

(7) to secure permission for the Study Team to take all data, documents and necessary materials related to the Study out of Romania to Japan, and,
(8) to provide medical services as needed. Its expenses will be chargeable to members of the Study Team.

6. The Government of Romania shall bear claims, if any arise against member(s) of the Japanese Study Team resulting from, occurring in the course of or otherwise connected with the discharge of their duties in the implementation of the Study, except when such claims arise from gross negligence or willful misconduct on the part of the member of the Study Team.

7. NIMRD shall act as counterpart agency to the Japanese Study Team and also as coordinating body in relation with other governmental and non-governmental organizations concerned for the smooth implementation of the Study.

8. NIMRD will, as the executing agency of the project, take responsibilities that may arise from the products of the Study.

The Government of Romania assures that the matters referred to in this form will be ensured for the smooth conduct of the Development Study by the Japanese Study Team.
