AUTHORITIES CONCERNED OF THE GOVERNMENT OF
THE REPUBLIC OF INDONESIA
ON JAPANESE TECHNICAL COOPERATION FOR
THE FOREST FIRE PREVENTION MANAGEMENT PROJECT
PHASE TWO IN INDONESIA**

Japan International Cooperation Agency (hereinafter referred to as "JICA") had a series of meetings, through the Resident Representative of JICA in the Republic of Indonesia, with the Indonesian authorities concerned on the Forest Fire Prevention Management Project Phase Two in the Republic of Indonesia.

As a result of the meetings, both sides reached common understandings concerning the matter referred to Annex attached hereto.

Jakarta, March 9, 2001

Mr. Hiroyoshi Ihara
Resident Representative,
Indonesia Office
Japan International Cooperation Agency

Mr. Ir. Harsono
Director General,
Directorate General of Forest
Protection and Nature
Conservation,
Ministry of Forestry,
The Republic of Indonesia

Considering recent financial difficulties of the Ministry of Forestry, the both parties reached a common understanding that in case the Ministry of Forestry has difficulties bearing the cost stipulated in the article III. 7. (1) of the R/D, JICA may, as a temporal measure, provide a part of those expenses upon a request by the Ministry of Forestry, as far as Japanese authorities concerned allow to do so.

This understanding is only valid for this particular project, and until a new agreement on technical cooperation, which is under negotiation through a diplomatic channel, is made and introduced by the both governments.
