Note: a/; These numbers from 1 to 20 indicate respective sample wards and are used in the tables in DATA BOOK.

b/; These numbers are VDC code used in the database and relevant tables in the JICA Development Study.

c/; These numbers show the ward numbers which are administratively used.

Table 2.6.1 Orientation Training Schedule

Impact Evaluation Survey of HMG/JICA CDFWCP and GPCP

Training Project : Impact Evaluation Survey, JICA, Pokhara-1
 : Impact Evaluation Survey for HMG/JICA Community Development & Forest/Watershed Conservation Project and HMG/JOCV Greenery Promotion Cooperation Project.

Participant : Enumerators

Training Area : JICA Project, Model Areas of Kaski and Parbat districts.

Duration : Two days (27/10/98 to 28/10/98)

Venue : MEH Building, Baneshwor Height, Kathmandu.

Time	Activities	Main objectives	Method of Orientation	Resource Persons
1st Day 10.00-10.30	Registration of Participants & resource persons; providing schedule etc.	To register the name of Participants	• Attendance	Professionals of study teams
10.30-11.00	Introductory Session	To introduce the participants to be familiar with each other	• Self introduce	Participants
11.00-11.30	Inaugural Session	To declare the opening of orientation formally by The Team Leader	Lecture: • Significance of socio-economic post evaluation.	Mr. Ishizuka Team Leader Impact Evaluation Survey JICA
11.30-12:00	Organizational structure of the program and Personnel management/co-ordination with the JICA NGOs/ CBOs/ VDCs/ DDC and Local people.	To enable the Participants to Understand the organizational structure of the programme and its function including his position in the organization	• Chart • Lecture • Question answer	Mr. NG Halwai MD, MEH Consultant (P) Ltd.
12.00-1.00	Objective of the Impact Evaluation of JICA Project.	To make aware the main goal	• Chart • Lecture • Question answer	Mr. PBS Socio-Economist
1.00-1.30	Tea Break			
1.30-2.00	Role & Responsibilities of Enumerators	To understand the major duties & discipline of themselves	• Lecture/Discussions • Questions answer	Mr. MPJ Rural Sociologist
2.00-2.30	Method of Interviews, Data-collection techniques.	To understand the interview techniques	• Lecture/Discussions • Questions answer	Mr. PBS Socio-Economist
2.30-3.00	Communication and its importance	To make the communication system reliable	• Lecture/Discussions • Questions answer	Mr. MPJ Rural Sociologist
3.00-3.30	How to minimized the errors in Sampling survey	To minimized the errors during survey	• Lecture/Discussions • Questions answer	Mr. PBS/MRT Socio-Economist/ Com. Analyst
3.30-4.00	Socio-Cultural Background of the Study area and Present status of socio-economic	To increase capability of the participant Enumerator	• Lecture/Discussions • Questions answer	Mr. MPJ Rural Sociologist
4.00-6.00	Explain about the questionnaires and discussion	To increase the enumerator and confirm their role in survey	• Lecture/Discussions • Questions answer	Mr. PBS/MPJ
2nd Day 10.00-1.00	Review of the questionnaire role play, practical exercise, interviewing and filling of questionnaires.		• Lecture/Discussions • Questions answer	Mr. PBS/MPJ
1.00-1.30	Tea Break			
1.30-2.30	Field site assignment of enumerators for impact evaluation survey.	Assigned the duties of Enumerators	• Display the table • Discussion	Mr. PBS/MPJ
2.30-on ward	Logistic arrangement.	Preparation for field visit	• Arrangement support.	MEH Adm. & A/c.
