List of New Courses Planned in JFY 1999

Implementing Country	Title (tentative)	Implementation Organization (tentative)
Indonesia	Sustainable Structural Technologies for Urban Buildings	Research Institute for Human Settlements
Brunei	International Seminar on Tropical Forest Conservation in Southeast Asia	Ministry of Industry and Primary Resources in Brunei
Malaysia	Engine Electrical and Electronic System Service	Center for Instructor and Advanced Skill Training (CIAST)
	Japan-France-Malaysia Joint Seminar	Center for Instructor and Advanced Skill Training (CIAST)
Philippines	Institutional Options for River Basin Management	National Water Resources Board (NWRB)
	Program for Training Teachers in Educational Technology	The Southeast Asian Ministers of Education Organization, Regional Center for Educational Innovation and Technology
	Responsible Aquaculture Development	Southeast Asian Fisheries Development Center, Aquaculture Department (SEAFDEC/AQD)
	Engendering TVET Management	Technical Education and Skills Development Authority (TESDA)
	Appropriate Technology on Water Supply & Environmental Sanitation	Approtech Asia
Singapore	International Trade Promotion	Nanyang Technological University
	Workshop to Promote Linkages between the Civil Service Institutions of Asia and Africa	(to be confirmed)
	Training Course on debt Management for African Countries	Monetary Authority of Singapore
	(Environmental Sector)	(to be confirmed)
	Management of Productivity and Quality for Small and Medium Enterprises (SMEs)	Singapore Productivity and Standard Board (PSB)
	Prudential Policy of Banking Sector	Monetary Authority of Singapore
	PPP --- Management Consultancy	Singapore Productivity and Standard Board (PSB)
	PPP --- Seminar on Trade Finance	Singapore Productivity and Standard Board (PSB)
Thailand	Diploma Course in Dermatology	Institute of Dermatology, Department of Health
	Population and Reproductive Health Research	Institute for Population and Social Research, Mahidol University
	Training Seminar for Access Trainers on the Promotion of Non-Handicapping Environment	Economic and Social Commission for Asia and the Pacific (ESCAP)
Korea	(Industrial Sector)	(to be confirmed)
Sri Lanka	Digital TV Engineering	Sri Lanka Rupavahini Corporation
	Plant Genetic Resources Conservation and Management	Plant Genetic Resources Center
Tonga	Shell Fish Restocking	Maricultural Center, Fisheries Department
Costa Rica	Regional Training Seminar of Effective Measures to Improve the Living Conditions in Prison and the Correctional	United Nations Latin American Institute for Crime Prevention and Treatment of Offenders (ILANUD)
Mexico	International Training Course on Reproductive Health (Family Planning and Maternal and Child Health)	Secretaria De Salud, Servicio Estatal De Salud En Veracruz
Peru	Disaster Prevention and Environmental Conservation for Sustainable Development	Peru-Japan Earthquake Engineering and Disaster Mitigation Center
Argentina	Diagnosis and Characterization of Plant Virus Diseases	National Institute of Agricultural Technology (INTA), Institute of Plant Pathology and Physiology (IFFIVE)

Chili	Integral Management of Watershed with Emphasis on Soil and Water Conservation	National Forestry Corporation
Brazil	Domestic Waste Water Treatment Techniques	Sanitation company of the State of San Paulo
	Study of Harmful Animals, Diagnosis of Accidents Caused by Harmful Animals and antivenin	Butantan Institute
	Geriatrics	Institute of Geriatrics, Pontifical Catholic University of Rio Grande do Sul
	International Training Program on Inter-City Railway (Metro) Transport System	Empresa de Trens Uibanos de Porto Alegre S/A
Hungary	Multilateral Seminar on Productivity Development and Employment Strategies to Promote Social Cohesion	Hungarian Productivity Center
Poland	Education of Highly Qualified IT Specialists in Eastern Europe Countries in Accordance to Demands of the Job Market	Polish-Japanese Institute of Computer Techniques (PJICT)
Turkey	Earthquake Engineering	Education and Training Sub-Center of Earthquake Disaster Prevention Research Center, Istanbul Technical University
Iran	International Seminar on Management of Vocational Training	Technical and Vocational Training Organization
UAE*	(Fisheries Sector)	(to be confirmed)
Jordan	Electric Power	Electric Training Center, National Electric Power, CO. (NEPCO)
	(Environmental Law Development)	(To be confirmed)
Syria	(Effective Water Management on Farm Level)	International Center for Agricultural Research in the Dry Areas (ICARDA)
Tunisia	The Spread of the Knowledge concerning IEC (Information, Education, and Communication) Activities in the Family Planning	National Office of the Family and Population
Egypt	Rice Processing Technology	Rice Technology Training Center (RTTC)
	Animal Production and Health	Egyptian International Center for Agriculture (EICA)
	Construction Equipment Training	Construction Equipment Training Center (CETC)
	International Training Course for Clinical Immunology of Infectious Diseases and an Introduction to Molecular Biology	Faculty of Medicine, Suez Canal University
	International Course on Welding Technology for Palestinian Engineers	Central Metallurgical Research and Development Institute (CMRDI)

II. In-Country Training Courses

The Contents of Scheduled Course in JFY 1999

Country	Course title	Page
PHILIPPINES	Diagnosis and Management of HIV Infection/AIDS and other STDs	63
CHINA	Environment-Cared Vegetable Production and Distribution	63
SRI LANKA	Medical Equipment Maintenance and Troubleshooting	63
PARAGUAY	Sustainable-Agriculture with Non-Tillage Upland Farming	64
PERU	Maternal and Child Health and Family Planning	64
	Assembly and Operativity of Long Lines	64
TANZANIA	Malaria Control Phase II	65

The Outline of Scheduled Course in JFY 1999

■ PHILIPPINES ■

Title: Diagnosis and Management of HIV Infection/AIDS and other STDs

Cooperation Period:	JFY 1995-1999
Purpose:	To strengthen the regional capability in prevention and control of HIV infection/AIDS and other STDs in the Philippines by training a team of doctors, nurses, social workers and medical technologists from various regions of the country in diagnosis and management of HIV infection/AIDS as well as other STDs
Course Contents:	(1) Lectures on the biomedical and psychosocial aspects of HIV/AIDS and other STDs; (2) Skills building workshop on counseling; (3) Harm reduction and establishment of HIV/AIDS; (4) Hands-on management of AIDS patients; (5) Proficiency training on the laboratory diagnosis and other STDs; (6) Study tour
Number of Participants:	Should not exceed 50 in total
Qualification of Applicants:	(1) To be nominated by their respective institutions; (2) To be engaged in diagnosis and management of HIV infection/AIDS and other STDs (Doctors, Nurses, Social Workers, Medical Technologists, NGO Workers); (3) To be university graduates, or to have the equivalent ability; (4) To be under 50 years of age; (5) To be in good health, both physically and mentally, to complete the course
Training Institution(s):	The Research Institute for Tropical Medicine (RITM), the Department of Health (DOH), Metro Manila

■ CHINA ■

Title: Environment-Cared Vegetable Production and Distribution

Cooperation Period:	JFY 1995-1999
Purpose:	To provide participants from various Chinese regions with an opportunity to improve their knowledge and techniques in the field of vegetable production and distribution, thereby contributing to the promotion of environmental protection and market economy as well as the sustainable development of vegetable production and distribution
Course Contents:	(1) Trend and principle of vegetable sustainable production in China and abroad; (2) Vegetable sustainable production with environmental protection; (3) Vegetable sustainable distribution; (4) Vegetable protection cultivation; (5) Vegetable irrigation and water saving technique; (6) Organic and chemical fertilizing technique; (7) Vegetable production technique with ecological/environmental protection; (8) Vegetable pathology/entomology; (9) Commercial vegetable production and distribution; (10) Postharvest physiology/Handling and storage technique; (11) Vegetable breeding and seed production; (12) Vegetable disease resistance breeding and seed multiplication
Number of Participants:	Will be 50 in total
Qualification of Applicants:	(1) To be nominated by the head of their respective institutions; (2) To be presently engaged in the field of extension on vegetable production; (3) To have the practical experience of more than 5 years in the field concerned; (4) To be under 45 years of age; (5) To be in good health to complete the course
Training Institution(s):	BVRC

■ SRI LANKA ■

Title: Medical Equipment Maintenance and Troubleshooting

Cooperation Period:	JFY 1998-2001
Purpose:	To improve the maintenance of medical equipment in the province to obtain maximum operation time, safety and optimum utilization of medical equipment, thereby improving the quality of health care in the periphery
Course Contents:	(1) Knowledge and techniques of basic medical equipment maintenance and repair; (2) Medical equipment management ability; (3) The nation-wide efficient maintenance system of medical equipment
Number of Participants:	Per year from the invited PDHS areas will be approximately 80
Qualification of Applicants:	(1) To be nominated by their Provincial Directors of their respective PDHS area; (2) To be at least General Certificate of Education Ordinary Level holders; (3) To be presently or planned to be engaged in to related field; (4) To have the practical experience of more than 2 years in the related field; (5) To be under 35 years of age; (6) To be in good health, both physically and mentally, to complete the course
Training Institution(s):	BES at the workshop of each PDHS area

■ PARAGUAY ■

Title: Sustainable-Agriculture with Non-Tillage Upland Farming

Cooperation Period:	JFY 1996-2000
Purpose:	To provide the participants from various regions in Paraguay with an opportunity to update and upgrade their knowledge and techniques in the fields of upland farming, thereby contributing to the environmental conservation and sustainable-agriculture in Paraguay
Course Contents:	(1) Importance of sustainable-agriculture; (2) Prevention from erosion by direct seed system in the field of upland farming; (3) Production basic technique in a direct seed system; (4) Agricultural extension technique by the use of direct seed diffusion; (5) Method of farm improvement by direct seed
Number of Participants:	Should not exceed 30 in total
Qualification of Applicants:	(1) Agricultural extension workers who are engaged in extension services, and have more than 3 years of occupational experience in this field as leader of the above Institutions; (2) Not older than 40 years old; (3) Agricultural college graduates or have the equivalent academic background; (4) In good health, both physically and mentally, to complete the course
Training Institution(s):	DEAG using the facilities of CETAPAR and Centro Nacional de Capacitación y Alojamiento de la DEAG

■ PERU ■

Title: Maternal and Child Health and Family Planning

Cooperation Period:	JFY 1996-2000
Purpose:	To provide the participants from various regions in Peru with an opportunity to update and upgrade their knowledge and techniques in the fields of maternal-perinatal health and family planning
Course Contents:	(1) National programmes in RH (Family planning, Maternal perinatal health, STD-AIDS-PSEA); (2) Importance of cultural patterns in RH and family planning; (3) Epidemiologic aspects of the STD and AIDS; (4) RH problematic of the adolescent, maternal death and infant health; (5) Management aspects in maternal perinatal health and family planning; (6) Strategy of gender; (7) Epidemiological analysis in RH; (8) Strategies for quality applications in the services of health
Number of Participants:	Should not exceed 40 in total
Qualification of Applicants:	(1) Health professionals of the above Institutions not older than 55 years old; (2) Involved in Maternal-Perinatal Health and/or Family Planning Programmes with experience in clinical services; (3) Required to work in the Institutions for a period at least 2 years after the end of the course; (4) Qualified in institutional and communal leadership; (5) In good health, both physically and mentally, to complete the course
Training Institution(s):	The Direction of Social Programmes of the Ministry of Health (DSP-MOH)

Title: Assembly and Operativity of Long Lines

Cooperation Period:	JFY 1998-2002
Purpose:	To provide the participants from various regions in Peru with an opportunity to improve their knowledge and techniques in the field of fishing
Course Contents:	(1) Fishing baits and fish decoys; (2) Selecting and preparing materials to construct a long line; (3) Long line's maintenance; (4) Handling in fishing work; (5) Sea going practice; (6) General backgrounds of long line's fishing; (7) Management of fishing economic resources, and so on
Number of Participants:	Should not exceed 36 in total
Qualification of Applicants:	(1) To be nominated by their respective institutions; (2) Institute graduates specialized in fisheries; (3) Not older than 42 years old; (4) To have more than 2 years of practical experience in fisheries; (5) In good health, both physically and mentally, to complete the course
Training Institution(s):	CEP-PAITA in the Republic of Peru

■ TANZANIA ■

Title: Malaria Control Phase II

Cooperation Period:	JFY 1998 -2000
Purpose:	(1) To improve and strengthen the capacity in the nursing care management of severe malaria and other common severe childhood illness; (2) To improve and strengthen the capacity in the laboratory diagnosis of malaria by the AO method in all district laboratories in order to achieve early diagnosis and hence prompt treatment
Course Contents:	(1) For nurses: Epidemiology of malaria; Communication skills and counseling; Assessment of recovery; Making blood films; Case studies; Nursing care for children, etc.; (2) For laboratory technologists: Reports from the regions; Examination of haemoparasites using AO method; Laboratory management; Field work on performance experience using AO method, etc.; (3) For laboratory assistants: Malaria as a global issue; Malaria in sub-Saharan countries; Urban malaria
Number of Participants:	To train 75 nurses, 25 technologists, 25 laboratory assistants from districts annually
Qualification of Applicants:	(1) To be nominated by their respective districts or MOH; (2) To be presently engaged in or conducting malaria control; (3) To have the practical experience of more than 2 years in the field concerned
Training Institution(s):	JFY by MOH in cooperation with concerned districts, Tanga in cooperation with Vector Training Center

List of New Courses Planned in JFY 1999

Implementing Country	Title (tentative)	Implementation Organization (tentative)
Indonesia	Seminar on Banking Supervision in Overcoming the Financial Crisis	Finance Education and Training Agency
	Management Consultation for SME's	Department of Small Social Industry (Non-agro industry)
	Development Cooperation of SME's between Japan Small Business Corporation (JSBC) and Indonesia Small Business Association (ISBA)	Department of Small Social Industry (Non-agro industry)
	Credit System Management of Cooperatives	Director General of Promotion of Urban Co-operatives
	Skill Upgrading Training for Entrepreneurial Employees	BUKASI Vocational Training Instructor Training and Development Center
	Export and productivity improvement Program for Small and Medium Enterprises	Center for Standardization and Institute for R&D of Agro-based Industry
	Garment Design for Small and Medium Enterprises	Institute for Research and Development of Textile Industry in Bandung
	Creation of Enterprises and Formation of Entrepreneurs (CEFE)	Academy for Industrial Management
	Management Skill and Production Technology on Pottery	Institute for Research and Development of Ceramic Industry in Bandung
	Capability Improvement of Welder Technology on Manufacture Industry	Institute for R& D of Machinery Industries (MIDC)
	Increasing the Quality of the Industrial and Trade Project Cycle Management	Center for Personnel Education and Training
	Transfer of Technology to Rural Area	Indonesian Institute of Sciences R& D Center for Applied Physics
	Restructuring and Privatization of State-Owned Enterprises	National Institute of Public Administration (LAN)
	Training on Technique of Public Policy Management	Center for Development Policy and Management Studies (PSKMP)
	Improvement of the 2000 Population Census	Central Bureau of Statistics
	Training Course for the Community Midwife for Improving the Clinical Capabilities	Ministry of Health Provincial Health Office in South Sulawesi
	Crisis Management for District health Services	Bureau of Planning Ministry of Health
	Forum on the Self-reliance Health Care System	Directorate General for Medical Care, Ministry of Health
Start-Up Business Initiative for Jobless	Electronic Engineering Polytechnic Institute, Surabaya	
Philippines	Regional Development Support for Local Planning and Development Officers	Bureau of Local Government Supervision
	National Tuberculosis Control Program (NTP) Microscopists (Training Course A)	Tuberculosis Control Service
	Street Watch (SW) Orientation Course	Department of The Interior and Local Government (DILG)
Laos	Primary Health Care Extension in Lao P.D. R	Depts. of Human Resource for Health and Hygiene and Preventive Medicine, Min. of Health, Primary Health Care Center, Khammouane Province
Thailand	Program for the Development of Internal Audit's Supervisory group and Government Internal Auditors	Internal Audit System Development Div., Bureau of Accounting and Internal Audit, The Comptroller-General's Department
Viet Nam	Clinical Technique Training	Cho Ray Hospital
	Managers of Agricultural Cooperative	School in Training Managing Career of Agricultural and Rural Development

China	(to be confirmed)	The Japan-China Friendship Environmental Protection Center
	Sino-Japanese Cooperation Center for Soil and Water Conservation	Beijing Forestry University
	(to be confirmed)	China Energy Conservation Training Center in Dailen
India	Bivolvine Sericulture Technology Extension Course	Central Sericultural Research and Technology Institute (CSRTI)
Bangladesh	Agriculture Training for Woman in Bangladesh	The Agriculture Training Center for Woman in Bangladesh
Pakistan	(to be confirmed)	Islamabad Children Hospital
Bolivia	The Artificial Insemination of Cattle	Autonomous University of Gabriel Rene Moreno
Honduras	Training Program For Nursing Education Staff	Center of Training and Investigation of Nursing
Tanzania	Capacity Building for Local Health Administration	Ministry of Health
Kenya	Farmer's Training for Promotion of Small-holder irrigation Development	Irr. and Drainage Branch, Land Dev't Div., Dept. of Agri., Ministry of Agriculture
	(to be confirmed)	Jomo Kenyatta Univ. of Agriculture and Technology
