Table XII5.7.2 List of the Area Economic Development Projects/Programs, Albay Province (1/5)

. Title of r roject	: Promotion of Food Basket Approach	Location	City and all municipalities
	<b></b>		
Objectives:	To achieve self-sufficiency in nutritional food crops at household	and comm	unity level
	To improve the nutrition of children and adults		
	To reduce direct cost of food consumption		A STATE OF THE STA
Beneficiaries	Households (P1,000/household in kind and services)	Cost:	<u> </u>
Implem. agency:	LGU-MAO	Status :	Program development on-going
Title of Duciont	Abose Industry Descriptional Description	Location	Eastern Albay
	: Abaca Industry Recovery and Promotionn Project	Location	Eastern Albay
Objectives:	To rehabilitate damaged/diseased abaca plantations		
	To improve the quality of abaca fiber produced in Bicol		
z 2 . <del></del>	To increase net income of farmers/ local community		DVIDGO COVIDA O OOO d
Beneficiaries:	Abaca farmers, abaca industry	Cost :	PHP50M(PHP10,000/hectare)
Implem, agency	LGUs, DA, FIDA	Status :	F/S Completed
Title of Project	: Poultry and Piggery Development Project	Location	Municipalities with eligible proponents
Objectives :	To improve the viability of hog and poultry projects	Location	with engine proponents
Objectives .	To increase the net income of hog and poultry producers by impro	wing prod	uction officiency and marketing
	To meet increasing demand for meat and poultry in the urban ma		action efficiency and marketing
D C. i i	To supply sufficient raw materials to dressing plants ande meat pr		
Beneficiaries:	Farmer-producers, markets & processing plants, urban comsumer		
Implem. agency	: LGU/DA/DTI	Status :	Pre-investment study
. Title of Project	: Pili Nut Planting Promotion	Location	City and all municipalities
Objectives :	To increase pili nut production by increasing the number of pili tr		
,	To increase household income		
Beneficiaries:	Households (P1,000/household in kind and services)	Cost :	•
Implem. agency		Status:	Program development on-going
Implem. agency	200 11210	Juius.	
5. Title of Project	: Commercial Production of High Vegetable/ Fruit Crops	Location	Mayon slopes, Quinali area
Objectives :	To increase agricultural value added and farmer's income		
o o jeen res	To ensure self-sufficiency in vegetables and fruits		
Beneficiaries:	Farmers, consumers, vegetable/ fruit assemblers/ traders	Cost :	
	: LGU-MAO/PAO, DA, CDA	Status :	Demo project to be established
implem agency	Edd-MAO/I AO, DA, CDA	Status .	Being project to be established
. Title of Project	: Expansion of Large Cattle Production	Location	Camalig-Guinobatan vicinity
Objectives :	To meet future demands for meat and meat products not only in t		
Objectives .			at also in Metro Mania and Southern Tagarog region
	To improve the breed composition of the livestocks raised in the		growing areas, sugarlands and nineapple areas
	To maximize bi-productrs of agricultural crops especially in vege		growing areas, sugariands and pineappie areas
Beneficiaries :	Livestock farmers, LGUs(dues/charges), dealers & processors	Cost:	- Tro - 1
Implem, agency	Farmer coopoeratives	Status:	F/S to be prepared
Title of Project	Expansion of Dairy Cattle Production	Location	Camalig-Guinobatan area
	Expansion of Dairy Cattle Production  To develop a local dairy industry and increase farmers/ others inc		Camalig-Guinobatan area
7. Title of Project : Objectives :	To develop a local dairy industry and increase farmers/ others inc	ome	
	To develop a local dairy industry and increase farmers/ others inc To optimize land use through multiple use of land especially under	ome r coconut	and reduce depencence on imported dairy products

Table XII5.7.2 List of the Area Economic Development Projects/Programs, Albay Province (2/5)

	Title of Duciost s	Form Tourism	Location	Municipalities with farms with defined tourism features
	Title of Project: Objectives:	To enhance the diversity and tourist attractions	Location	iviunicipanties with farms with defined tourism features
	o ojovini o v	To increase local income from tourism		
		To link tourism with agriculture and promote external markets for		ricultural crops/ products
	Beneficiaries:	Local communities, agricultural entrepreneurs, tourism promoters		•
_	Implem. agency :	LGUs, DOT	Status :	Accreditation of participating farmers
5.	Title of Project :	Improvement of Tourist Information Services		Major growth centers
-	Objectives:	To achieve a high rate of increase in the number of tourist visitors		
		To increase awareness of the tourism assests of the area among lo		
		To facilitate/ systematize movement of visitors within and between	i tourism	circuits
	Beneficiaries:	To increase income from tourism especially for local residents Local communities, entrepreneurs, LGUs, Manufacturers & vendo	Cost	
	Implem. agency:		Status :	Proposal for budget inclusion to be prepared by DOT
				*
	Objectives :	Improvement of Access Trails to Ecotourism Sites  To enhance the tourism potentials of the locality and increase the r		Camalig and Legazpi City (Karangahan falls in Banquerohan)
	Objectives .	To develop popular awareness of environment through ecotourism		Mons of fotoign tourists visiting the region
		To increase local income	•	
	Beneficiaries:	Local communities, tourism entrepreneurs, various levels	Cost :	
_	Implem. agency:	LGU, DOT	Status :	Survey and design to be prepared
7	Title of Project :	Improvement of First Class Hotel Facilities	Location	Major urban centers/ Tourist resorts
	Objectives:	To provide adequate accommodations to upper class tourist visitor		Triagor drour vontors Tourist Tourist
		To increase local income from tourism		
		To promote tourist image of the area in other regions/ foreign cour		
	Beneficiaries:	LGUs, Tourism-related entrepreneurs, Tourists	Cost :	<u>-</u>
	Implem. agency:	Private sector	Status :	Inclusion in Investment Promotions Program
8.	Title of Project :	Restoration of Old Historical Houses and Churches	Location	Legazpi City
	Objectives :	To save from eventual extginction through renovation/ mosernizat	ion/ replac	dement the remaining historical houses and churches
	-	To enhance the tourist potentials of the localities affected		
		To enhance the cultural value attached to places with unique/ period		ture
	Beneficiaries:	Local communities, LGUs, Associated tourist entrepreneurs	Cost :	<u> </u>
	Implem. agency:	LGU, DOT, Private partnership	Status:	Research on design/ plans of old buildings
<u></u>	ctor : Trade a	and Industry		
36	ctor . Iraue a	ind industry		
		City Light Industrial Center		Legazpi City
	Objectives : Beneficiaries :	To provide a common space for light processing and serve industricator industries, Employed labor force	Cost:	PHP0.6 Million (Project generation cost)

Table XII5.7.2 List of the Area Economic Development Projects/Programs, Albay Province (3/5)

′•	Title of Project :	Establishment of Agri-Buying Centers and Laboratory To ensure the quality, hence marketability, of raw materials for ag		Major urban growth centers
		To increase income of local producers through appropriate pricing To develop effecting agri-industry linkages		
	Beneficiaries:	Local producers, Farmers	Cost:	T
	Implem. agency:	LGUs, DTI, DOST	Status:	Proposal to be prepared
8.	Title of Project :	Research and Development of Indigenous Raw Materials	Location	All Municipalities
	Objectives:	To increase volume and quality of raw materials, particularly abac To increase income of small raw material producers through bette		their products
	Beneficiaries:	Abaca farmers and entrepreneurs, Other raw mateirals producers	Cost :	-
	Implem. agency :		Status:	Proposal to be prepared by DTI
9.	Title of Project : Objectives :	Provincial Industrial Cluster Promotion Center To facilitate the servicing of industrial locators and other investors		Attached to local Chamber
	Beneficiaries:	Industrial locators/ other investors	Cost :	•
	Implem. agency :	DTI and Private Sector	Status:	Proposal for funding to be submitted to DTI
10.	Title of Project :	Bicol Regional Agro-industrial Center (BRAIC)	Location	Homapon, Legazpi City
	Objectives :	To provide adequate developed land for local industires and service. To provide employment opportunities for indistrial labor		
	Beneficiaries:	Locator industries, Regional labor force	Cost :	PHP3,000 Million
	Implem. agency :		Status:	F/S on-going
11	Title of Project	Cooperative Trucking and Export Services	Location	Major urban growth centers
•••	Objectives :	To promote the exports from the area in terms of low cost shipmer		
	,	To increase the net income of SMEs and increase their potential to		
	Beneficiaries:	SMEs, Freight forwarders and service cooperative members	Cost:	-
	Implem. agency :	Cooperatives	Status :	F/S to be prepared
12.	Title of Project :	Legazpi PEZA	Location	Legazpi City
	Objectives:	To provide adequate developed land for locator industries and services	vices	
		To provide employment opportunities for industrial labor		
	Beneficiaries:	Industrial locators, Local labor force	Cost :	PHP25 Million
	Implem, agency:	Private sector	Status :	F/S and site plan to be prepared
13.		Malilipot Ecozone		Malilipot, Albay
	Objectives:	To provide adequate developed land for locator industries and services and services and services are services are services and services are services are services are services are services and services are services are services are services are services and services are services	rices	
		To provide employment opportunities for industrial labor		
	Daniel Carlonian	To disable 11 and an Total Library	Coat	DUD25 Million

Table XII.5.7.2 List of the Area Economic Development Projects/Programs, Albay Province (5/5)

1. Title of Project :	GIS Facility	Location	Legazpi City		
Objectives:	To provide updated information support to LINDGC manageme	nt, provide	a platform sharing and a support to monitoring and		
	would supervision activities for the different projects to be implemented in the LINDGC.				
Beneficiaries:	LGU	Cost:	-		
Implem. agency:	RDC/NEDA, LGU	Status:	Proposal prepared for potential funding agency		
	Institutional Strengthening Program for LINDGC				
2. Title of Project :			Legazpi, Guinobatan and Ligao		
Objectives:	To develop full awareness among LGU officials and staffs on the				
D C:	make participating institutions effective implementors of the LIN All institutional actors		er Plan.		
Beneficiaries :		Cost : Status :	Program to be designed and submitted for funding		
impiem. agency :	NEDA-V, National Government, LGUs, Grant institutions	Status :	Program to be designed and submitted for funding		
3. Title of Project :	LINDGC Building/ Regional Trade Center Building	Location	Legazpi City		
Objectives :	To build up the image of the Corridor as a highly supported deve	lopment en	ideavor		
j	To facilitate the promotional work the LINDGC Master Plan imp	lementatio	n		
Beneficiaries:	Private investors, regional economy	Cost:	PHP10 Million		
Implem. agency :	DTI	Status :	For site acquisition and design/ plan preparation		
4 Trials of Dustants	Total - Contan Dutilities	T = ==ti==	Lamani Cita		
Objectives:	Trade Center Building To facilitate interaction, investment promotion and information of		Legazpi City		
Beneficiaries :	Business and industry sector	Cost:	PHP25 Million		
	LGU/ Private sector	Status:	For site acquisition and building design/ plan preparation		
impicin. agency .	EGO/ I fivate sector	Status .	Tot she acquisition and building design plan preparation		
5. Title of Project :	Provision of Physical Resources for Project Management	Location	Legazpi City		
Objectives:	To build up the institutional capability to implement LINDGC, w	ith provisio	on of service vehicles, communications equipment and		
	office furniture.				
Beneficiaries:	LGUs, Regional Management Officeof LINDGC	Cost:	-		
Implem. agency :	National Government, LGUs, ODA	Status:	To be undertaken when O&M is in place		
6 Title of Business	Investment Descriptions Description	Location	All municipalities		
Objectives :	Investment Promotions Program To promote investments in LINDGC	Location	An municipanues		
Beneficiaries:	LGUs, private business, reginal economy	Cost :			
	National Government, LGUs, Private sponsors	Status :	Investment promotions unit to be organized		
		Diutus .	investment promotions unit to be organized		
Sector : Urban					
1. Title of Project :	Comprehensive Land Use and Development Planning of		1.00		
	Growth Centers		Legazpi City		
Objectives :	To achieve consistency in the development efforts being purseue				
D C. i i	To create complementary programs and projects consistent with		PHP19 Million		
Beneficiaries :	I CHa Damas Institutions	Cost : Status :			
impiem. agency:	LGUs, Dornor Institutions	Status :	proposal to be prepared and submitted to LGUs for funding
