Agenda of the mid-term evaluation seminar

October 5, 2001

1. Explanation of evaluation method based on PCM approach

- Review of PDM
- Evaluation criteria
- Role of PDM-E

2. Preparation of PDM-E

- Clarification of some "words", which are not clear
- Modification of original PDM if necessary
- Consensus among all

<Coffee Break>

3. Discussion and confirmation on "target group" which is important for rather in the meaning of alignment of project direction in light with National Policy, and which is closely related to "relevance", one of the evaluation criteria.

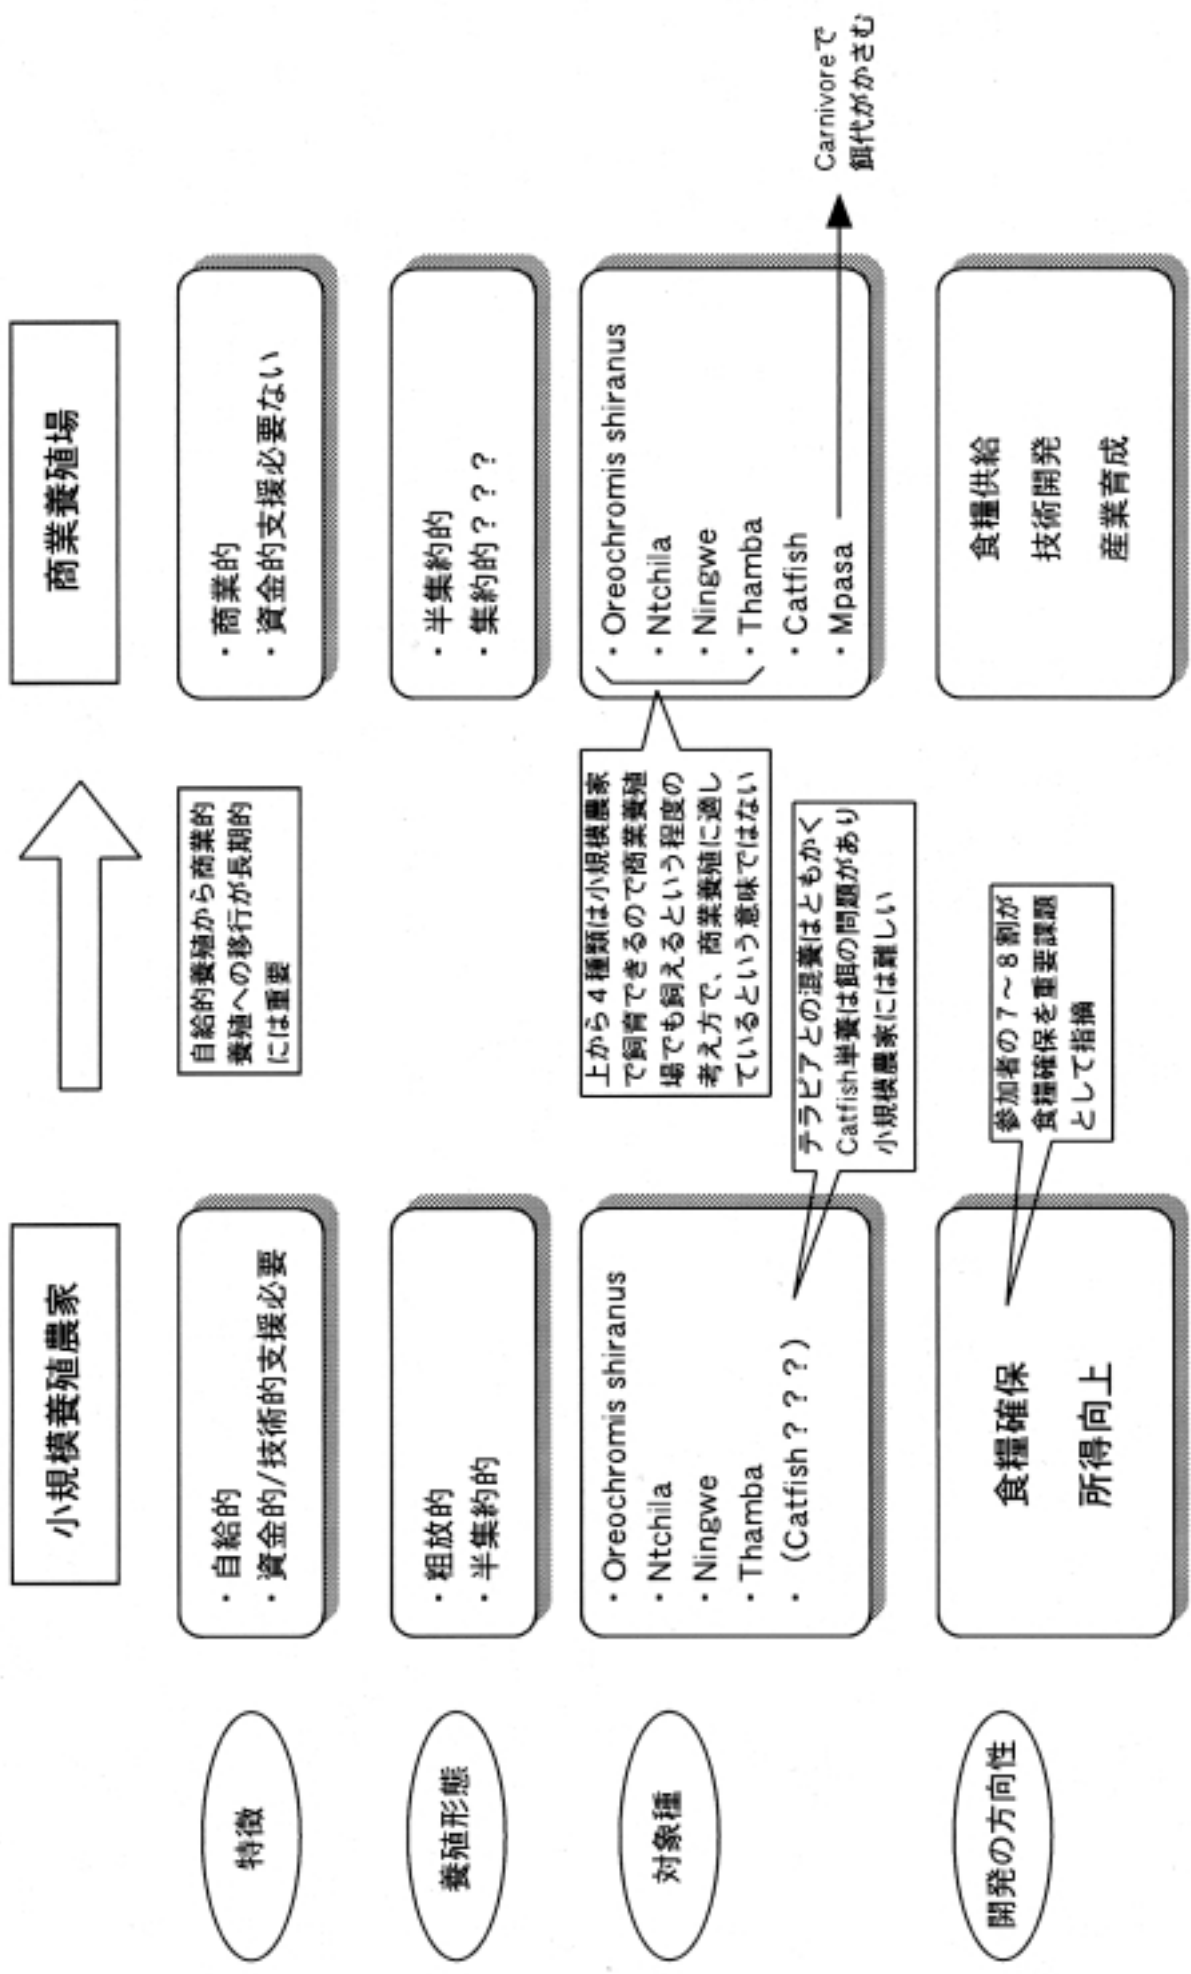

<Lunch Break>

4. Joint interview by both Malawian and Japanese evaluation team to a set of Japanese expert and his counterparts by professional field.

October 6, 2001

5. Presentation of the result of evaluation in the wrap-up meeting

6. Version-up of PDM for later half of the project period.
