

APPENDIX III

AGRICULTURE

APPENDIX III

AGRICULTURE

Contents

	<i>Page</i>
CHAPTER 1 SOILS AND LAND USE	III - 1
1.1 Soils and Land Suitability	III - 1
1.1.1 Soil Classification.....	III - 1
1.1.2 Reconnaissance Soil Survey under the Study	III - 2
1.1.3 Land Suitability	III - 3
1.2 Natural Vegetation and Present Land Use	III - 5
1.2.1 Natural Vegetation.....	III - 5
1.2.2 Present Land Use	III - 5
1.3 Land Tenure System and Holding Size	III - 6
1.3.1 Land Tenure System	III - 6
1.3.2 Land Holding Size	III - 7
1.4 Meki Nursery Center	III - 7
CHAPTER 2 CROP PRODUCTION	III - 8
2.1 Agro-ecological Zones	III - 8
2.2 Farming System	III - 9
2.3 Crop Selection and Cropping Pattern	III - 9
2.3.1 Crop Selection	III - 9
2.3.2 Cropping Pattern.....	III - 10
2.4 Planted Area, Yield and Production	III - 11
CHAPTER 3 FARM INPUTS AND PRACTICES.....	III - 14
3.1 Farm Inputs	III - 14
3.1.1 General.....	III - 14
3.1.2 Extension Package Program (EPP).....	III - 14
3.1.3 Other Sources	III - 15
3.2 Prevailing Farming Practices	III - 15
3.2.1 General.....	III - 15
3.2.2 Land Preparation	III - 16
3.2.3 Sowing	III - 16
3.2.4 Fertilizer Application.....	III - 16

3.2.5	Weed Control	III - 16
3.2.6	Pest and Disease control	III - 16
3.2.7	Harvesting	III - 16
3.2.8	Storing.....	III - 16
3.2.9	Utilization of Crop Residue and Cow Dung	III - 17
3.3	Farm Labor	III - 17
CHAPTER 4	CROP BUDGET	III - 19
4.1	Introduction.....	III - 19
4.1.1	Market Price of major Grain Crops	III - 19
4.1.2	Traditional Farming	III - 19
4.1.3	Extension Package Program.....	III - 20
4.1.4	Irrigation farming	III - 20
4.2	Break-Even Point	III - 21
CHAPTER 5	POST-HARVEST AND MARKETING	III - 22
5.1	Post-harvest.....	III - 22
5.2	Market Channels	III - 22
5.3	Prices	III - 23
CHAPTER 6	CONSTRAINTS AND PROSPECTS	III - 26
6.1	Constraints	III - 26
6.1.1	Natural Constraints	III - 26
6.1.2	Socio-economic Constraints.....	III - 26
6.2	Opportunities.....	III - 28
6.3	Indigenous Drought Coping Strategy	III - 30
6.4	Sustainable Agricultural Production Programs	III - 32
6.4.1	Objectives and Program Components.....	III - 32
6.4.2	Cropping Plan.....	III - 33

List of Tables

Table III.1.1	Results of Soil Laboratory Tests.....	III - T - 1
Table III.1.2	Soil Samples Collected by PA.....	III - T - 2
Table III.1.3	Soil Analytical Results (1/4 – 4/4).....	III - T - 3
Table III.1.4	Indigenous Trees and Grass Species in the Study Area	III - T - 7
Table III.1.5	Land Use of Dugda Bora in 2000/01 Cropping Season (1/2 – 2/2).....	III - T - 8
Table III.1.6	Farmland, Cropped and Fallow Land by PA in Dugda Bora.....	III - T - 9
Table III.1.7	Activities of Meki Tree Nursery Center	III - T - 10
Table III.2.1	Crop Production in Dugda Bora Wareda (1994/95 – 1999/2000).....	III - T - 11
Table III.2.2	Planted Area, Production and Yield of Teff (2000/01).....	III - T - 12
Table III.2.3	Planted Area, Production and Yield of Maize (2000/01)	III - T - 13
Table III.2.4	Planted Area, Production and Yield of Wheat (2000/01).....	III - T - 14
Table III.2.5	Planted Area, Production and Yield of Haricot Bean (2000/01)	III - T - 15
Table III.2.6	Planted Area, Production and Yield of Barley (2000/01)	III - T - 16
Table III.2.7	Planted Area, Production and Yield of Sorghum (2000/01).....	III - T - 17
Table III.2.8	Planted Area, Production and Yield of Horse Bean (2000/01).....	III - T - 18
Table III.2.9	Planted Area, Production and Yield of Field Peas (2000/01).....	III - T - 19
Table III.2.10	Planted Area, Production and Yield of Chick Peas (2000/01).....	III - T - 20
Table III.2.11	Planted Area, Production and Yield of Lentil (2000/01).....	III - T - 21
Table III.2.12	Horticulture Crop Production in Dugda Bora (1999/2000)	III - T - 22
Table III.3.1	Farming Practice Prevailing in the Study Area	III - T - 23
Table III.3.2	Farm Labour Balance for Average Farmer.....	III - T - 25
Table III.4.1	Crop Budget Analysis [Traditional Farming Level: Maize]	III - T - 26
Table III.4.2	Crop Budget Analysis [Traditional Farming Level: Haricot Bean].....	III - T - 26
Table III.4.3	Crop Budget Analysis [Traditional Farming Level: Wheat]	III - T - 27
Table III.4.4	Crop Budget Analysis [Traditional Farming Level: Teff].....	III - T - 27
Table III.4.5	Crop Budget Analysis [EPP: Maize]	III - T - 28
Table III.4.6	Crop Budget Analysis [EPP: Haricot Bean].....	III - T - 28
Table III.4.7	Crop Budget Analysis [EPP: Wheat].....	III - T - 29
Table III.4.8	Crop Budget Analysis [EPP: Teff].....	III - T - 29
Table III.4.9	Crop Budget Analysis [Irrigation: Tomato]	III - T - 30
Table III.4.10	Crop Budget Analysis [Irrigation: Papaya].....	III - T - 31
Table III.4.11	Crop Budget Analysis [Irrigation: Onion]	III - T - 32
Table III.4.12	Crop Budget Analysis [Irrigation: Cabbage].....	III - T - 33
Table III.4.13	Crop Budget Analysis [Irrigation: Chili]	III - T - 34
Table III.5.1	Monthly Price of Major Food Grains in the Meki Area by EGTE.....	III - T - 35
Table III.6.1	Proposed Cropping Plan in the Irrigation Scheme	III - T - 36

List of Figures

Figure III.1.1	Soil Map of Dugda Bora.....	III - F - 1
Figure III.1.2	Soil Profile at Representative Site.....	III - F - 3
Figure III.1.3	Farming Use Intensity	III - F - 4

Figure III.2.1	Leading Crop Zoning Map.....	III - F - 5
Figure III.2.2	Present Cropping Pattern in the Study Area.....	III - F - 6
Figure III.2.3	Crop Calendar in the Study Area.....	III - F - 7
Figure III.2.4	Horticulture Crop Production Zone in the Study Area	III - F - 8
Figure III.5.1	Food Grain Marketing Channels in Meki Area and Outer Area.....	III - F - 9
Figure III.6.1	Proposed Cropping Pattern in the Study Area	III - F- 10
