Dr. S. K. SHRESTHA

Joint Secretary,  
Planning Division,  
Ministry of Agriculture,  
His Majesty's Government of Nepal

---

Dr. Satoshi KAI

Leader,  
Preparatory Study Team,  
Japan International Cooperation Agency  
(JICA)

## I. INTRODUCTION

In response to the request of the His Majesty's Government of Nepal (hereinafter referred to as "HMG/N"), the Government of Japan (hereinafter referred to as "GOJ") has decided to conduct the Study on Agricultural Marketing Development Project (hereinafter referred to as "the Study"), in accordance with the relevant laws and regulations in force in Japan.

Accordingly, Japan International Cooperation Agency (hereinafter referred to as "JICA"), the official agency responsible for the implementation of the technical cooperation programs of the GOJ, will undertake the Study in close cooperation with the authorities concerned of the HMG/N.

The present document sets forth the Scope of Work with regard to the Study.

## II. OBJECTIVES OF THE STUDY

The objectives of the Study are;

1. to formulate a master plan on the agricultural marketing development in all areas of Nepal, mainly based on the existed relevant data, projects and plans related to agricultural marketing development, focused on horticultural crops (including major spices), livestock/livestock products and fish,
2. to formulate action plan(s) aiming to establish and strengthening linkages between production area and local market in selected potential area(s), through establishing a system of product collection and transportation, establishing/strengthening marketing information system and improving post-harvest handling of agricultural commodities, focused on horticultural crops (including major spices), livestock/livestock products and fish, and
3. to carry out technology transfer to Nepalese counterpart personnel through on-the-job training in the course of the Study.

## III. STUDY AREA

The Study area shall cover all area of Nepal. (See location map attached as ANNEX I)

## IV. SCOPE OF THE STUDY

In order to achieve the above objectives, the Study will consist of two (2) phases and will cover the following items;

### 1. Phase I

- 1-1. to review the followings;

- (1) socio-economic infrastructure plans, especially concerned to road network and communication system
  - (2) existed studies, plans and projects concerning agricultural marketing
- 1-2. to collect and analyze the followings;
- (1) the data concerned to agricultural marketing
    - farming system
    - supply-demand situation
    - import and export
    - change of price, etc.
  - (2) the data concerned to agricultural marketing infrastructure
    - collection and distribution center
    - wholesale market
    - slaughter house, meat market and live stock market, etc.
  - (3) the data concerned to agricultural marketing system
    - marketing information system
    - trader
    - cooperatives
    - merchant organization
    - pricing method
    - settlement method, etc.
  - (4) the data concerned to laws, acts, regulation and business practice of agricultural marketing
- 1-3. to conduct Initial Environment Examination (IEE)
- 1-4. to classify all areas of Nepal according to agricultural marketing development potential
- 1-5. to formulate a master plan on the agricultural marketing development
- 1-6. to prepare the recommendations for the master plan on the agricultural marketing development project
- 1-7. to select the areas for formulating action plan on establishing and strengthening the linkages between production area and local market

## 2. Phase II

- 2-1. to research the system of collecting and distributing in the selected agricultural production area focused on the followings;
- (1) post-harvest handling and processing
  - (2) farmer's organization
  - (3) cooperatives
  - (4) marketing infrastructure

Kai

- (5) *business practice*
  - (6) *product price and pricing method*
  - (7) *marketing information system*
  - (8) *farming system including animal grazing system*
  - (9) *processing and storage system*
  - (10) *agricultural economy including farm household economy, etc.*
- 2-2. to research the geographical collection and distribution routes from production area to local markets and border points, on the basis of consideration of effective routes from local market to wholesale market
  - 2-3. to research the collection and distribution channel from producer to merchants in local market, on the basis of consideration of effective channel from local market to wholesale market
  - 2-4. to formulate action plans for agricultural marketing development in the selected areas,
  - 2-5. to estimate cost and benefit of the action plan
  - 2-6. to evaluate the action plans
  - 2-7. to prepare the recommendations for the action plans

## V. STUDY SCHEDULE

The Study will be carried out in accordance with the attached tentative schedule. (See ANNEX II)

## VI. REPORTS

JICA shall prepare and submit the following reports in English to the HMG/N:

1. Inception Report

Twenty (20) copies in English at the commencement of the Phase I field work.

2. Progress Report I

Twenty (20) copies in English at the end of the Phase I field work.

3. Interim Report

Twenty (20) copies in English at the commencement of Phase II field work.

4. Progress Report II

Twenty (20) copies in English at the end of the first part of Phase II field work .

5. Draft Final Report

Thirty (30) copies in English after the home office work in Japan. The HMG/N will provide JICA with its comments on the Draft Final Report within one (1) month after receipt of the Draft Final Report.

6. Final Report

Fifty (50) copies in English within two (2) months after receipt of the HMG/N's comments on

the Draft Final Report.

## VII. UNDERTAKING OF THE GOVERNMENT OF NEPAL

1. To facilitate smooth conduct of the Study, the HMG/N shall take necessary measures ;
  - 1-1. to secure the safety of the Japanese study team,
  - 1-2. to permit the members of the Japanese study team to enter, leave and sojourn in Nepal for the duration of their assignment therein, and exempt them from foreign registration requirements and consular fees,
  - 1-3. to exempt the members of the Japanese study team from taxes, duties, fees and any other charges on equipment, machinery and other materials brought into Nepal for the conduct of the Study,
  - 1-4. to exempt the members of the Japanese study team from income tax and charges of any kind imposed on or in connection with any emoluments or allowances paid to the members of the Japanese study team for their services in connection with the implementation of the Study,
  - 1-5. to provide necessary facilities to the Japanese study team for the remittance as well as utilization of the funds introduced into Nepal from Japan in connection with the implementation of the Study,
  - 1-6. to secure permission for entry into private properties or restricted areas for the implementation of the Study,
  - 1-7. to secure permission for the Japanese study team to take all data and documents (including photographs and maps) related to the Study out of Nepal to Japan and
  - 1-8. to provide medical services as needed. Its expense will be chargeable on the members of the Japanese study team.
  
2. The HMG/N shall bear claims, if any arises, against the members of the Japanese study team resulting from, occurring in the course of, or otherwise connected with, the discharge of their duties in the implementation of the Study, except when such claims arise from gross negligence or willful misconduct on the part of the members of the Japanese study team.
  
3. The Ministry of Agriculture (hereinafter referred to as "MOA") shall act as a coordinating body in relation with other governmental organizations and non-governmental organizations concerned for smooth implementation of the Study. The Marketing Development Division (hereinafter referred to as "MDD") of Department of Agriculture (hereinafter referred to as "DOA") shall act as a counterpart agency to the Japanese study team. The MDD will work closely with the Department of Livestock Services (hereinafter referred to as "DOLS") and

other related governmental and non-governmental organizations for smooth implementation of the Study.

4. DOA and DOLS shall, at their own expenses, provide the Japanese study team with the followings, in cooperation with other organizations concerned ;

4-1. available data and information necessary and related to the Study,

4-2. counterpart personnel and supporting staff necessary for the Study,

4-3. suitable office space(s) with necessary equipment and furniture in Kathmandu and the Study area, and

4-4. credentials or identification cards

#### VIII. UNDERTAKING OF JICA

For the implementation of the Study, JICA shall take the following measures ;

1. to dispatch, at its own expense, the Japanese study team to Nepal, and

2. to pursue technology transfer to the Nepalese counterpart personnel in the course of the Study.

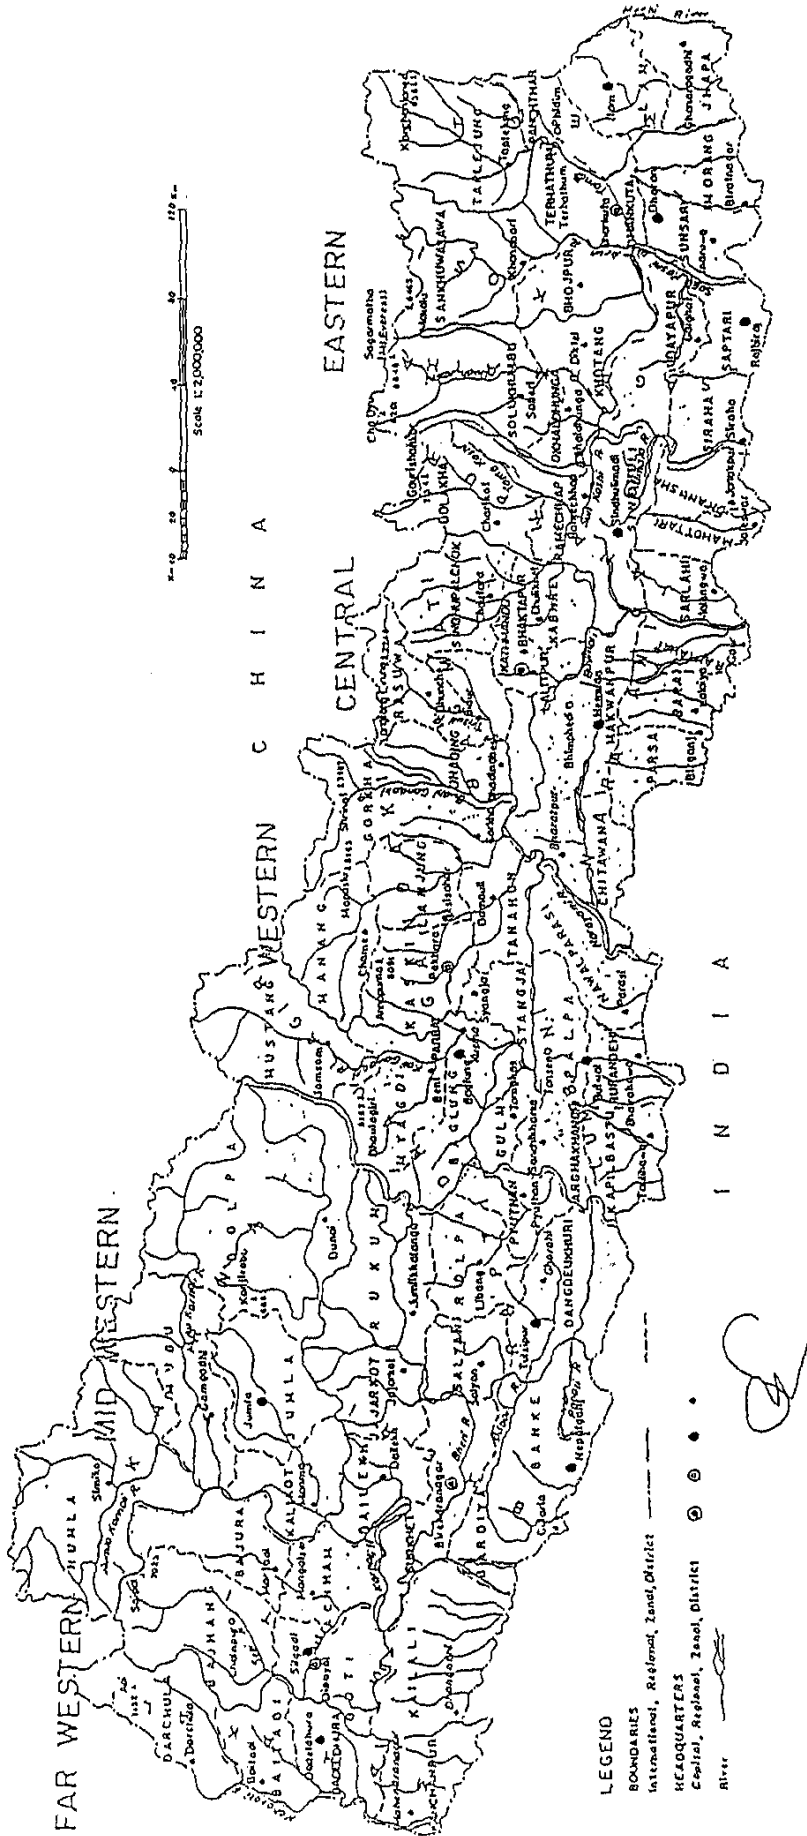

#### IX. CONSULTATION

JICA and MOA shall consult with each other in respect of any matter that may arise from or in connection with the Study.

MINUTES OF MEETING  
ON  
SCOPE OF WORK  
FOR  
THE STUDY  
ON  
THE AGRICULTURAL MARKETING DEVELOPMENT  
PROJECT  
IN  
THE KINGDOM OF NEPAL  
AGREED UPON  
BETWEEN  
MINISTRY OF AGRICULTURE, HMG/N  
AND  
JAPAN INTERNATIONAL COOPERATION AGENCY

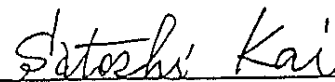

December 7, 1999, Kathmandu

---

Dr. S. K. SHRESTHA

Joint Secretary,  
Planning Division,  
Ministry of Agriculture,  
His Majesty's Government of Nepal

---

Dr. Satoshi KAI

Leader,  
Preparatory Study Team,  
Japan International Cooperation Agency  
(JICA)

The preparatory study team (hereinafter referred to as "the Team") organized by Japan International Cooperation Agency (hereinafter referred to as "JICA"), and headed by Dr. Satoshi KAI, visited the Kingdom of Nepal from 28 November to 9 December, 1999 for the purpose of discussing and exchanging views in relation to the Scope of Work for the Study on the Agricultural Marketing Development Project (hereinafter referred to as "the Study") with the officials concerned of the His Majesty's Government of Nepal (hereinafter referred to as "HMG/N").

As a result of the discussions, the HMG/N and the Team mutually agreed to the Scope of Work for the Study.

The following Minutes have been prepared to confirm the main issues discussed and matters agreed upon by both sides. The list of participants in a series of meetings is attached as ANNEX.

1. Both sides confirmed that site surveys would be conducted only in safety areas. In phase 2, if security problems occurs in the selected area(s), the area(s) could be changed any time by the Japanese side's judgment.
2. Both sides confirmed that the Study would cover horticulture (including major spices), livestock/livestock product and fish, and that the potential area(s) concerned to vegetables and fruits would be selected in Phase 2 except the areas where other donors conducted agricultural marketing development projects.
3. Both sides confirmed that Environment Impact Assessment (EIA) should be carried out by the Nepal side at its own expenses in Phase 2, if needed according to the result of Initial Environment Examination (IEE).
4. For the smooth and effective implementation of the Study, both sides agreed upon the need for establishment of a Steering Committee consisting of representatives from relevant institutions before the commencement of the Study.

Basically, it is expected that this Committee will meet the Study team when it comes to explain the reports. The Steering Committee will consist of members mainly from the followings;

- Chairperson: Planning Division, Ministry of Agriculture
- Representative: National Planning Commission (Agriculture Division)
- Representative: Foreign Aid Coordination Division, Ministry of Finance

- Representative: Department of Agriculture, Ministry of Agriculture
- Representative: Department of Livestock Services, Ministry of Agriculture
- Representative: Ministry of Local Development
- Representative: Department of Cooperatives, Ministry of Agriculture
- Representative: Agro Enterprise Center
- The Study Team
- JICA
- Representative: Local governments (if necessary in Phase 2)
- Representative: Ministry of Environment (if necessary in Phase 2)
- Member Secretary: Marketing Development Division, Department of Agriculture

5. The Nepal side promised to assign the necessary number of counterpart personnel for each member of the Study team from the concerned governmental departments and to prepare the budget for assigning counterpart personnel, including allowances and accommodation fees and transportation expenses.

6. The Nepal side expressed difficulties in providing necessary vehicle(s) with driver(s), photocopy machine(s), personal computer(s) and facsimile to the Study team and therefore requested JICA to make the arrangements. The Team promised to convey the request to the Government of Japan.

The Nepal side shall provide suitable office space(s) with necessary number of desks, chairs, electricity and telephone-line(s) to the Study team in Kathmandu and the Study area(s).

7. The Nepal side requested the counterpart training in Japan related to the Study to promote an effective technology transfer. The Team promised to convey the request to the Government of Japan.

8. The Nepal side agreed that the Final Report would be made available to any interested party.

Kai

**THE INCEPTION REPORT  
FOR  
THE STUDY ON THE  
AGRICULTURAL MARKETING DEVELOPMENT PROJECT  
IN  
THE KINGDOM OF NEPAL**

Kathmandu, April 20, 2000

The Scope of Work for the Study on the Agricultural Marketing Development Project in The Kingdom of Nepal was agreed upon between the JICA Preparatory Study Team and the Nepalese side on December 7, 1999. In accordance with the Scope of Work, JICA sent to The Kingdom of Nepal the Study Team headed by Mr. Tateo Kusano on April 17, 2000.

The Study Team submitted to the Nepalese side 20 copies of the Inception Report in the English language on April 14, 2000. The Study Team explained the contents and procedures of the Study on April 19, 2000. Subsequently, discussions between the Nepalese side and the Study Team were held, concluding the following points:

- (1) The Nepalese side agreed on the contents and study procedures presented in the Inception Report.
- (2) Comments expressed by the Steering Committee, which are detailed in Annex-I shall be considered.

List of participants in the meeting is attached as Annex-II.

**COMMENTS  
BY THE STEERING COMMITTEE**

**1. Safety Areas**

The site surveys areas will conform to item no. 1 of the Minutes of Meeting of the Scope of Work Mission signed in December 7 1999. However, if timely secondary data for other areas are provided by the Ministry of Agriculture and Cooperatives, these data will be incorporated into the Study report.

**2. Trade Flow**

The Study will consider the internal and international trade flow (India, Bangladesh and Tibet Autonomous Region of China).

**3. Information of Road, Urban Plans and Human Resources Development**

In the Inception report, item 2.1.2 Stage 1 Study in Nepal, (3) Collection and Analysis of General Information, will include provided information on road, urban plans and human resources development.

**4. Consumption Survey**

The consumption survey will include survey on institutional consumers.

**5. Sample survey sites**

Sample survey sites on farmers' participation and awareness will consider Biratnagar or Birtamod, Birganj, Narayangadh or Janakpur, and Bhairahawa or Pokhara, as suggested by Steering Committee. Survey in Kathmandu will maximise the use of existing data in order not to duplicate information.

**6. Survey Locations**

Survey locations in addition to those mentioned on page 7 of the Inception Report will include Narayangadh, Birganj and Bhairahawa.

**7. Counterparts**

4 counterparts will be immediately assigned by the respective departments comprising one Chief counterpart (from the counterpart agency) and one counterpart each for horticulture, livestock and fisheries.

**8. Office Space**

The Ministry of Agriculture and Cooperatives will provide adequate office space for the Study Team.

## LIST OF PARTICIPANTS

Inception Report meeting

**Members of Steering Committee**

**1. Ministry of Agriculture and Cooperatives**

Surendra K. Shrestha	Joint Secretary

THE INTERIM REPORT  
FOR  
THE STUDY ON THE  
AGRICULTURAL MARKETING DEVELOPMENT PROJECT  
IN  
THE KINGDOM OF NEPAL

Kathmandu, September 27, 2000

The Scope of Work for the Study on the Agricultural Marketing Development Project in The Kingdom of Nepal was agreed upon between the JICA Preparatory Study Team and the Nepalese side on December 7, 1999. In accordance with the Scope of Work, JICA sent the Study Team headed by Mr. Tateo Kusano to the Kingdom of Nepal on April 17, 2000.

The Study Team submitted to the Nepalese side 20 copies of the Interim Report in English on September 22, 2000.

The Study Team explained on the Interim Report of the Study on September 27, 2000 at the Steering Committee Meeting. Subsequently, discussions between the Nepalese side and the Study Team were held concluding the meeting with following points:

- (1) The Nepalese side basically agreed on the contents and study procedures presented in the Interim Report.
- (2) The both sides also agreed to consider the following points for the preparation of the Draft Final Report:
  - 1) Gender issue: women's participation and benefit distribution in the marketing activities,
  - 2) Data source: the indication of the source of data.

List of participants in the meeting is attached as ANNEX.

## LIST OF PARTICIPANTS

Members of Steering Committee**1. Ministry of Agriculture and Cooperatives**

**MINUTE OF MEETING  
ON  
THE DRAFT FINAL REPORT  
FOR  
THE STUDY ON THE  
AGRICULTURAL MARKETING DEVELOPMENT PROJECT  
IN  
THE KINGDOM OF NEPAL**

Date : March 7 2001  
Time : 11:00 am to 13:20 pm  
Venue : Conference Hall, MOAC, Kathmandu.  
Attendance : As listed in Annex

The Steering Committee meeting was convened to explain and discuss the Draft Final Report, submitted to the His Majesty's Government of Nepal by JICA Study Team.

The meeting was chaired by Dr. S.K Shrestha, Joint Secretary of MOAC.

After the presentation of summary of the Draft Final report by Mr. Tateo Kusano, Team Leader, the JICA Study Team, an intensive discussion was made between the Committee and the JICA Study Team, and the following points were agreed upon by and between the Nepalese side and the Japanese side with mutual confirmation;

1. The Nepal side accepted the contents of the Draft Final Report in principle.
2. The following items were discussed and /or confirmed by both sides;

a) Institutional Development

The Study Team proposed the role and functions of the National Agricultural Marketing Board or Steering Committee which could be permanent or adhoc. It was noted that the Project has given high priority for the institutional development in the field of agricultural marketing. It was agreed that the Nepalese side will discuss further on this matter and advise the Team accordingly. If any modification/alternative is required on the proposed institutional arrangement, the Team will consider to incorporate it in the Final Report.

b) Conclusion and Recommendations on Master Plan

The Final Report will incorporate the conclusion and recommendations for all of the Regions in Master Plan from the point of integrating national agricultural marketing system.

c) Technology Transfer

For the effective use by Nepalese side, contents of technology transfer will be shown in the attached tables of the Final Report.

3. The Nepal side agreed to send the comments on the Draft Final Report by April 8, 2001 to JICA headquarters through JICA Nepal Office.
