Table VII-1 Integrated Urban Drainage (Functional Responsibilities)

Agencies	Drainage Policy / Programme	Research & Development	Drainage Facilities	Non-Structural Measures	Storm Water Quality Enforcement																							
					Federal	Cabinet	MHLG (Local Government Department)	EPU	DID (Drainage Division)	DOE	NAHRIM	Federal Department of Town and Country Planning	NCLG	National River Council	Dept. of Sewerage	IWK	State	Exco/State Authority	State Secretary / Division of Local Government	State Town and Country Planning Department	State Director of Lands and Mines	State EPU	State DID	State IKR	DOE	State Planning Committee	State Waters Management Authority	Local Authority
	Policy Formulation		Road Side Drains	Water Quality Monitoring																								
	Technical Assistance		Trunk Drain	River Channel Improvement																								
	Drainage Master Planning		Infrastructure Drain	Flood Detention Pond																								
	Integrate Drainage		Urban Drainage	Other Storm Water Facilities																								
	Land Use Regulation		Trunk Drain	Drainage Facilitation																								
	Water / Solid Waste / Nuisance		Road Side Drains	Public Awareness																								
	Erosion of Hill Land		Infrastructure Drain	ERW																								
	Damages of River Banks, Pollution of River		Flood Detention Pond	Maintenance																								
	Sand Mining Operation		Other Storm Water Facilities	ERM																								
	Unlicensed Discharge		Drainage Facilitation	Public Awareness																								
	Control of Earthwork		Public Awareness	ERW																								

Table VII-2 Functional Responsibility for Drainage Facility

Drainage and Basic Facility	Catchment Area	Planning	Design	Construction	Maintenance
Basin Wide Drainage Facility					
1) River Channel Improvement	> 4km ²	DID	DID	DID	DID
2) Flood Retardation Basin	> 4km ²	DID	DID	DID	DID
3) Weirs/Gates	> 4km ²	DID	DID	DID	DID
4) Trunk Drain (connected to flood mitigation)	< 4km ²	DID	DID	DID	DID
5) Community Retention Facilities (incorporated with multipurpose use/recreation facilities)	-	DID	DID	DID	LA
Sub-basin Drainage Facility					
6) Infrastructure Drain / Secondary Drain	< 4km ²	D/LA	D/LA	D/LA	D/LA
7) Roadside drain (State/Federal Roads)	-	JKR	JKR	JKR	JKR
8) Roadside drain (Municipal roads)	-	D	D	D	LA
9) Perimeter / Tertiary Drain	< 2km ²	D	D	D	LA
10) Flood Detention Ponds	-	D	D	D	LA
11) Other on site detention facilities	-	D	D	D	LA
12) Rehabilitation of existing detention ponds	-	LA	LA	LA	LA
13) Construction of Storage facility in open space	-	LA	LA	LA	LA
14) Storage tanks in new development	-	D	D	D	LO
15) Storage tanks in existing built-up area	-	LO	LO	LO	LO

Notes: D : Developer

LO : Landowner

LA : Local Authority

JKR : Public Work Department

Table VII-3 (1/2) Drainage Contribution – Existing Practices

No.	State / Local Authority	Rate	Collected by	Total Collected (RM) (yr)	Enabling Law
1.0	PERLIS	-	-	-	-
1.1	MP Kangar	TK	-	-	-
2.0	KEDAH	RM2,500/ha (residential) RM3,750/ha (residential/commercial <4 storey) RM5,000/ha (non-residential development < 4 storeys) RM12,000/ha (Compleks > 4 storeys)	i. MP Kota Setar ii. MP Sg. Petani	1.918 million (1995) 1.18 million (1995)	NLC
2.1	MP Kota Setar	*		*	Act 133
2.2	MP Sg. Petani	*		*	Act 133
2.3	MD Pendang	TK		-	
2.4	MD Bandar Baru	TK		-	
3.0	PULAU PINANG	RM25,000/ha	I. MP P. Pinang ii. MP S. Perai	3.6 million (1995)	
3.1	MP Pulau Pinang	*	*		Act 133
3.2	MP Seberang Perai	*	*		Act 133
4.0	PERAK	-	-	-	-
4.1	MB Ipoh	RM4,000/ha		RM1.778 million	Act 133
4.2	MD Manjung	TK			
4.3	MD Kinta Barat	TK			
4.4	MD Kerian	i. RM1,000-2,000/ha (residential) ii. RM2,000-3,000/ha (non-residential)		RM78,948	Act 133
4.5	MD Tapah	TK			
4.6	MD Gerik	TK			
4.7	MD Selama	TK			
5.0	SELANGOR	RM7,500/ha	JPS Selangor	183.2 million (1994)	
5.1	MP Klang	RM3,000/ha		RM4.684 million	Act 133
5.2	MP Shah Alam	TK			
5.3	MP Selayang	TK			
5.4	MP Subang Jaya	According to catchment area		RM1.778 million	Act 133
5.5	MD Kuala Langat	TK			
5.6	MD Sabak Bernam	TK			
6.0	N. SEMBILAN	RM8,000/ha	PTG N. Sembilan	-	-
6.1	MP Seremban	Sharing among developer (no fixed rate)	-	-	Act 171
6.2	MD Kuala Pilah	TK	-	-	
6.3	MD Rembau	TK	-	-	
6.4	MD Jelebu	TK	-	-	
7.0	MELAKA	RM7,414/ha	PTD	-	-
7.1	MP Melaka	RM0.75/m ² Floor area		RM1,738,550.26	Act 171
7.2	MD Jasin	RM0.70/m ² Floor area		RM13,916.00	Act 133
7.3	MD Alor Gajah	RM7.50/100sqft floor area			

Table VII-3 (2/2) Drainage Contribution – Existing Practices

No.	State / Local Authority	Rate	Collected by	Total Collected (RM) (yr)	Enabling Law
8.0	JOHOR	RM5,000/ha	PTG Johor		
8.1	MB Johor Bahru	No information		2.5 million (1995)	
8.2	MD Muar Selatan	i. RM300-1,000/unit (residential) ii. RM1,000/1000 floor sqft (non residential)		RM100,000	Act 133
8.3	MD Batu Pahat Barat	TK			
8.4	MD Muar Utara	i. RM10-1,000/unit (residential) ii. RM500-1000/1000 floor sqft (other than residential) iii. RM5,000/ha (golf course & industry)		RM10,000	Act 171
8.5	MD Batu Pahat Timur	i. RM50-700/unit (residential) ii. 1% buildng cost (other than residential)			Act 171
8.6	MD Muar Selatan	i. RM50-1,000/unit (residential) ii. RM500-1000/1000 floor sqft			Act 133
8.7	MD Segamat Selatan	TK

Table VII-4 Maintenance Schedule for Drainage Facilities

Drainage Type by Area		Minimum Frequency
Concrete Drains	1. Drains in market area	Everyday
	2. Drains in stalls	Every other day
	3. Drains in Commercial Area	Twice in a week
	4. Drains in residential area	Once a month
	5. Drains in Industrial Area	Once a month
	6. Roadside Drains in city area	Once every three weeks
	7. Roadside Drains (outside city area)	Once a month
	8. Monsoon Drains	Once in two months
Earth drains	1. Drains in villages within urban areas	Once every two months
	2. Monsoon Drains	Once every two months

**Table VII-5 Functional Responsibility and Cost Recovery Measures of
Urban Drainage Facilities**

Work Item	Implementing Agency	Maintenance Agency	Source of Funding	Cost Recovery Measures
<u>Drainage Policy and Programme</u>				
1. Drainage Master Plan	DID, LA	-	Federal/State Govt./Local Authority/International Grants	
2. Non-Structural / Measures / Public Education / Public awareness	DID, LA	-	Local Authority Fund/DID	
3. Research and Development	NAHRIM, DID, MHLG	-	Research Grants (MOSTE), International Grants	
4. ERM	LA	-	Local Authority Funds	
<u>Basin Wide Drainage Facility</u>				
1. River Channel Improvement	DID	DID	Federal/State Grant	
2. Flood Retardation Basin	DID	DID	- do -	Drainage Contribution (National Land Code)
3. Weirs / Gate	DID	DID	- do -	
4. Trunk Drains (> 4km ²)	DID	DID	- do -	
5. Community Detention Pond	DID	LA	- do -	
<u>Sub-Basin Drainage Facility</u>				
1. Infrastructure Drain / Secondary Drain	Developers/LA	LA	Developer/Local Authority Funding	Drainage Improvement Charge s51 SDBA
2. Perimeter / Tertiary Drain	Developer	LA	Developer	-
3. Flood Detention Ponds	Developer	LA	Developer	-
4. Roadside Drain (Fed/State Roads)	JKR	JKR	Road Development Fund	State Road Grant
5. Other Municipal road side drains	LA/Developer	LA	- do -	- do -
6. Other on site detention facilities	Developer	LA	Developer	Drainage Rate
7. Rehabilitation of Existing detention ponds	LA	LA	Local Authority Fund	- do -
8. Construction of storage facilities in open space	LA	LA	- do -	Drainage Rate
9. Storage tanks in new development	Developer	Land Owners	Developer	-
10. Storage tank in house	LO	LO	Land Owner	Subsidy

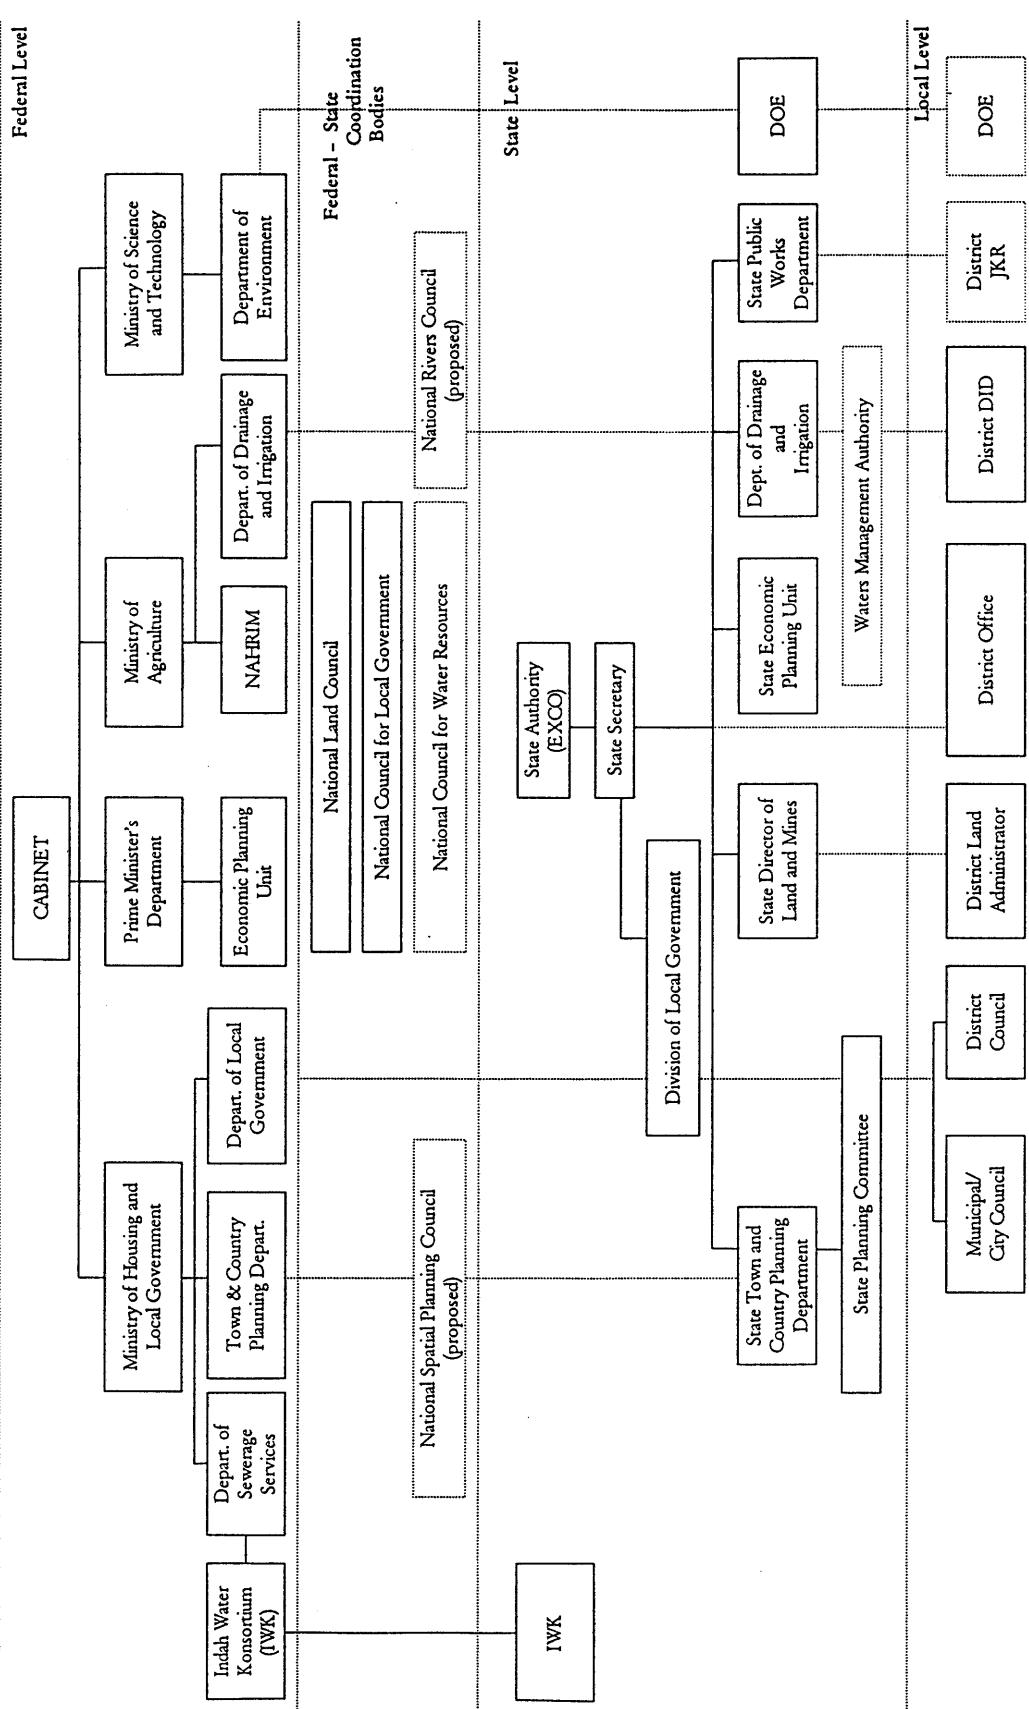

Table VII-6 Related Legislation and Implementation Agencies Pertaining Urban Drainage

Legislation	Implementing Agency / Authority
<u>Land Use and Land Conservation</u>	
1. National Land Code 2. Town and Country Planning Act 1976 including Tree Preservation Order 3. Land Conservation Act 1960	State Authority/State Land Office State Planning Committee/Local Planning Authority State Land Office
<u>Natural Resources</u>	
1. National Forestry Act 1984 2. Water Supply Enactment No 3 of 1995 3. Waters Act 1920 (revised 1989) 4. Mining Enactment 1936 5. Selangor Waters Management Enactment	State Department of Forestry State Authority District Office State Director of Lands and Mines State Water Management Authority
<u>Environmental Control Planning</u>	
1. Environmental Quality Act 1974 2. Environmental Quality (Prescribe Activities) Environmental Impact Assessment, Order 1987 3. Environmental Quality Regulation	Department of Environment Department of Environment Department of Environment
<u>Management of Urban Drainage</u>	
1. Local Government Act 1976 2. Streets, Drainage, Building Act 1974 3. Drainage Works Ordinance 1954 4. Earthworks by Laws	Local Authority Local Authority State Authority/Drainage Board Local Authority
<u>Guidelines</u>	
1. Urban Drainage Design Standards and Procedures 2. Guidelines on River Front Development 3. Guidelines on the Prevention and Control of Silt Erosion 4. Use of Detention Pond as part of Open Space 5. Urban Storm Water Management Manual	DID DID DOE JPBD DID/LA

**Table VII-7 Enabling Law and Enforcement Agency for Illegal Activities on
Urban Drainage**

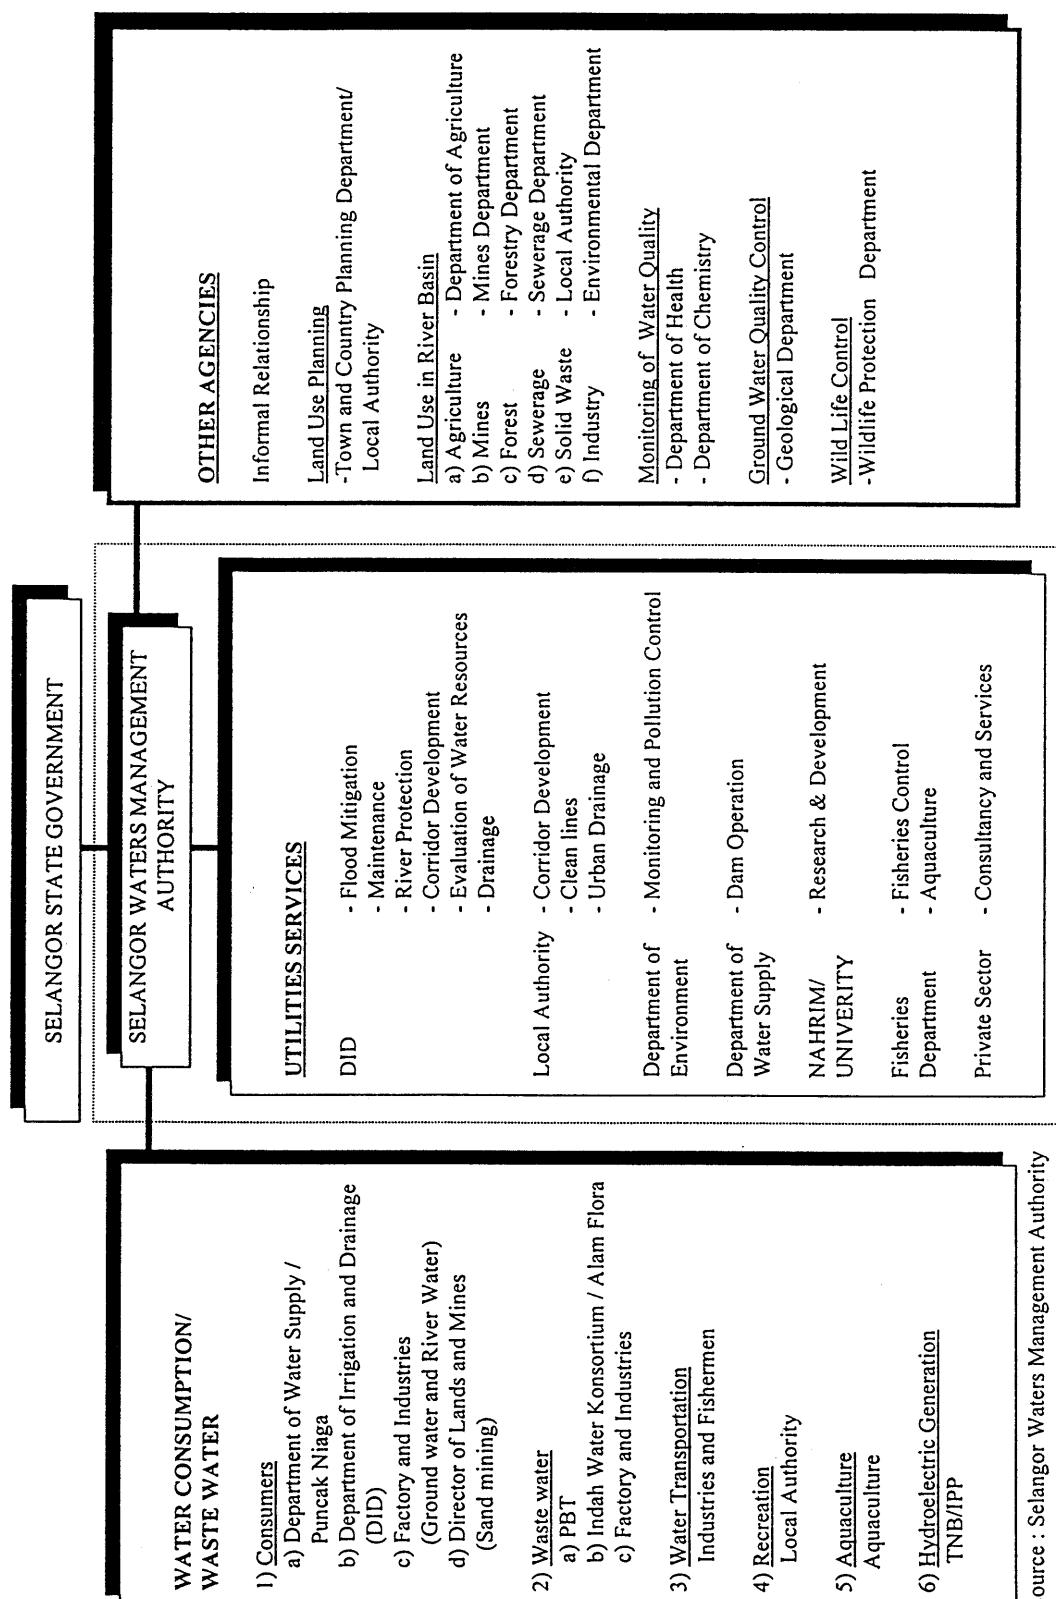

Violation/Offenses/Enforcement	Enabling Law	Enforcement Agency
Overall custodian role on all waterways	-	LA
Land use violation	NLC, TCPA	Land Administrator, Local Planning Authority
Litter and unauthorized garbage disposal	LGA	LA
Erosion of Hill Land	Land Conservation Act 1960	District Land Administrator
Control of Earthworks	Earthwork by laws, ESCP (Erosion and Sediment Control Plan)	LA DOE
Diversion and abstraction of water and damage to river banks	Water Act SWMAE	District Office, SWMA
Sand Mining operation	NLC, SWMAE	Director of Land and Mines (DLM), Inspector of Mines, SWMAE
Discharge of waster water	EQA, SWMAE	DOE, SWMA, LA
Unlicensed blockage and diversion	SDBA, WA, SWMAE	LA, SWMA District Office
Indiscriminate Development in Catchment Area	SWMAE, NFA	SWMA, Forestry Department
Enforcement of river and drain reserve	NLC, SWMAE	DID, SWMA, DLM
Enforcement of Detention Pond Facilities in Residential Development	TCPA	LA
Enforcement of Community Detention Pond Facilities	TCPA	LA
