

## PREFACE

In response to a request from the Government of the Federal Democratic Republic of Ethiopia, the Government of Japan decided to conduct an implementation review study on the Project for the Consolidation of Educational Television and Radio Recording Studios (Phase II) and entrusted the study to the Japan International Cooperation Agency (JICA).

JICA sent to Ethiopia a study team from 17 May to 6 June, 2003.

The team held discussions with the officials concerned of the Government of Ethiopia, and conducted a field study at the study area. After the team returned to Japan, further studies were made, and as this result, the present report was finalized.

I hope that this report will contribute to the promotion of the project and to the enhancement of friendly relations between our two countries.

I wish to express my sincere appreciation to the officials concerned of the Government of the Federal Democratic Republic of Ethiopia for their close cooperation extended to the teams.
