MEMORANDUM  
ON THE BASIC DESIGN STUDY  
ON THE PROJECT FOR IMPROVEMENT OF THE HEALTH FACILITIES  
IN THE KWAZULU-NATAL PROVINCE  
IN THE REPUBLIC OF SOUTH AFRICA

The Minutes of Discussion on the Project for Improvement of the Health Facilities in the KwaZulu-Natal Province in the Republic of South Africa was signed on April 11, 2001 in Pietermaritzburg and April 12, 2001 in Pretoria. Based on the Minutes of Discussion, the Basic Design Study Team (hereinafter referred to as "the Team") held discussions with the officials concerned of the Government of the South Africa and conducted a field survey at the study area. Through the discussions and a field survey, the Team found out followings and ensured to consider them in Japan.

1. KwaZulu-Natal Department of Health requested consultant services for the technical assistance on health promotion which employs newly developed multi media that will be procured on the project as one of the components of Grant Aid.
2. The Change of the Project Site  
Cancel Buchanana Clinic and add KwaMbonambi (Sappi) Clinic.
3. Equipment for maintenance and health promotion will be delivered and utilized at District Health Office.
4. Required equipment list for each facility is indicated on Annex-1.
