Hydrogeological Cross Section -3

Hydrogeological Cross Section -4

- Extensive and highly productive aquifer
- Extensive and moderately productive aquifer
- Extensive and low productive aquifer
- Local or discontinuous moderately productive
- Local or discontinuous low to no productive aquifer
- Sands with essentially no groundwater resources
- Aush Aquifer
- Kalbari Aquifer
- Nossob Aquifer
- Kalbari Sand
- Karoo Dolerite
- Pre-Fozo Group, Lower Karoo and Lower Molokan
