57	Jhenaidah	SW						
58	Chuadanga	SW						
59	Kushita	SW						
60	Chandpur	NE	Amanullah	1	Received	Ready	Necessary	80.0%
A	Interviewed		Number of OM Divisional Offices interviewed only	12	Rate of Interviewed	20.0%		
B	Received Responses		Number of OM Divisional Offices responded	21	Rate of Response	35.0%		
	Total (A+B)		Interview + Responded	33		55.0%		
			Total Number of Projects	107				
	Evaluation		Positive answer /Highest		11	4	28	90.0%
			Negative answer /Lowest		10	25	1	15.0%
			Medium answer /Average		12	4	4	51.3%

Notes:

1. Flood warning message: Received / Sometime received / Not received
2. OM Manual for emergency operation: Ready / Under preparation / No Manual / Instruction only
3. Need of FFWS: Necessary / Better than nothing / No need
4. Avoidable damage by FFWS: Mitigation of flood damage by FFWS in %, rate of avoidable damage to total damage
5. ?: No response
6. Evaluation

	Flood warning	OM Manual	FFWS	Avoidable Damage
Positive answer /Highest	Received	Ready	Necessary	Maximum
Negative answer /Lowest	Not received	None	Not necessary	Minimum
Medium answer /Average	Others	Others	Others	Average

From interview survey only, but no response to questionnaire survey
