

**MINUTES OF DISCUSSIONS
ON
THE BASIC DESIGN STUDY
ON
THE PROJECT FOR IMPROVEMENT OF TEACHERS' RETRAINING
IN THE SECONDARY SPECIALIZED AND VOCATIONAL EDUCATION
IN THE REPUBLIC OF UZBEKISTAN
(EXPLANATION ON DRAFT FINAL REPORT)**

In December 2002 and following February 2003, the Japan International Cooperation Agency (hereinafter referred to as "JICA") dispatched Basic Design Study Team 1 and 2 on THE PROJECT FOR IMPROVEMENT OF TEACHERS' RETRAINING IN THE SECONDARY SPECIALIZED AND VOCATIONAL EDUCATION (hereinafter referred to as "the Project") to the Republic of Uzbekistan (hereinafter referred to as "Uzbekistan"), and through discussion, field survey, and technical examination of the results in Japan, JICA prepared a draft final report of the study.

In order to explain and to consult with the Uzbekistan side on the contents of the draft final report, JICA sent to Uzbekistan the Draft Final Report Explanation Team (hereinafter referred to as "the Team"), which is headed by Mr. Yukihiro EJIRI, Senior Assistant to the Managing Director, Office of Technical coordination and Examination, Grant Aid Management Department, JICA, from June 3 to 13, 2003.

As a result of discussions, both parties confirmed the main items described on the attached sheets.

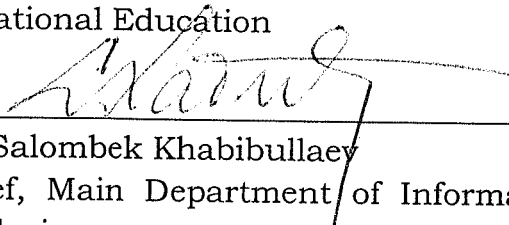

Tashkent, June 12, 2003

Mr. Yukihiro EJIRI
Leader
Draft Final Report Explanation Team
Japan International Cooperation Agency
Japan

Mr. Khusanov Djummanazar Khusanovich
First Deputy of the Minister of Higher and
Secondary Specialized Education,
Head of the Center for Secondary
Specialized,
Vocational Education

Mr. Salombek Khabibullaev
Chief, Main Department of Information
Analysis,
Agency of External Economic Relations

ATTACHMENT

1. Components of the Draft Report

The Uzbekistan side agreed and accepted in principle the components of the draft final report explained by the Team. The agreed list of equipment is attached as **Annex-I**.

However, the final components of the project will be determined after the further analysis by the Government of Japan.

2. Project Site

The both sides agreed that the project sites were the Institute for Development of Secondary Specialized, Vocational Education (hereinafter referred to as "IDSSVE") and 9 Professional Colleges(hereinafter referred to as "PC"). The list of project sites is attached as **Annex - II**

3. Japan's Grant Aid scheme

- (1) Both sides confirmed the Japan's Grant Aid Scheme and the necessary measures to be taken by the Government of Uzbekistan as explained by the Team and described in **Annex- III** and **Annex - IV**.
- (2) The Uzbekistan side promised to take the necessary measures as described in **Annex - V** for smooth implementation of the Project, as a condition for the Japan's Grant Aid to be implemented.

4. Schedule of the Study

JICA will complete the final report in accordance with the confirmed items and will send it to Uzbekistan by the end of August 2003.

5. Responsible and Implementing Organization

The Responsible and Implementing Organization is the Center for Secondary Specialized, Vocational Education (hereinafter referred to as "CSSVE"), under the Ministry of Higher and Secondary Specialized Education (hereinafter referred to as "MHSSE"), that has the authority of teachers' retraining for the secondary specialized and vocational education.

6. Other relevant issues

- (1) The Uzbekistan side will complete the official appraisal for the Project and obtain the government approval for the implementation of the Project soon after E/ N is signed.
- (2) The Uzbekistan side agreed to allocate enough budget to effectively operate and maintain the equipment procured under the Grant Aid Scheme. The Uzbekistan side shall secure budget for consumables of the equipment. The CSSVE promised to secure sufficient annual budget through discussion with the Ministry of finance, and take necessary measures.
- (3) The Uzbekistan side agreed that renovation and preparation work, such as removal of old equipment and renovating facilities where new equipment was

to be installed, should be done by November 2004, by the Uzbekistan side for the smooth and effective implementation of the Project.

- (4) The Uzbekistan side understood and agreed the necessary and essential measures to be taken, especially for the Banking Arrangement and Authorization to Pay for the implementation.
- (5) The Uzbekistan side agreed that the CSSVE had responsibility to conduct regular monitoring and evaluation of the progress of all phases of the Project such as allocation and use of recurrent cost including operation and maintenance of the equipment, manpower in each project site, and provider fee for the internet among IDSSVE, local offices, and each local PC. Also, the Uzbekistan side promised to assign necessary number of qualified personnel for proper operation and maintenance of the equipment by the responsibility of the CSSVE.
- (6) The Uzbekistan side agreed to the following ;
 - 1) To exempt Japanese nationals engaged in the Project from all duties and related fiscal charges which may be imposed in Uzbekistan with respect to the import of the products and services supplied under the verified contract,
 - 2) To assume all fiscal levies and taxes imposed in Uzbekistan on Japanese nationals with respect to the payment carried out for and the income accruing from the supply of the products and services under the verified contract, and
 - 3) To take responsibility for the prompt liquidation or settlement of such fiscal levies, duties, taxes and other similar charges in connection with 1) and 2) mentioned above, and CSSVE under MHSSE shall be responsible for the necessary budget allocation in this matter.
- (7) Both sides confirmed that the profit made by using the procured equipment should be used only for the educational activities, maintenance of the equipment, and administrative activities in each PC.
- (8) For sustainable and effective operation and maintenance of the equipment, the Uzbekistan side pointed out the need for dispatch of Japanese experts or volunteers as well as technical training in Japan. Both sides agreed that the necessary information should be discussed between CSSVE and JICA Uzbekistan Office. The applications for those kinds of scheme will be prepared and submitted by the Government of Uzbekistan based upon the result of the discussions mentioned above.
