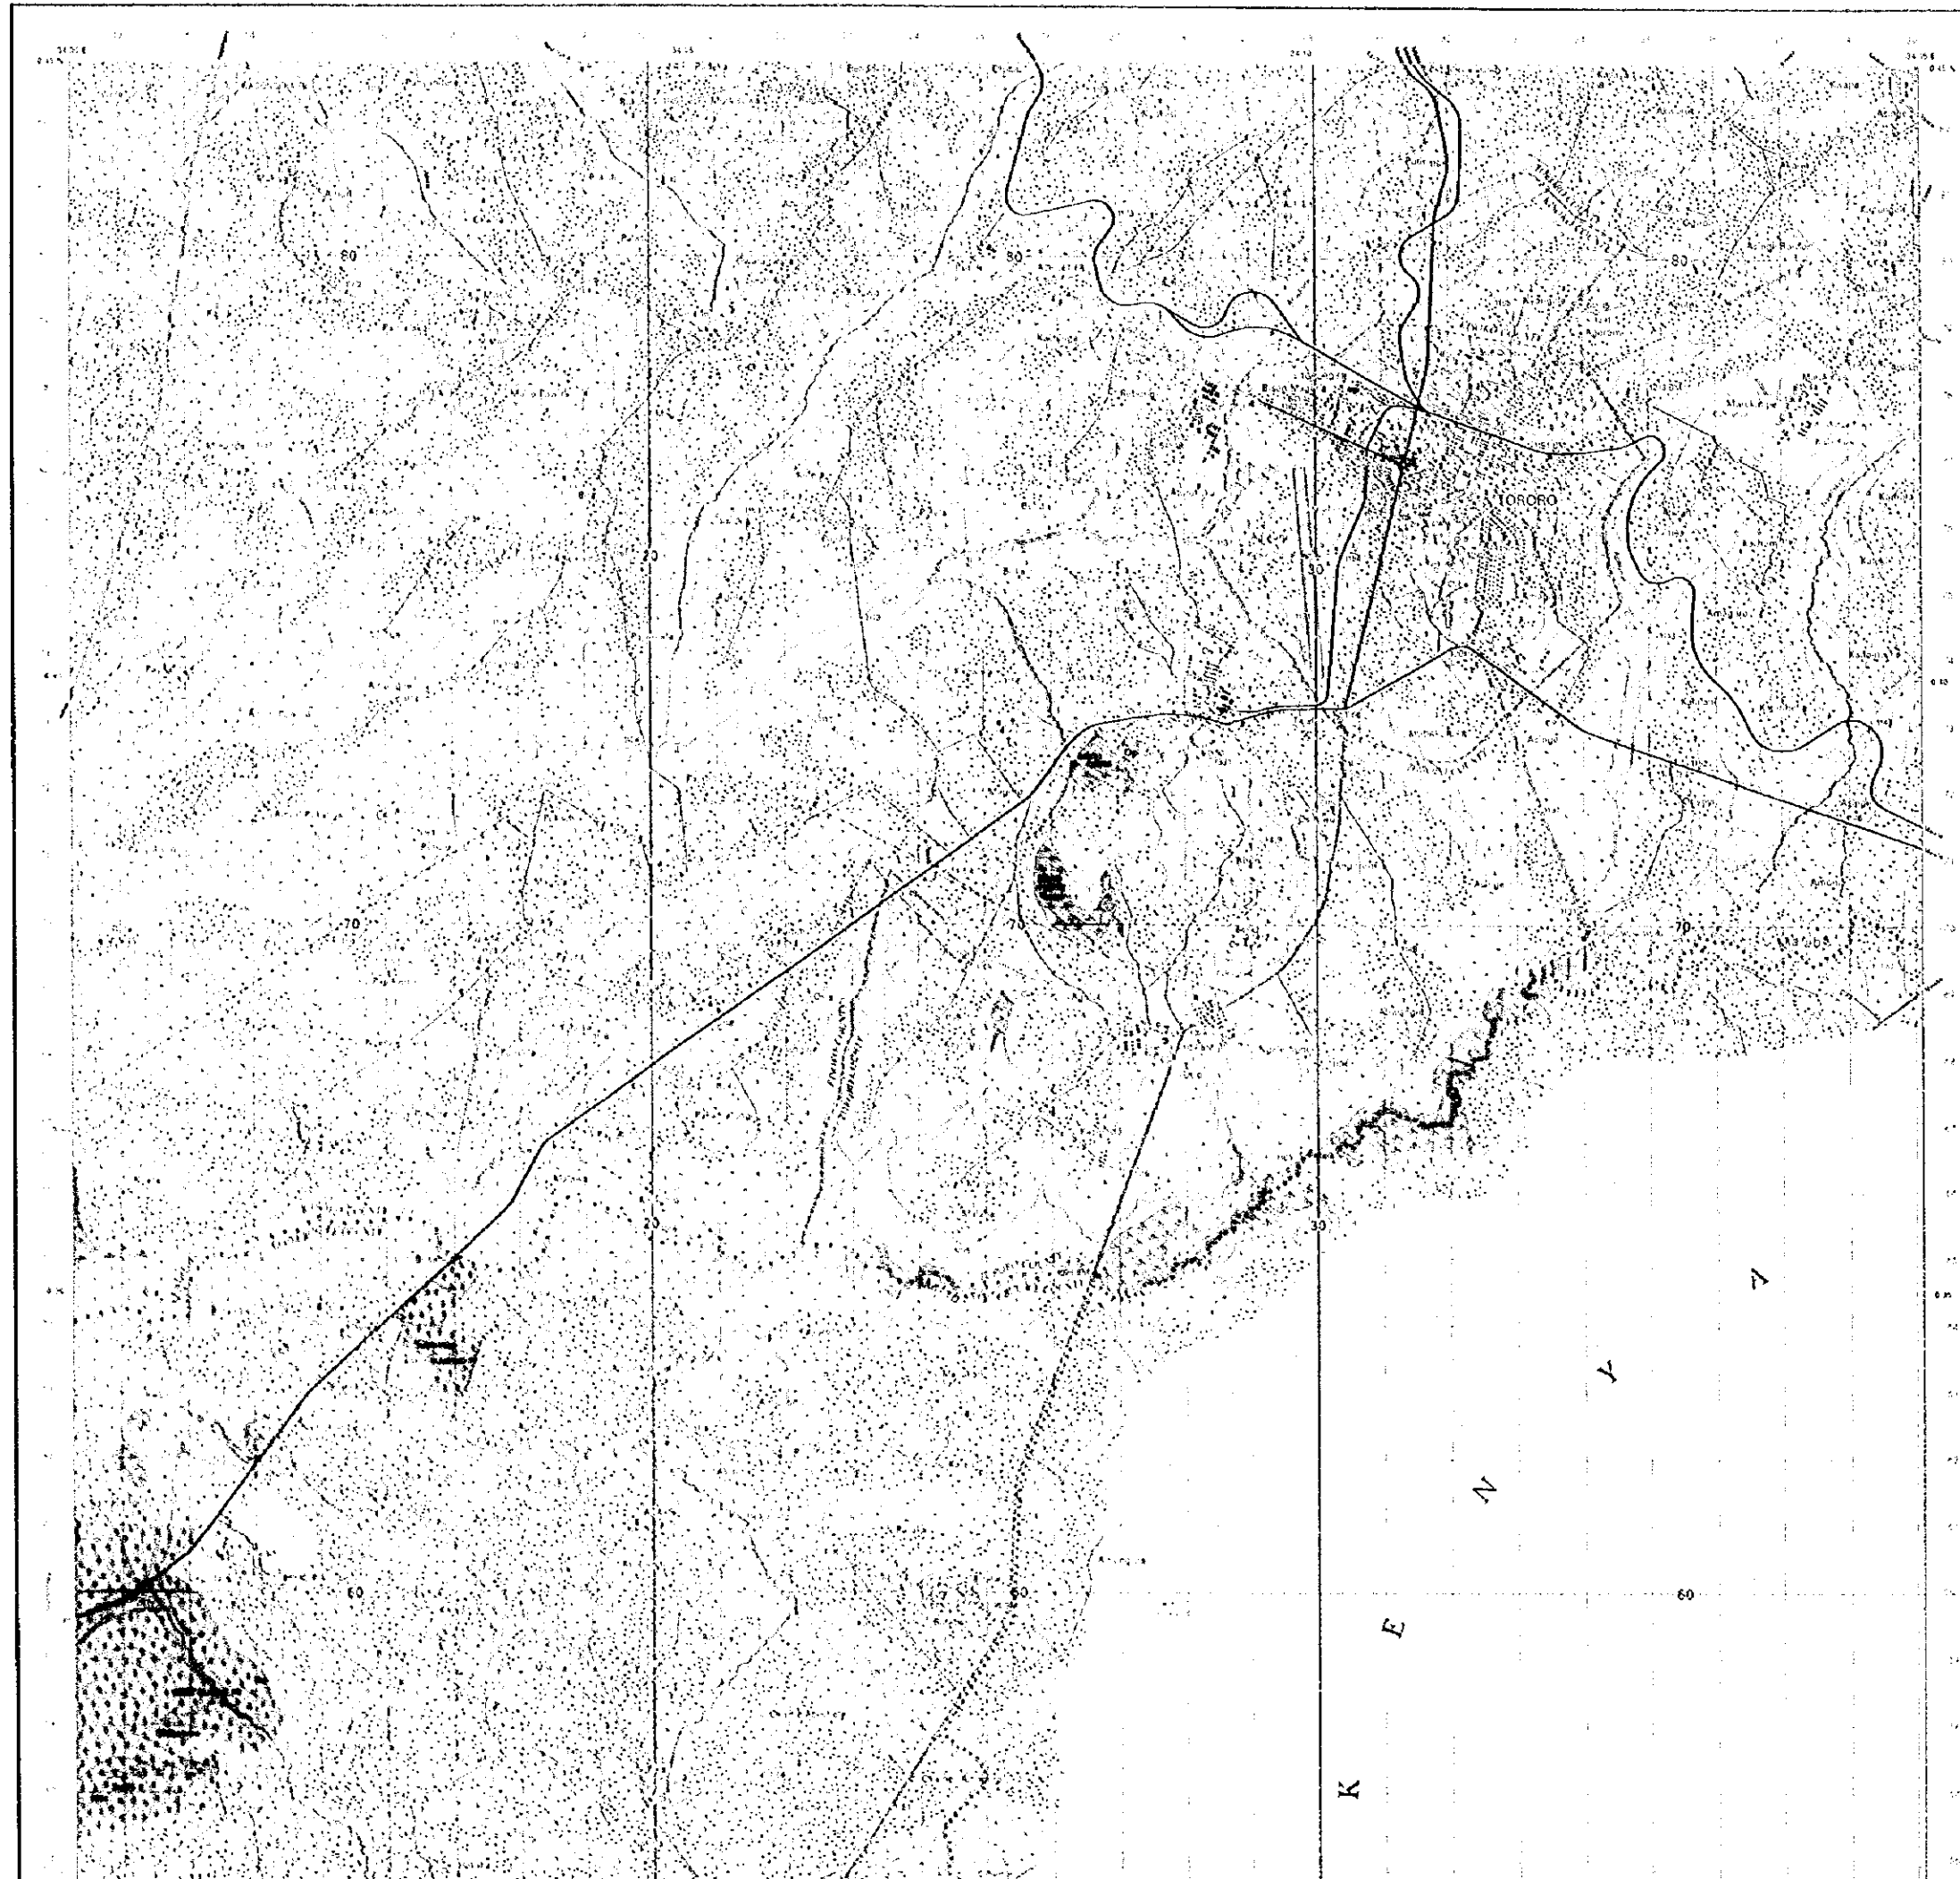

WR	XR
----	----

At the bottom left of the page, the number 634 is printed.
