

PREFACE

In response to a request from the Government of the United Republic of Tanzania, the Government of Japan decided to conduct a basic design study on the Project for Makuyuni-Ngorongoro road rehabilitation in the United Republic of Tanzania and entrusted the study to the Japan International Cooperation Agency (JICA).

JICA sent to Tanzania a study team from Jun 12, 2000 to July 26.

The team held discussions with the officials concerned of the Government of Tanzania, and conducted a field study at the study area. After the team returned to Japan, Further studies were made. Then, a mission was sent to Tanzania in order to discuss a draft basic design, and as this result, the present report was finalized.

I hope that this report will contribute to the promotion of the project and to the enhancement of friendly relations between our two countries.

I wish to express my sincere appreciation to the official concerned to the Government of the United Republic of Tanzania for their close cooperation extended to the teams.

Letter of Transmittal

We are pleased to submit to you the basic design study report on the Project for Makuyuni-Ngorongoro road rehabilitation of the United Republic of Tanzania.

This study was conducted by Japan Engineering Consultants Co., Ltd. in association with Oriental Consultants Co., Ltd., under a contract to JICA, during the period from Jun 9, 2000 to December 20. In conducting the study, we have examined the feasibility and rationale of the project with due to consideration to the present situation of Tanzania and formulated the most appropriate basic design for the project under Japan's grant aid scheme.

Finally, we hope that this report will contribute to further promotion of the project.

Very truly yours,

Hisashi Muto

Project Manager,
