**REQUEST FOR COMMENTS ON THE SPECIFICATION OF COMMODITIES
IN THE QUESTIONNAIRE**

The questionnaire should cover major commodities of finished products and raw materials in each manufacturing sector of the Philippines.

In order to improve adequacy of the specification of commodities in the questionnaire and to make it easier for you to respond the questionnaire, please concretely fill out your comments or suggestions into the designated column on the "Comment Sheet to the Questionnaire" which will be distributed by the enumerator, and submit it with the questionnaire to the enumerator during the pretest survey period.

Pretest Survey for Development of Current Survey of Production (CSP)

Questionnaire No:	321-10	Sector:	Manufacture of electronic valves and tubes, television and radio transmitters, and apparatus for line telephony and line telegraphy
