Notes

1. From 1989 onwards, the Multilateral spend includes contributions to IPPF Sexual Health Programme.
2. £3m of the UNFPA 1990 contribution was actually paid in February 1991 but is included in the 1990 figure.
3. The 1994 aid disbursement includes HIV/AIDS for the first time. All projects falling under the Government's Children by Choice initiative are included from this year onwards.
4. Amounts spend under 'Other' in 1994 have increased substantially due to support for the International Conference on Population and Development (ICPD) - see annex 6.
