## 5-2 Mining Concessions as of February 2004

However at the beginning of the phase 3 survey most of the mining concessions have been terminated. Consequently, the only one mining right within Phase 3 geological survey area has been the WPP. Applications of the extensions of some parts of the original WPP were submitted to the local government office (Bupati office). The followings are the current status of WPP.

District(Kabupaten)	Area	Commodity	Mining right	Effective date
Tempursari (Lumajang)	66.91km <sup>2</sup>	Metalic mineral	Exploration	2004/10/13
Purwoharjo (Malang)	-	Metalic mineral	Exploration	-
Seweden (Blitar)	21.300km <sup>2</sup>	Metalic mineral	Exploration	2005/1/28
Prambon (Trenggalek)	13,700km <sup>2</sup>	Metalic mineral	Exploration	2004/8/22
