

## **Appendix II**

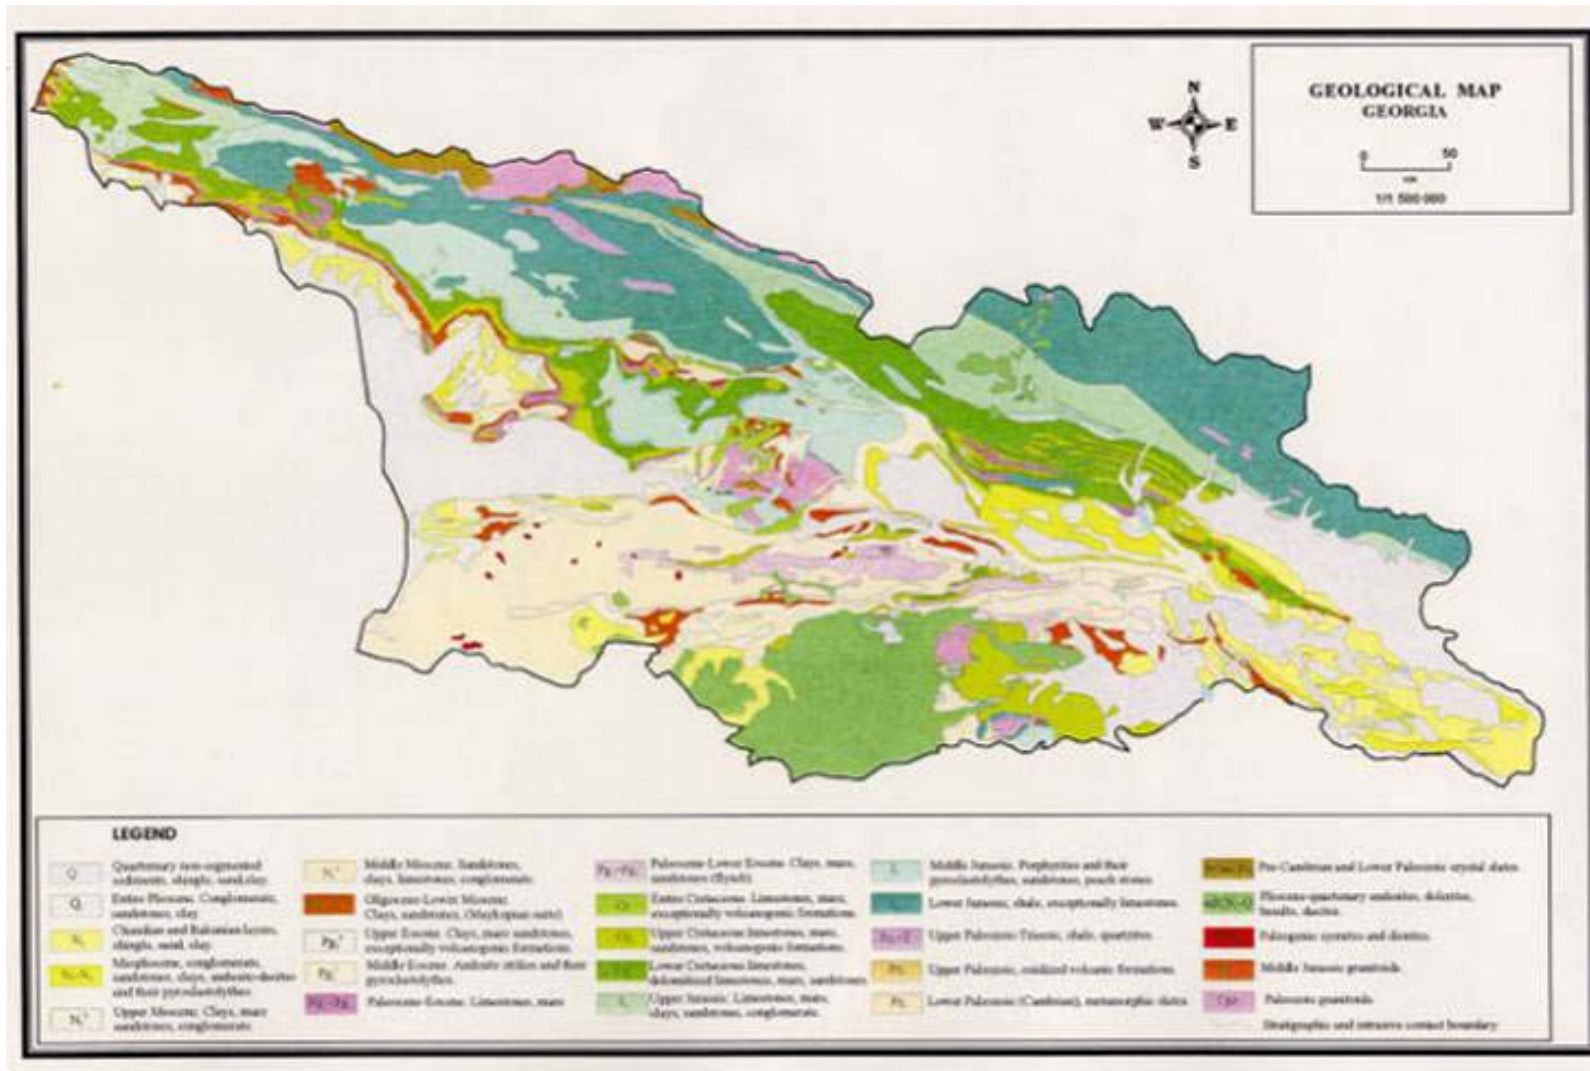

- 1. Base Map of Georgia**
- 2. Infrastructure Map**
- 3. Geological Map of Georgia**
- 4. Tectonic Map**
- 5. Mineral Deposits in Georgia**
- 6. Gold Deposits in Georgia**
- 7. Gold Prospective Area in Georgia**
- 8. Concessions Map of Georgia**
- 9. Target Deposit for Model Mine**
- 10. Map of Heavy Metals Containation**
- 11. Georgian Techincal University Tunnel Training Facility**
- 12. Flow of Processing Facility System Improvement**
- 13. Panarama of Tbilisi and Madneuli Mine**
- 14. Survey Conditions and Mining Industry Seminar etc.**
- 15. Government Office Buildings and Madneuli Mine Facilities etc.**

1 . Base Map of Georgia

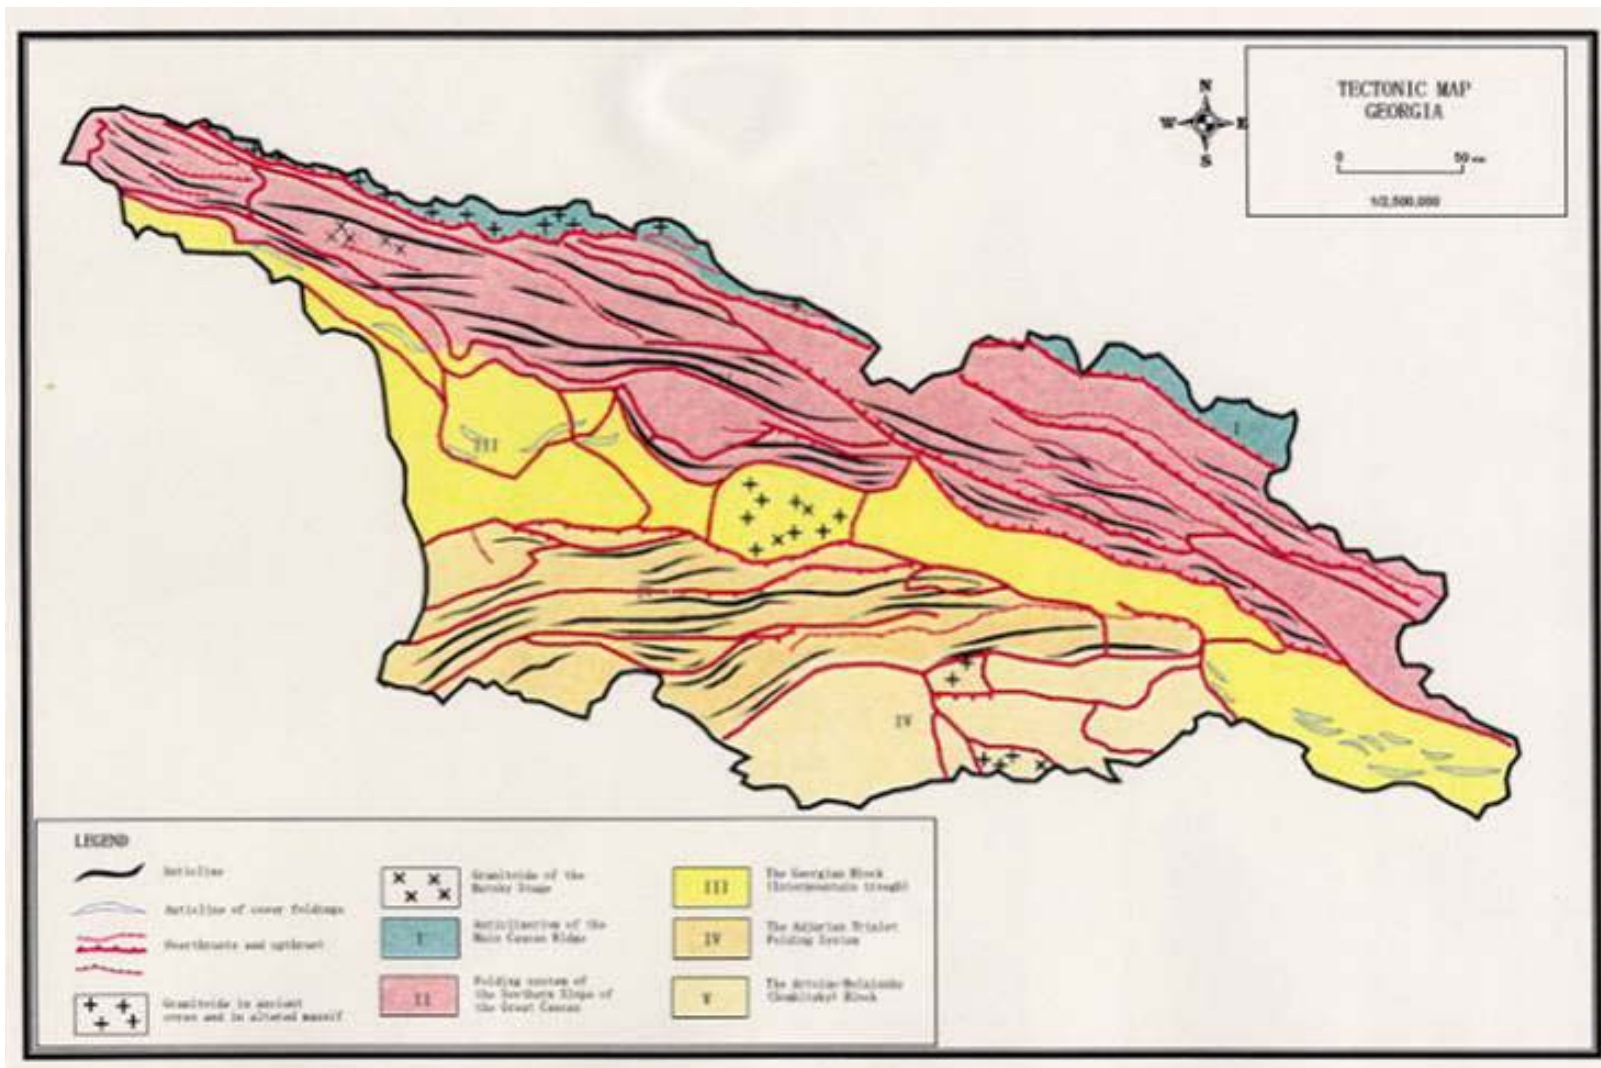

2 . Infrastructure Map

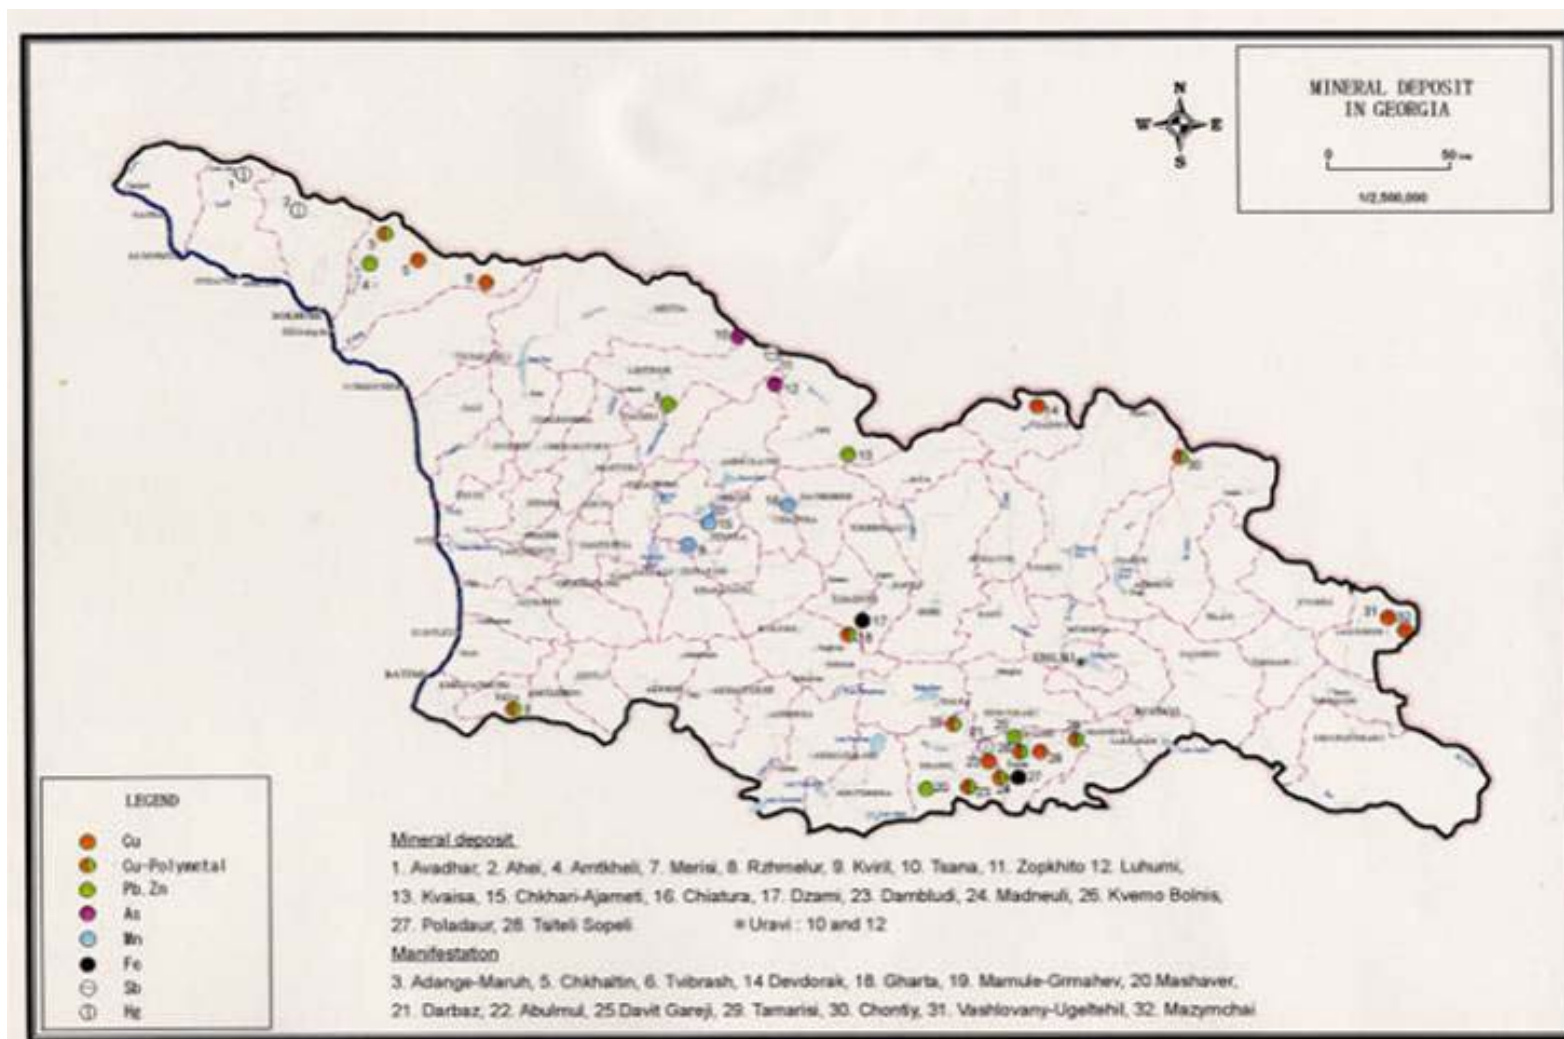

3. Geological Map of Georgia

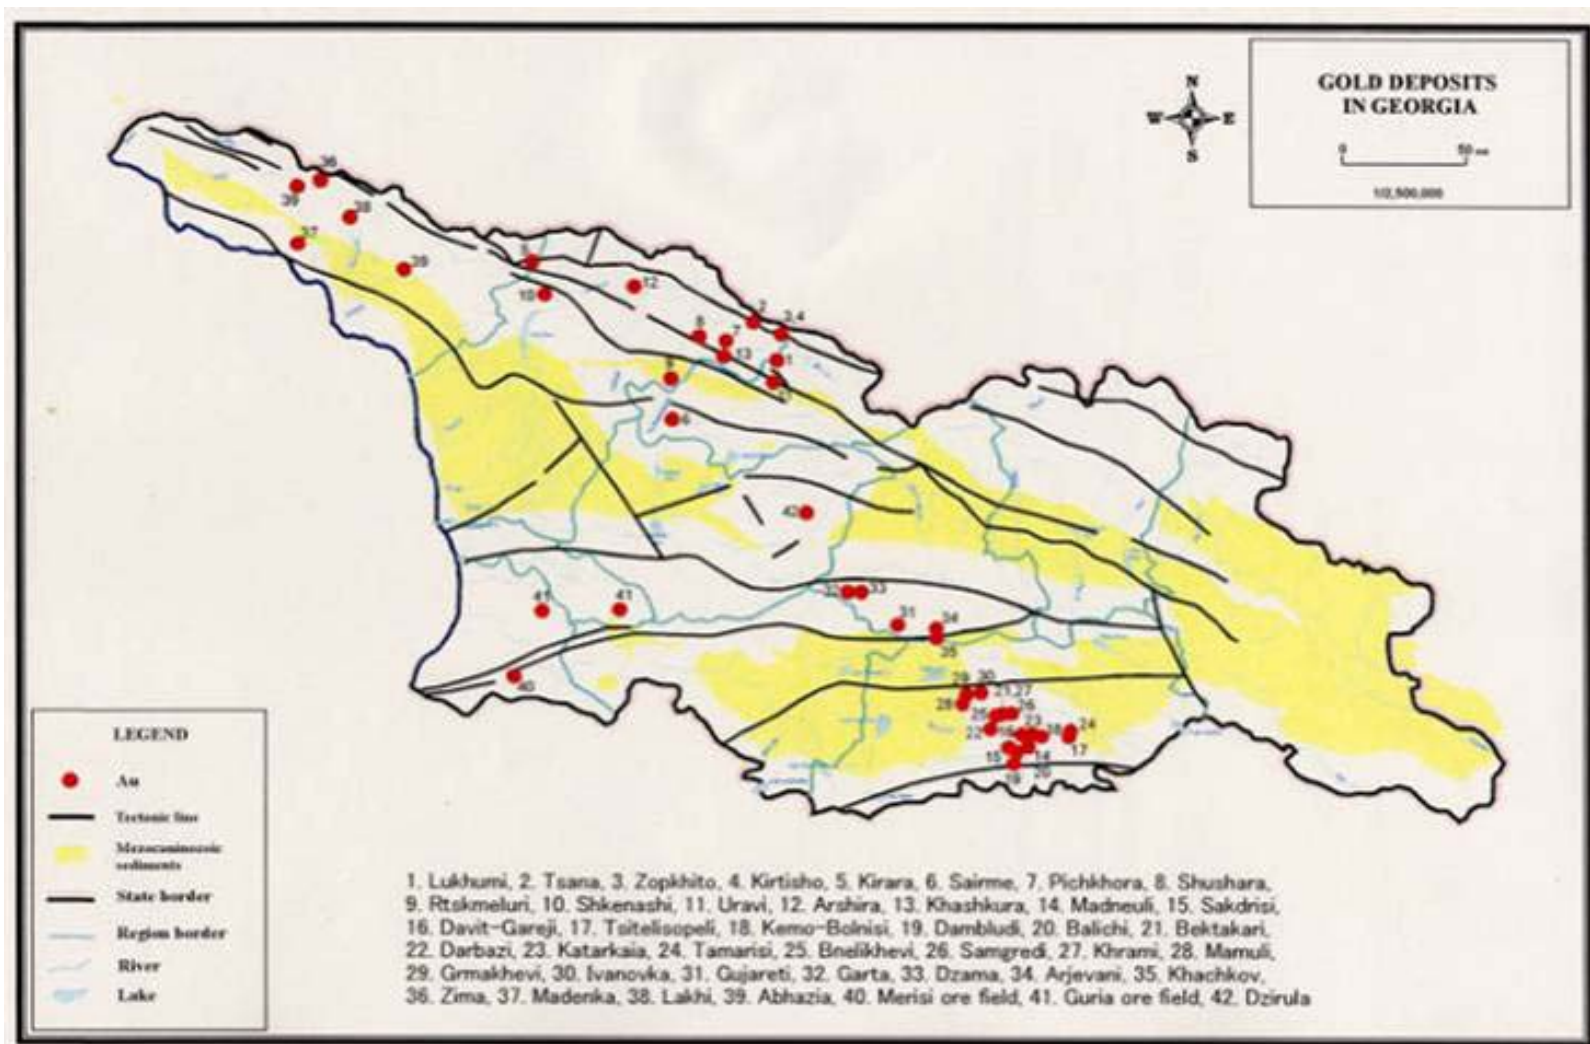

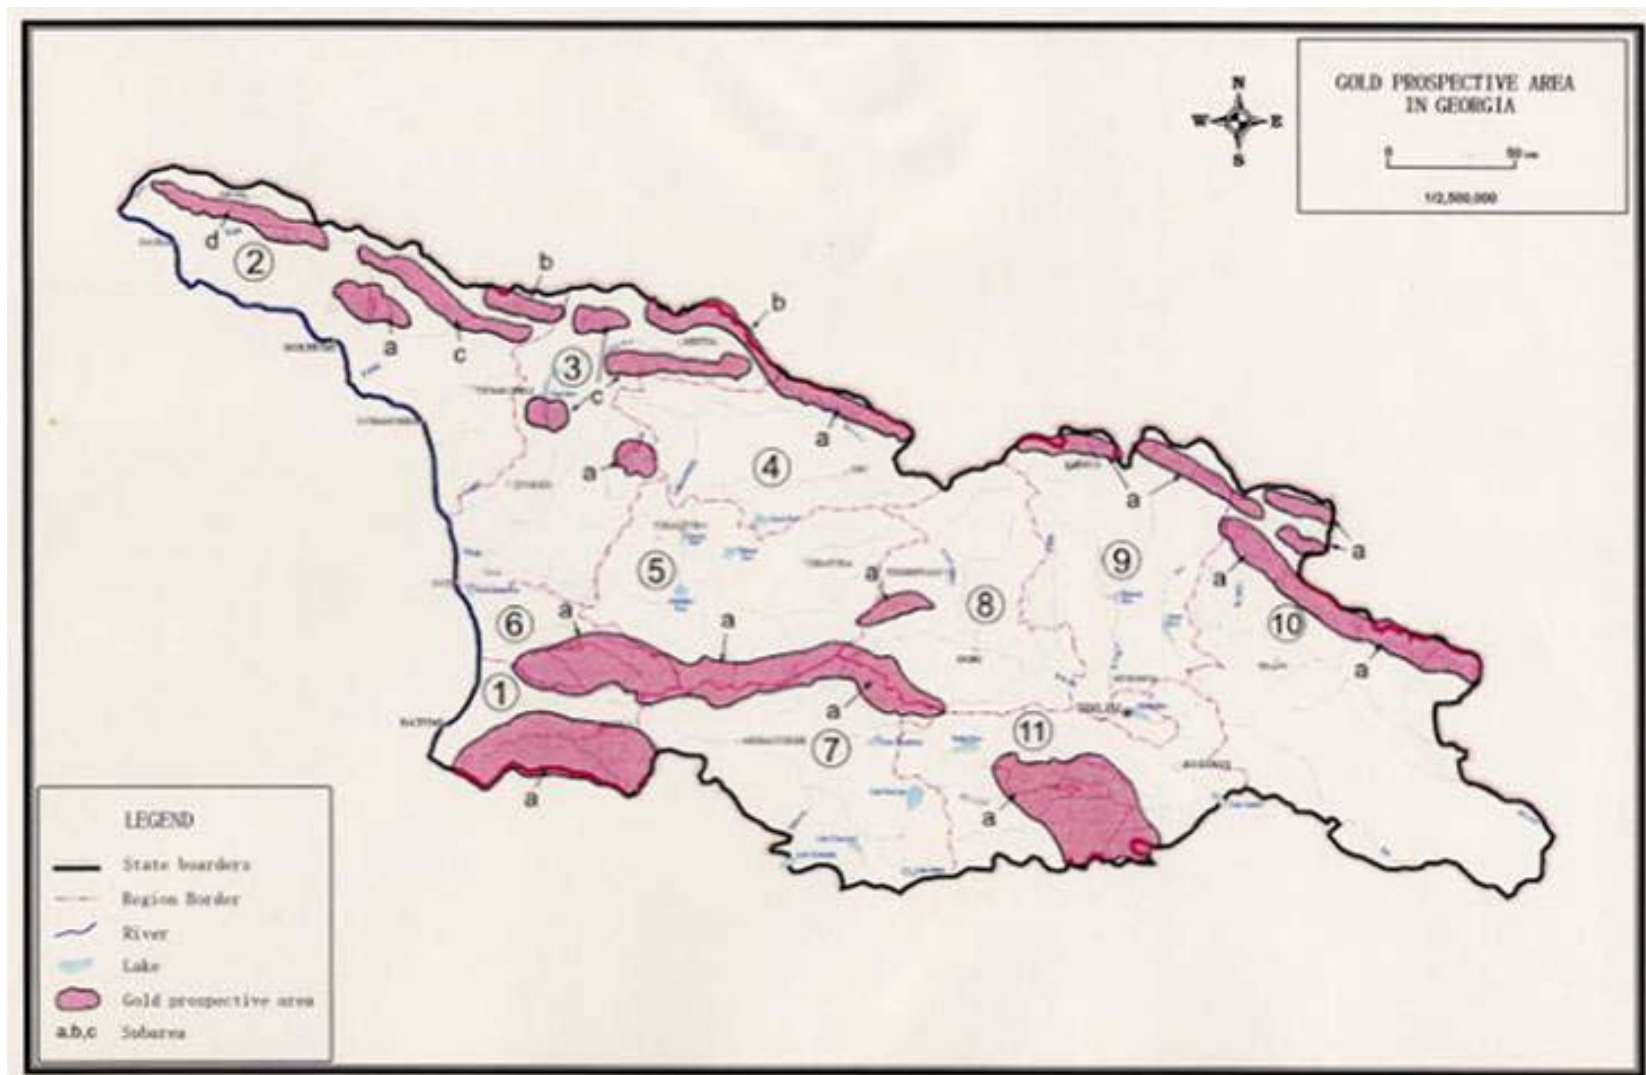

4. Tectonic Map

## 5. Mineral Deposits in Georgia

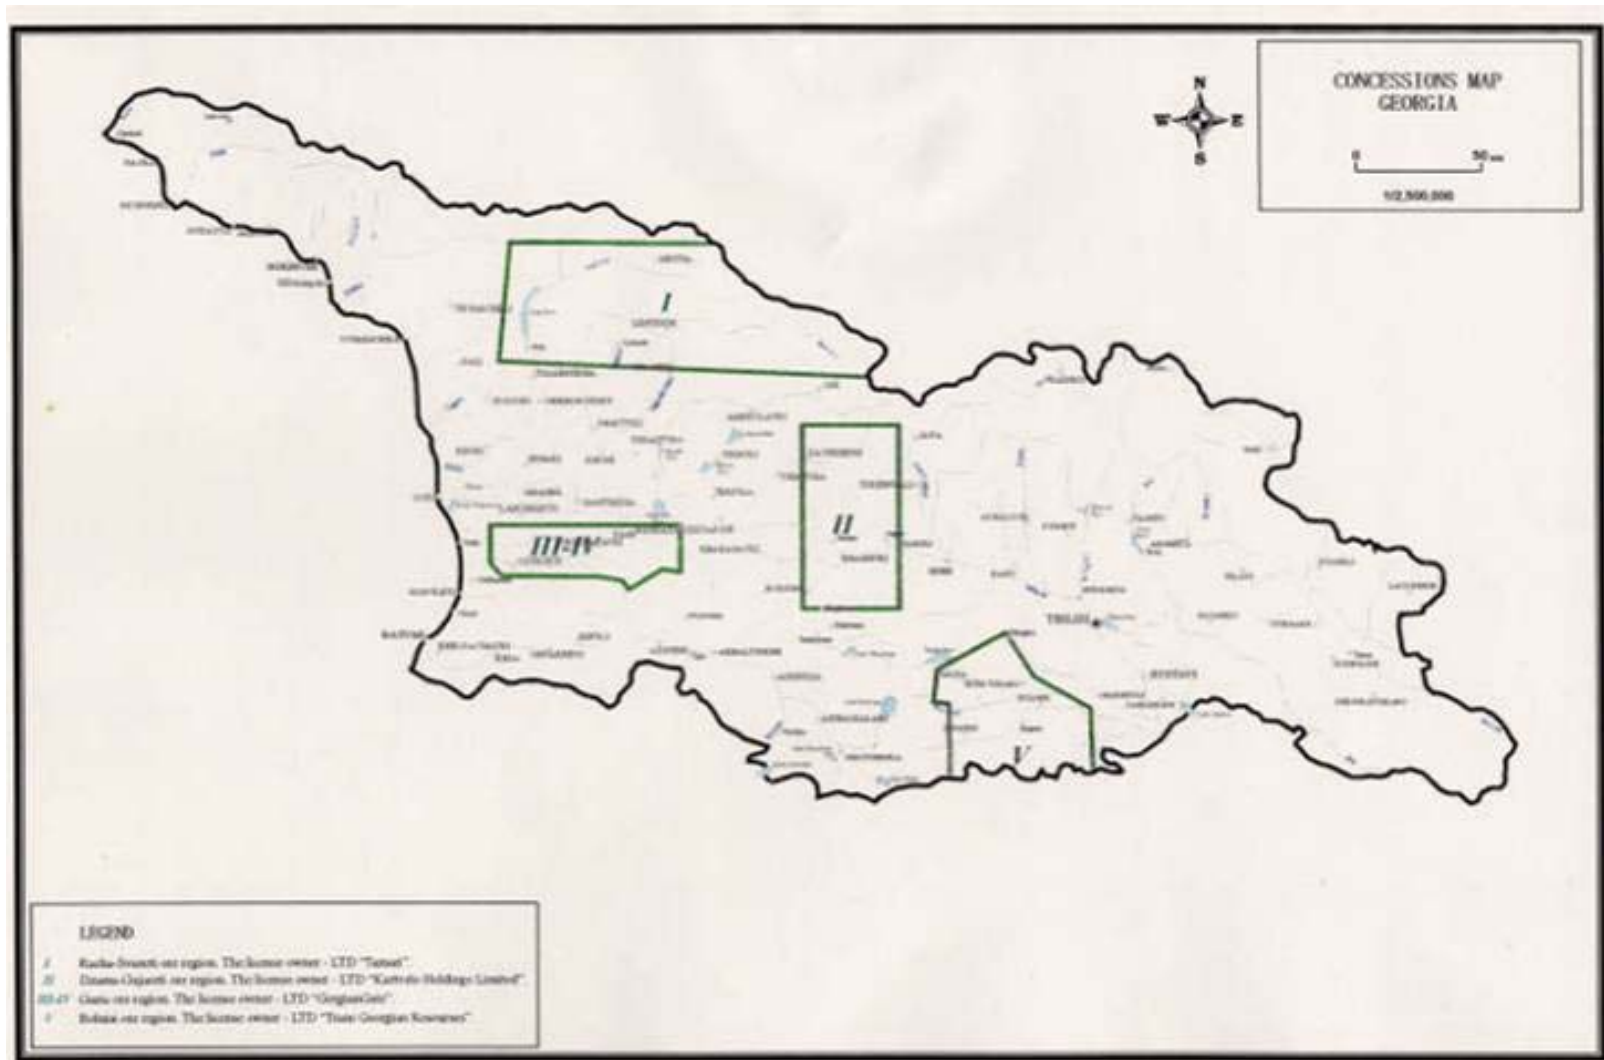

6 . Gold Deposits in Georgia

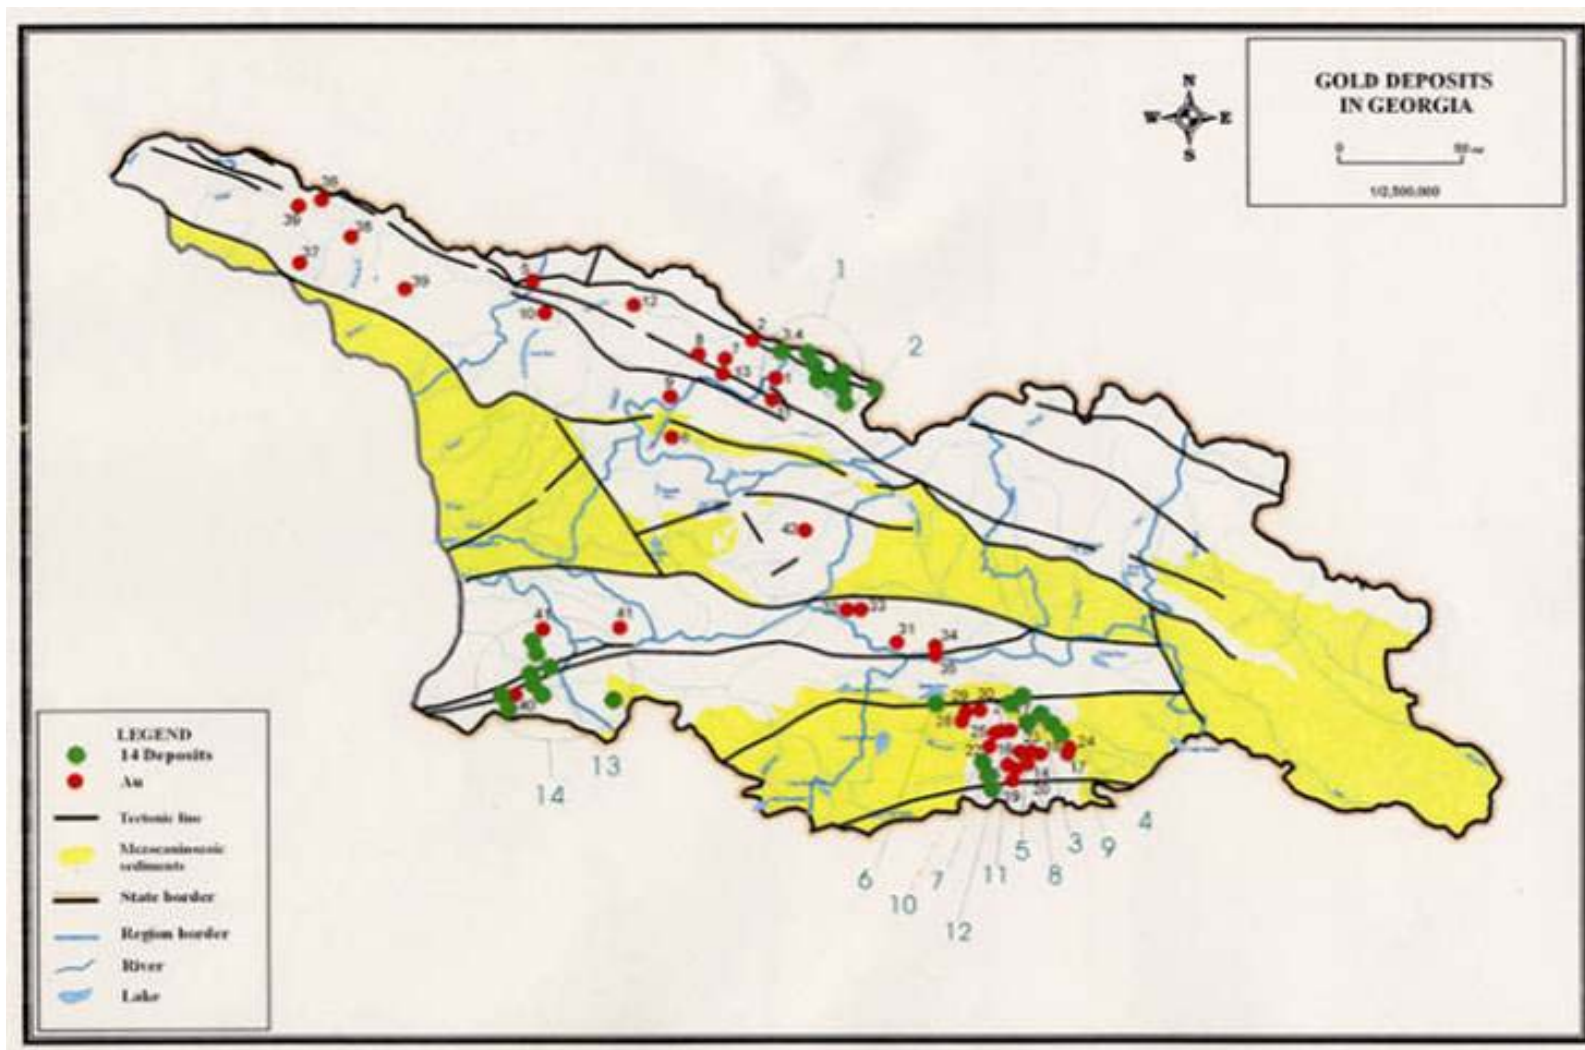

7 . Gold Prospective Area in Georgia

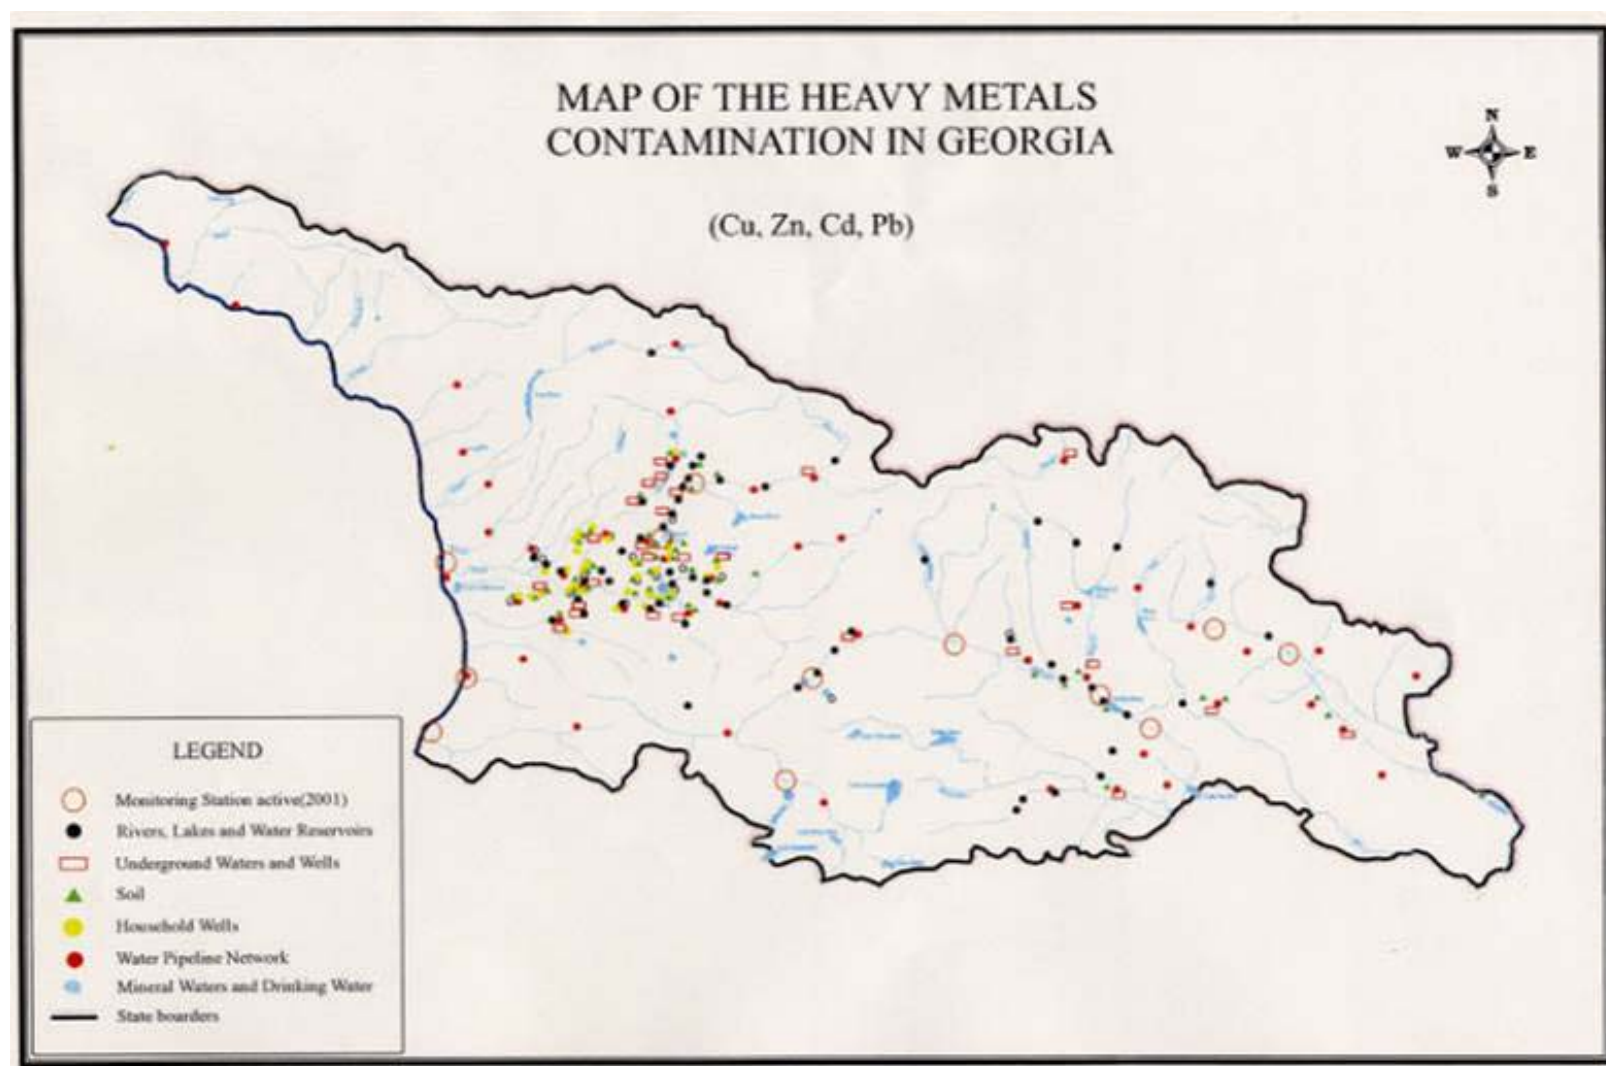

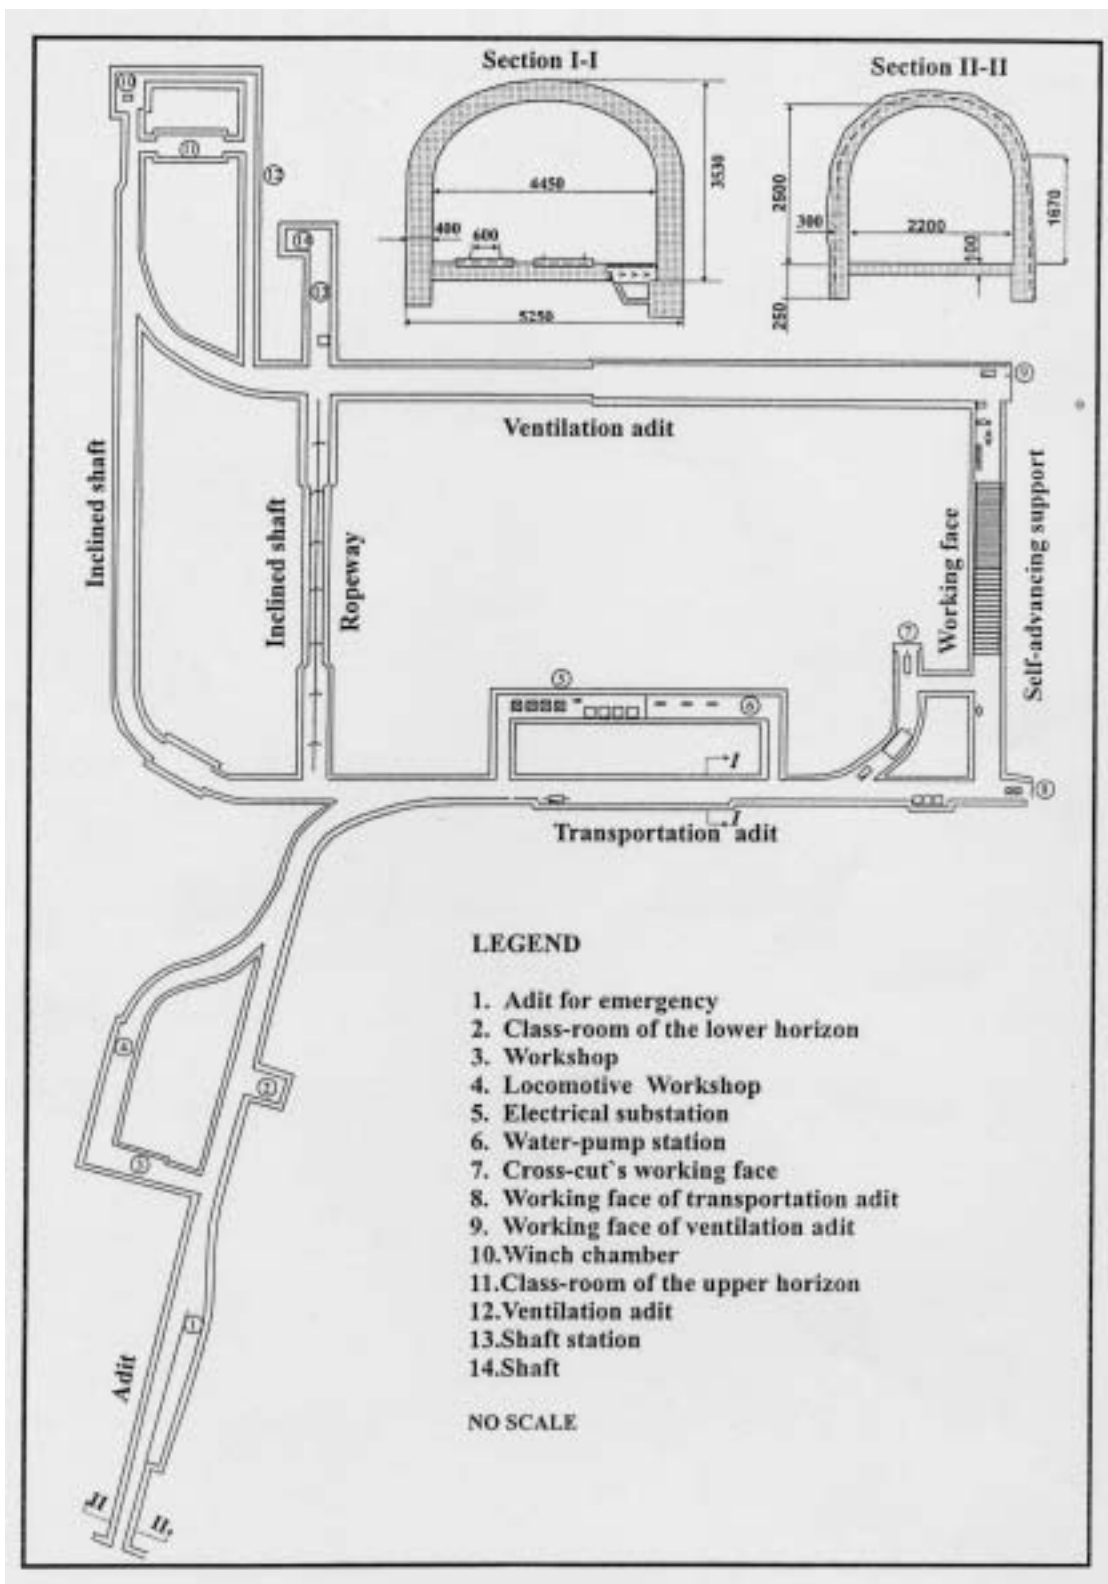

8. Concessions Map of Georgia

9 . Target Deposit for Model Mine

1 0 . Map of Heavy Metals Containation

1 1 . Georgian Technical University Tunnel Training Facility

坑口

レールローダー

坑内教室

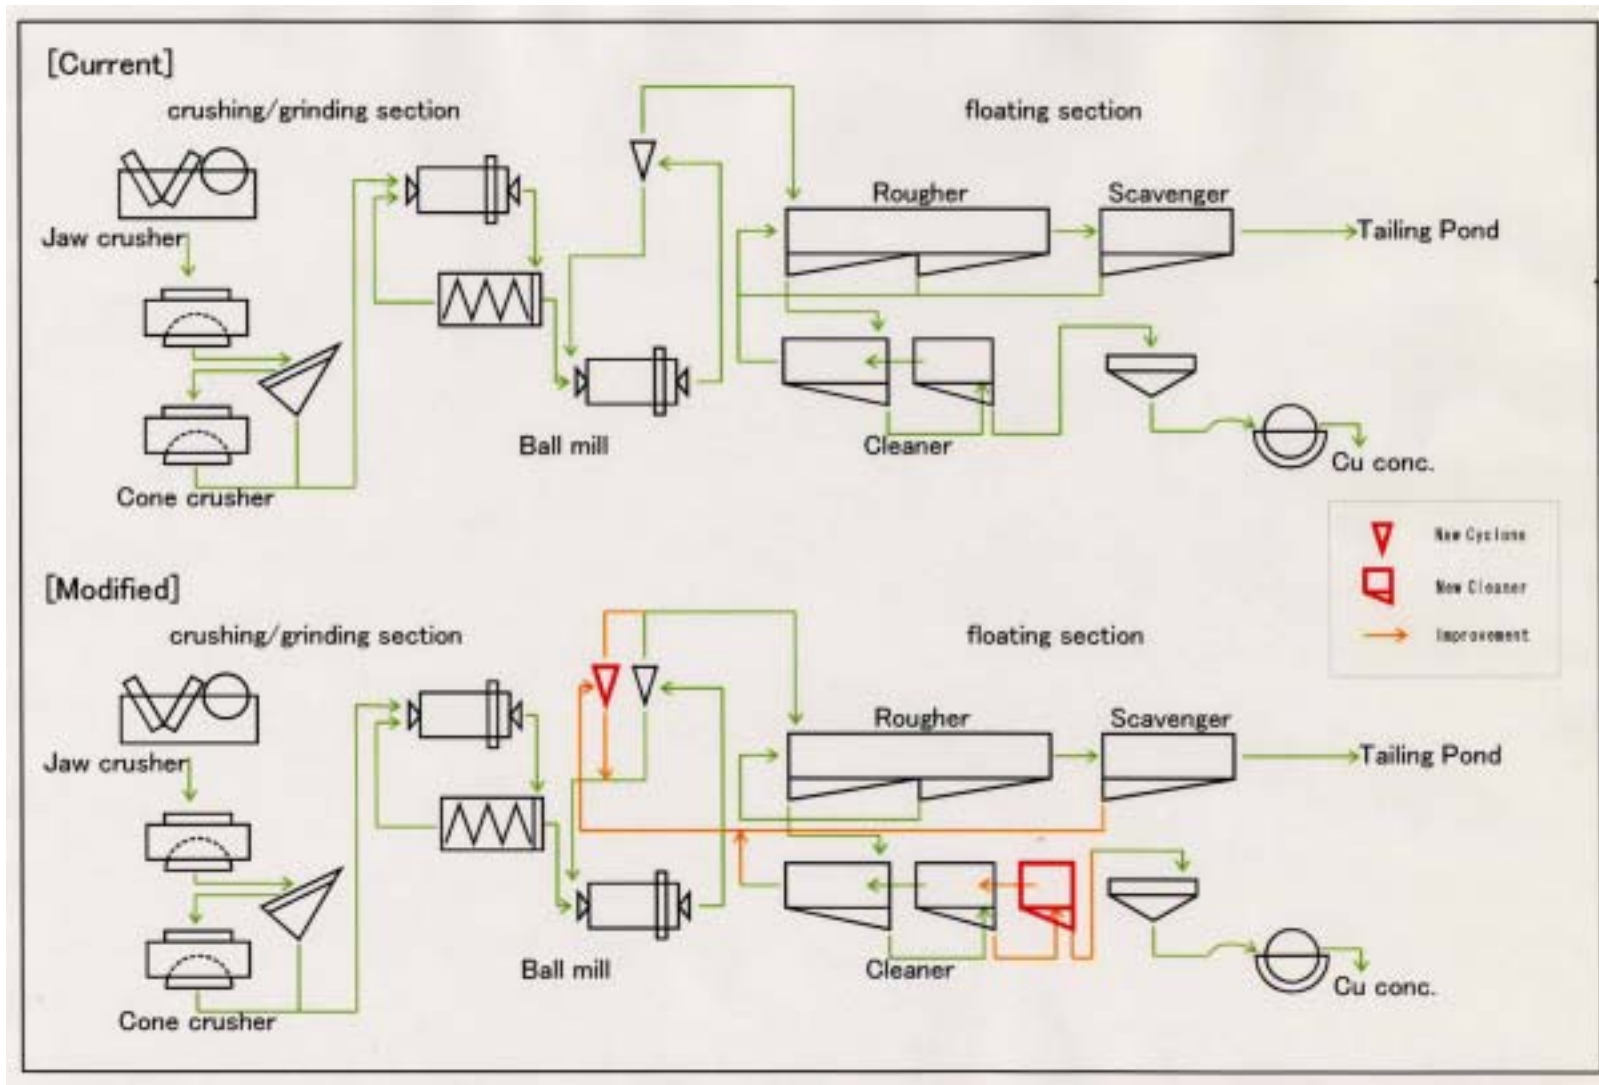

自走枠

電気室

坑内リフト

1 2 . Flow of Processing Facility System Improvement

Tbilisi

Tbilisi

Madneuli Open Pit—Acidic greenish water stagnated at the bottom

### 1 3 . Panarama of Tbilisi and Madneuli Mine

Steering Committee Meeting

Interview Survey

Mining Seminar in Tbilisi

Mining Seminar in Tbilisi

Geophysical Survey

Geochemical Sampling

#### 14. Survey Conditions and Mining Industry Seminar etc.

## International Account System (IAS) Seminar

**Presenters and Interpreter**

**Audiences of IAS Seminar**

**Presenter and Audiences of IAS Seminar**

**Greeting of Chairman**

Web Site Presentation

Mining Industry Seminar

### Web Site Presentation and Mining Industry Seminar (December 2002)

**15. Government Office Buildings and Madneuli Mine Facilities etc.**

## Madneuli Mine Site

Open Pit

Open Pit Bottom

## Madneuli Mine Equipments

**Drilling Rig (SBSH-250MN)**

**Drilling Rig (TAMROCK D-25KS)**

**Explosive Charge**

**Excavator (EKG5A-U)**

**Dump Truck (BelAZ548A)**

**Pump Station (Acid Water)**

## Madneuli Concentrator Equipments

**Jaw Crusher**

**Cone Crusher**

**Ball Mill**

**Floatater**

**Concentrate Thickener**

**Concentrate Filter**

## Madneuli Other Equipments

**Repair shop**

**Substation**

**Waste Water Pond**

**Acid Water Storage**

**Reaction Tank**

**Tailing Dam**

## Environmental Situation near Madneuli Mine

**Dried River Bed**

**Situation of Stream near Madneuli Mine  
(Upstream)**

**Situation of Stream near Madneuli Mine  
Bent Side (Middlestream)**

**Situation of River near Madneuli Mine  
(Downstream)**

## Chiatura Mine Equipments

**Rail Loader**

**Rope Way**

**Separator (Jig)**

**Waste Discharge to River**

**Tailings on River Bed**

**Chiatura Town**

## Tbilisi Town
