

**LEGEND:**

	Quarry area		
	Riverbed deposit	Alluvium	Quaternary
	Talus deposit		
	Terrace deposit		
	Sandstone	Cretaceous - Palaeogene	
	Geological boundary		

Geotechnical investigations carried out in this study

	Core drilling site (AD-7,8)
	Test pitting site for sand and gravel (ATP-1-4)
	Test pitting site for soil (ATP-11,12)
	Chipping from outcrop (AQ-1-3)
