CONTENTS

APPENDIX A

LARGE POWER USERS FIGURES of electricity consumption for major Municipalities and Mines.

- A.1 Windhoek Municipality
- A.2 Walvis Bay Municipality
- A.3 Swakopmund Municipality
- A.4 Otjiwarongo Municipality
- A.5 Oshakati Municipality

- A.6 Okahandja Municipality
- A.7 Lüderitz Municipality
- A.8 Keetmanshoop Municipality
- A.9 Mariental Municipality
- A.10 Rest of Proclaimed Municipalities and Towns

- A.11 Uranium Mining
- A.12 Diamond Mining
- A.13 Copper Mining
- A.14 Gold Mining
- A.15 Zinc Mining
- A.16 Other Mining

APPENDIX B

SMALL POWER USERS FIGURES.

Household forecasts by Region and Sales per Class by Region.

- B.1 Caprivi Region Household Growth
- B.2 Erongo Region Household Growth
- B.3 Hardap Region Household Growth
- B.4 Karas Region Household Growth
- B.5 Khomas Region Household Growth

- B.6 Kunene Region Household Growth
- B.7 Oshana Region Household Growth
- B.8 Okavango Region Household Growth
- B.9 Omaheke Region Household Growth
- B.10 Omusati Region Household Growth

- B.11 Oshana Region Household Growth
- B.12 Oshikoto Region Household Growth
- B.13 Otjozondjupa Region Household Growth
- B.14 Namibia Household Growth
- B.15 Ovambo Regions Household Growth

- B.16 Caprivi Rural Electrification Forecast
- B.17 Erongo Rural Electrification Forecast
- B.18 Hardap Rural Electrification Forecast
- B.19 Karas Rural Electrification Forecast
- B.20 Khomas Rural Electrification Forecast

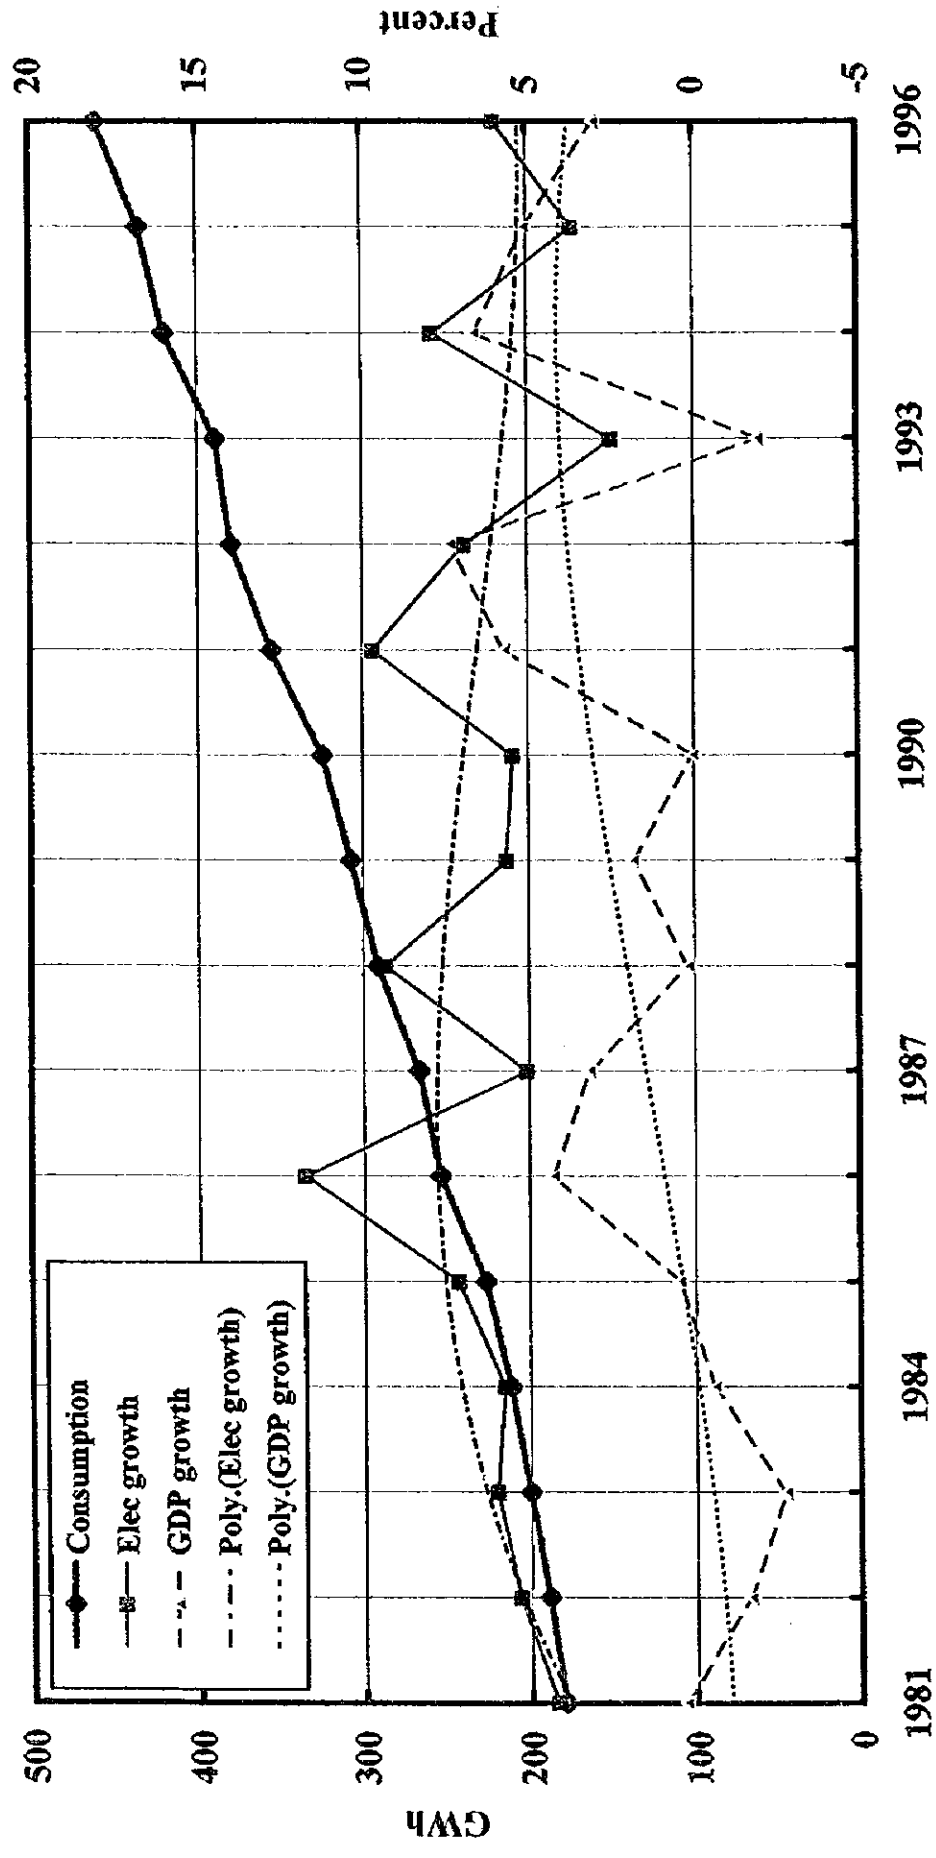

- B.21 Kunene Rural Electrification Forecast
- B.22 Oshana Rural Electrification Forecast
- B.23 Okavango Rural Electrification Forecast
- B.24 Omaheke Rural Electrification Forecast
- B.25 Omusati Rural Electrification Forecast

- B.26 Oshana Rural Electrification Forecast
- B.27 Oshikoto Rural Electrification Forecast
- B.28 Otjozondjupa Rural Electrification Forecast
- B.29 Rural Sales Forecast by Region

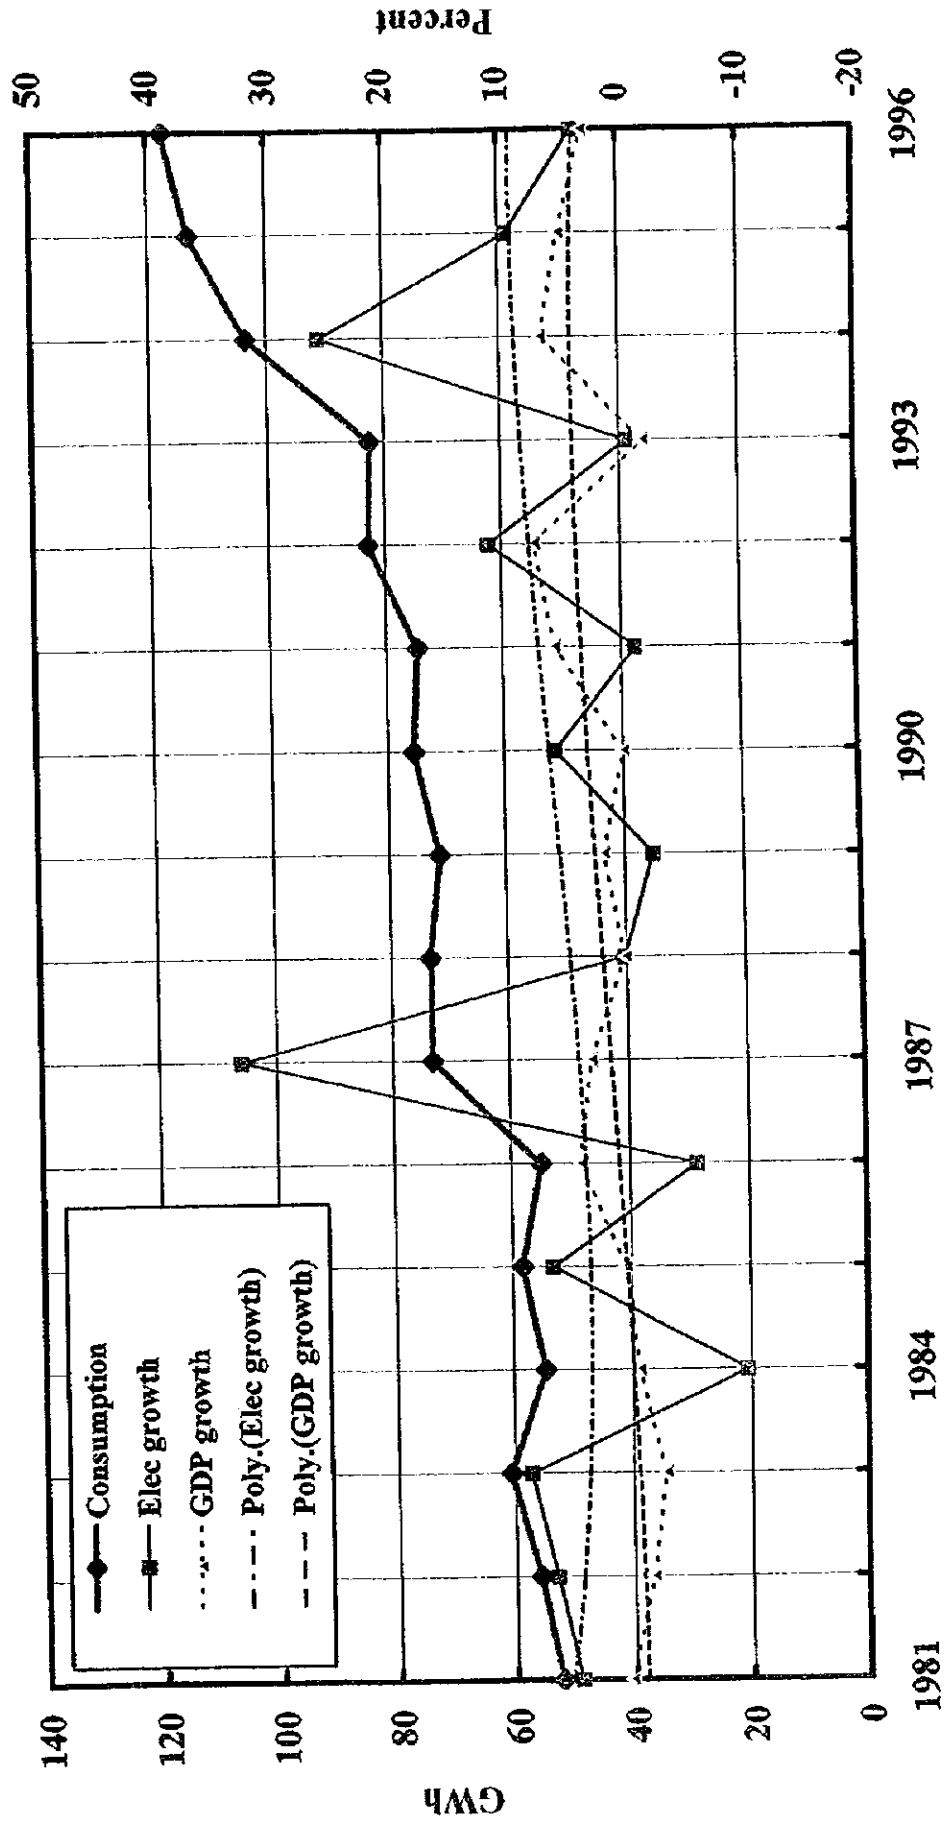

APPENDIX A

**LARGE POWER USERS FIGURES of electricity consumption for major
Municipalities and Mines.**

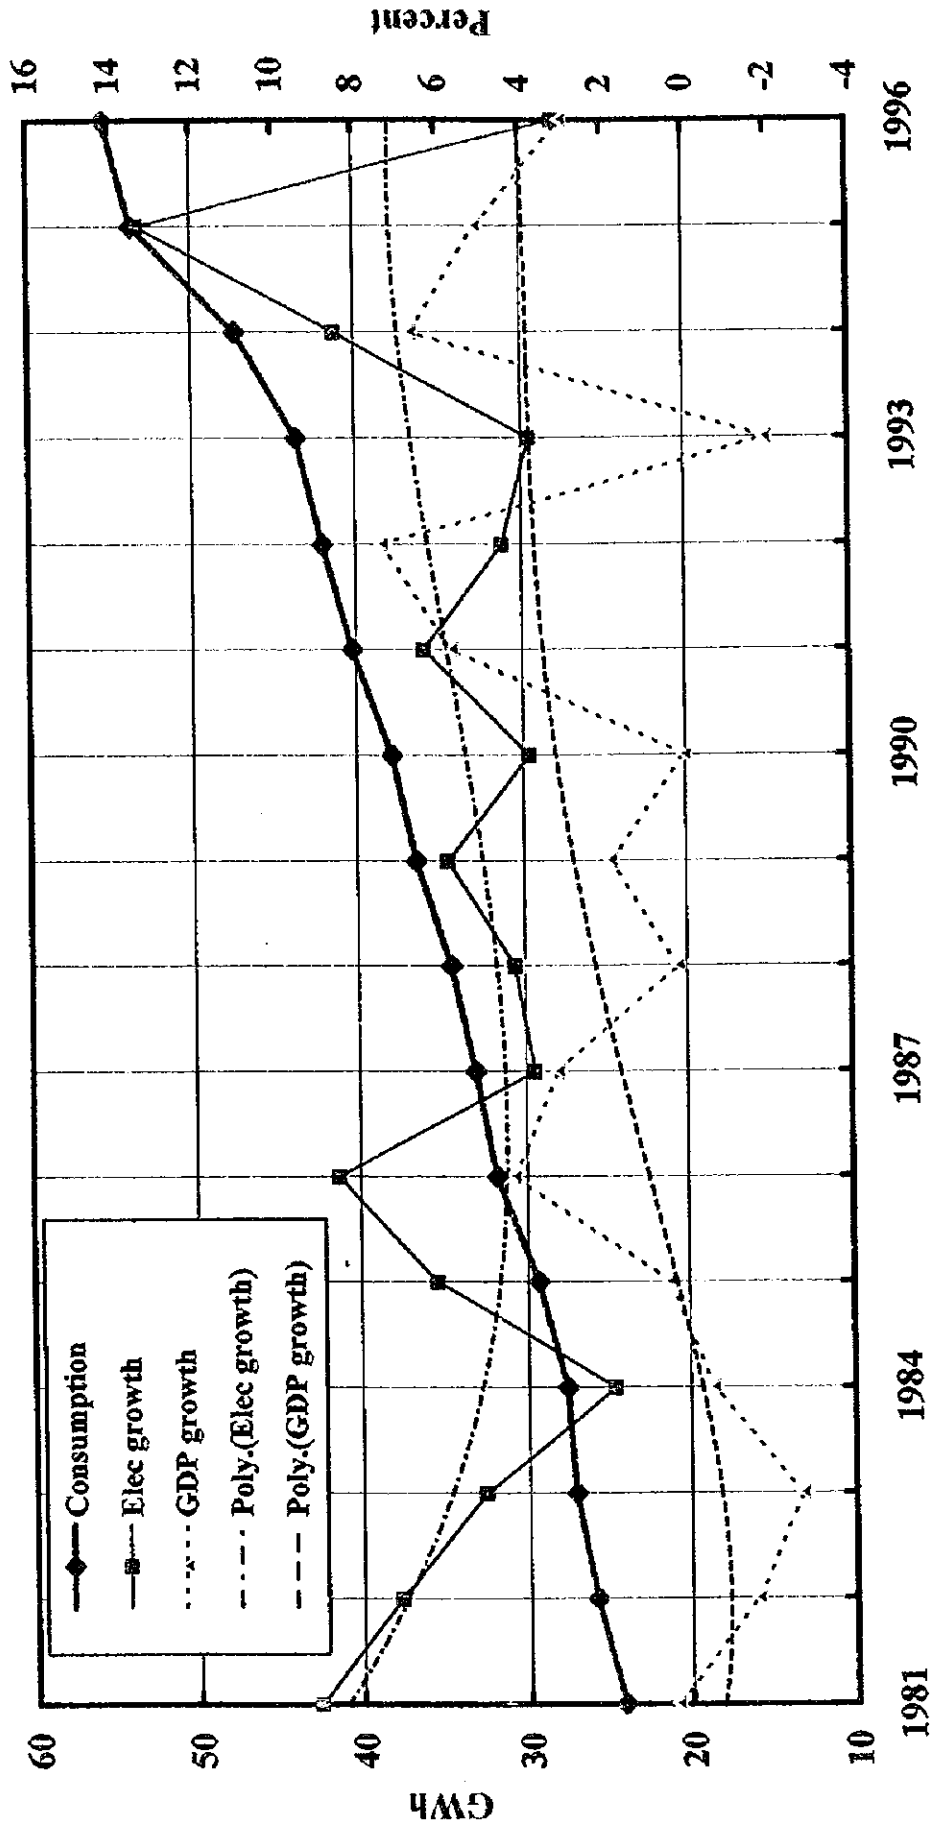

A.1 Windhoek Municipality Electricity Consumption

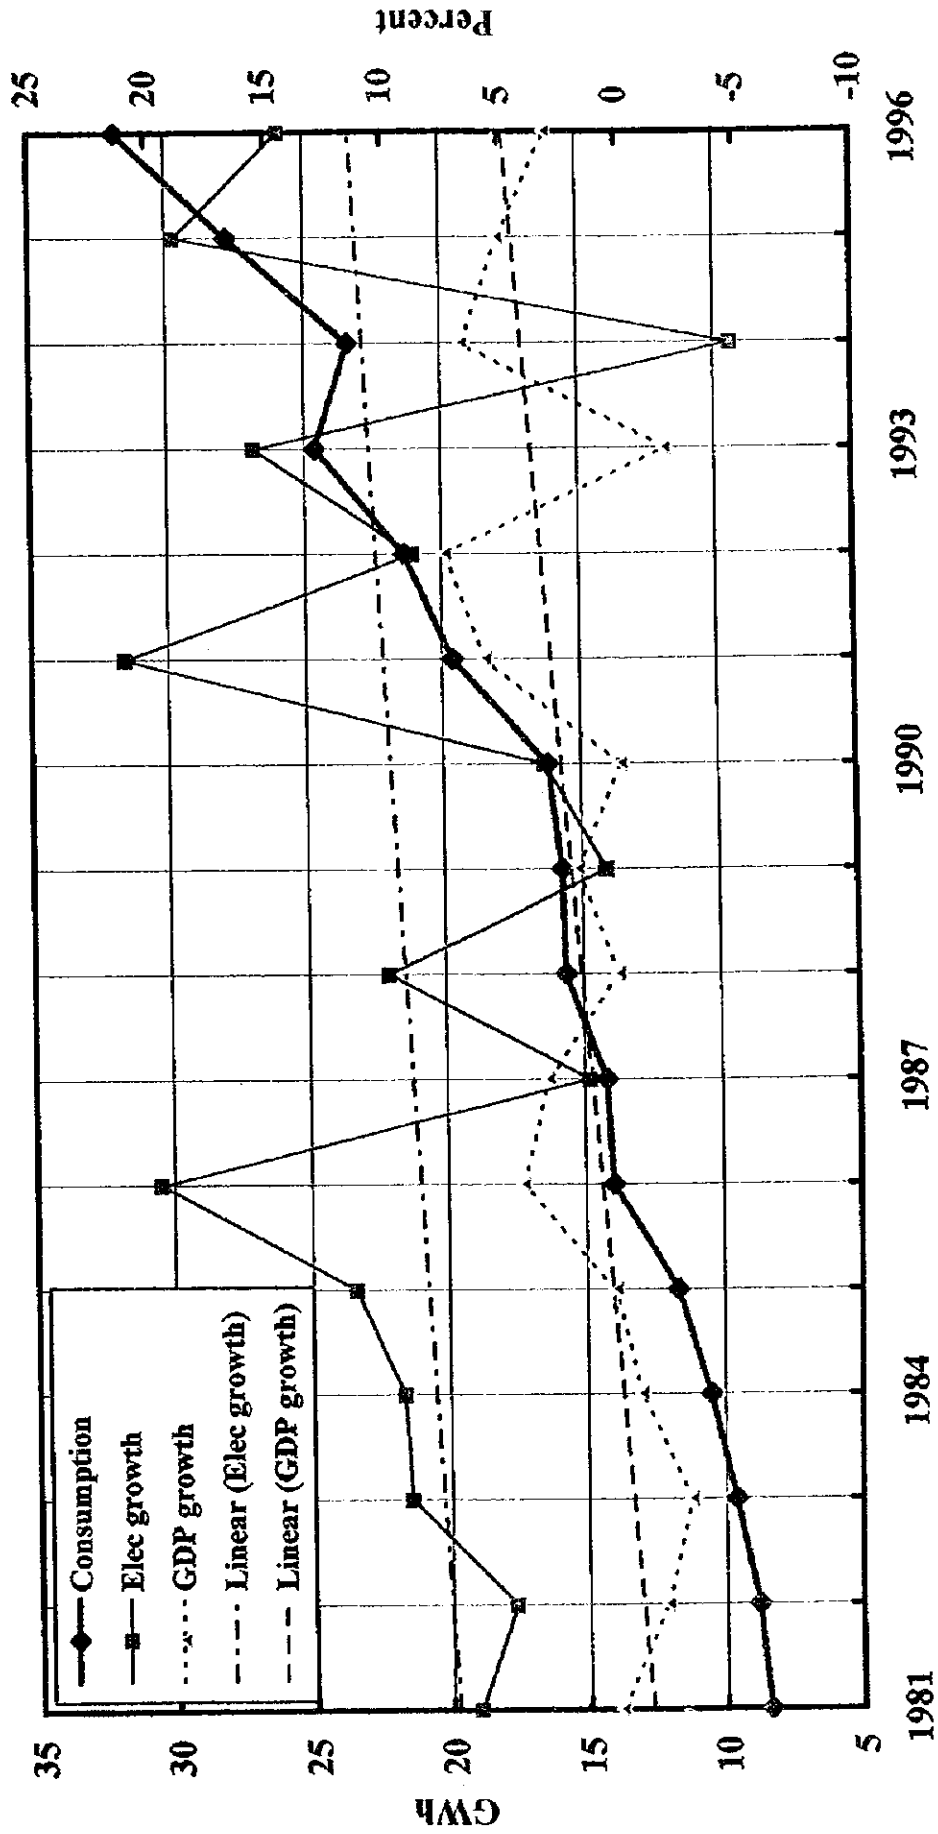

**A.2 Walvis Bay Municipality
Electricity Consumption**

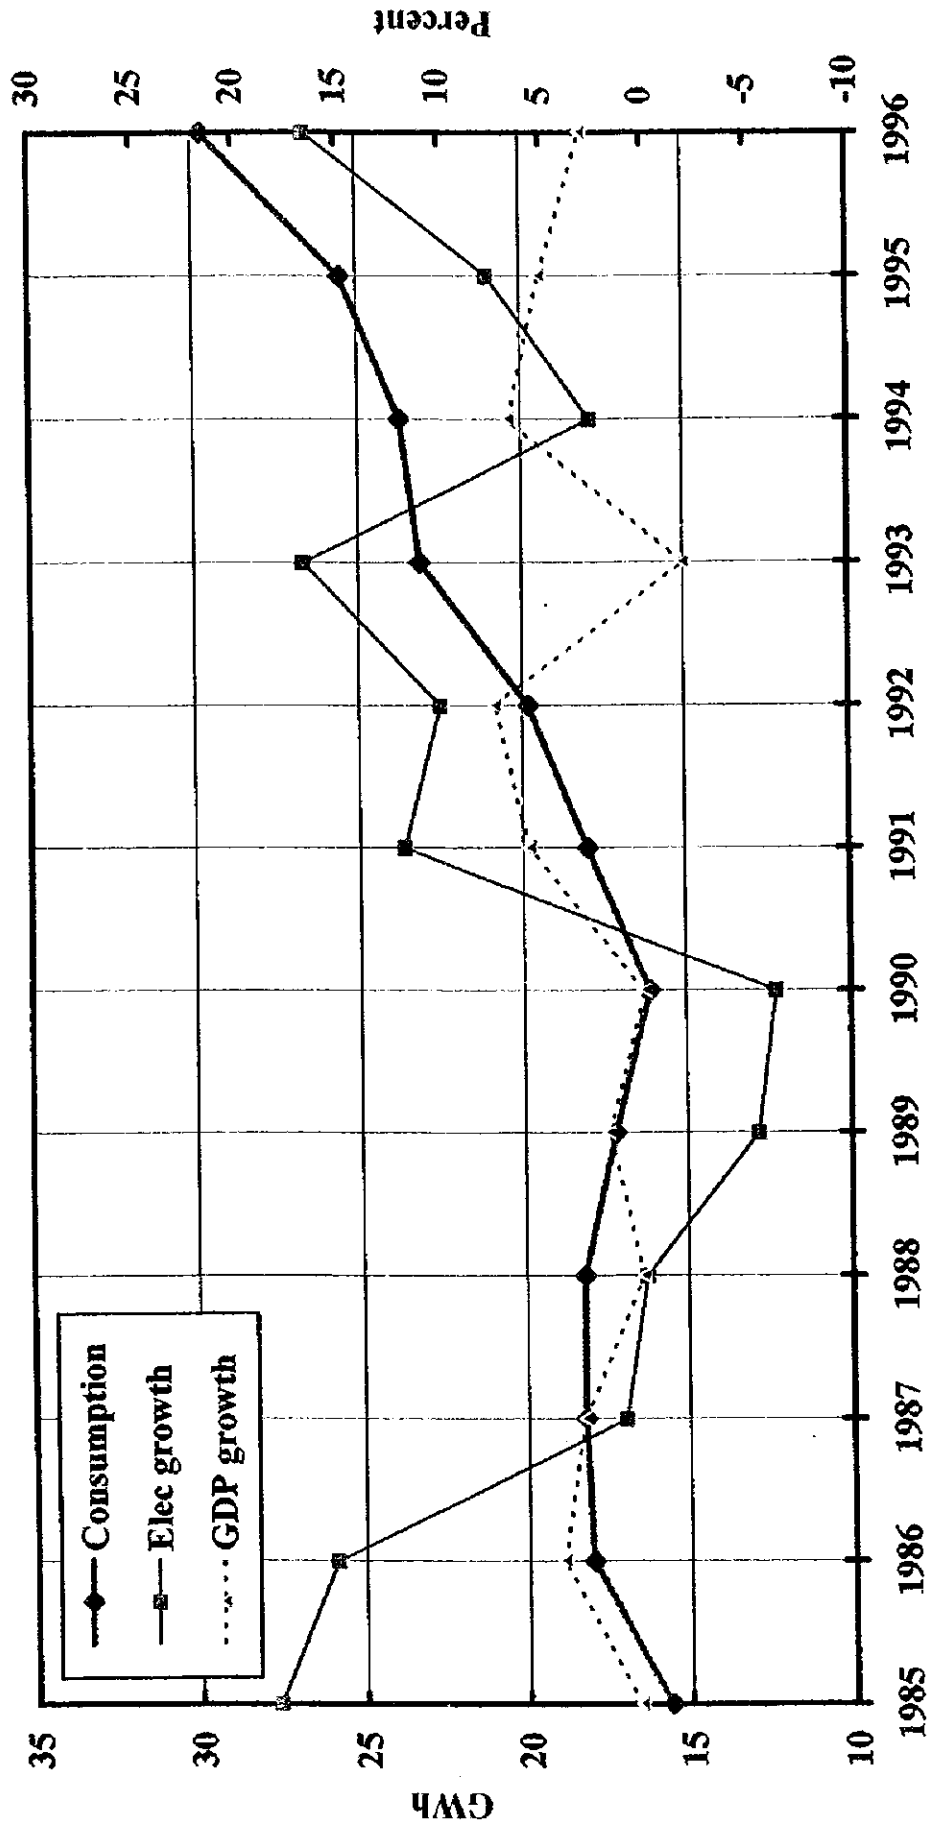

**A.3 Swakopmund Municipality
Electricity Consumption**

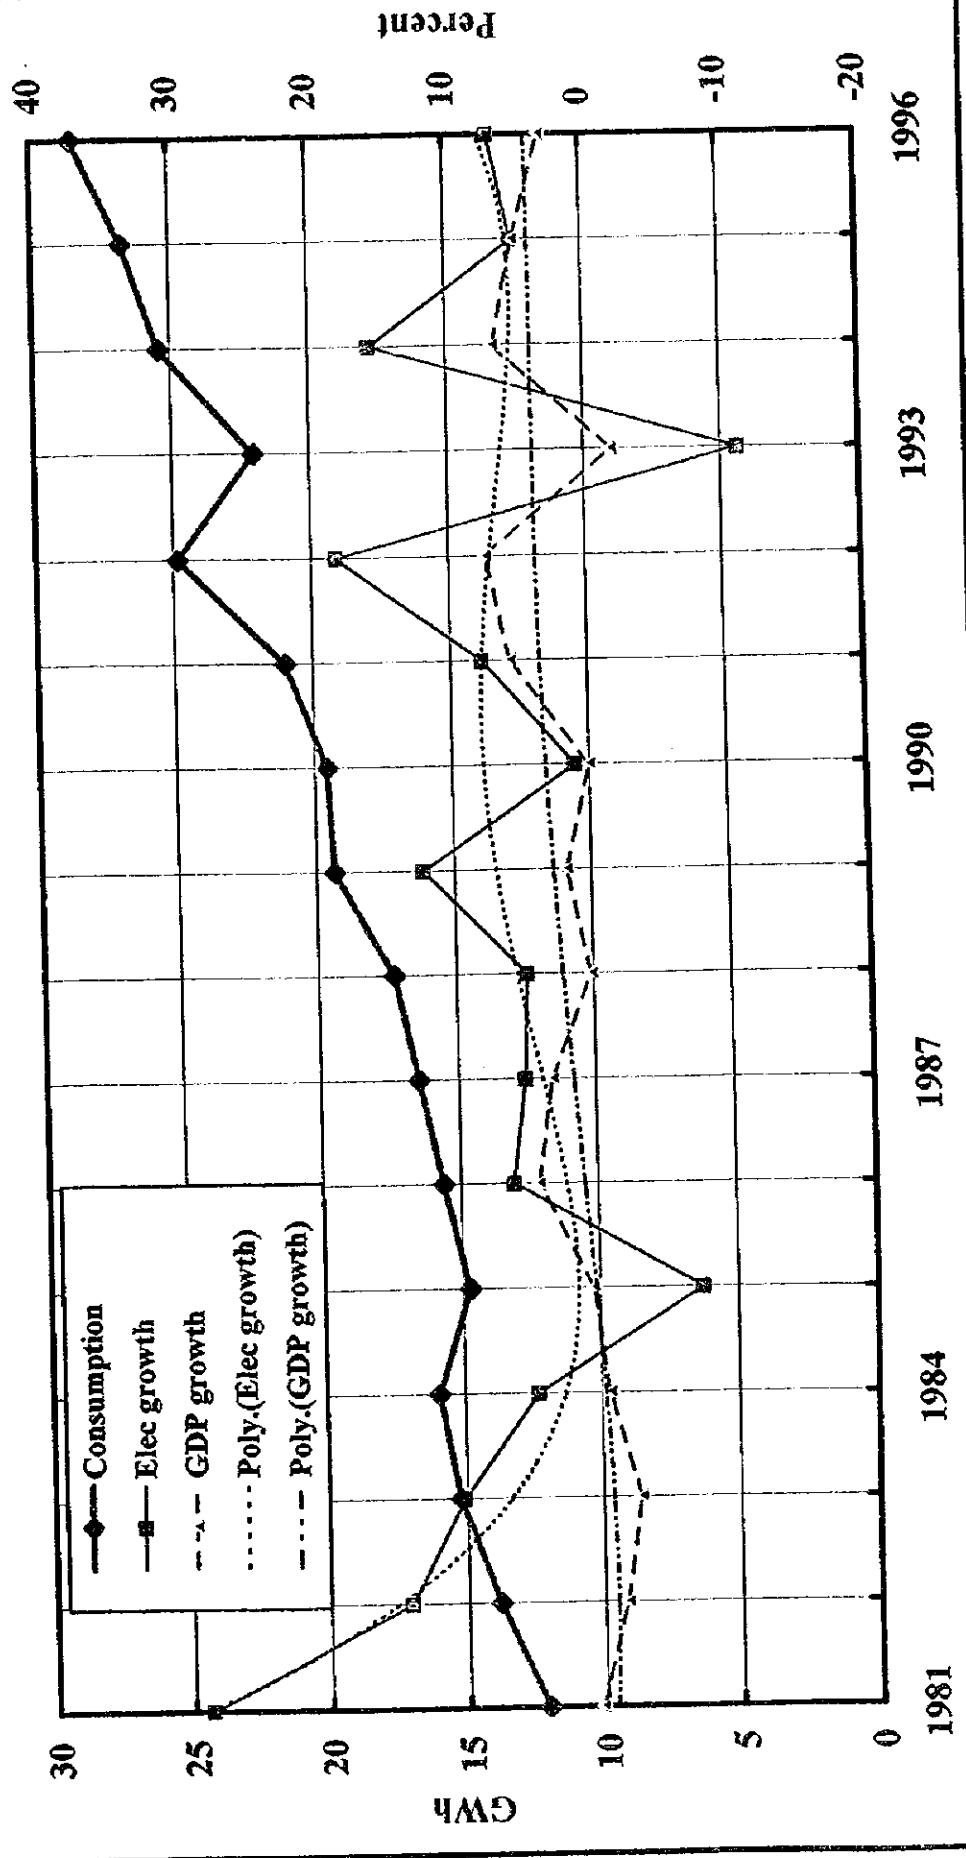

A.4 Otjiwarongo Municipality Electricity Consumption

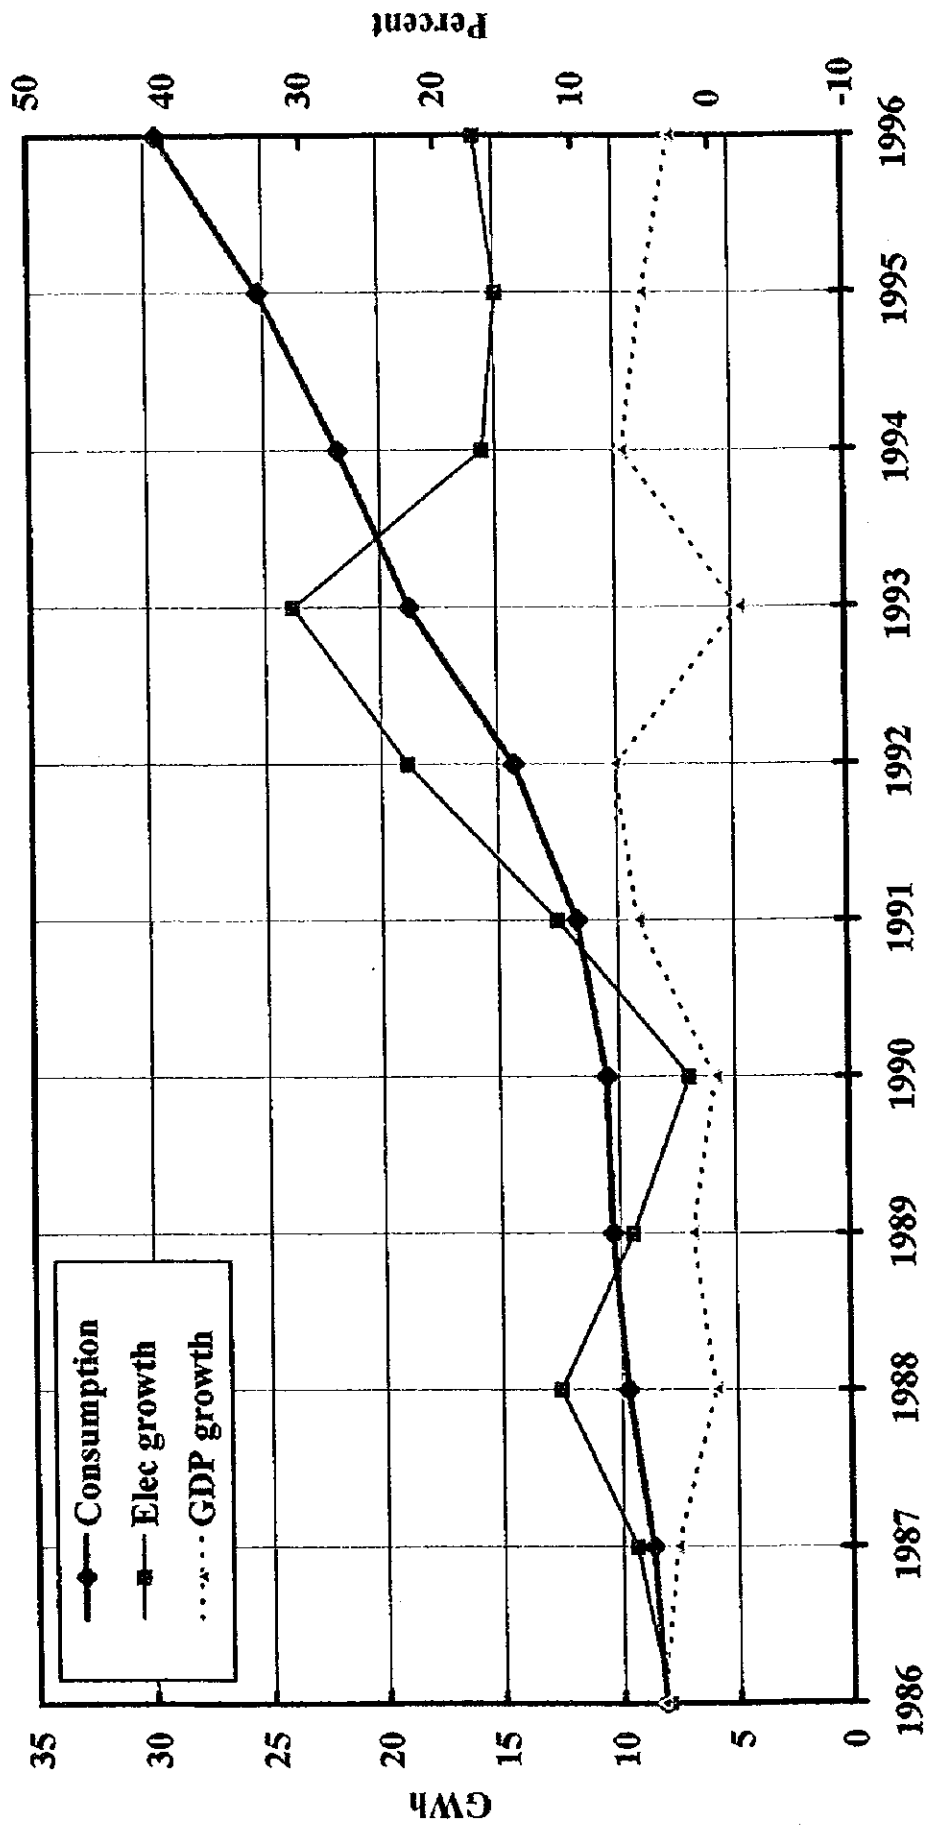

**A.5 Oshakati Municipality
Electricity Consumption**

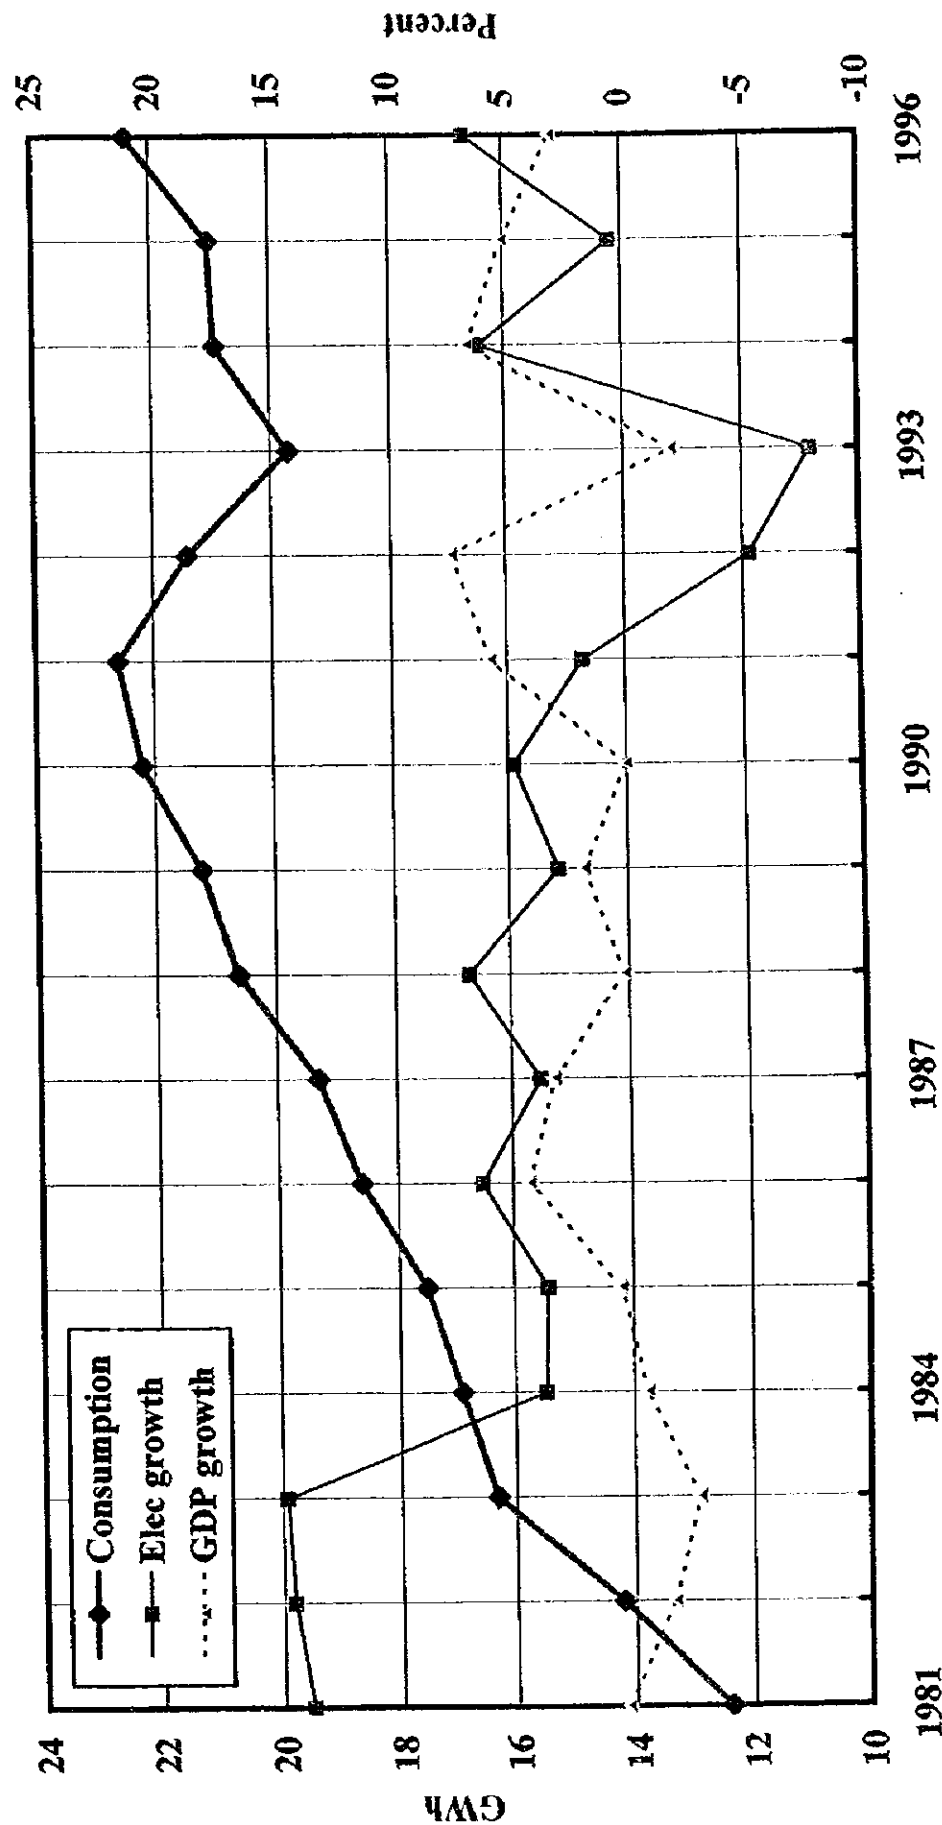

A.6 Okahandja Municipality
Electricity Consumption

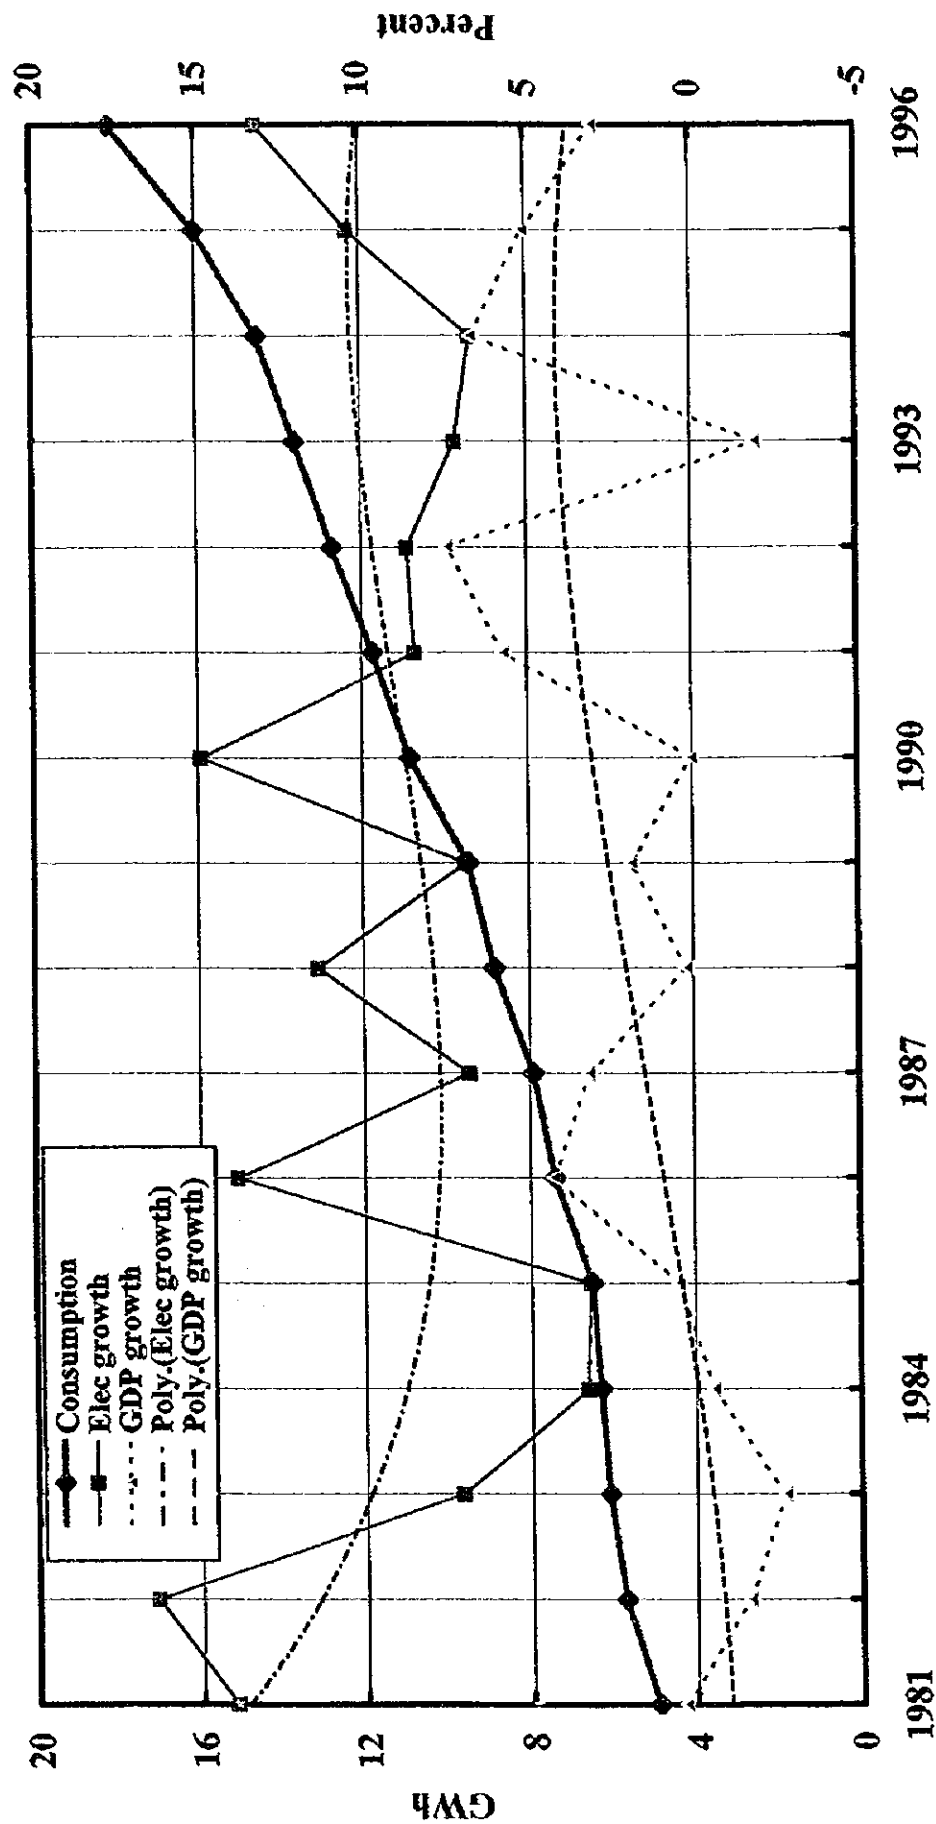

**A.7 Luderitz Municipality
Electricity Consumption**

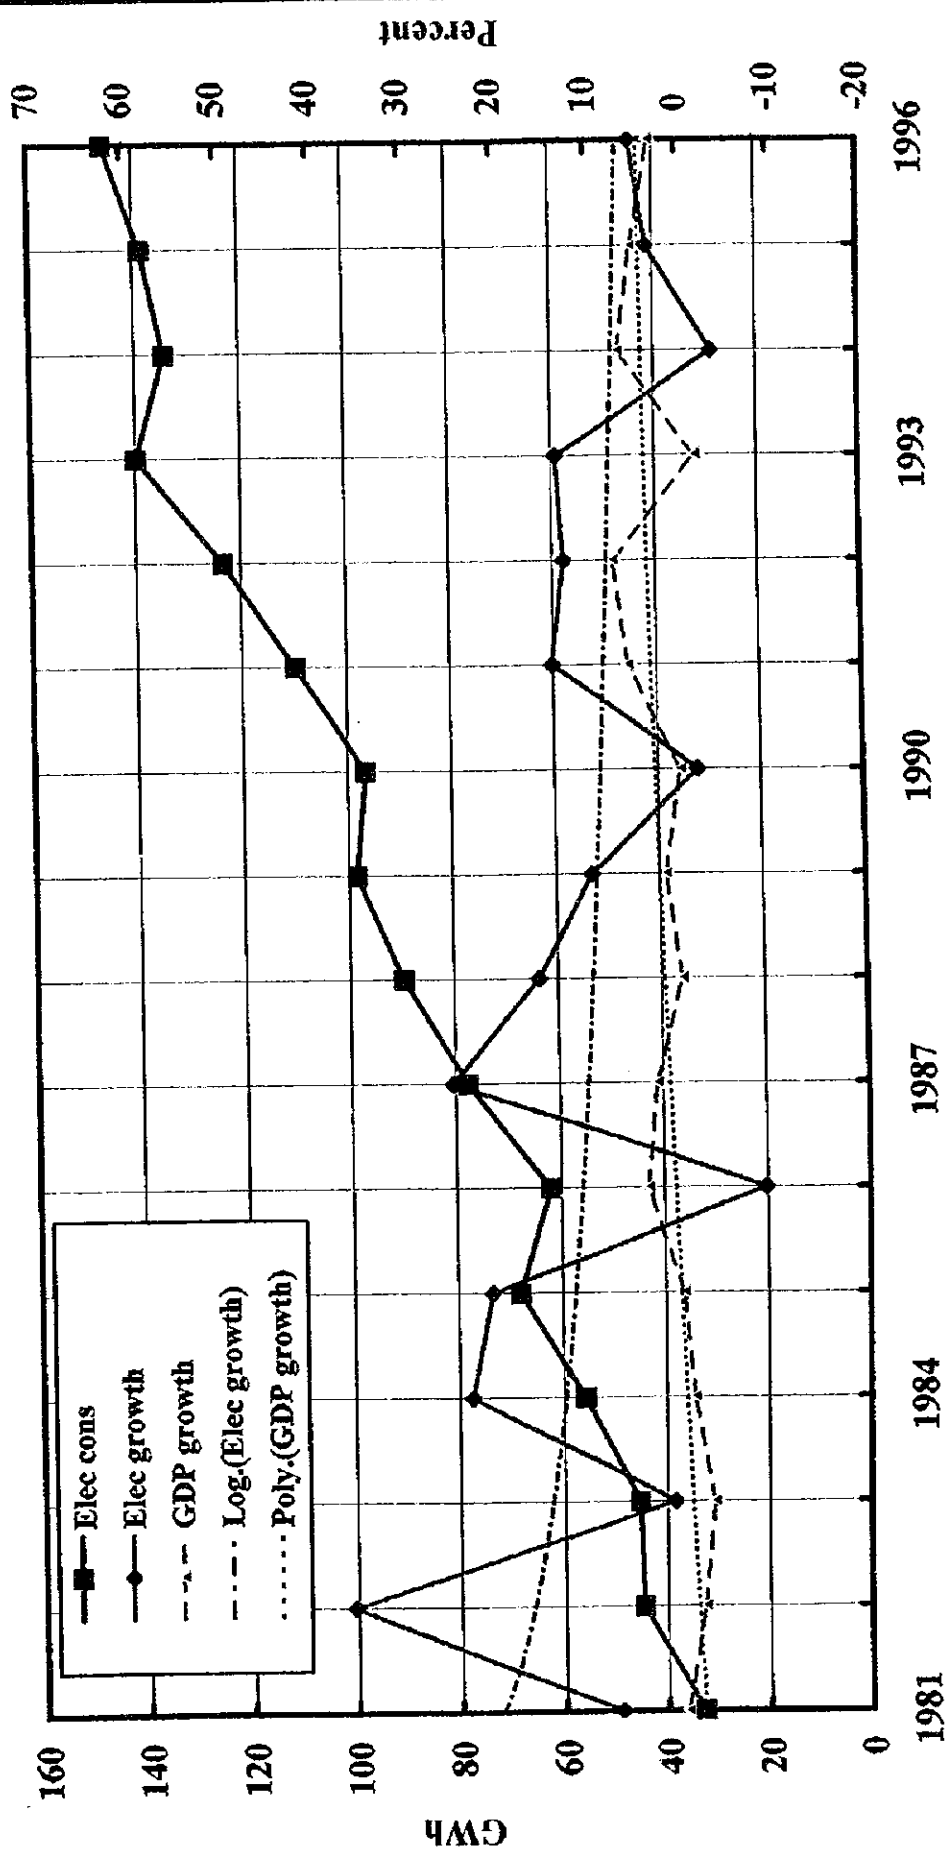

**A.8 Keetmanshoop Municipality
Electricity Consumption**

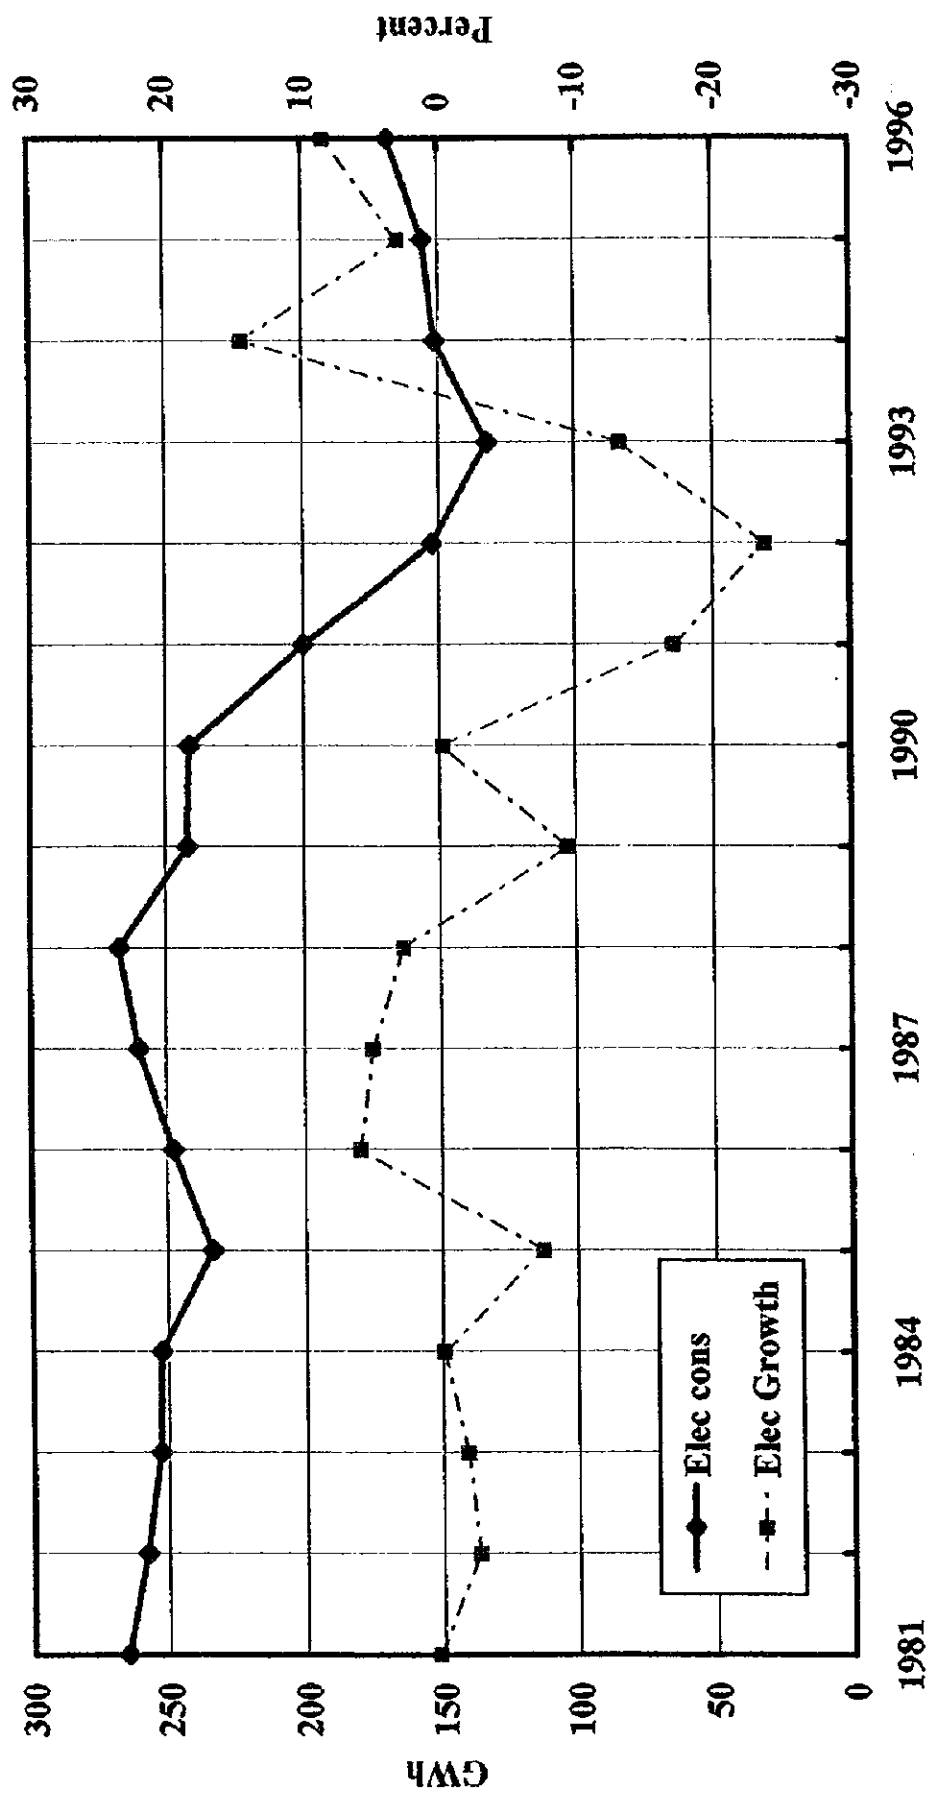

**A.9 Mariental Municipality
Electricity Consumption**

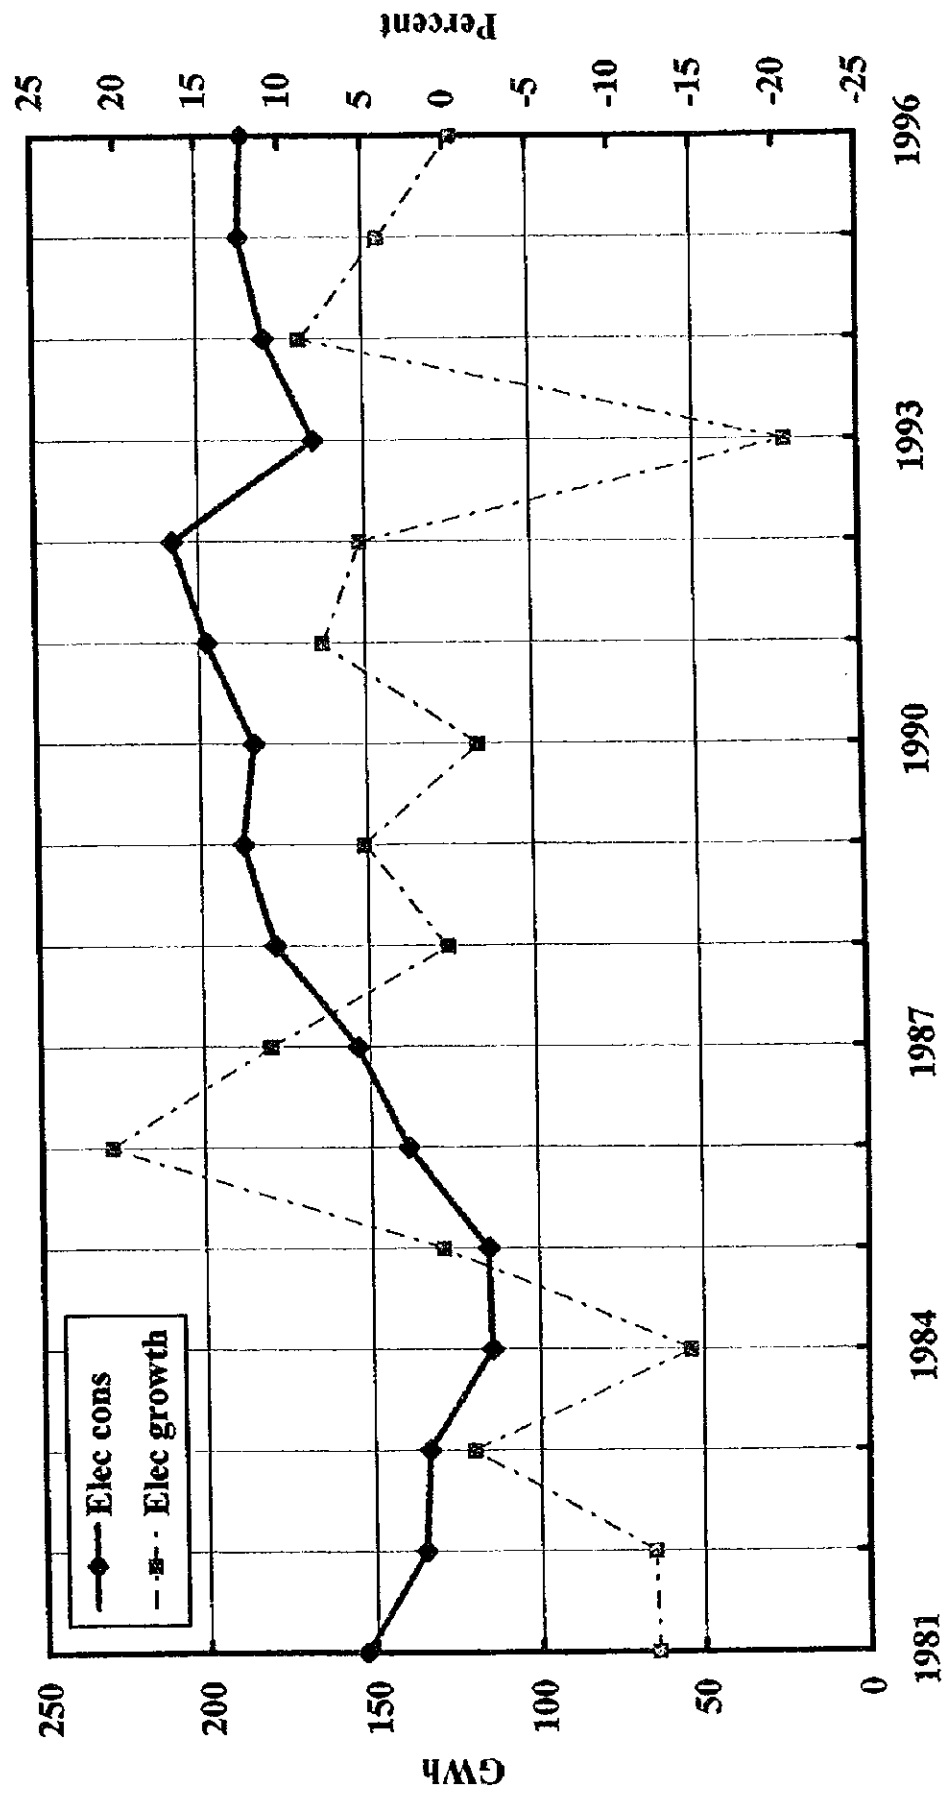

**A.10 Rest of Proclaimed Municipalities and Towns
Electricity Consumption**

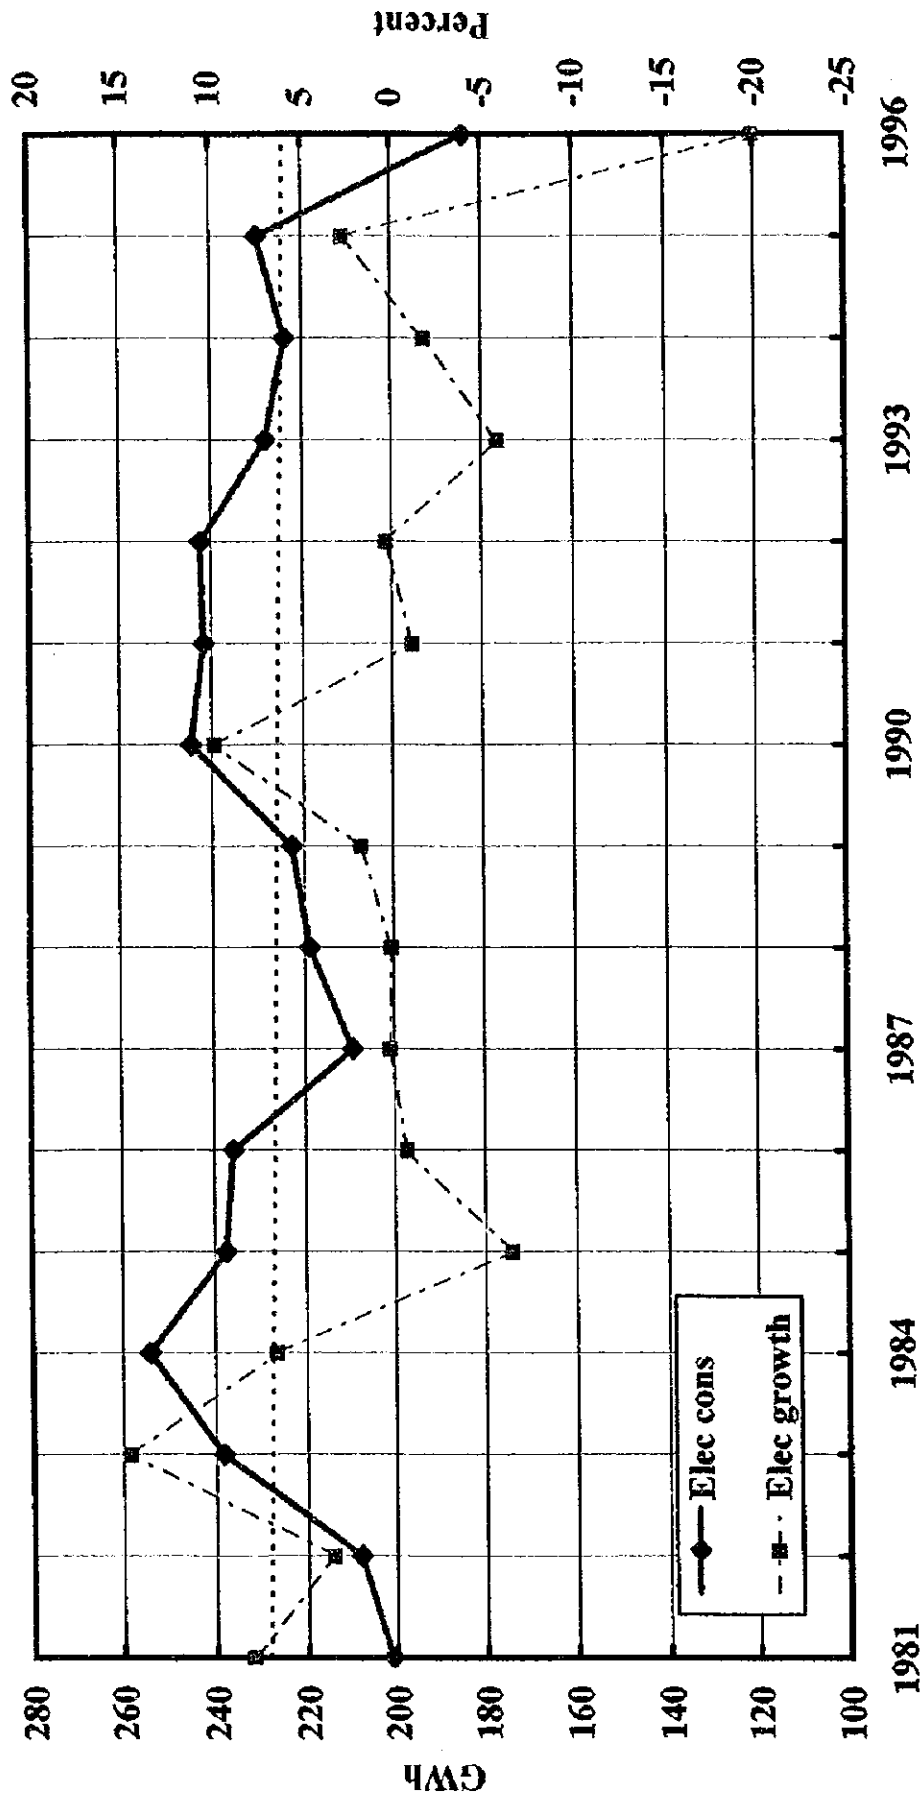

**A.11 Uranium Mining (Rossing Uranium)
Electricity Consumption**

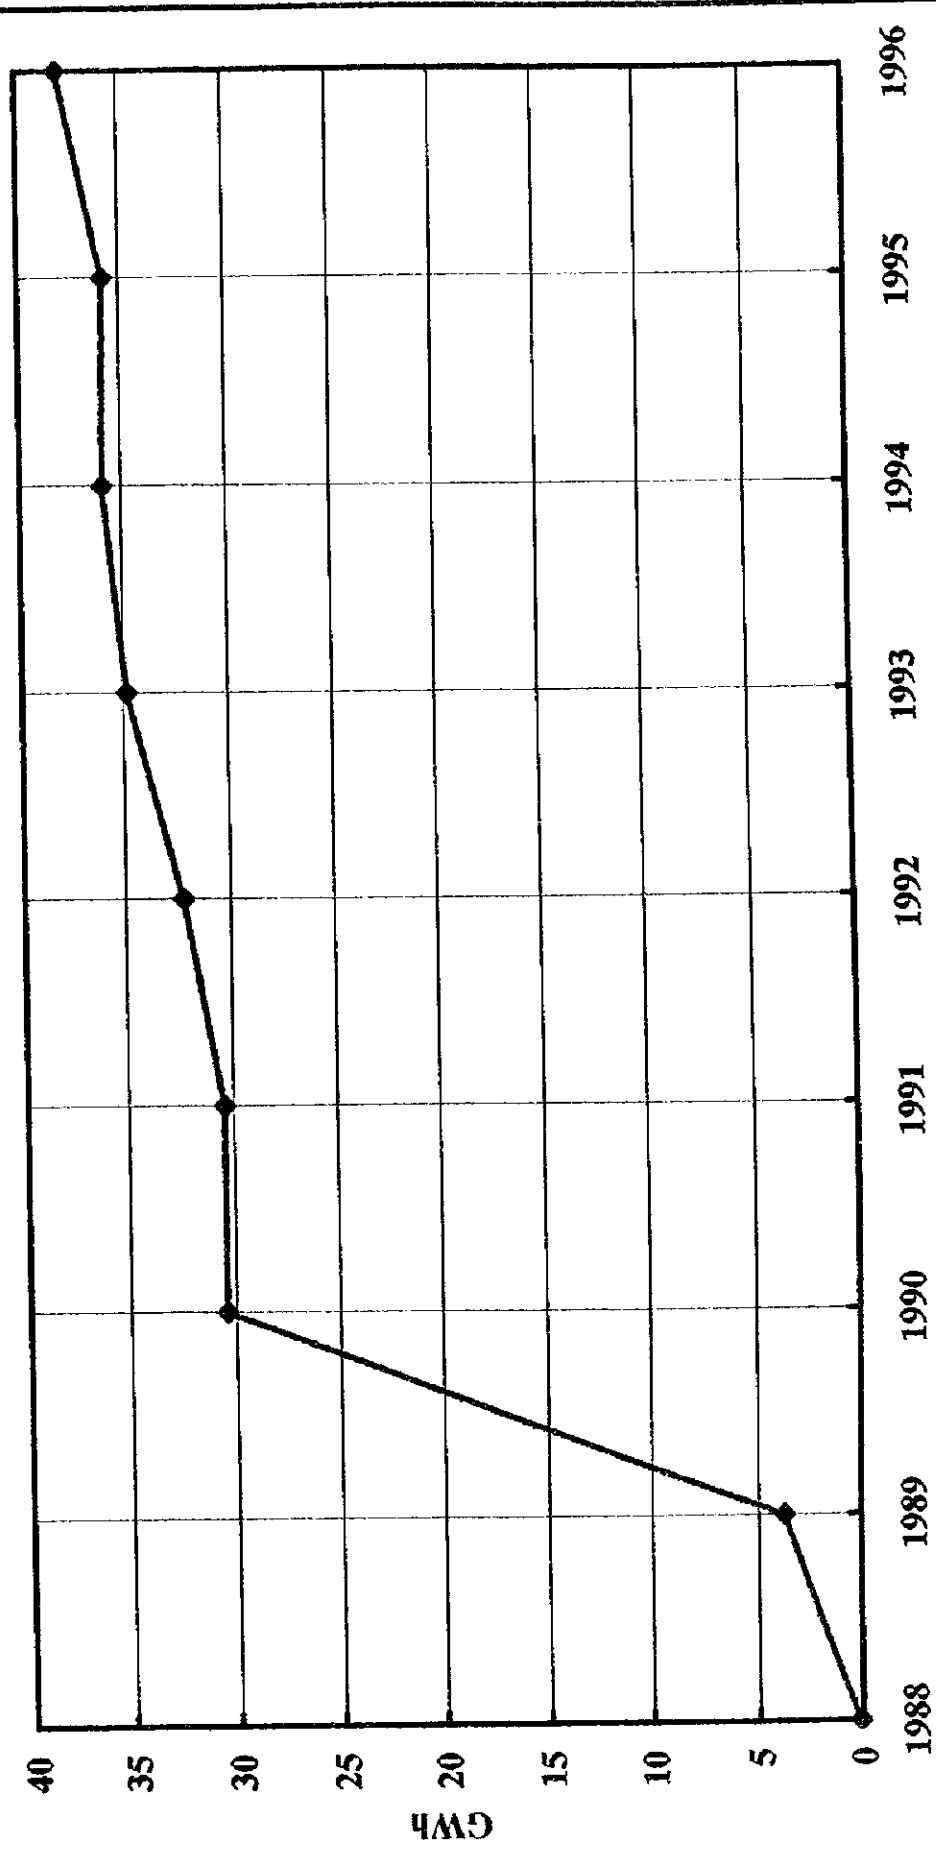

**A.12 Diamond Mining
Electricity Consumption**

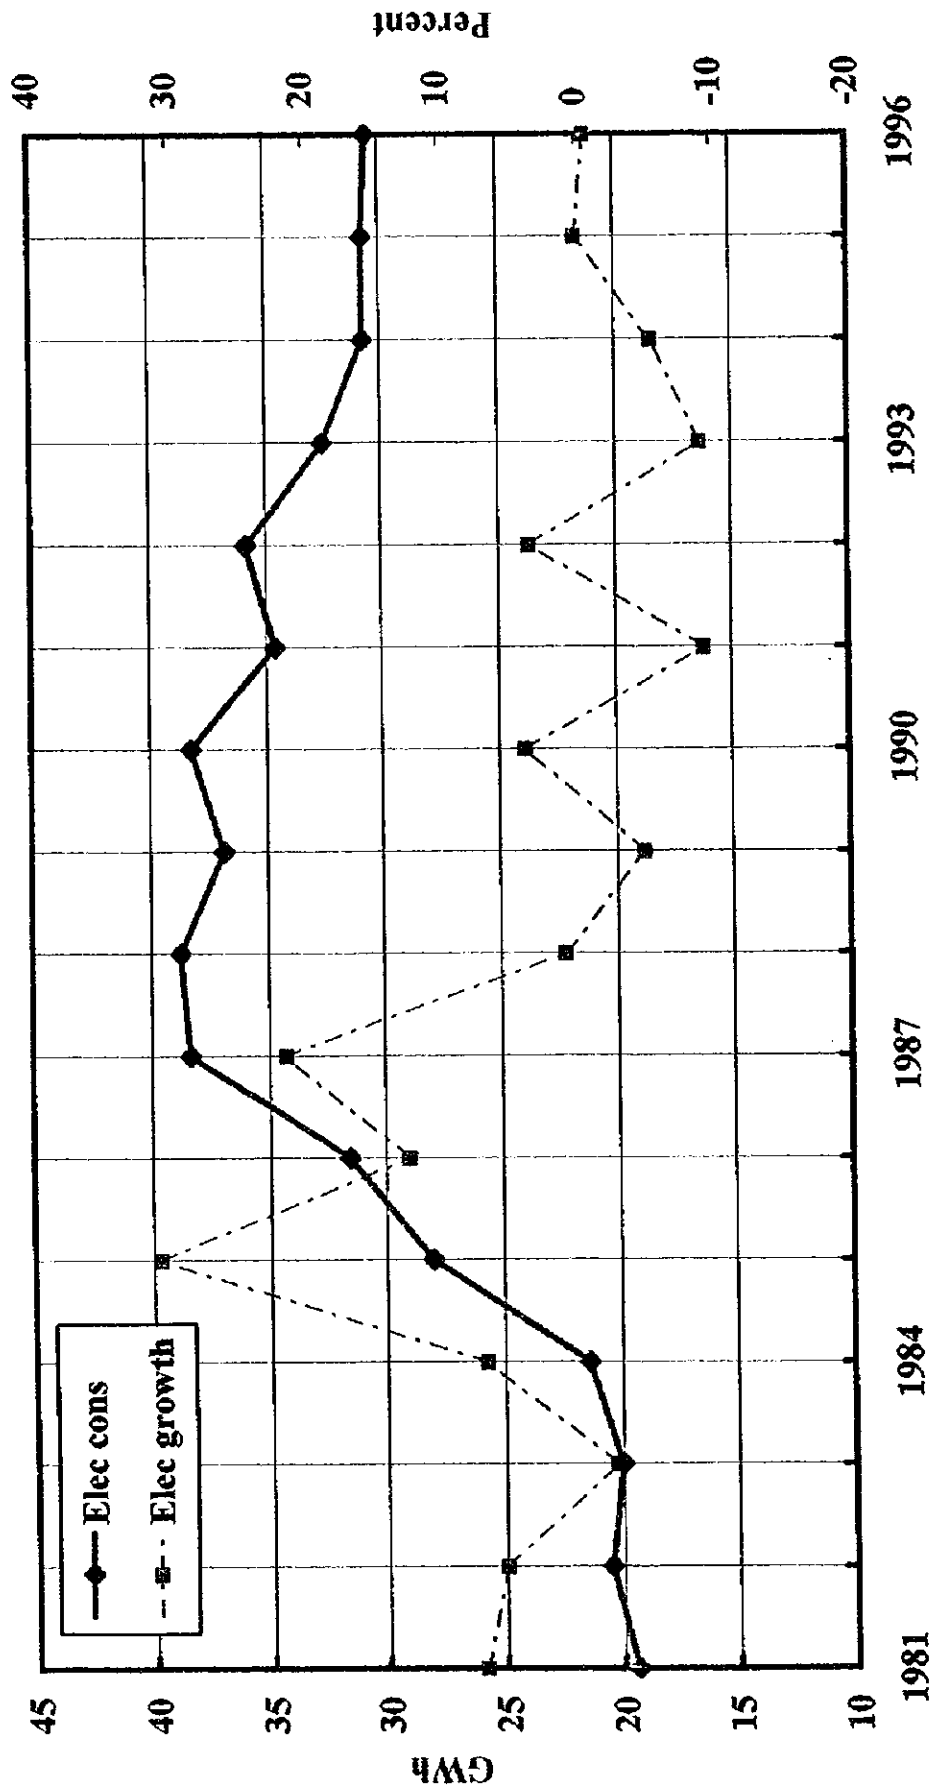

**A.13 Copper Mining
Electricity Consumption**

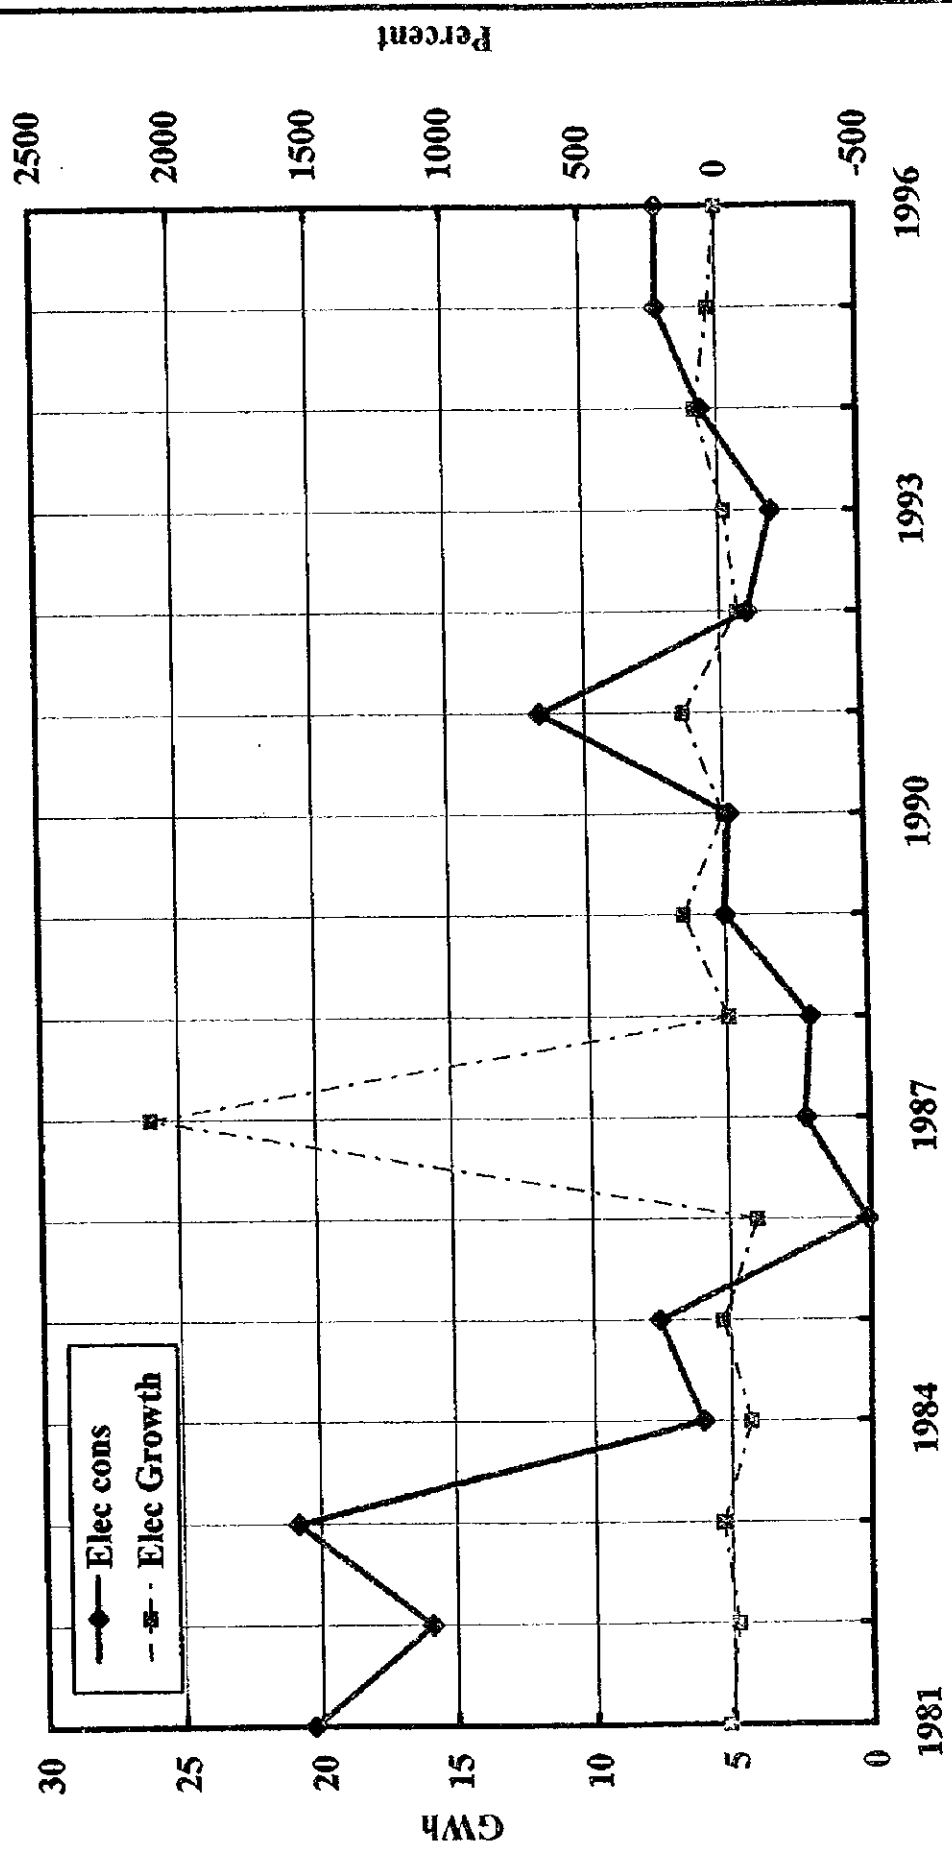

A.14 Gold Mining (Navachab)
Electricity Consumption

A.15 Zinc Mining (Rosh Pinah)
Electricity Consumption

A.16 Other Mining Electricity Consumption

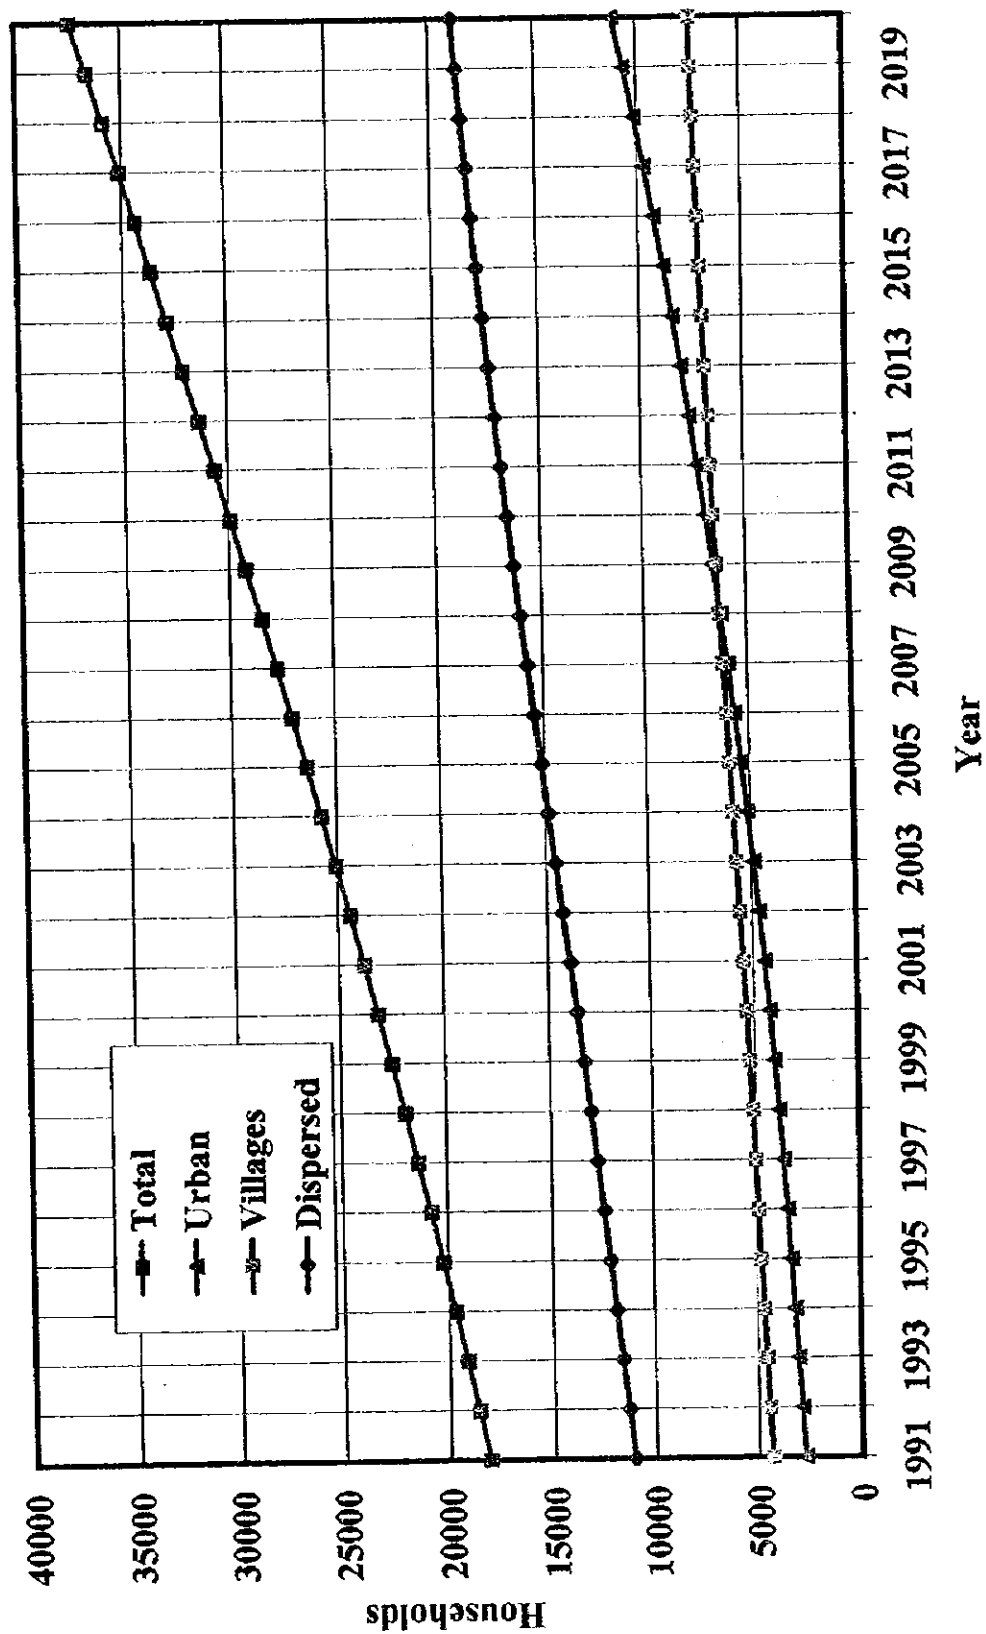

APPENDIX B

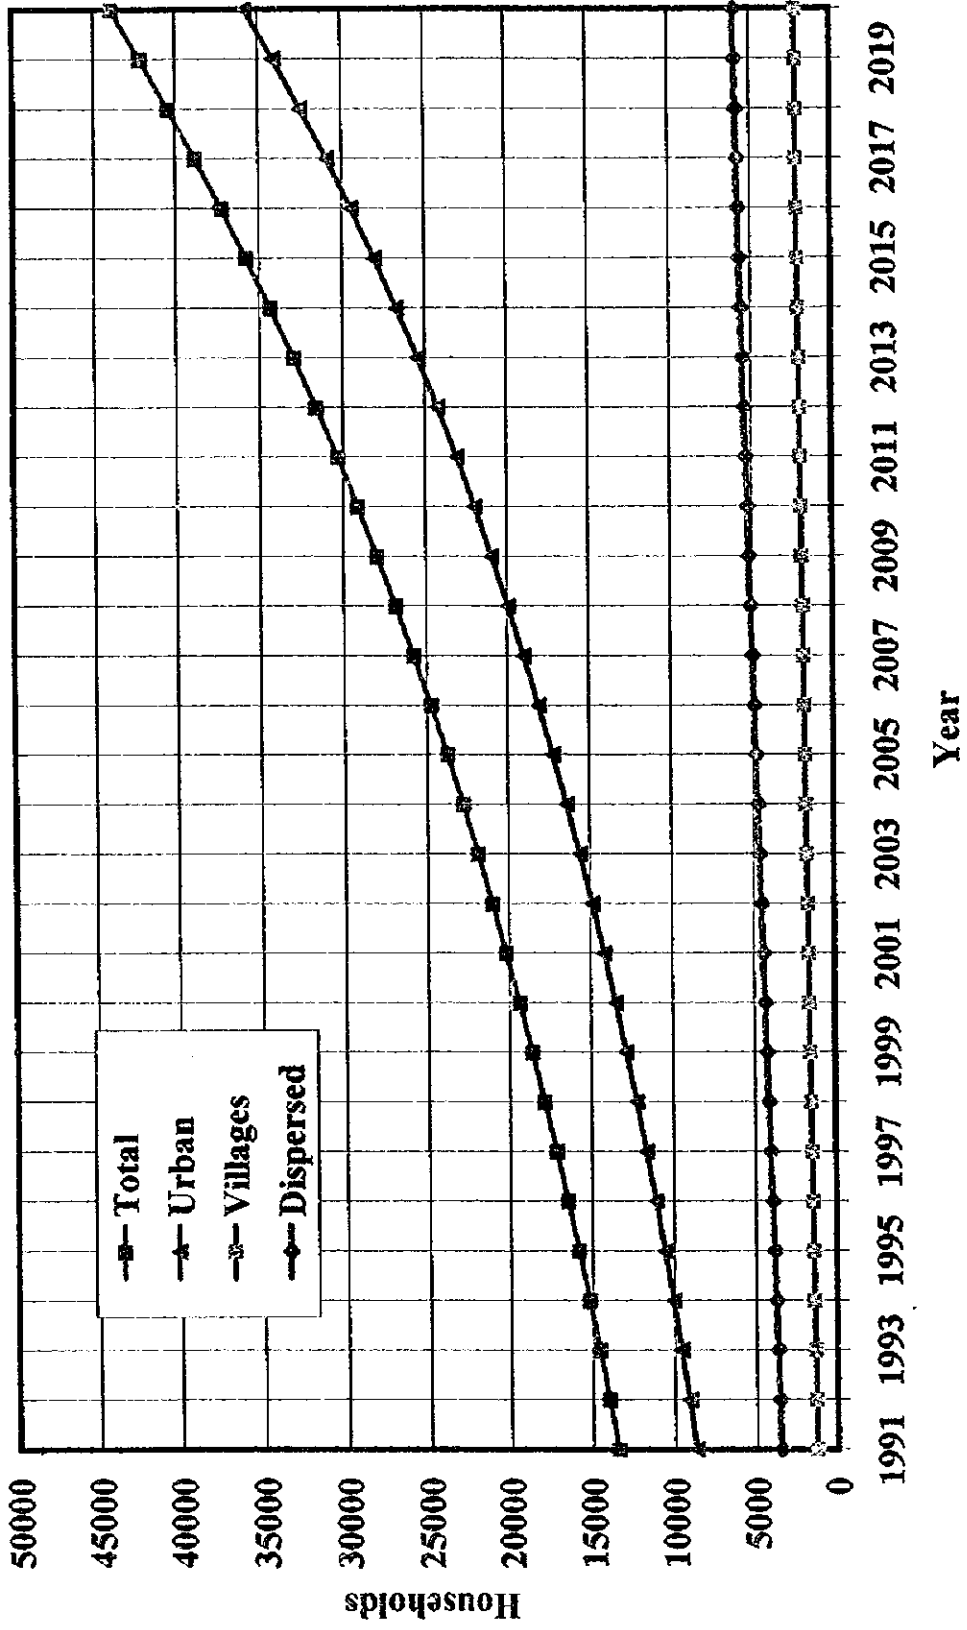

SMALL POWER USERS FIGURES.

Household forecasts by Region and Sales per Class by Region.

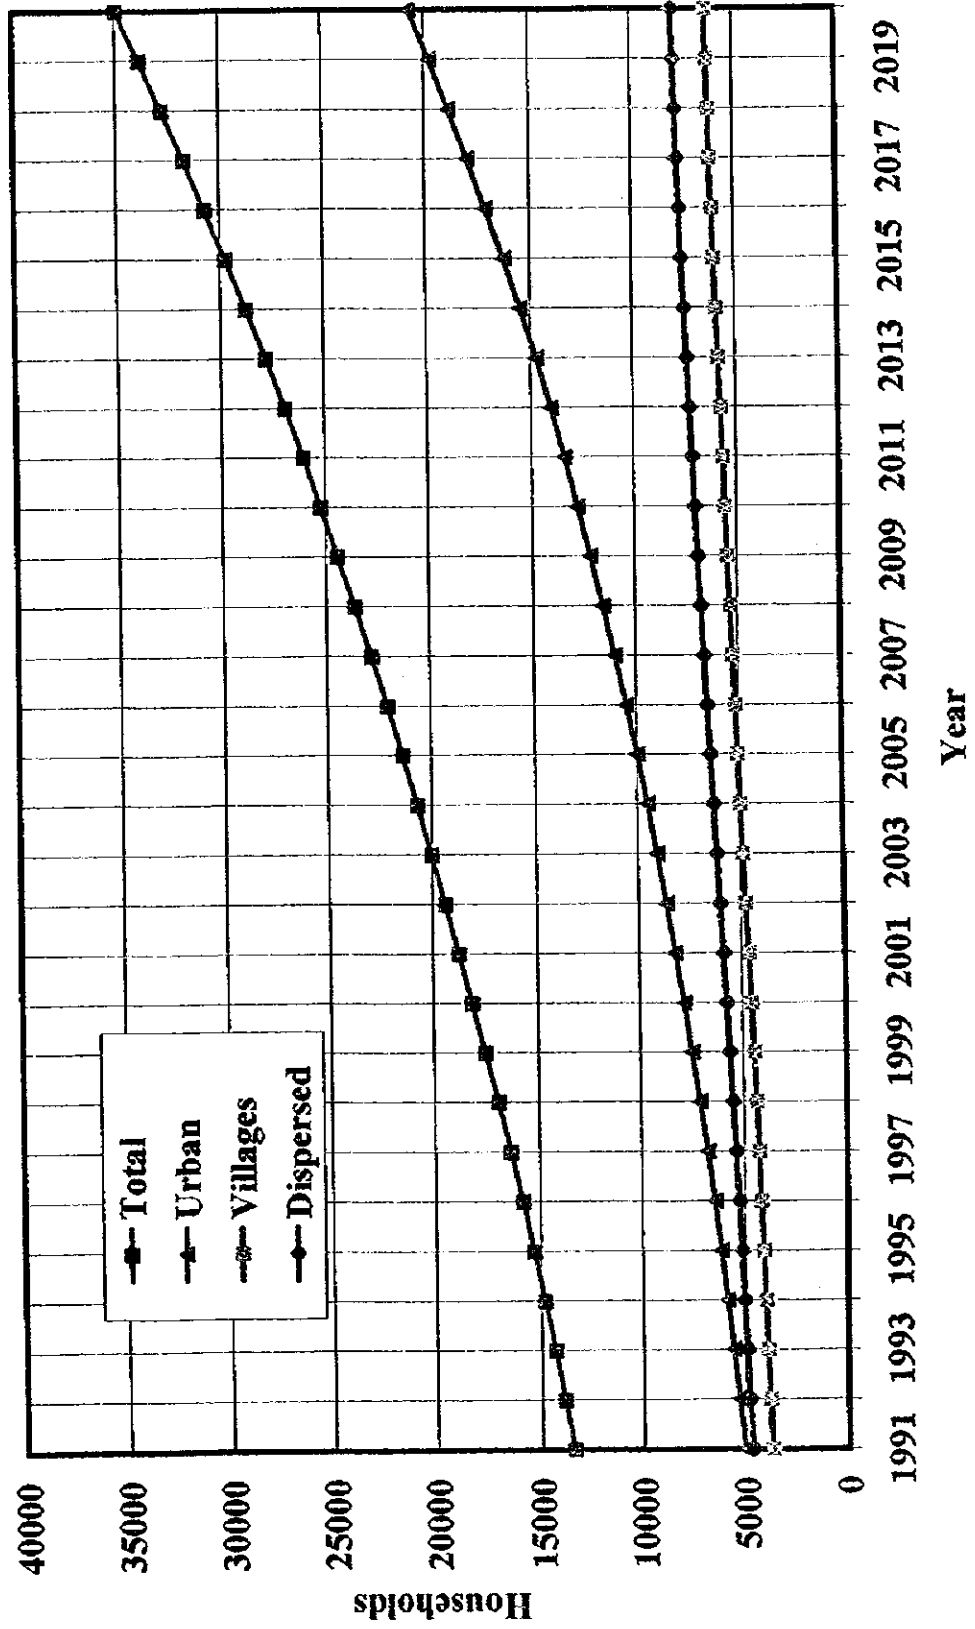

B.1 Caprivi Region Household Growth

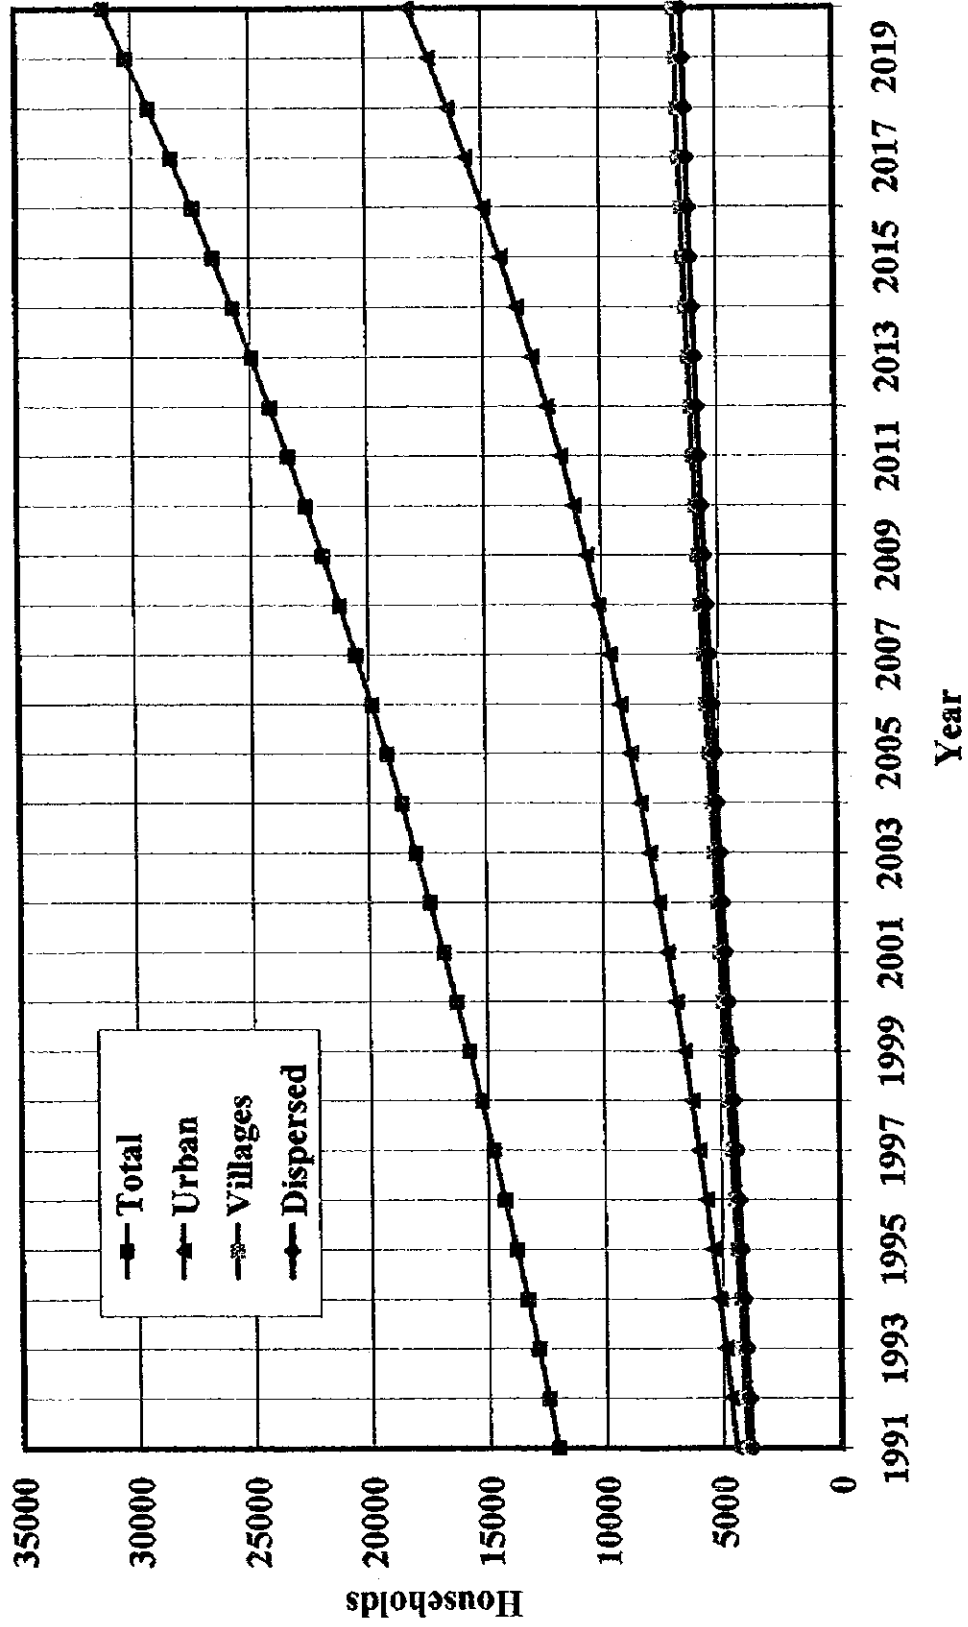

B.2 Erongo Region Household Growth

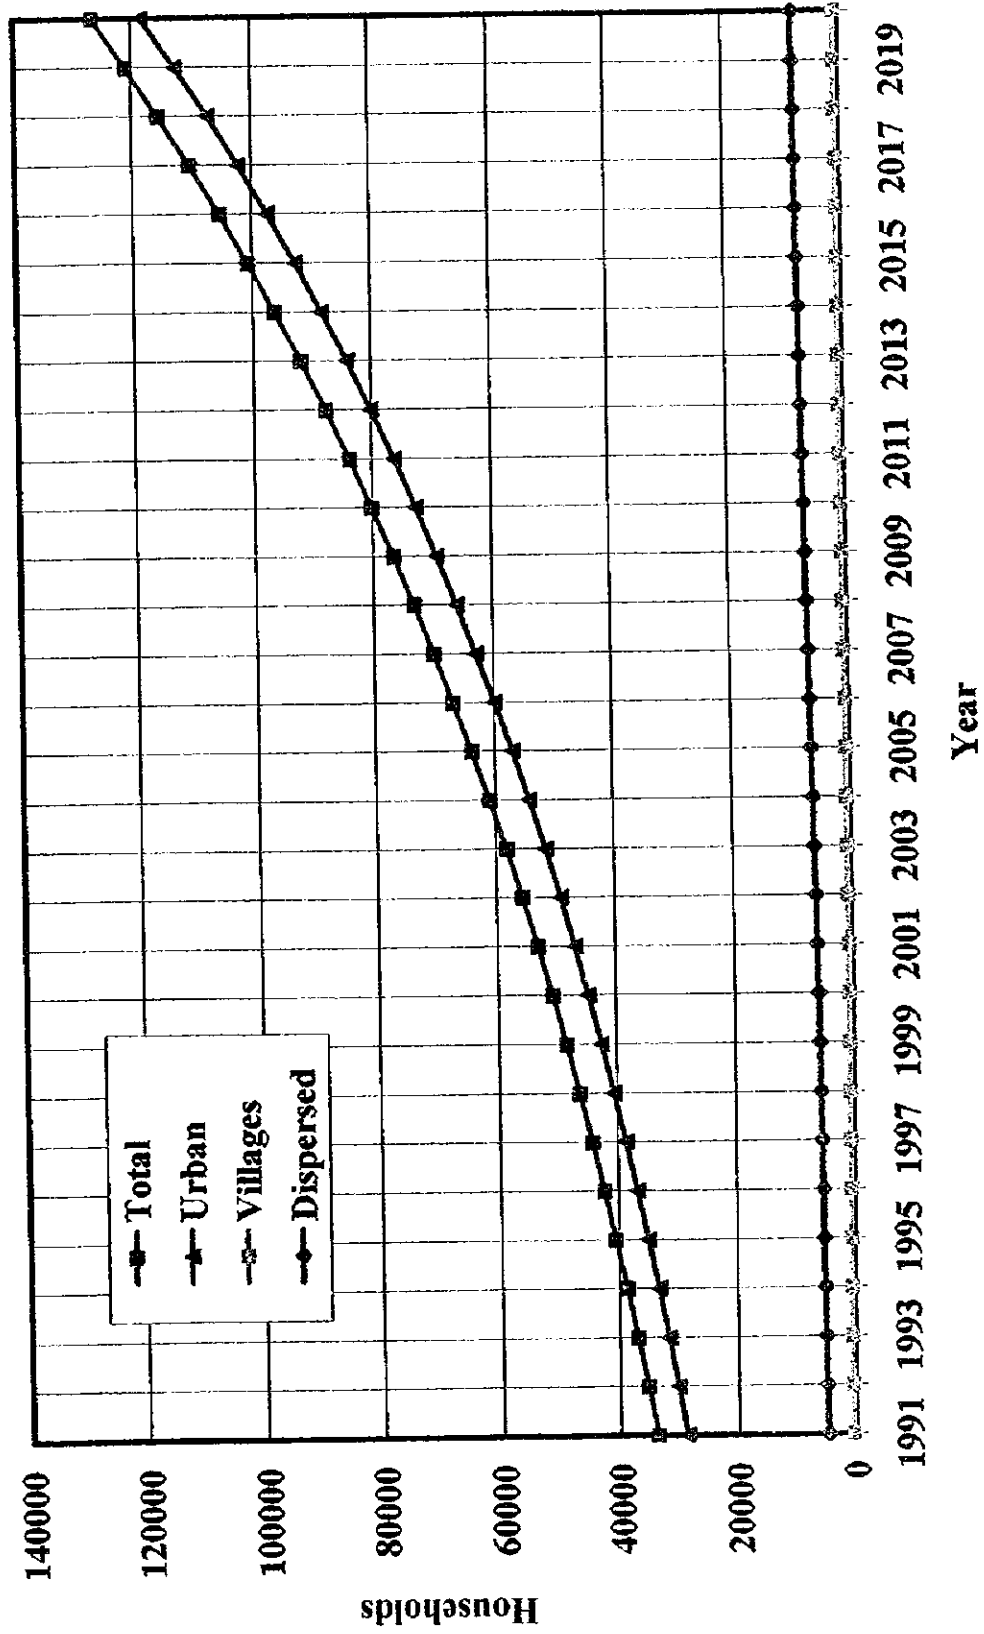

B.3 Hardap Region Household Growth

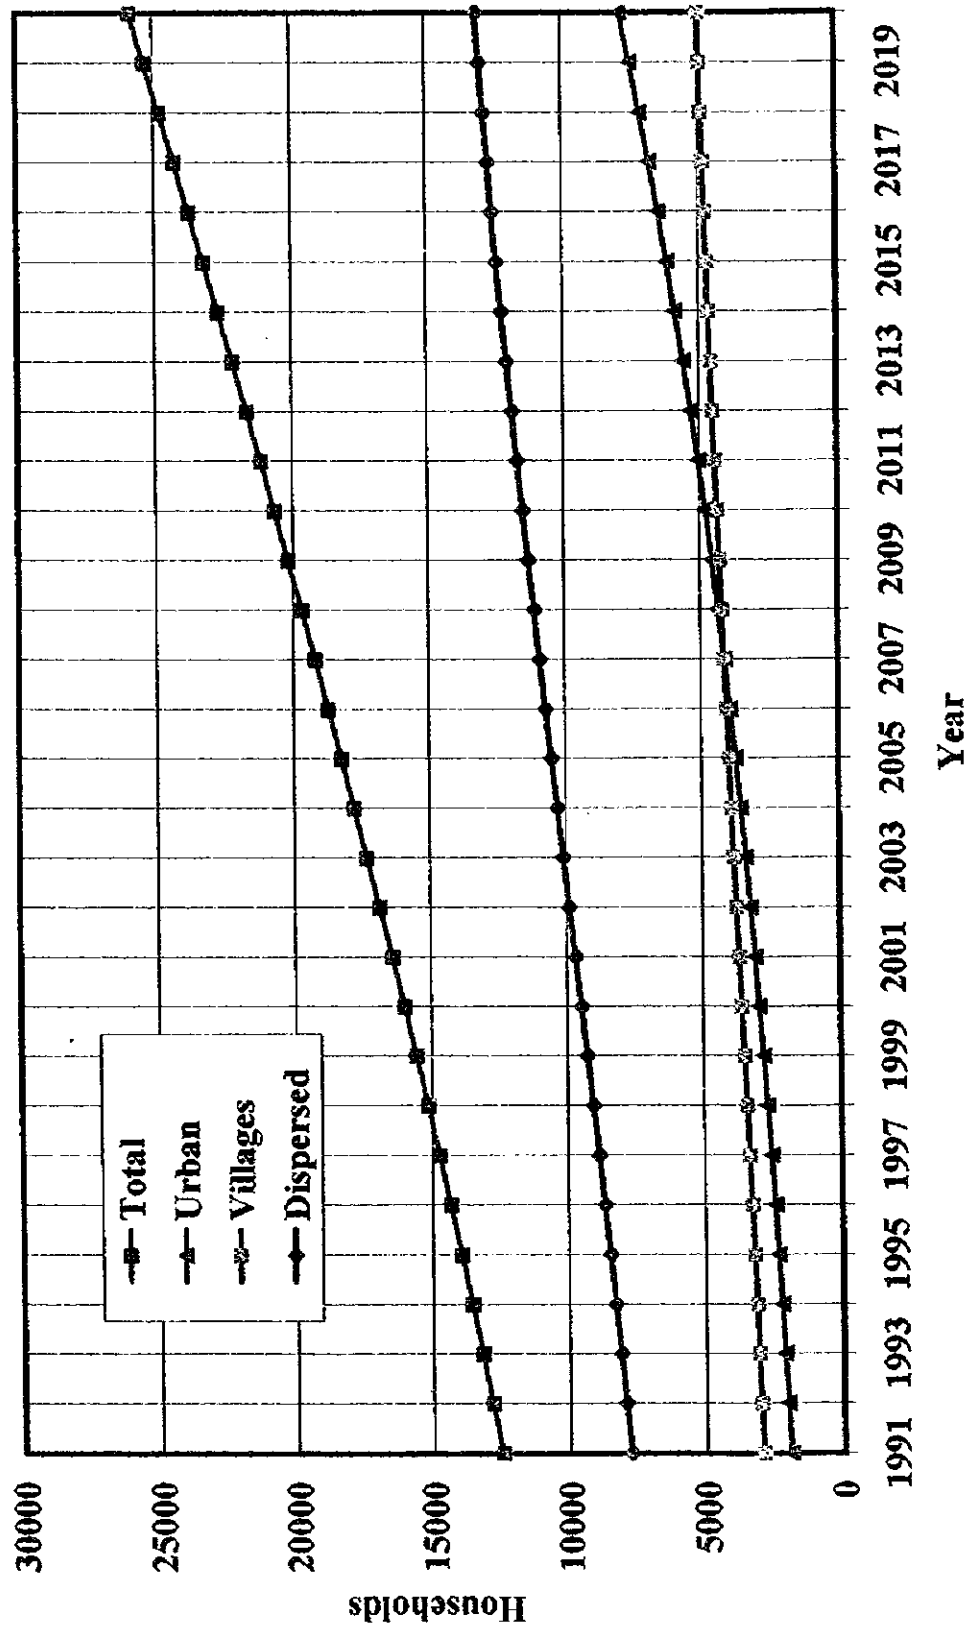

B.4 Karas Region Household Growth

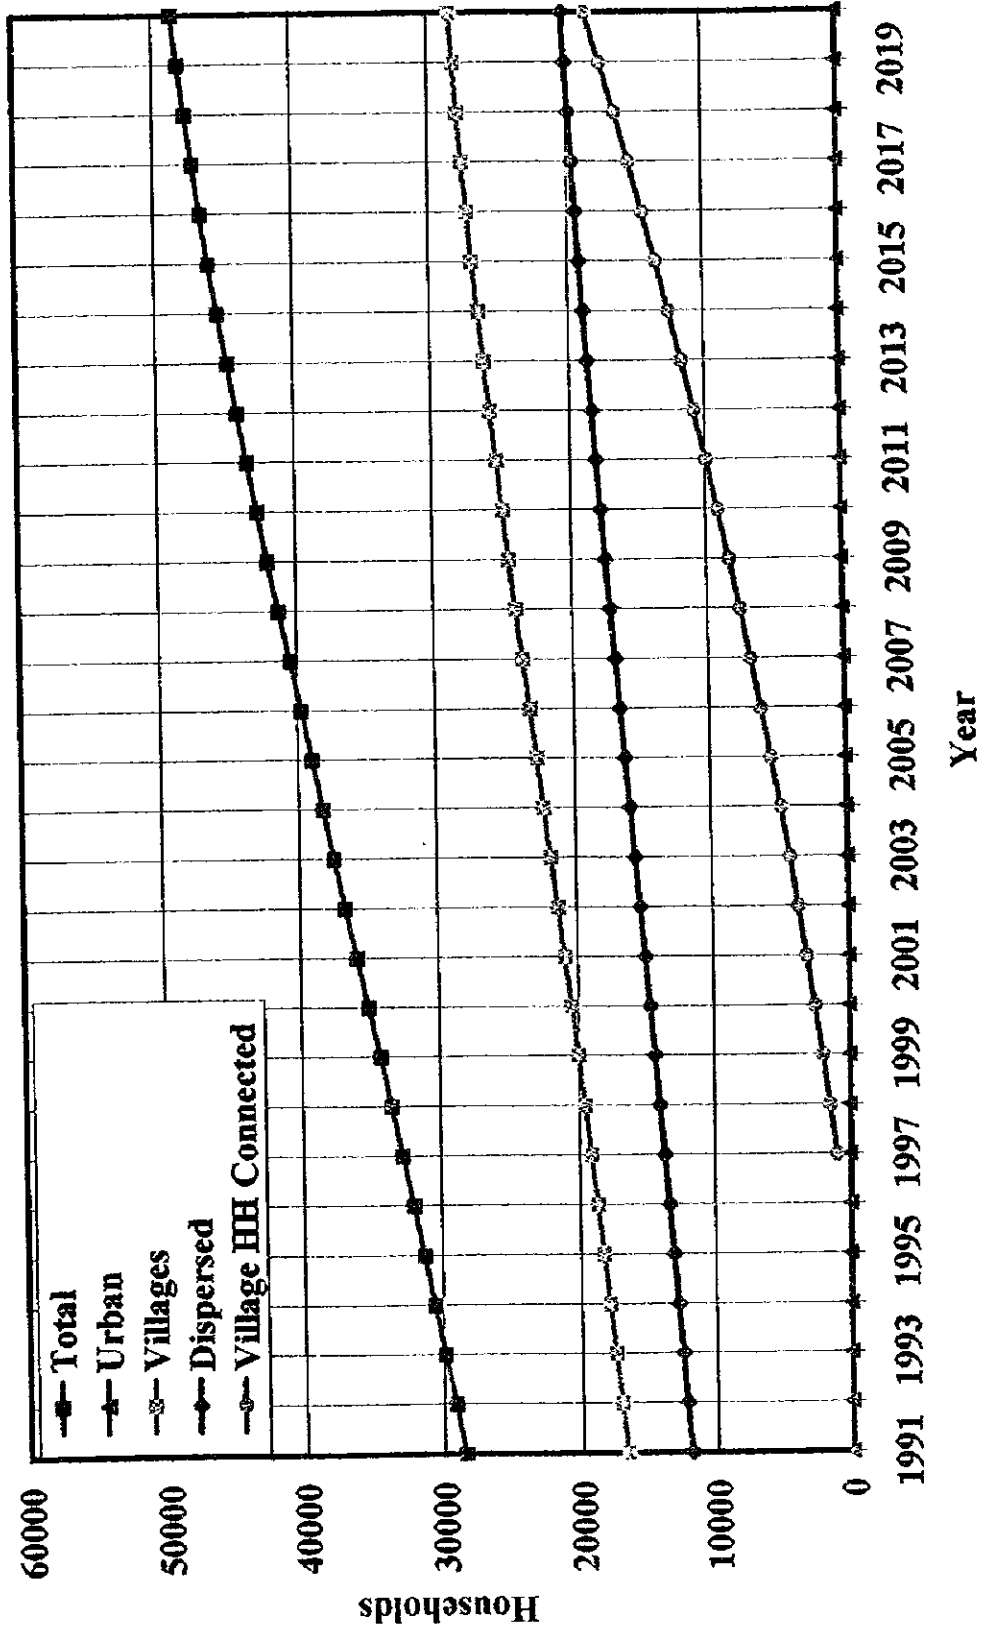

B.5 Khomas Region Household Growth

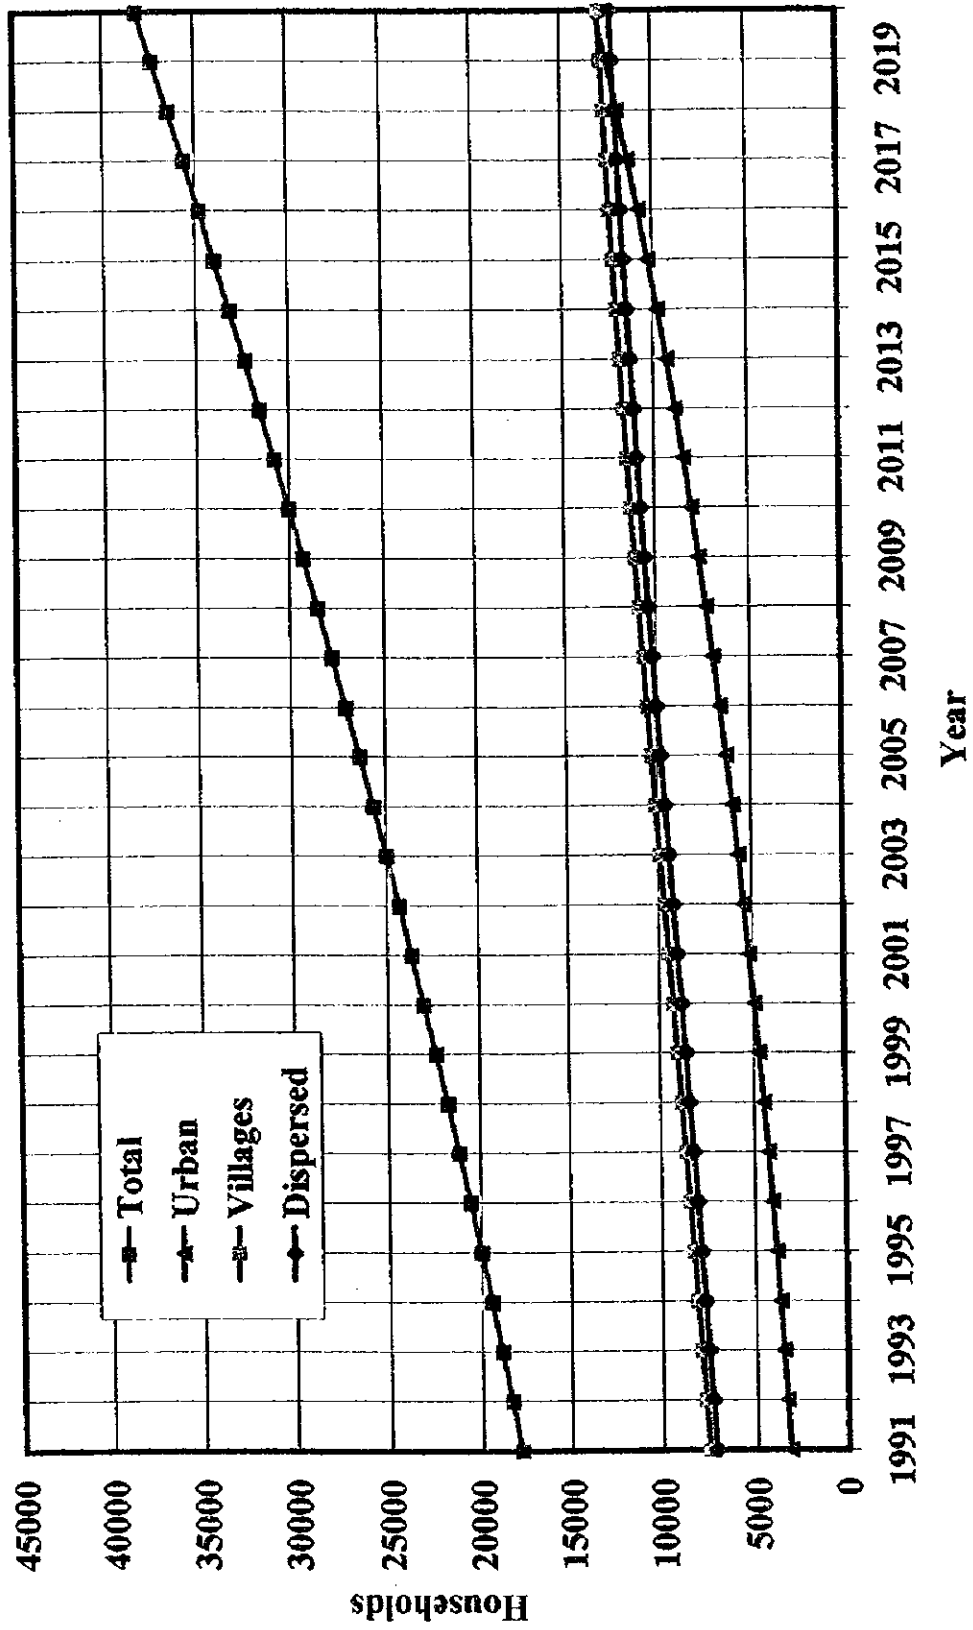

B.6 Kunene Region Household Growth

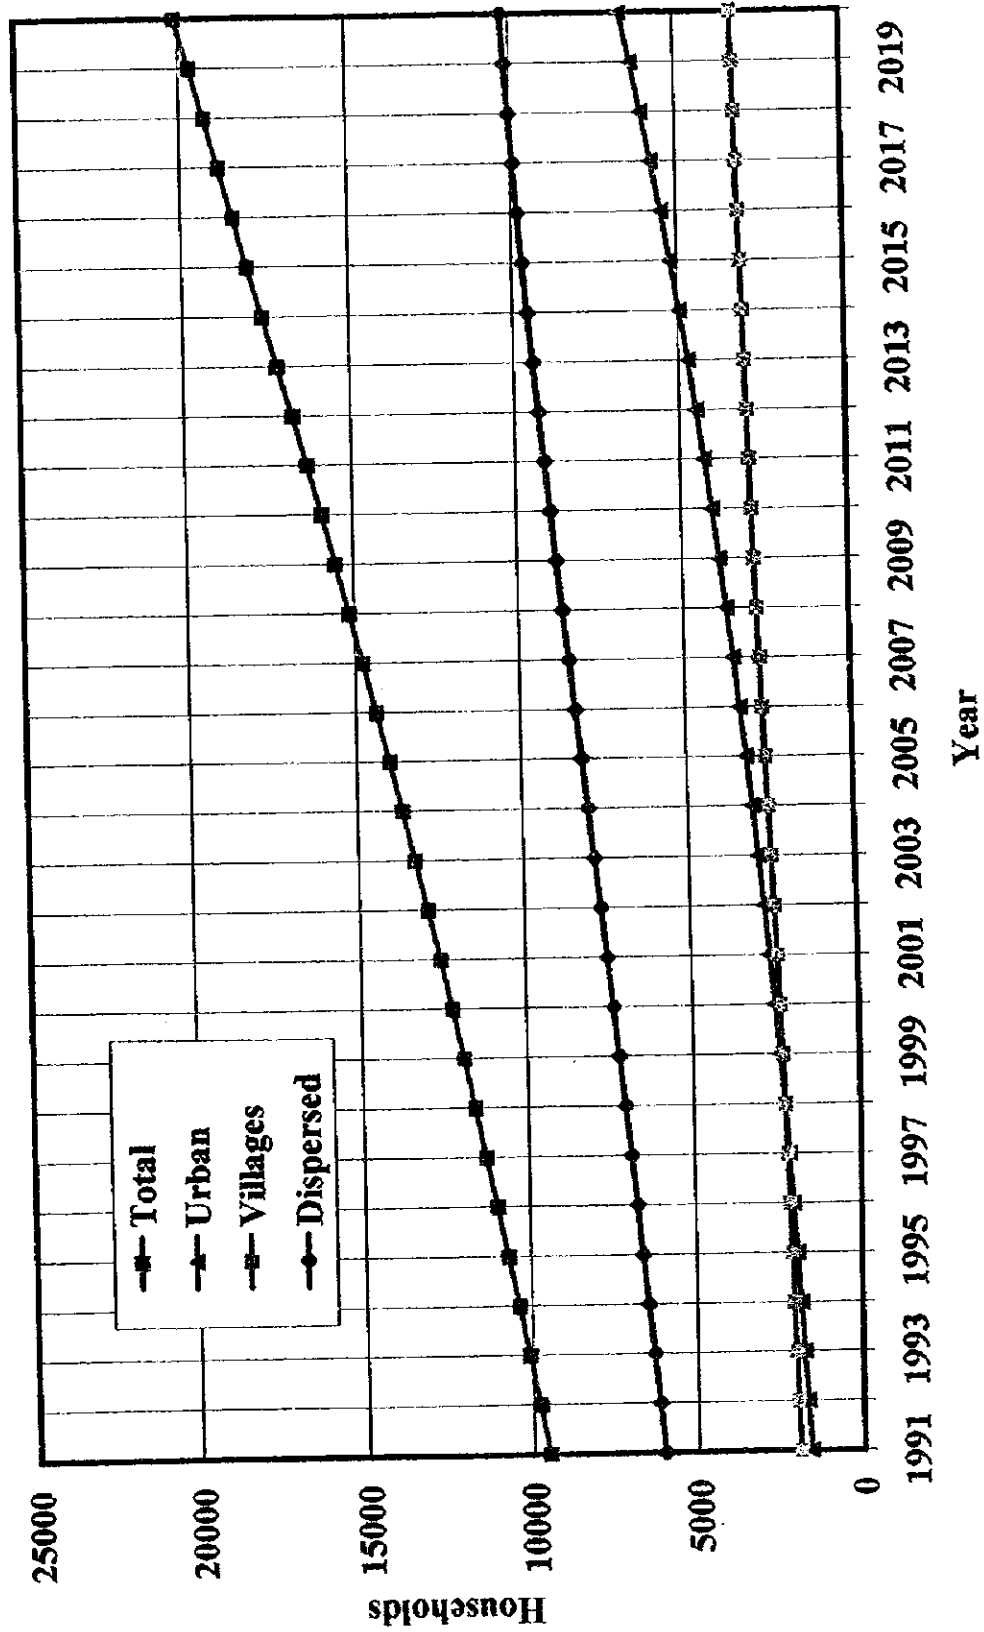

B.7 Ohangwena Region Household Growth

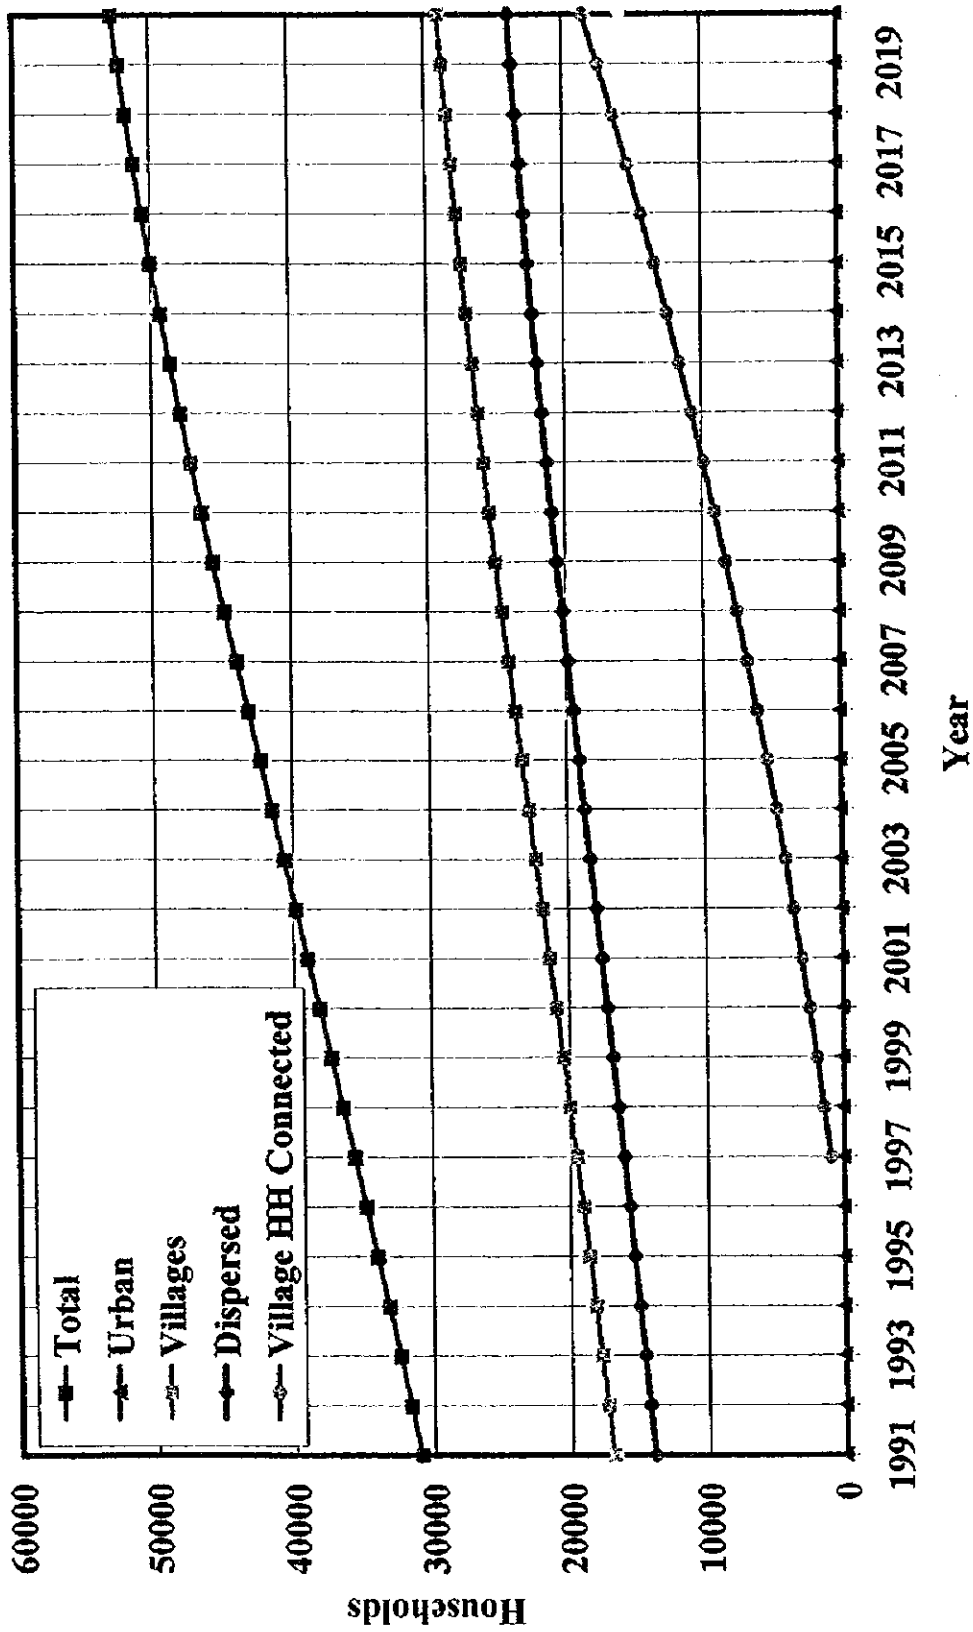

B.8 Okavango Region Household Growth

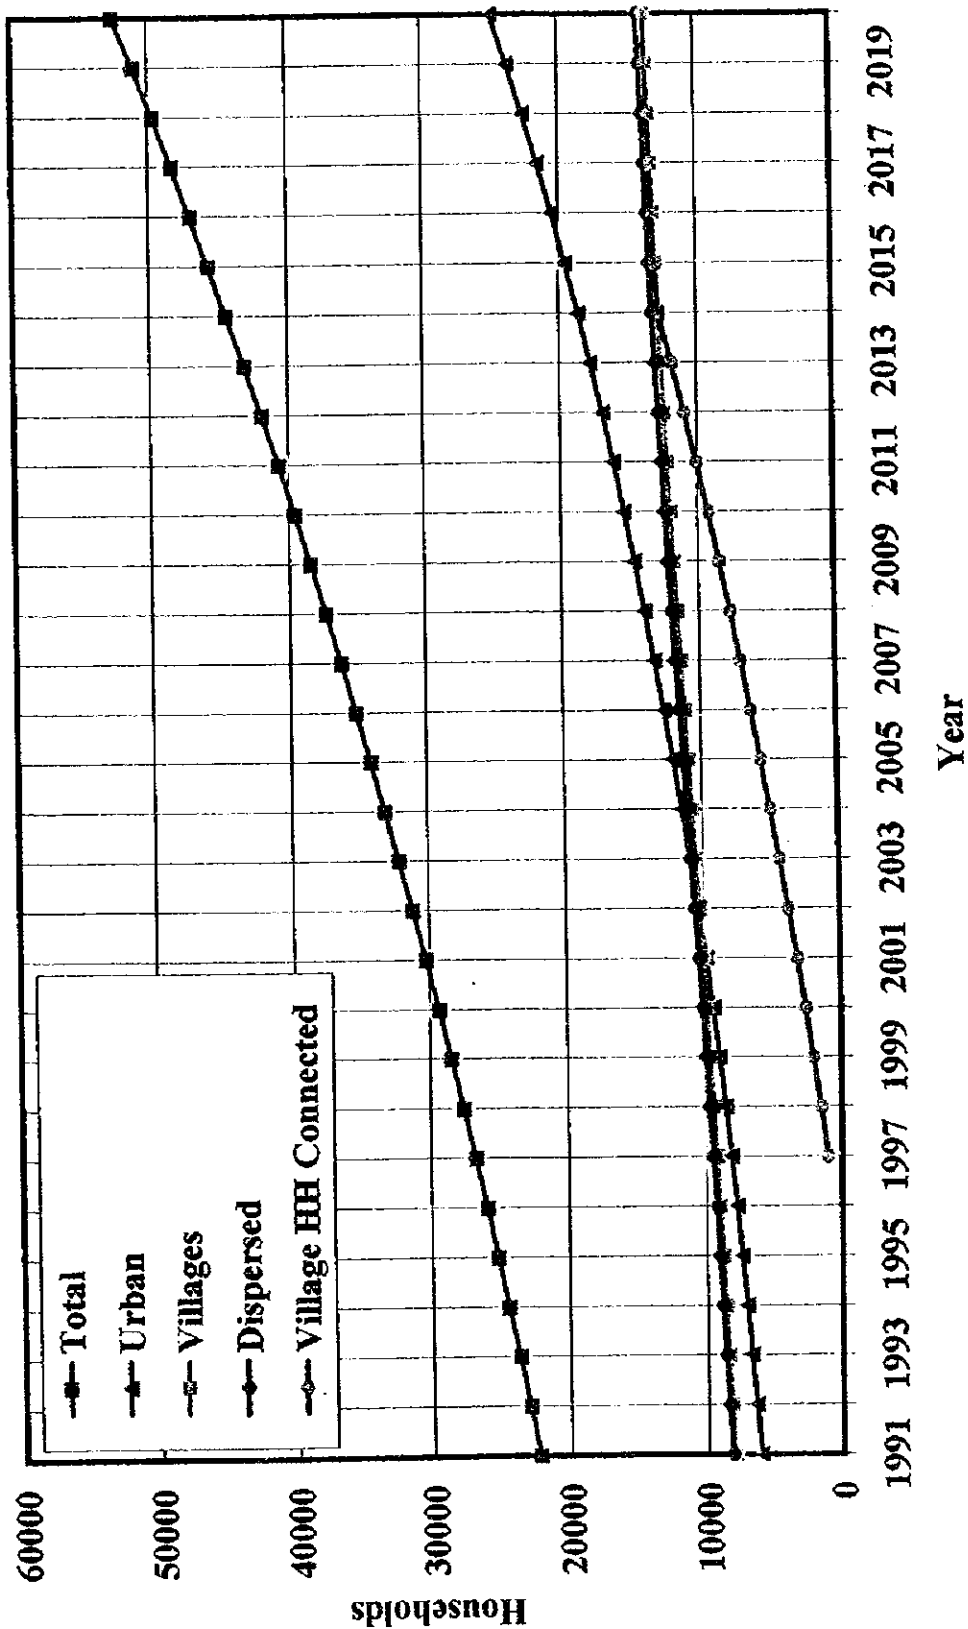

B.9 Omaheke Region Household Growth

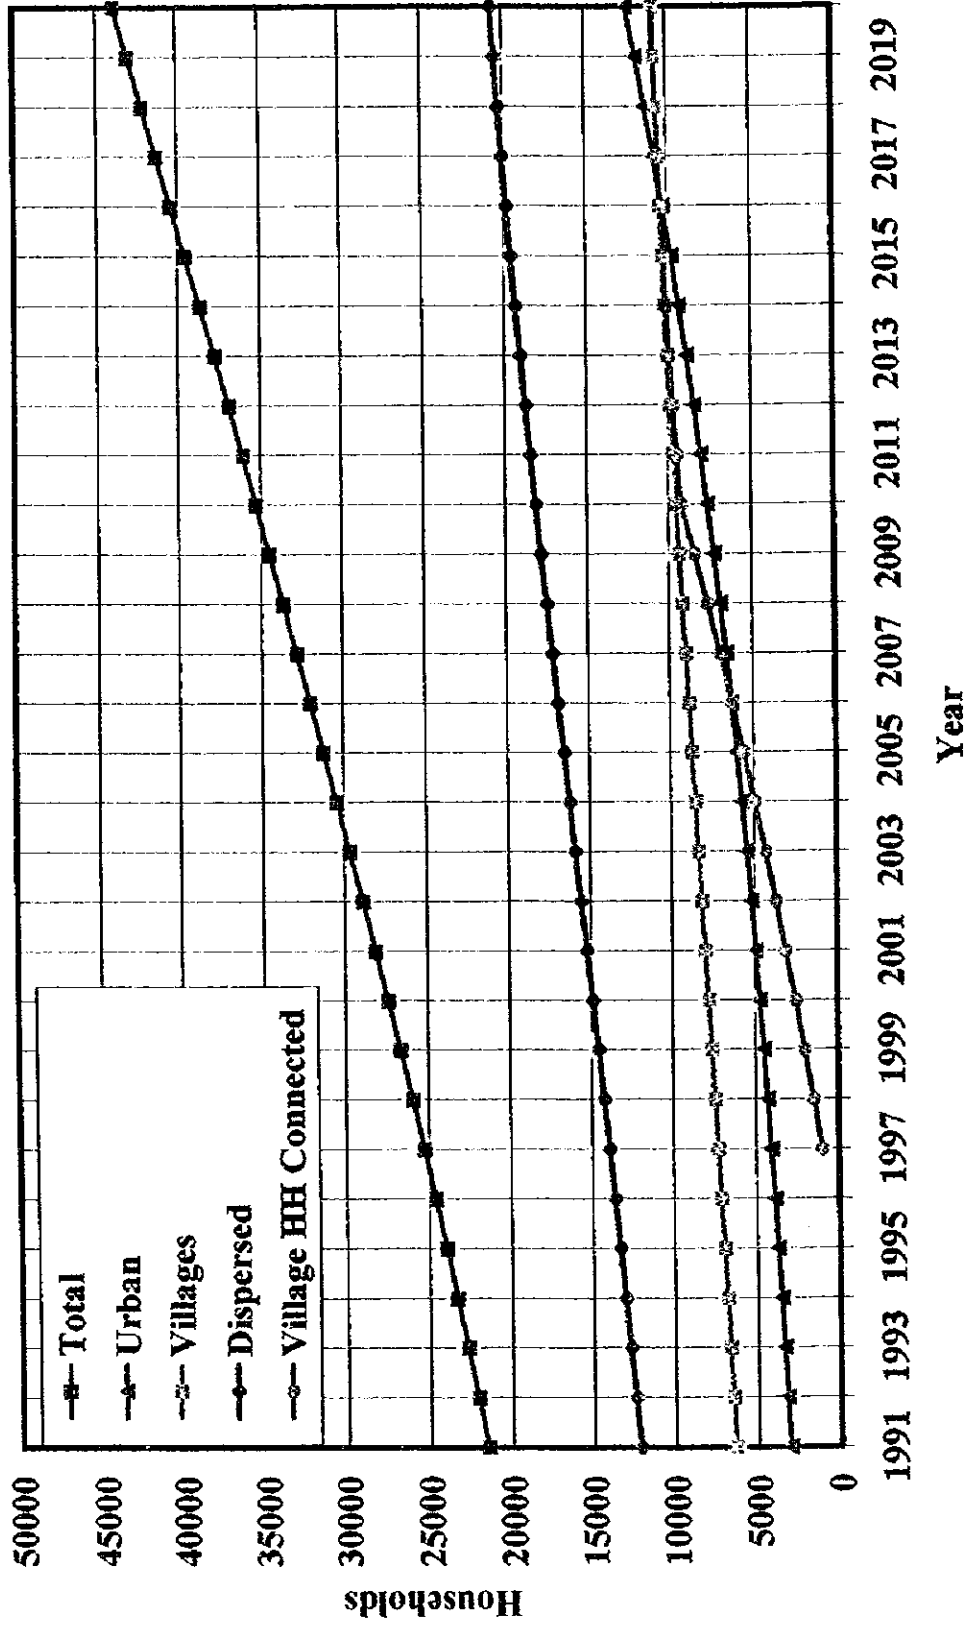

B.10 Omusati Region Household Growth

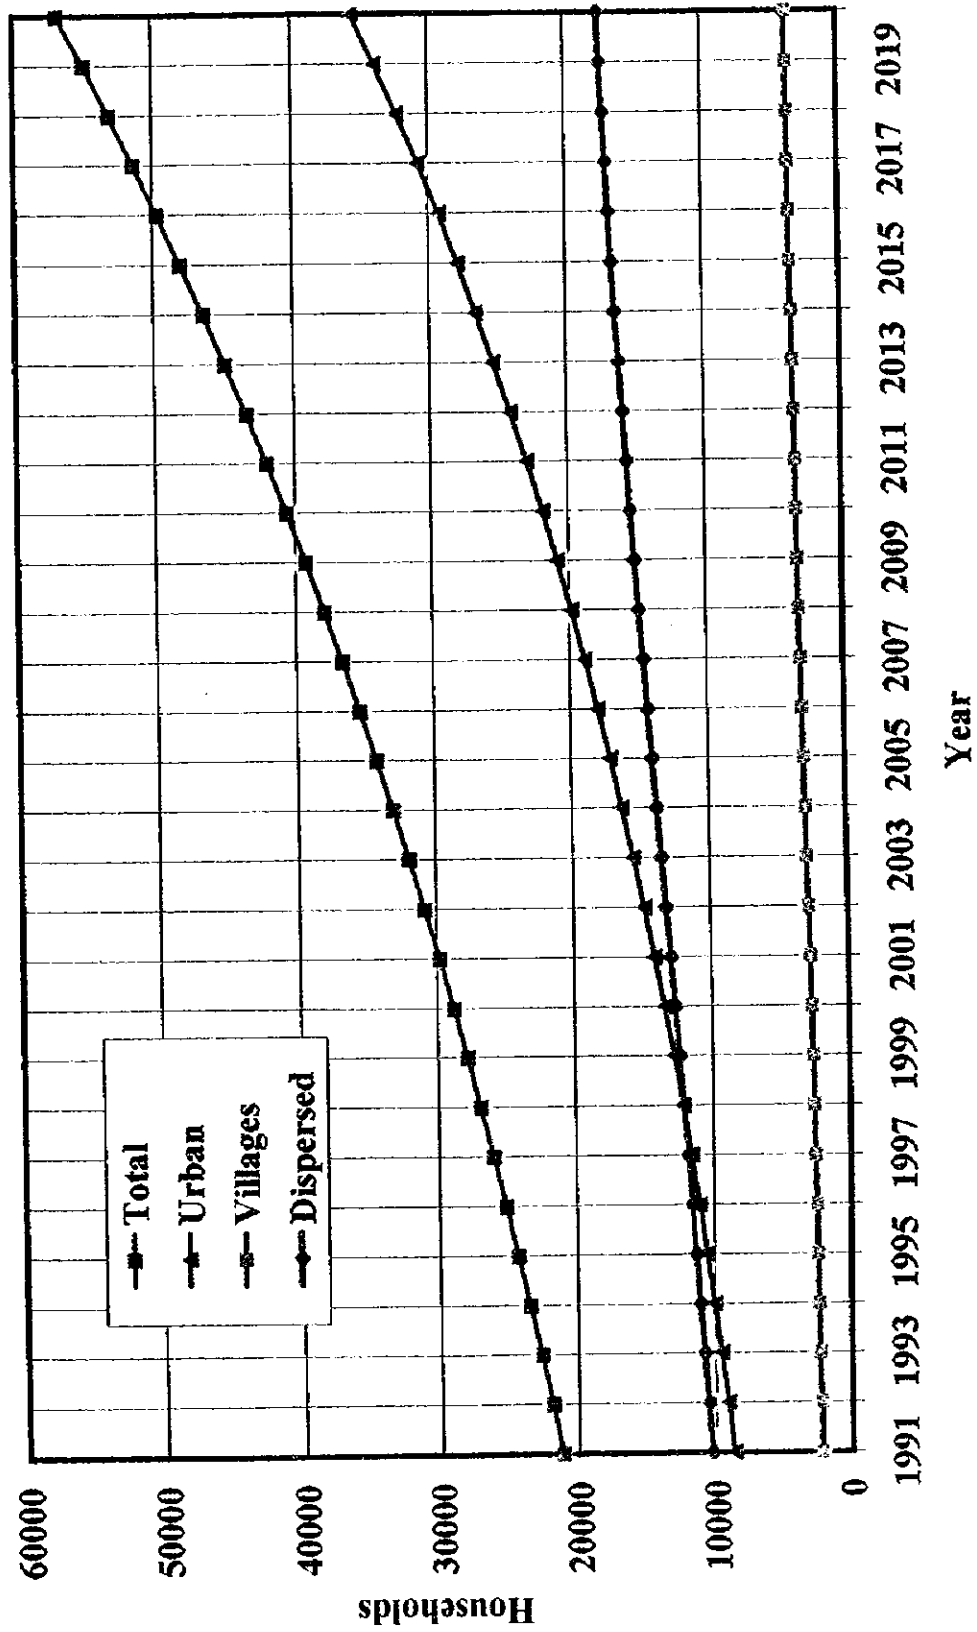

B.11 Oshana Region Household Growth

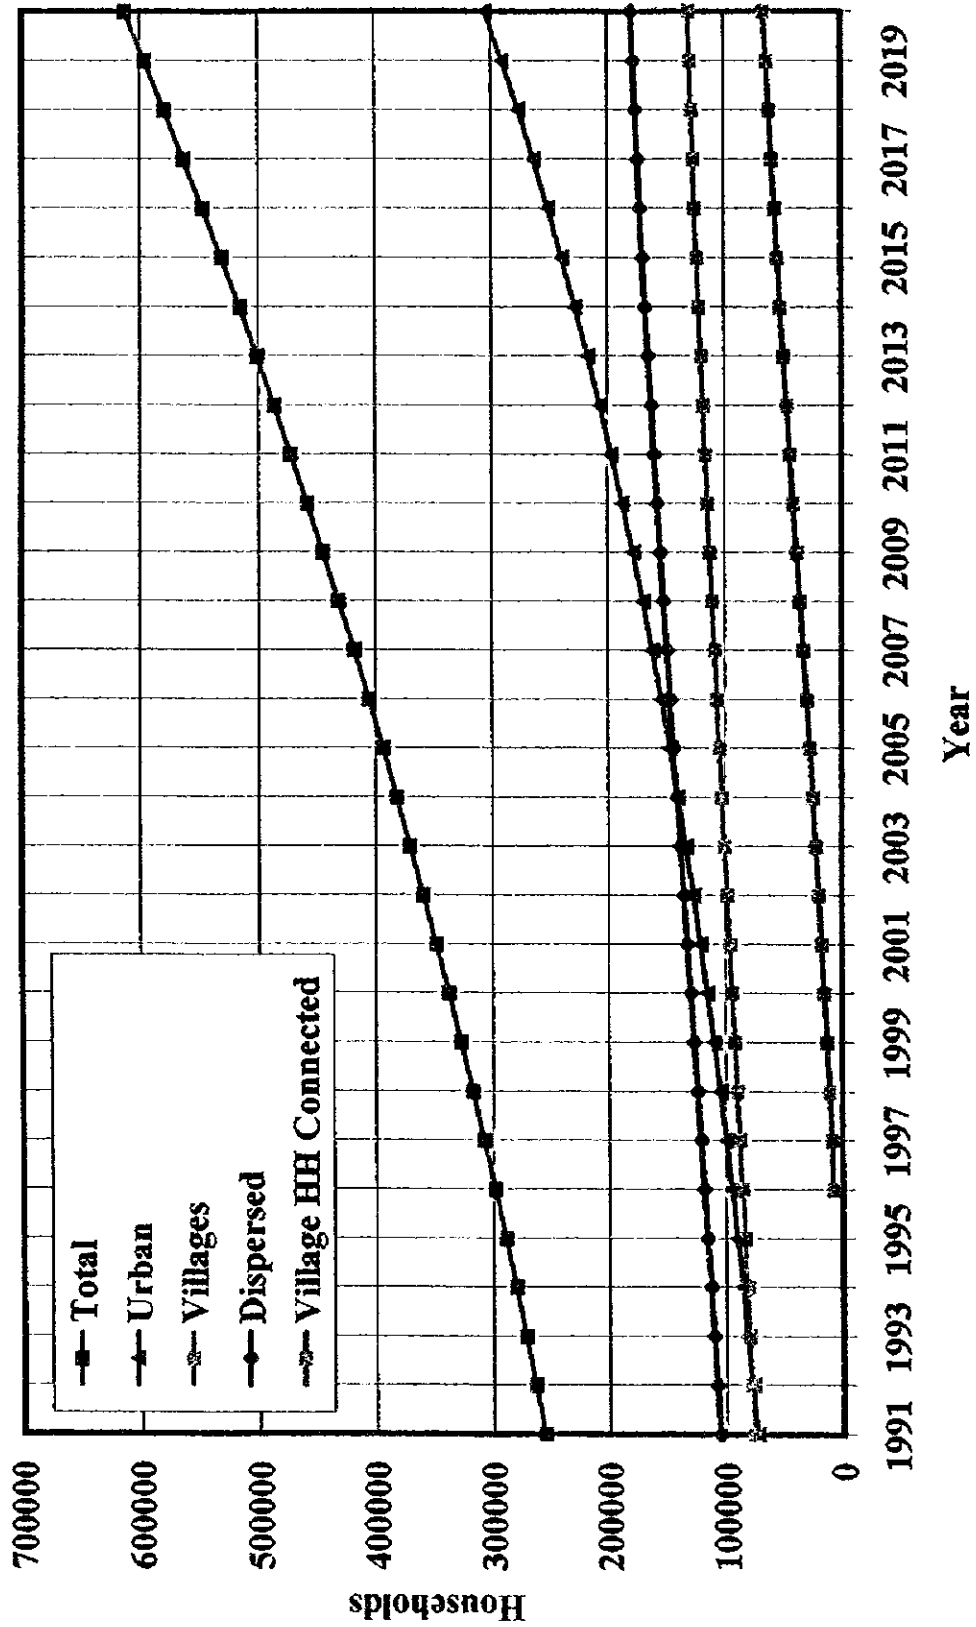

B.12 Oshikoto Region Household Growth

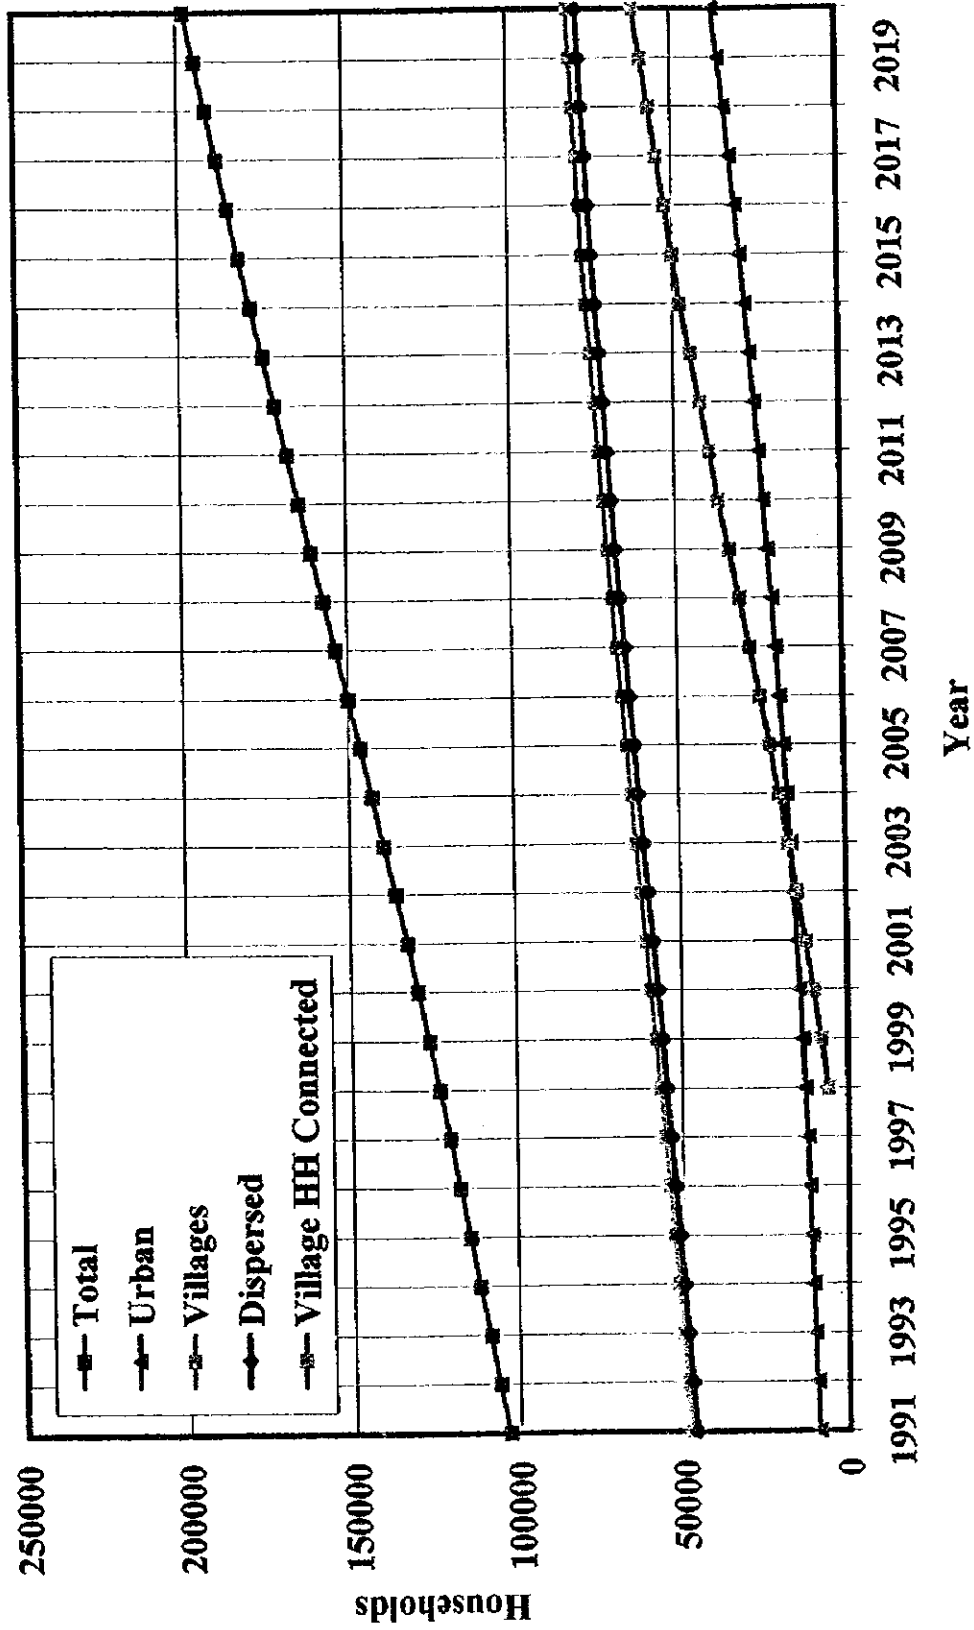

B.13 Otjozondjupa Region Household Growth

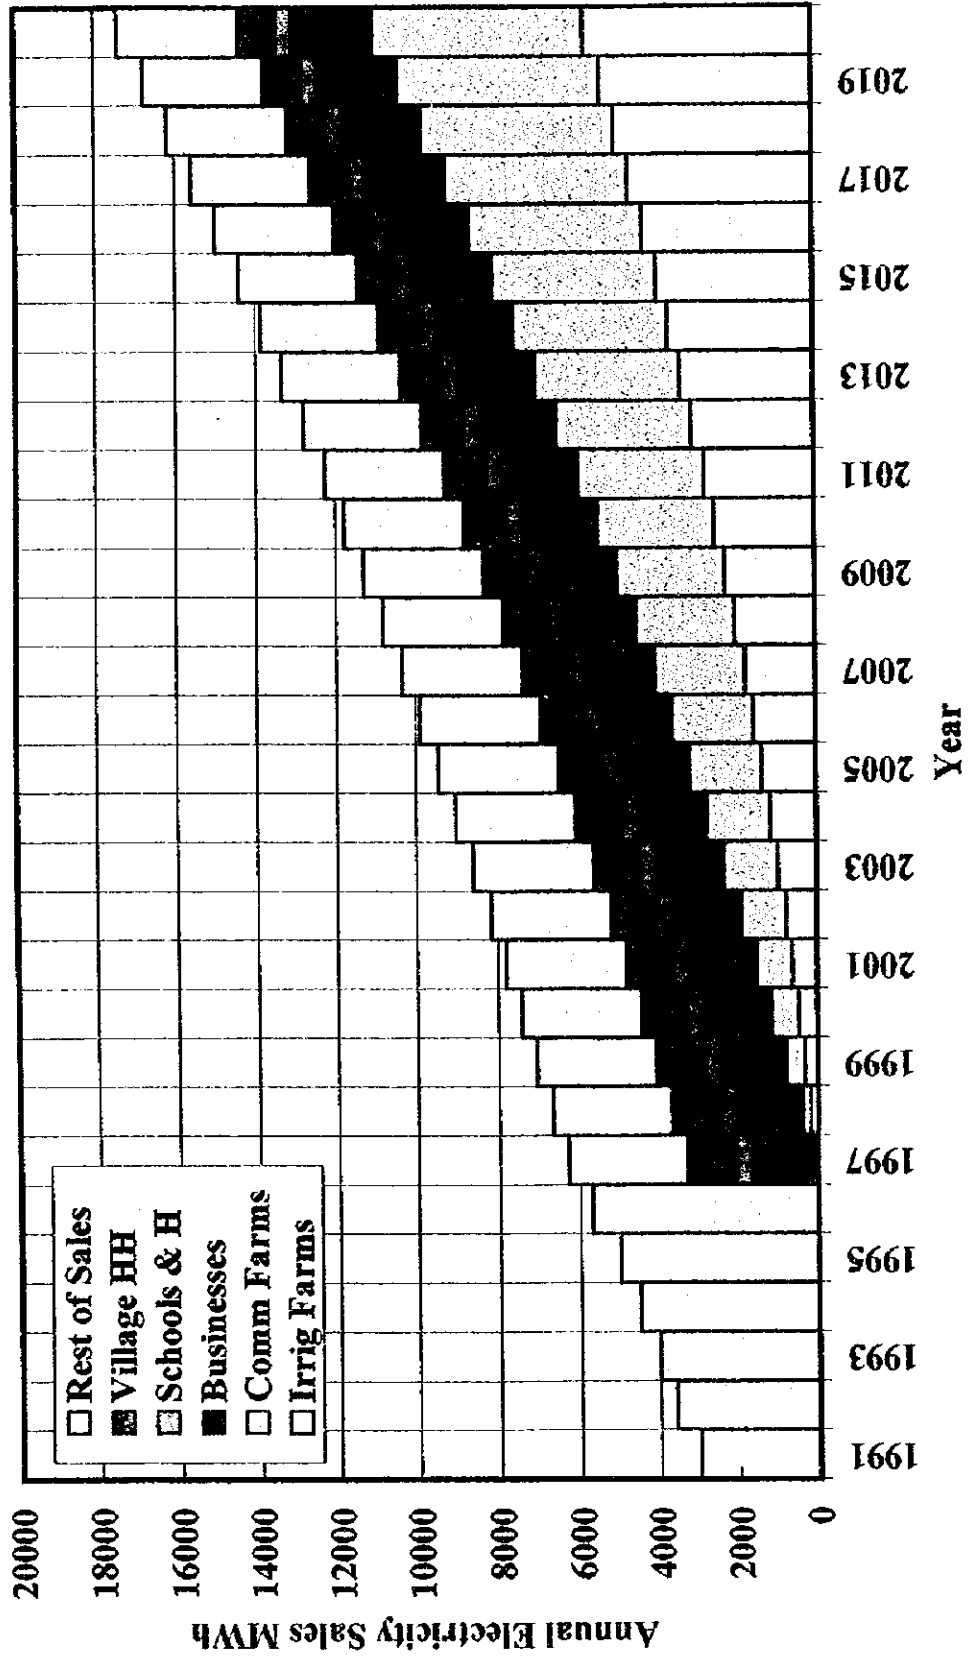

B.14 Namibia Household Growth

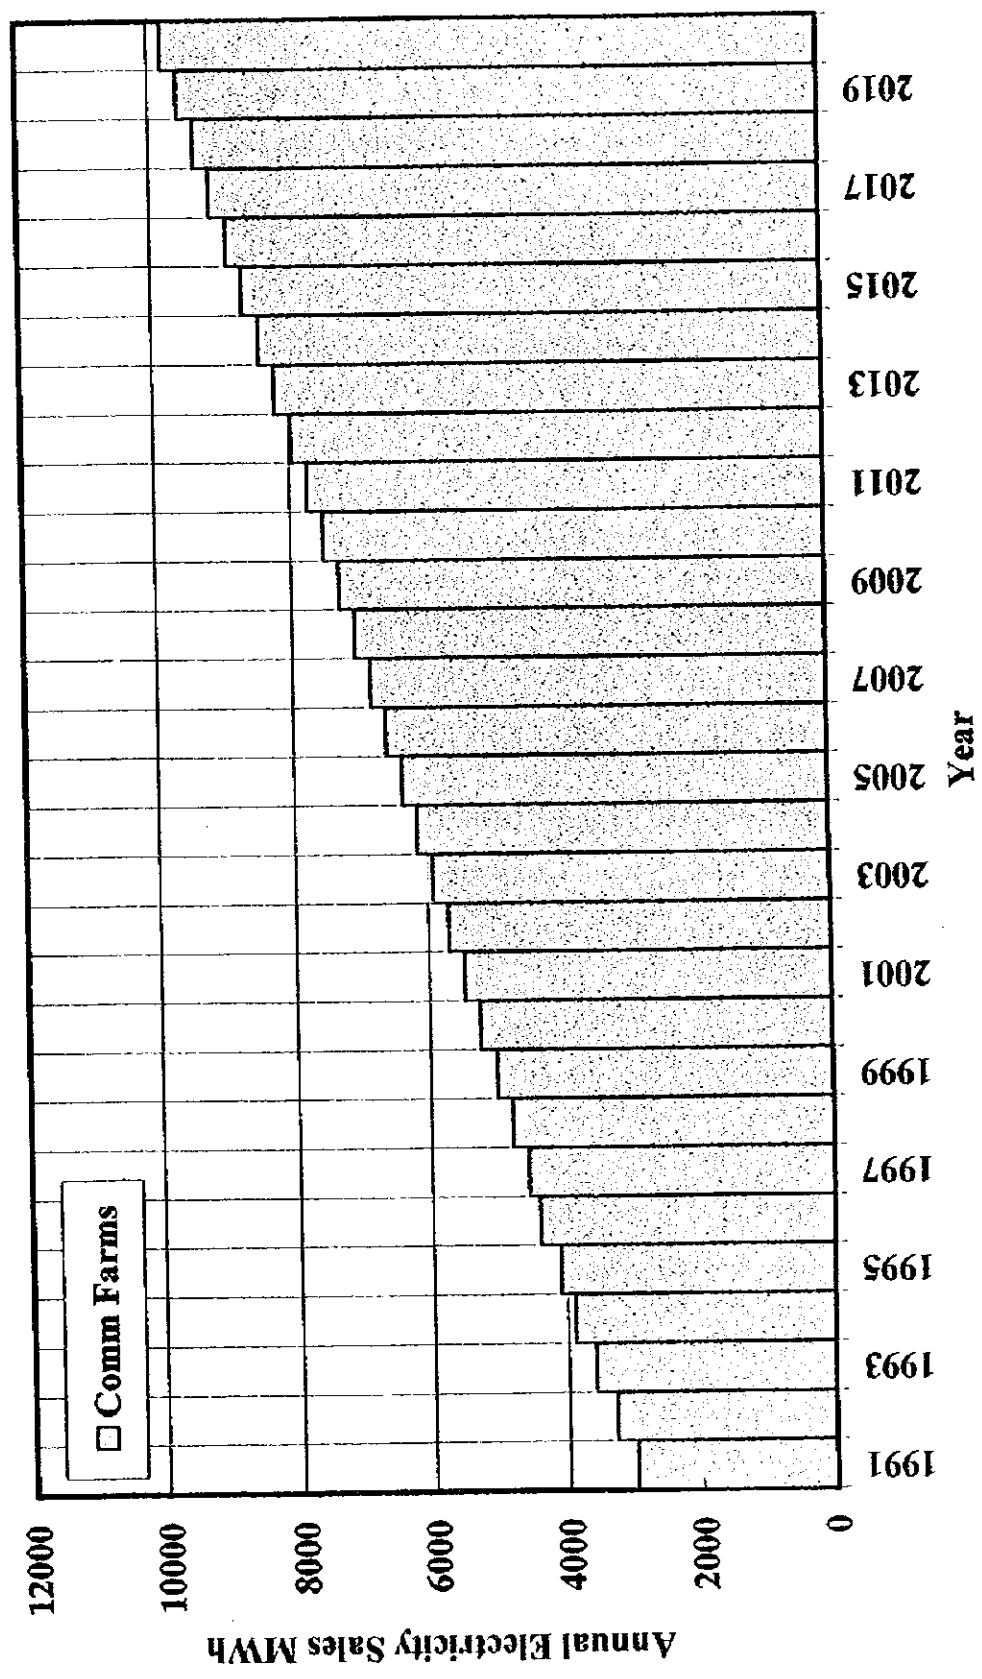

B.15 Ovambo Regions Household Growth

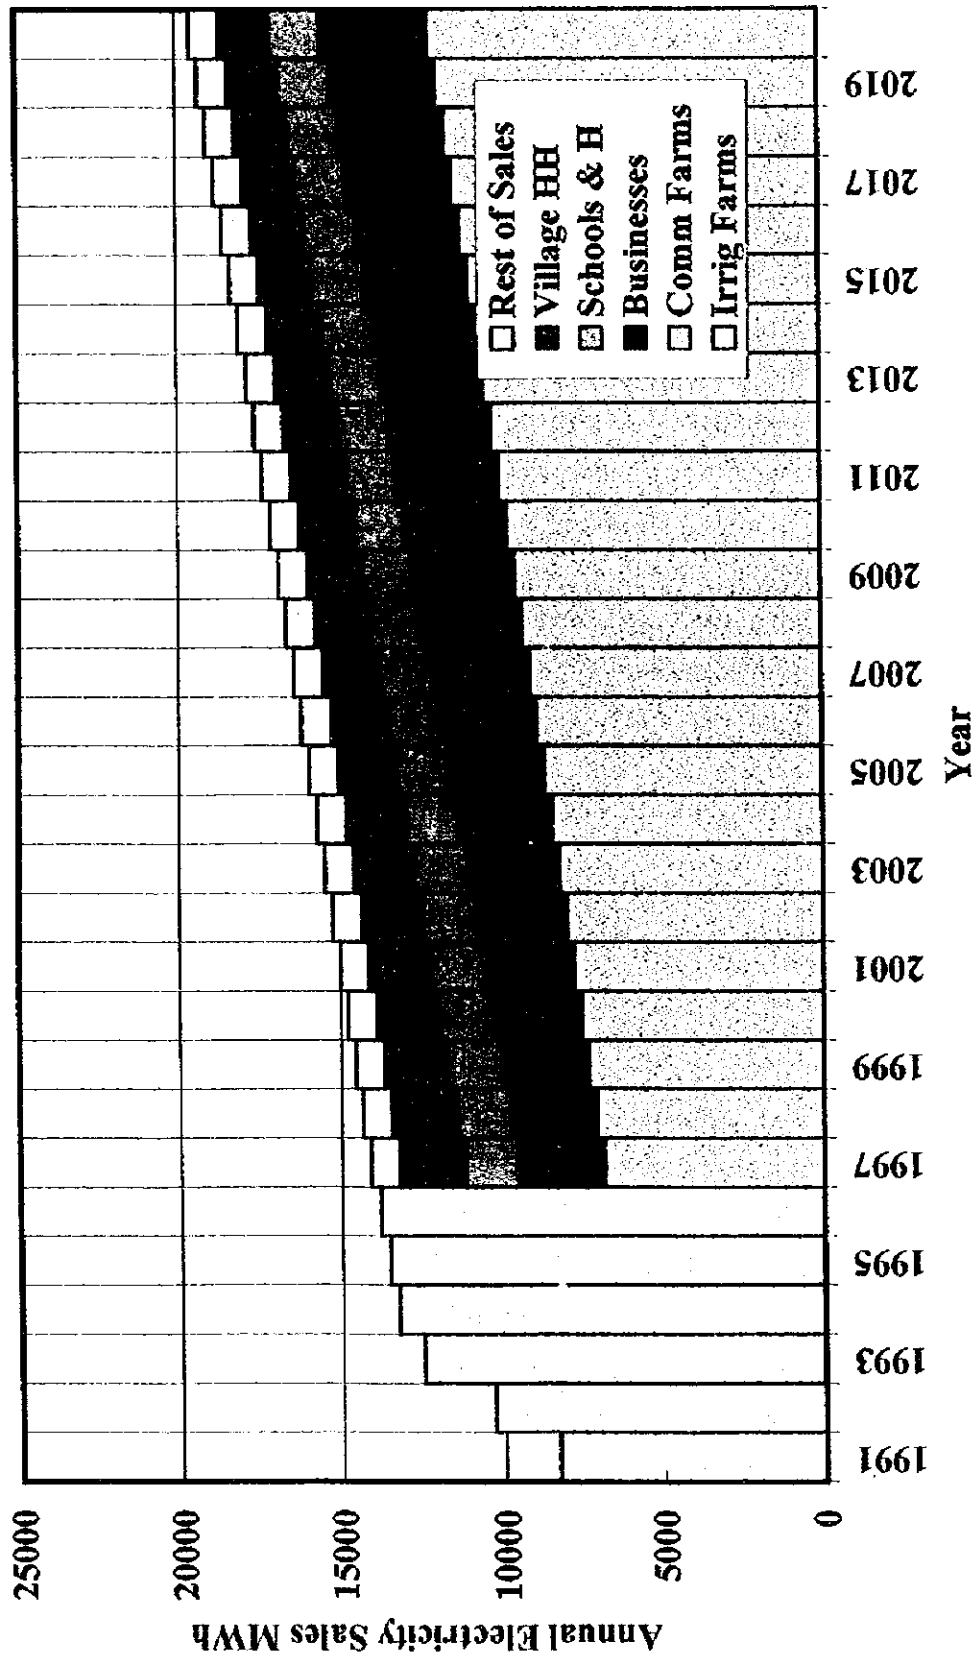

B.16 Caprivi Rural Electrification Forecast

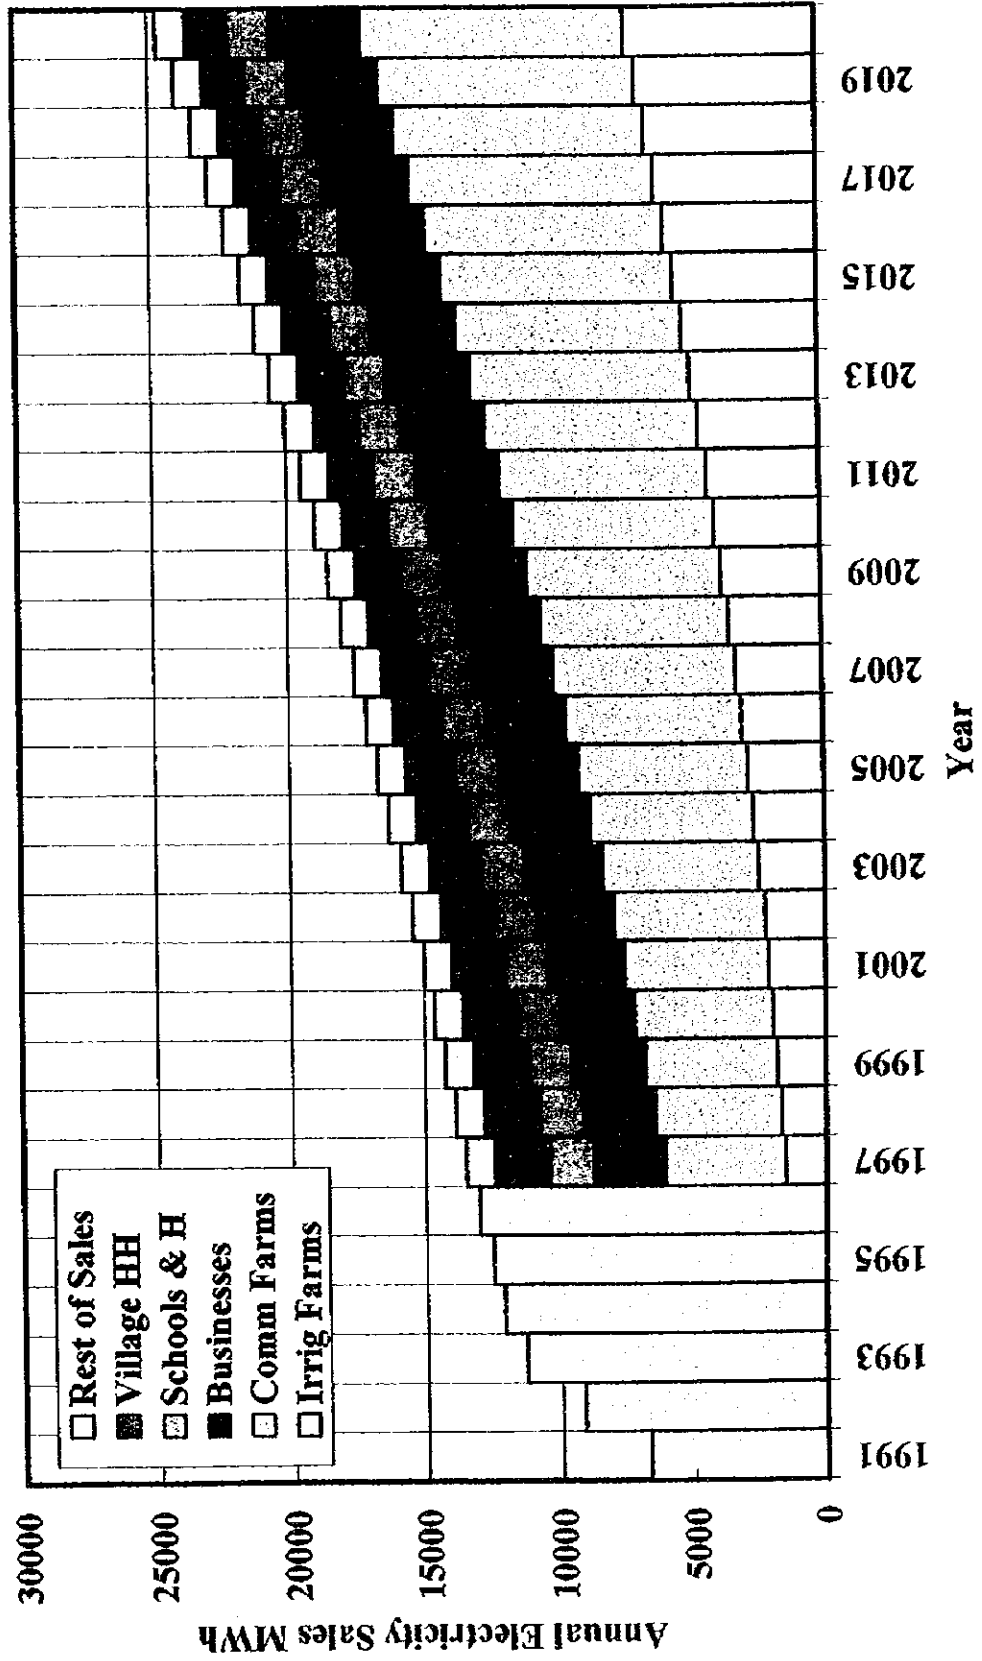

B.17 Erongo Rural Electrification Forecast

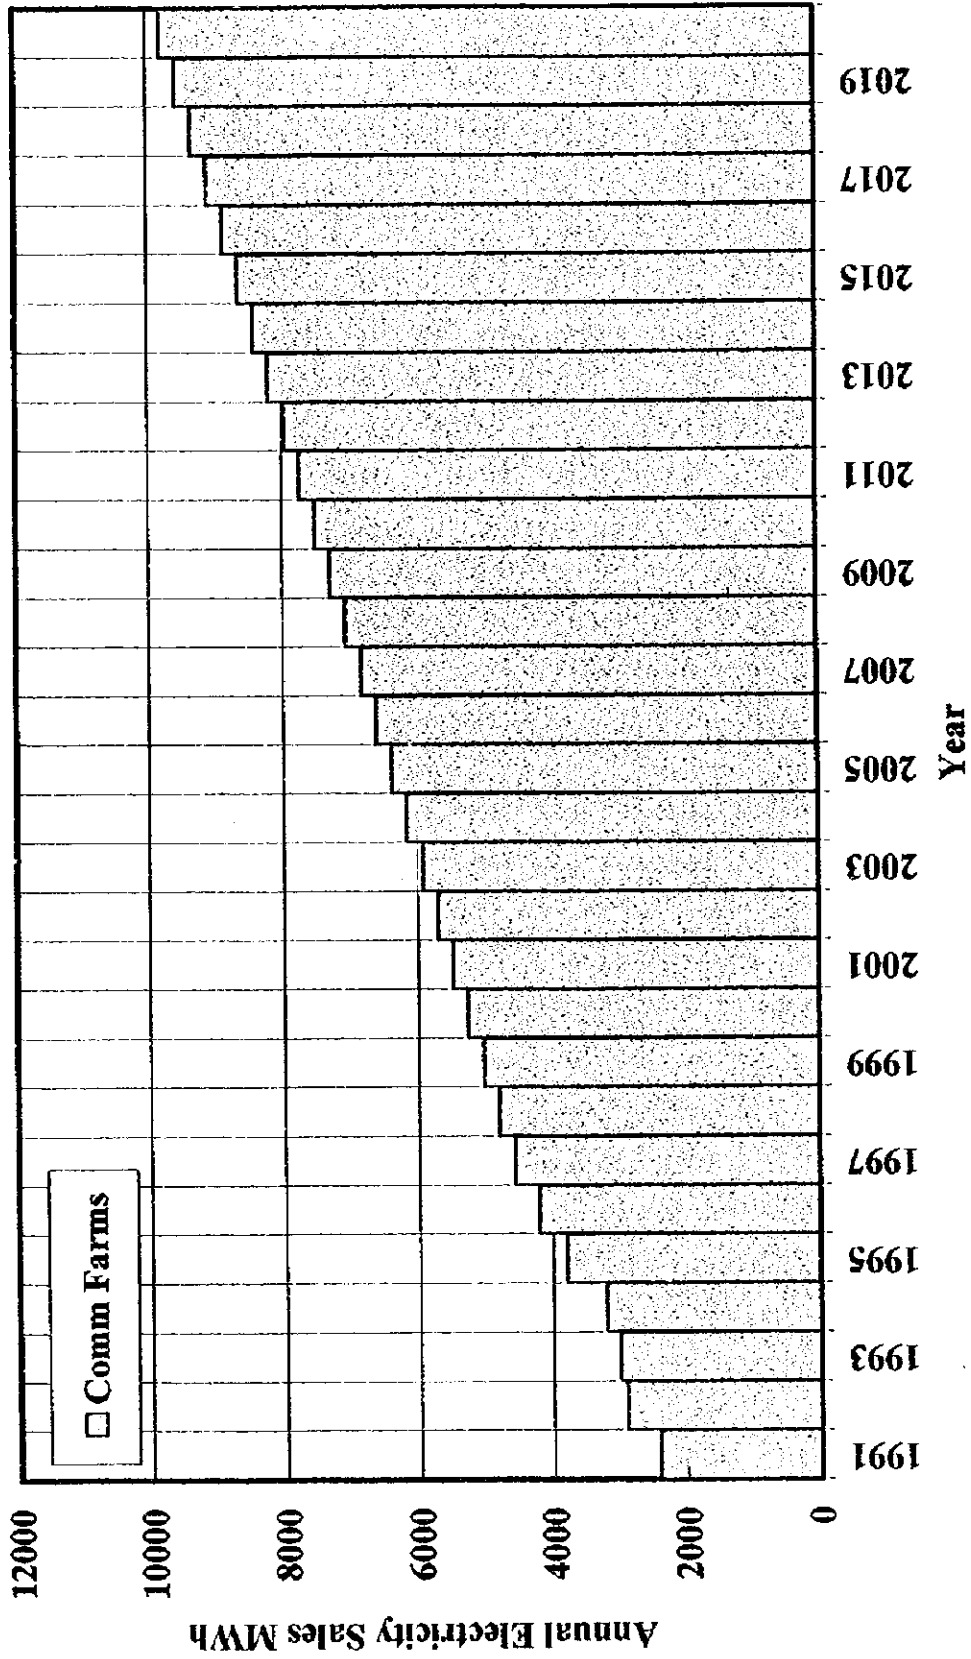

B.18 Hardap Rural Electrification Forecast

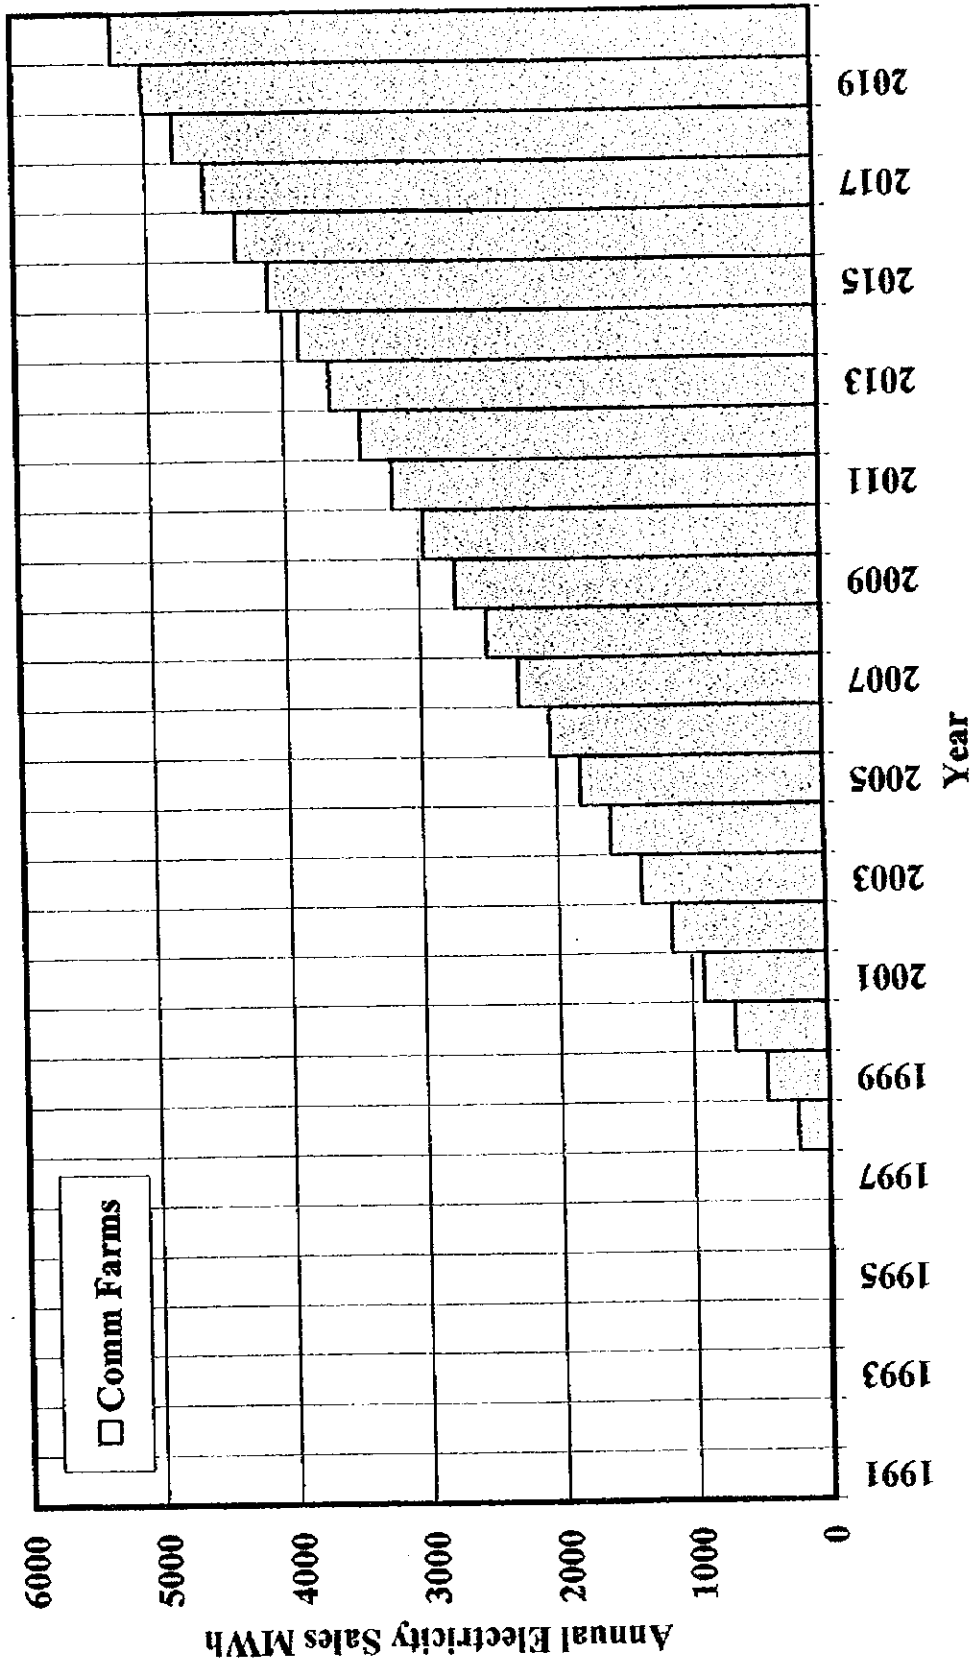

B.19 Karas Rural Electrification Forecast

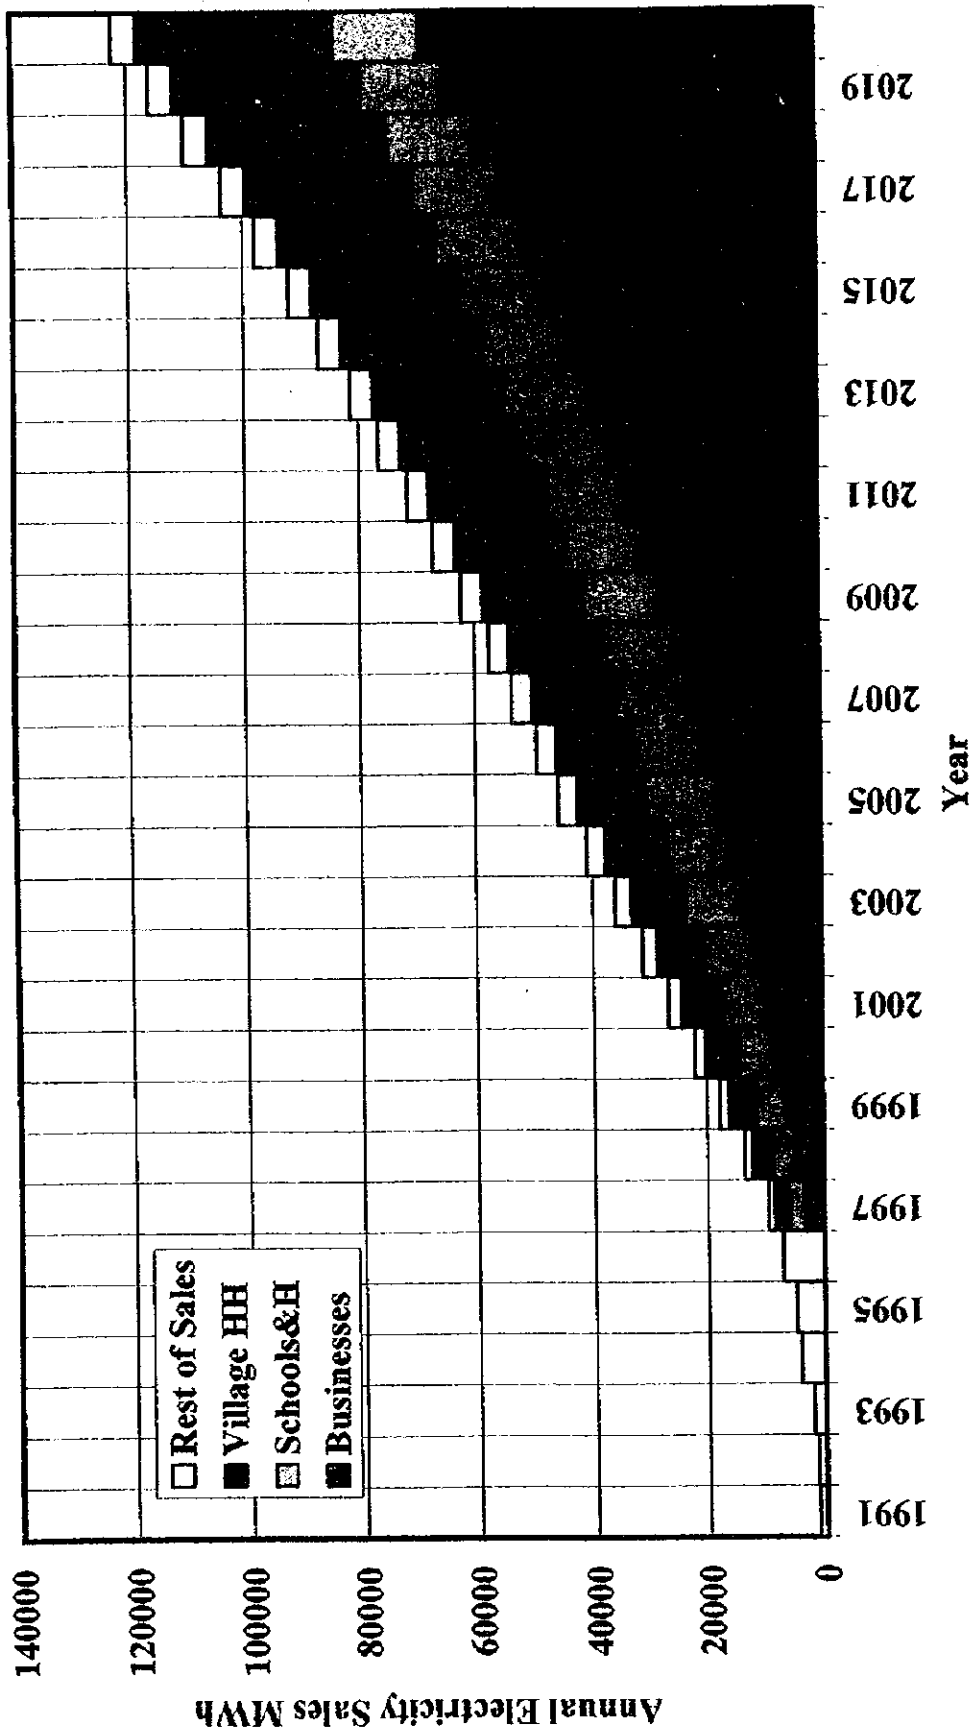

B.20 Khomas Rural Electrification Forecast

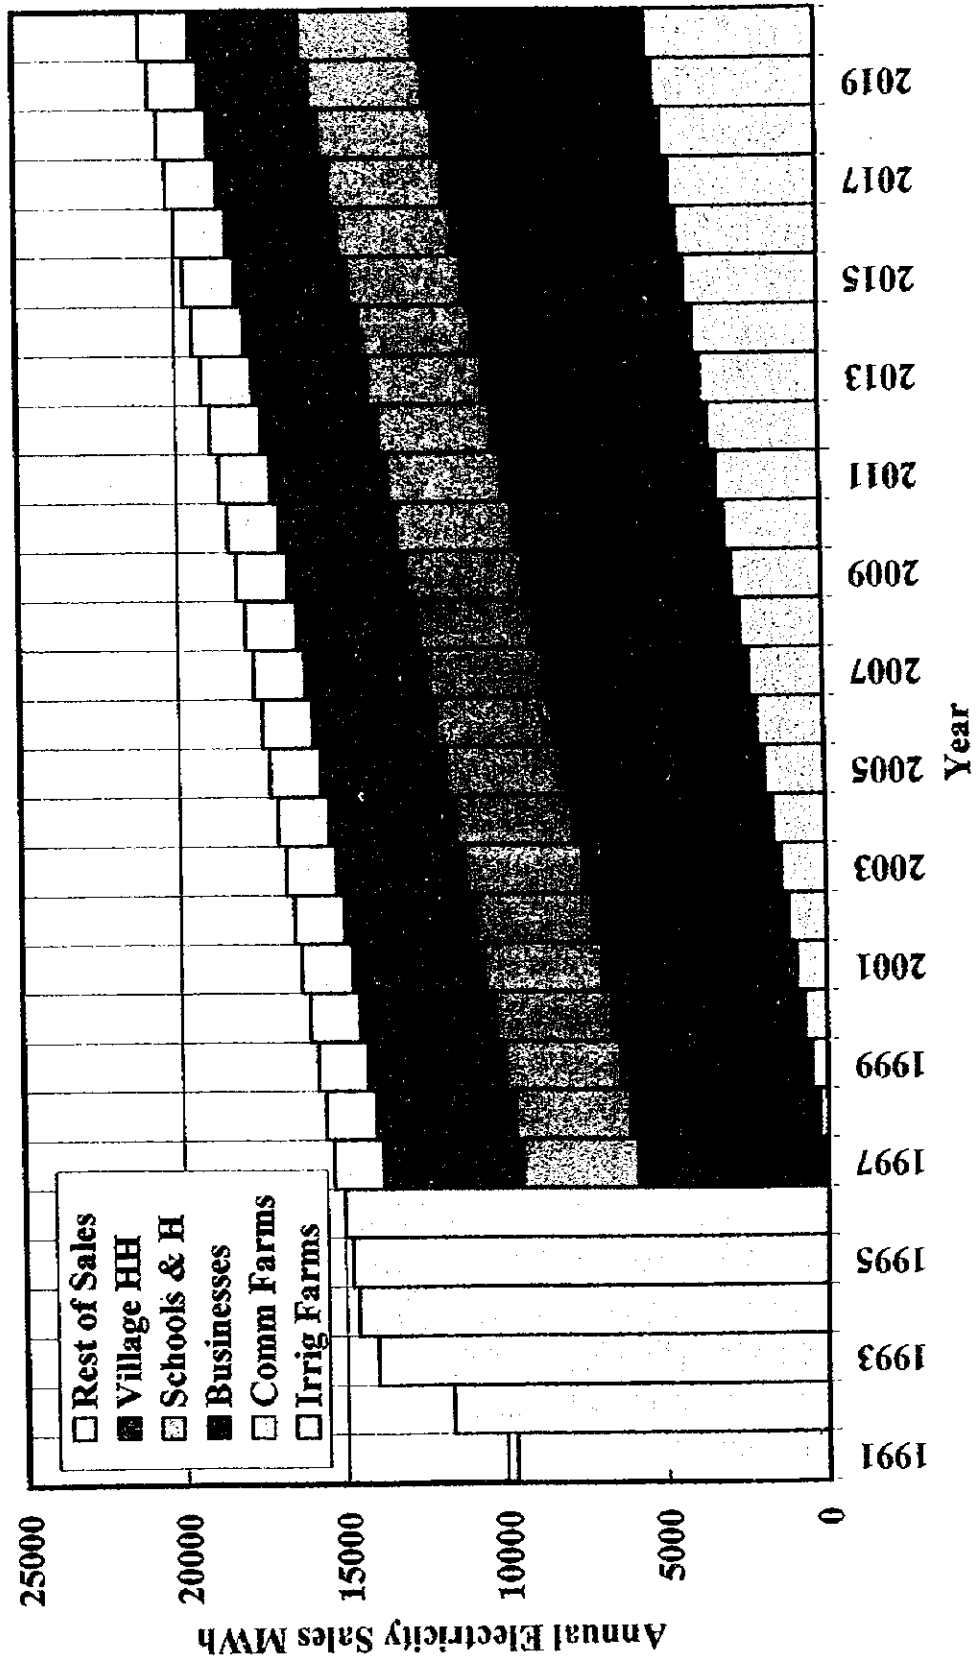

B.21 Kunene Rural Electrification Forecast

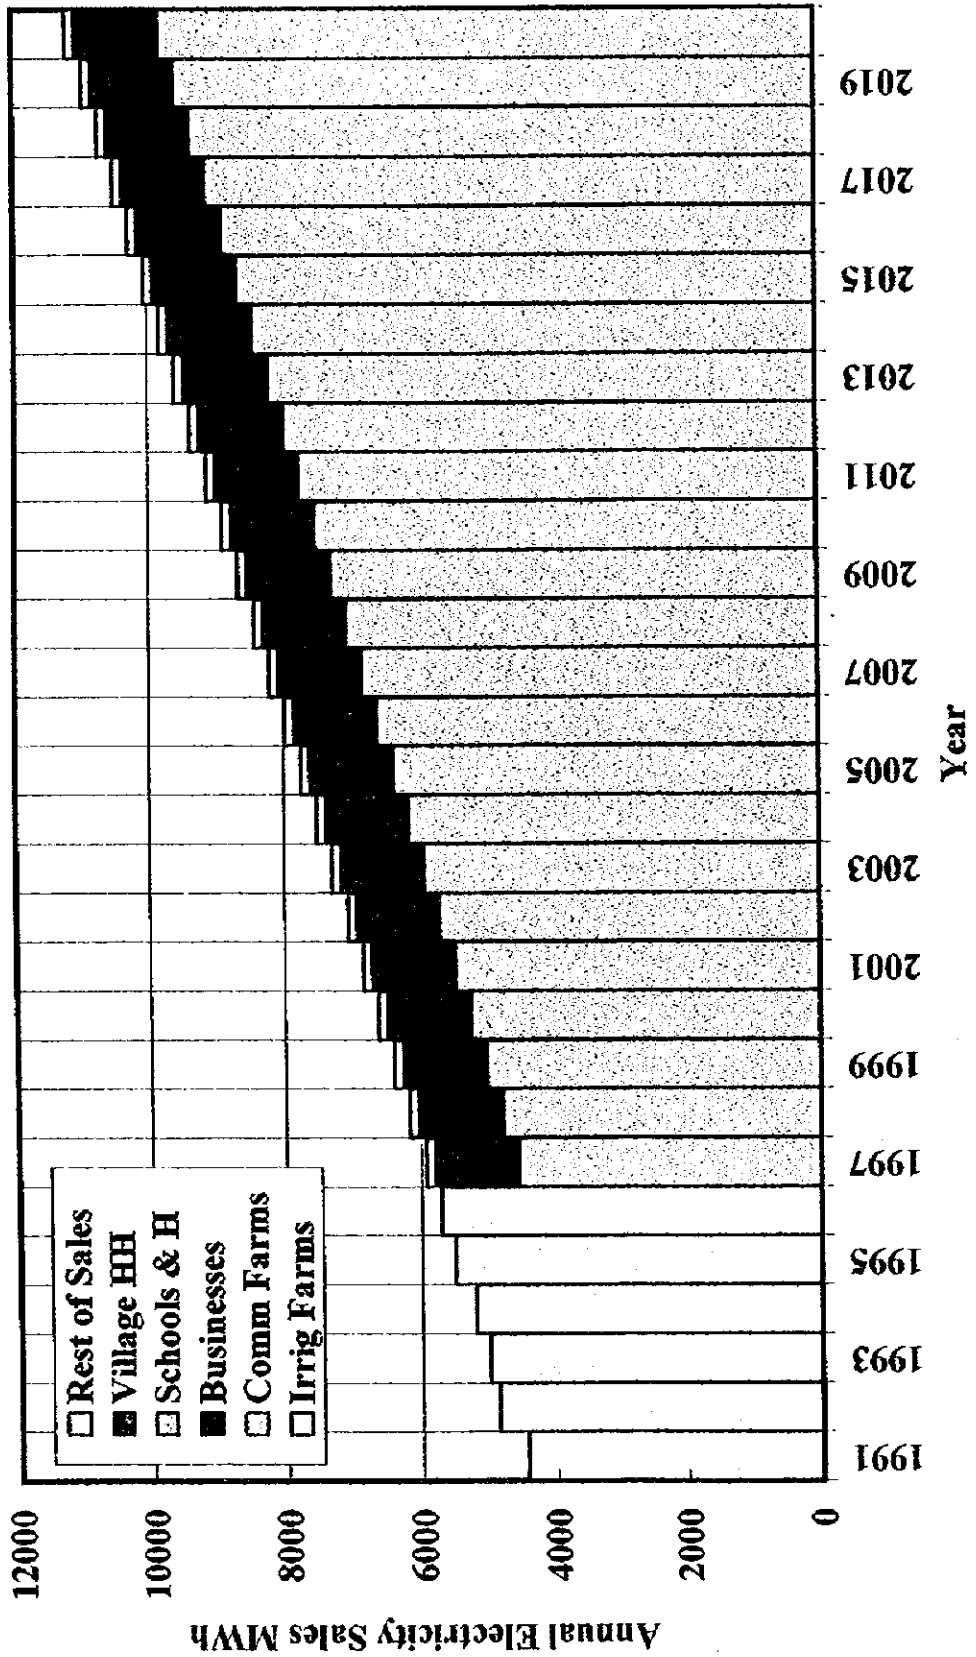

B.22 Ohangwena Rural Electrification Forecast

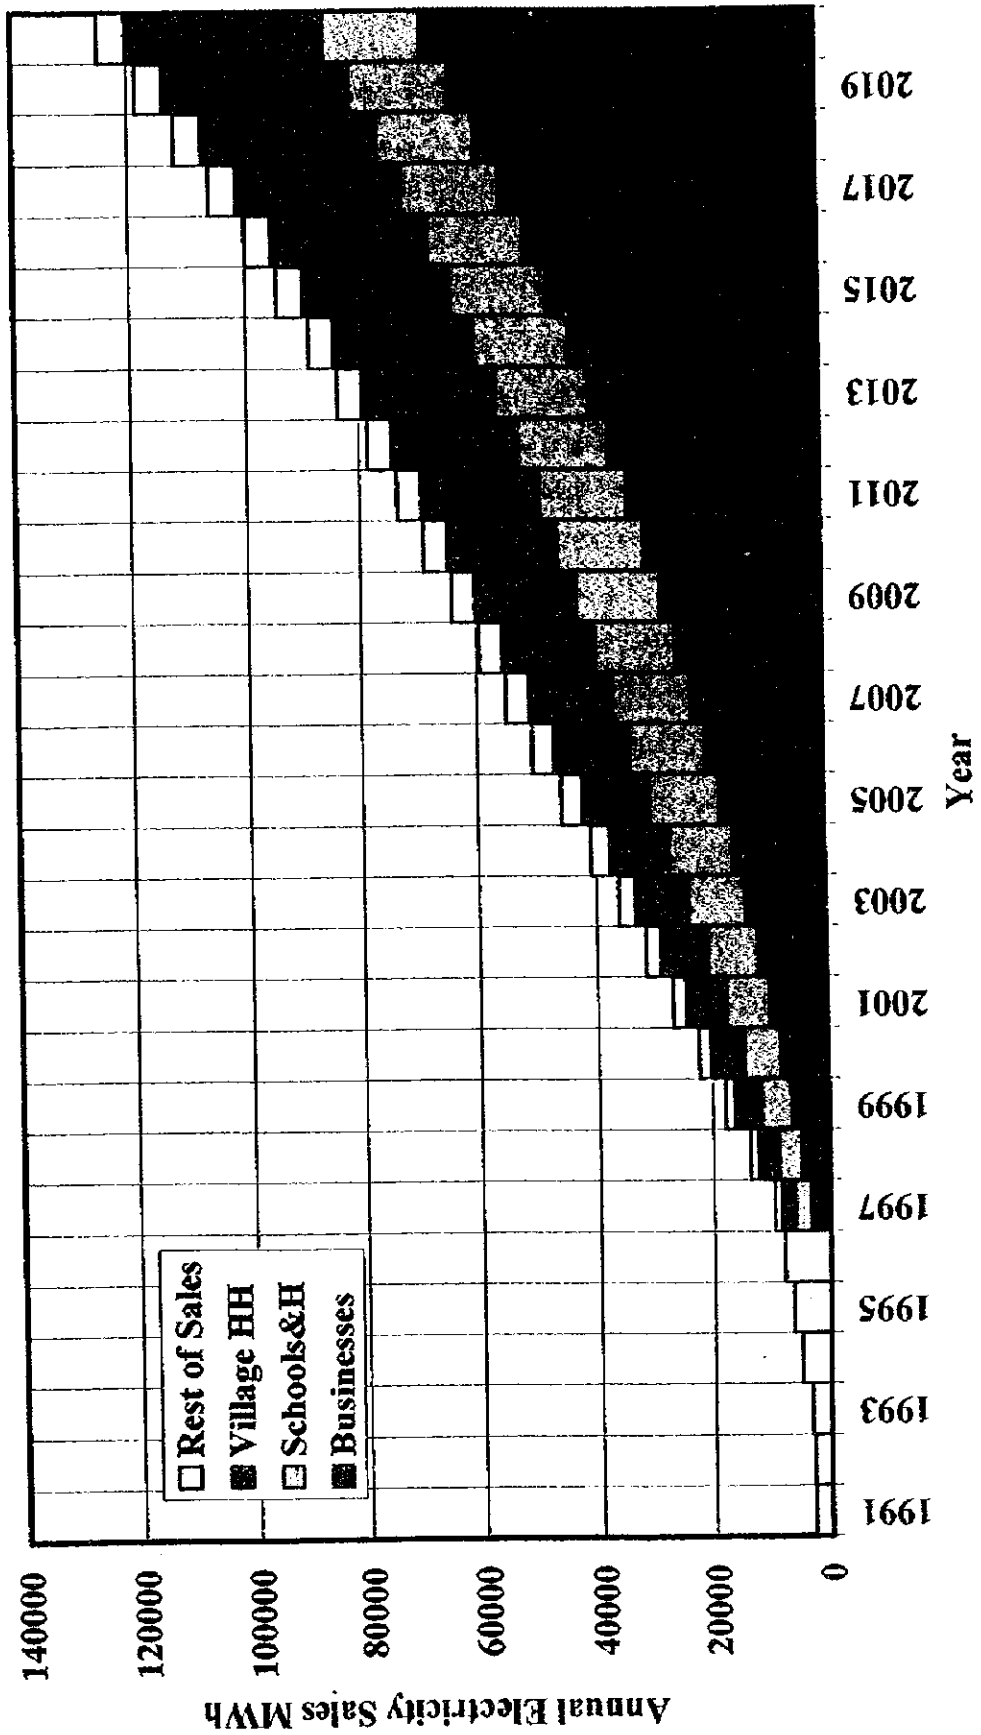

B.23 Okavango Rural Electrification Forecast

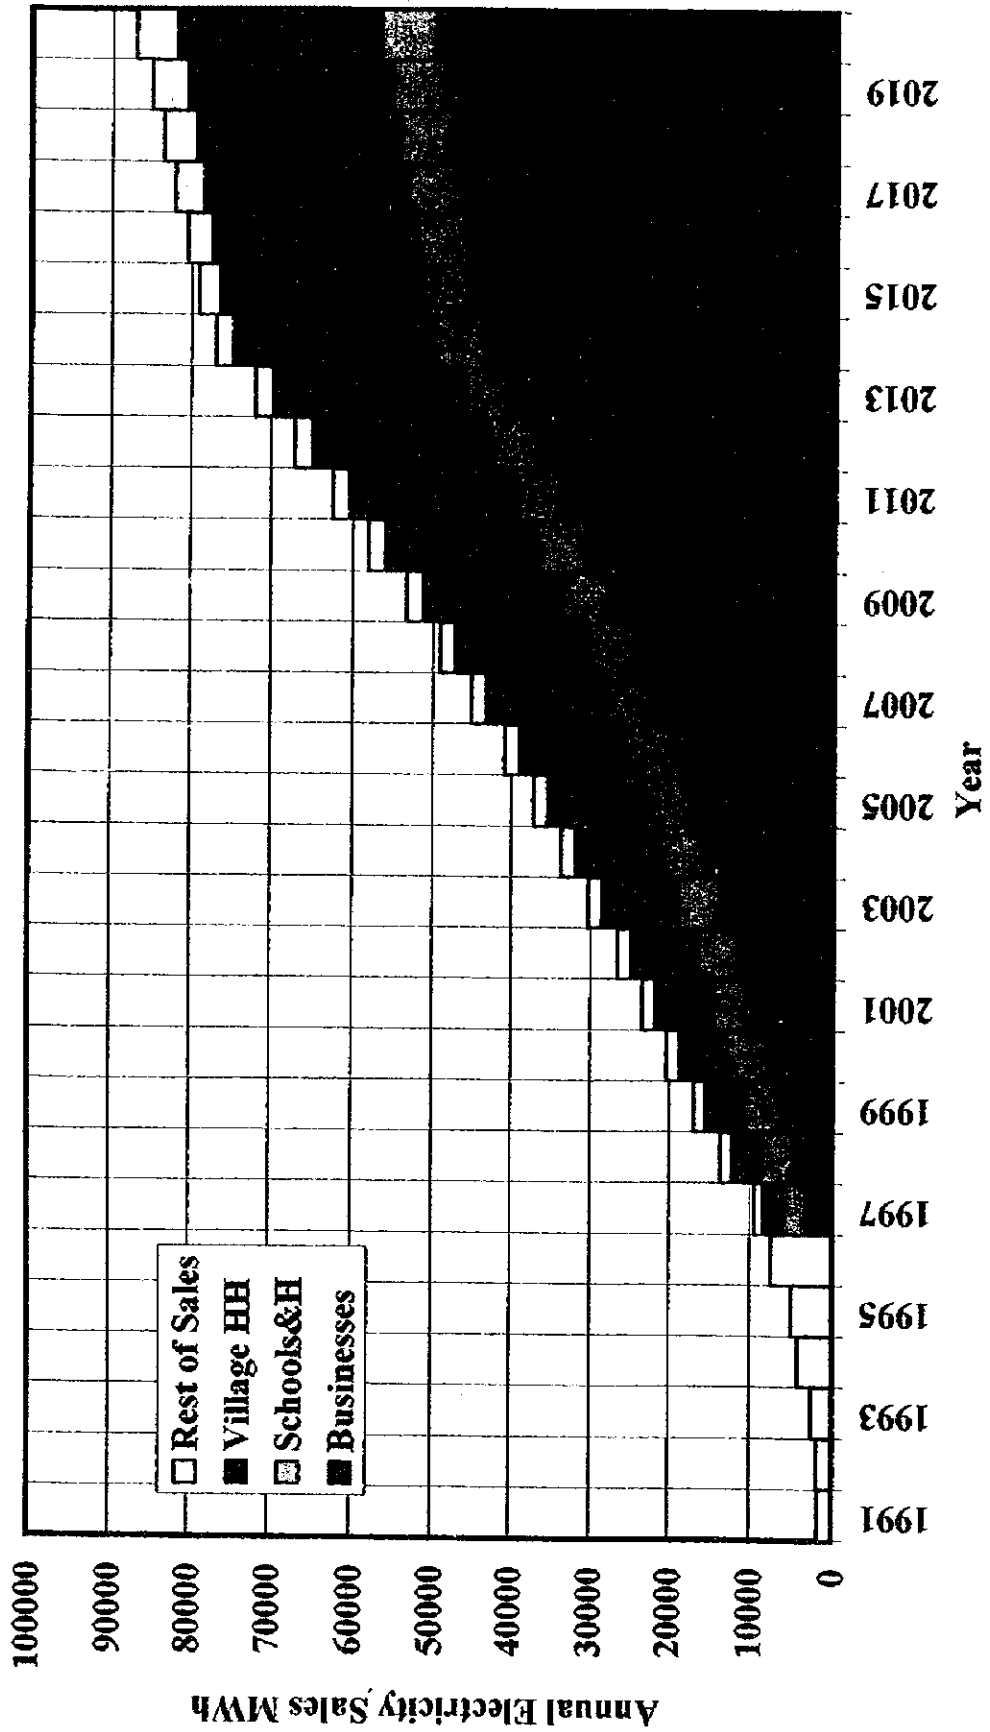

B.24 Omaha Rural Electrification Forecast

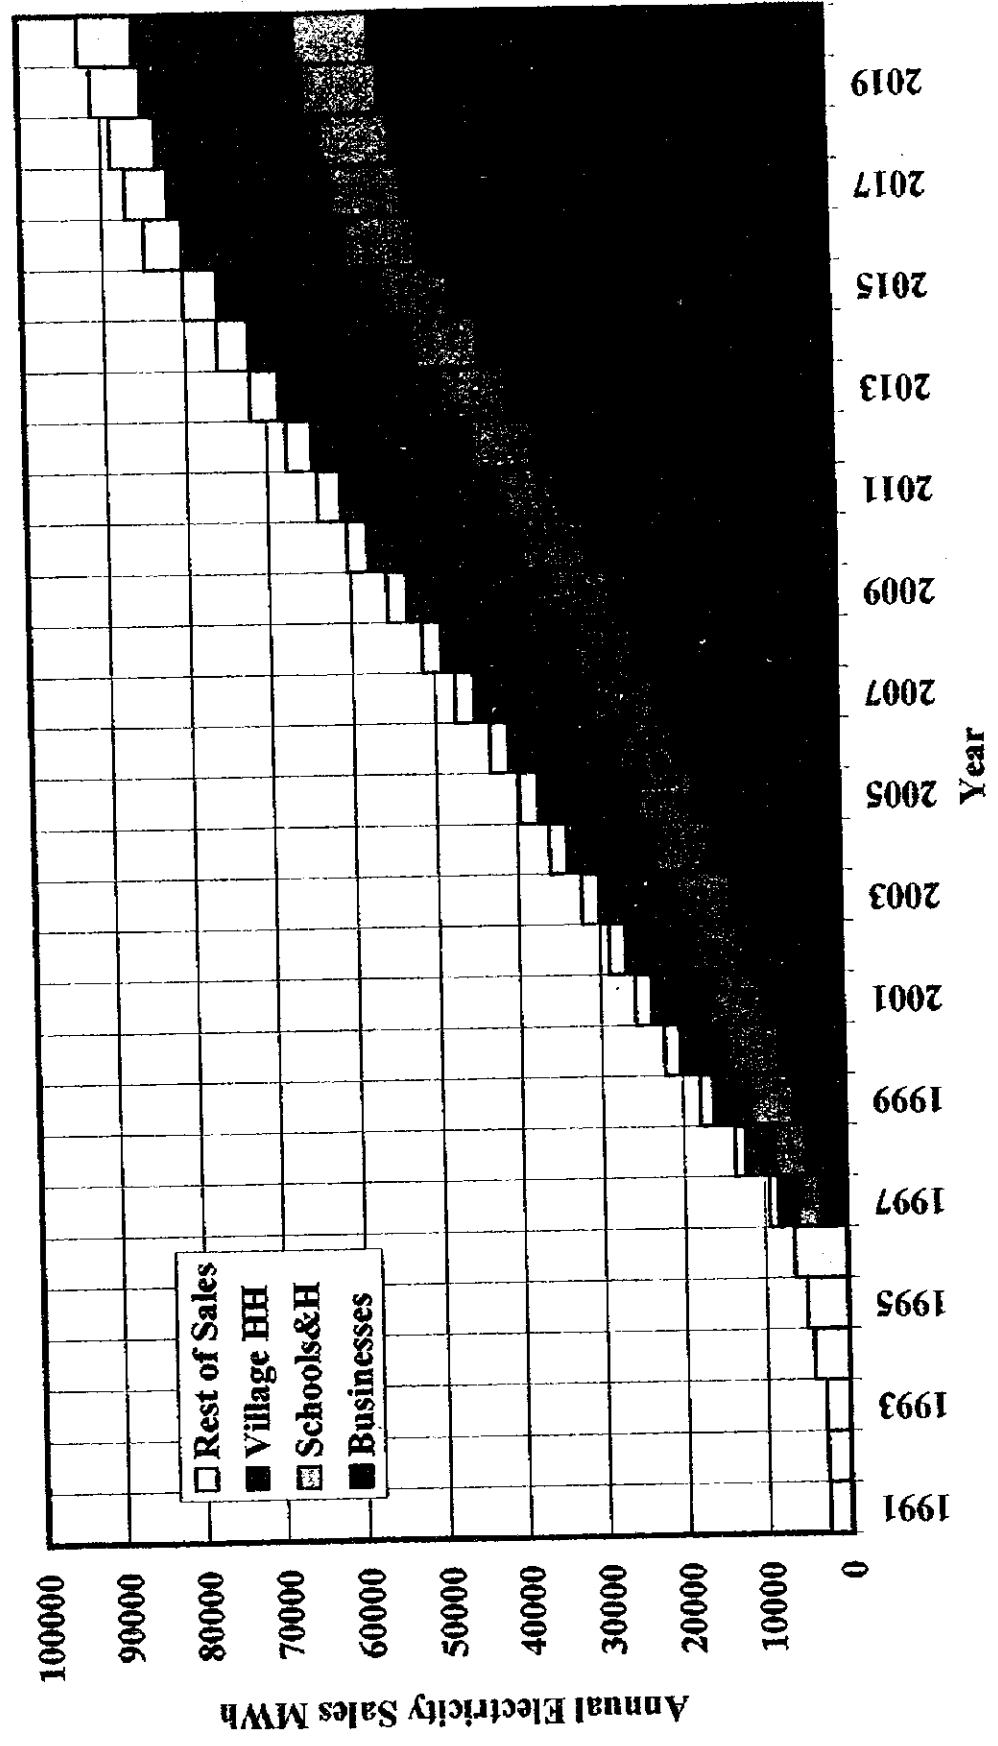

B.25 Omusati Rural Electrification Forecast

B.26 Oshana Rural Electrification Forecast

B.27 Oshikoto Rural Electrification Forecast

B.28 Otjozondjupa Rural Electrification Forecast
