INSTRUCTION

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business license.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

3. Address

Please write down address of the establishment (street, commune, district, province/city)

4. Type of Enterprise

Please select the type of enterprise.

5. Respondent

Please write the name of person who filled in this questionnaire.

6. Phone Number

Please write the telephone number of the respondent (area code, direct number).

7. Reference Month

Please write the month referred for this questionnaire.

8. Production Quantity of reference month

Please report the quantity of production for the reference month for each listed products (excluding work-in-process). The item includes products directly produced by establishment with its own material. It also includes products that establishment produced for other establishments.

9. Shipment Quantity of reference month

Please report the quantity of shipment for the reference month for each listed products. The item only includes quantity of products directly shipped by establishment that are produced in the establishment and does not include the quantity of products directly shipped by establishment that are produced by other establishments with survey establishment's material. Please note shipment quantity does NOT include the internal consumption.

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exists in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the above Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from their production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend.

Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

3. Address

Please write down address of the establishment (street, commune, district, province/city)

4. Type of Enterprise

Please select the type of enterprise.

5. Respondent

Please write the name of person who filled in this questionnaire.

6. Phone Number

Please write the telephone number of the respondent (area code, direct number).

7. Reference Month

Please write the month referred for this questionnaire.

8. Production Quantity of reference month

Please report the quantity of production for the reference month for each listed products (excluding work-in-process). The item includes products directly produced by establishment with its own material. It also includes products that establishment produced for other establishments.

9. Shipment Quantity of reference month

Please report the quantity of shipment for the reference month for each listed products. The item only includes quantity of products directly shipped by establishment that are produced in the establishment and does not include the quantity of products directly shipped by establishment that are produced by other establishments with survey establishment's material. Please note shipment quantity does NOT include the internal consumption.

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exits in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the aboved Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from their production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend. Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

Description of Products

Commodity 1-1:

Spun silk yarn containing more than 50% of silk whether or not dyed and put up for retail (other than sawing thread).

Commodity 1-2:

Yarn of wool containing more than 50% of wool whether or not dyed and put up for retail sale (other than sawing thread).

Commodity 1-3:

Yarn of cotton containing more than 50% of cotton whether or not dyed and put up for retail sale (other than sawing thread).

Commodity 1-4:

Yarn of natural fiber other than those listed above containing more than 50% of the material whether or not dyed and put up for retail sale (other than sawing thread).

Commodity 2-1:

Yarn of nylon containing more than 50% of nylon whether or not dyed and put up for retail sale (other than sawing thread).

Commodity 2-2:

Yarn of acrylic containing more than 50% of acrylic whether or not dyed and put up for retail sale (other than sawing thread).

Commodity 2-3:

Yarn of polyester containing more than 50% of polyester whether or not dyed and put up for retail sale (other than sawing thread).

Commodity 2-4:

Yarn of man-made fiber other than those listed above containing more than 50% of the material whether or not dyed and put up for retail sale (other than sawing thread).

Commodity 3:

Sewing thread of all kind including those made from natural fiber, man-made fiber and the mixture of those whether or not dyed.

Commodity 4-1:

Woven fabrics of cotton containing more than 50% of cotton whether or not dyed. The item EXCLUDES canvas.

Commodity 4-2:

Woven fabrics of silk containing more than 50% of silk whether or not dyed.

Commodity 4-3:

Woven fabrics of synthetic or man-made fibres containing more than 50% of synthetic or man-made fibres whether or not dyed.

Commodity 4-4:

Woven fabrics of wool containing more than 50% of wool whether or not dyed.

Commodity 5:

Canvas made of cotton and other kind of fibre whether or not dyed, bleached, and printed.

Commodity 6:

Inner lining of tyre such as motorbike or autocar's tyre made of any material such as canvas, synthetic fiber and others.

Commodity 7:

Towel and bath towel of all kinds whether or not containing natural and man-made fibre.

instruction

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business licence.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

3. Address

Please write down address of the establishment (street, commune, district, province/city)

4. Type of Enterprise

Please select the type of enterprise.

5. Respondent

Please write the name of person who filled in this questionnaire.

6. Phone Number

Please write the telephone number of the respondent (area code, direct number).

7. Reference Month

Please write the month referred for this questionnaire.

8. Production Quantity of reference month

Please report the quantity of production for the reference month for each listed products (excluding work-in-process). The item includes products directly produced by establishment with its own material. It also includes products that establishment produced for other establishments.

9. Shipment Quantity of reference month

Please report the quantity of shipment for the reference month for each listed products. The item only includes quantity of products directly shipped by establishment that are produced in the establishment and does not include the quantity of products directly shipped by establishment that are produced by other establishments with survey establishment's material. Please note shipment quantity does NOT include the internal consumption.

10. Internal Consumption

Please report the quantity of internal consumption in the reference month for each listed products. The item is quantity of finished products that are consumed in the establishment as the material or the intermediate goods to make new production. (This item does not include quantity of products produced by other establishment with the survey establishment's material which are internally consumed).

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exists in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the aboved Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from thier production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend. Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

Description of Products

Commodity 1:

Ammonia, anhydrous or in aqueous solution. Converting amount of volume to 99% for calculation.

Commodity 2:

A corrosive colorless or yellowish liquid that is a highly reactive oxidizing agent for fertilizer. Converting amount of volume to 72% for calculation.

Commodity 3:

Urea containing 46% of nitrogen, whether or not in aqueous solution; ammonium sulphate, double salts and mixtures of ammonium sulphate and ammonium nitrate; ammonium sulphate, ammonium nitrate, whether or not in aqueous solution; mixtures of ammonium nitrate with calcium carbonate or other inorganic non-fertilizing substances.

Commodity 4:

A commercially produced soluble mixture of fertilizer prepared by treating insoluble mineral phosphates with acid, either sulfuric acid, phosphoric acid, or a mixture of the two. Triple superphosphates are also included.

Commodity 5:

Fertilizer compound or mixture containing soluble phosphate such as calcinated phosphatic fertilizers made from phosphate rock (phosphorite), basic slag, and etc.

Commodity 6:

Any of the three orthophosphates of potassium (potassium monophosphate (K₂HPO₄), potassium diphosphate (KH₂PO₄), and tripotassium phosphate (K₃PO₄)) used as fertilizer.

Commodity 7:

Mineral or chemical fertilizers containing the three fertilising elements of nitrogen, phosphorus and potassium.

Commodity 8:

Fertilizer containing miroorganisms to regenerate soil fertility by fermentation and decomposition.

Remark:

instruction

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business licence.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

3. Address

Please write down address of the establishment (street, commune, district, province/city)

4. Type of Enterprise

Please select the type of enterprise.

5. Respondent

Please write the name of person who filled in this questionnaire.

6. Phone Number

Please write the telephone number of the respondent (area code, direct number).

7. Reference Month

Please write the month referred for this questionnaire.

8. Production Quantity of reference month

Please report the quantity of production for the reference month for each listed products (excluding work-in-process). The item includes products directly produced by establishment with its own material. It also includes products that establishment produced for other establishments.

9. Shipment Quantity of reference month

Please report the quantity of shipment for the reference month for each listed products. The item only includes quantity of products directly shipped by establishment that are produced in the establishment and does not include the quantity of products directly shipped by establishment that are produced by other establishments with survey establishment's material. Please note shipment quantity does NOT include the internal consumption.

10. Internal Consumption

Please report the quantity of internal consumption in the reference month for each listed products. The item is quantity of finished products that are consumed in the establishment as the material or the intermediate goods to make new production. (This item does not include quantity of products produced by other establishment with the survey establishment's material which are internally consumed).

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exits in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the aboved Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from thier production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend. Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

Description of Products

Commodity 1:

Paint used to cover the exterior woodwork of house or building.

Commodity 2:

A poisonous paint used to prevent barnacles and other organisms (verdigris) from growing on the bottom of a boat or ship.

Commodity 3-1:

Industrial coatings for wood materials in the form of aerosols, liquids, powders, etc.

Commodity 3-2:

Industrial coatings for metal or plastic materials excepting wood materials in the form of aerosols, liquids, powders, etc.

Commodity 4:

Traffic paint is a reflected light, non-flammable, lead free, fast drying paint that is available in many colours applying onto concrete and asphalt for marking highways, parking lots, crosswalks, stop bars, etc.

Commodity 5:

Liquid paint that dries to a hard, glossy surface because of its varnish, polyurethane, alkyd resin or acrylic base.

Commodity 6:

A hard, glossy, clear or colored liquid coating made up of resins or cellulose derivatives and a plasticizer in a volatile solvent.

Commodity 7:

A liquid preparation that when spread and allowed to dry on a surface forms a hard lustrous typically transparent coating.

Commodity 8-1:

Water-based ink and contains a high proportion of solvents used for an intaglio process of photomechanical printing, such as photogravure or rotogravure.

Commodity 8-2:

Printing inks that are made with cellulose-acetate-propionate ester resin, which is soluble in alcohol and other resins.

Commodity 8-3:

An ink used for offset lithography, and it is very finely ground, free from water soluble particles, and contains only lithographic varnish or certain lacquers as the binding medium.

Commodity 9:

The aromatic resin of the mastic tree, used especially in varnishes, lacquers, adhesives, and condiments and as an astringent.

Remark:

instruction

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business licence.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

Description of Products

Commodity 1-1:

A injectable liquid medicine used to treat infections caused by bacteria and other microorganisms. Excluding antibiotic orally taken liquid medicine.

Commodity 1-2:

Other injectable liquid medicine excepting antibiotic liquid medicine.

Commodity 1-3:

A medicine in the form of liquid to be swallowed as in an oral solution.

Commodity 1-4:

A medicine in the form of liquid used to spray or rub skin.

Commodity 2-1:

A small solid pill in the shape of a disc/cylinder, or powder/granule in a capsule containing measured and compressed antibiotic medicine.

Commodity 2-2:

A small solid pill in the shape of a disc/cylinder, or powder/granule in a capsule containing measured and compressed medicine excepting antibiotic medicine.

Commodity 3-1:

A medicine in the shape of granuled or powdered containing antibiotic medicine.

Commodity 3-2:

A medicine in the shape of granuled or powdered NOT containing antibiotics.

Commodity 4:

Wines made of liquor or yellow wine mixed with herbs and is used totreat or prevent diseases.

Commodity 5:

Transfusion solution of all kinds.

Commodity 6-1:

A semisolid preparation for external application to the body, and containing a antibiotic medicinal substance, such as bacitracin, mupirocin, etc.

Commodity 6-2:

A semisolid preparation for external application to the body, and containing a medicinal substance excepting antibiotic.

Commodity 7:

A drug or preparation made from a plant or plants and used for to prevent and treat diseases and ailments or to promote health and healing, such as ginkgo biloba, echinacea, etc.

Commodity 8-1:

A liquid preparation for external application to the body whether or not containing an antibiotic medicinal substance.

Commodity 8-2:

A dried preparation such as powder for external application to the body whether or not containing an antibiotic medicinal substance.

Commodity 8-3:

An adhesive skin patch with a curative preparation used for placing over a sore body part.

Commodity 9:

A substance used to prevent initial infection for human (excluding for animals) prepared from the causative agent of a disease or a synthetic substitute.

Commodity 10-1:

A substance used to prevent initial infection for animal and poultry (excluding for human) prepared from the causative agent of a disease or a synthetic substitute.

Commodity 10-2:

Other injectable liquid medicine excepting preventive vaccine for animal.

Commodity 10-3:

A medicine in the shape of granuled or powdered for animal.

Commodity 11-1:

Medical thread of all kinds such as dissolvable stitches, plastic suture, nonabsorbable surgical suture, etc.

Commodity 11-2:

A liquid substance that inhibits the growth and development of microorganisms without necessarily killing them.

Description of Products

Commodity 1-1:

Skin care products such as serum or skin moisturizer in the form of liquid of all kinds. (All kinds of liquid milk used for cleansing face or remove make-up)

Commodity 1-2:

Skin care products in the form of foam and cream such as lip balm, moisture cream or cleansing cream. (whitening cream).

Commodity 1-3:

Skin care products in the form of foam and cream such as lip balm. (apply to your skin after bathing to keep the skin smooth and moisturizing).

Commodity 1-4:

Other skin care products excepting face cleansing, skin cream, and lotion.

Commodity 2-1:

A liquid preparation for washing the hair of all kinds.

Commodity 2-2:

A preparation for conditioning or tinting the hair of all kinds.

Commodity 2-3:

Other hair care products excepting shampoo, hair rinse, tonic, and treatment.

Commodity 3-1:

Soap in the form of bars, cakes, moulded pieces, shapes, powder, liquids, pastes or in other forms; made from any kinds of material. Soap including body soap, etc. Soap for facial wash is classified as skin care products.

Commodity 3-2:

Liquid soap with milky colour for the purpose of bathing (body washing).

Commodity 3-3:

Soap made from all kinds of material used for washing cloth excepting synthetic detergent.

Commodity 4:

Synthetic detergent in the form of powder, solid bars, liquids or in other forms; for the purpose of cloth washing, dish washing or in other purposes.

Commodity 5:

A dentifrice in paste form; usually contains binder, humectant, an abrasive, a detergent, flavoring agent and often caries preventives, anti-infective agents or other medicaments. It shall be converted to 175 gm type for calculation.

Commodity 6-1:

A substance that emits a pleasant odor; a fluid preparation of natural essences (as from plants or animals) or synthetics and a fixative used for scented.

Commodity 6-2:

A scented liquid with a lighter scent than perfume.

Commodity 6-3:

A liquid or solid substance that masks or neutralizes odors including incense.

Commodity 7-1:

Foundation is a cosmetic in liquid, cream, or cake form, usually colored, that is applied as a base for makeup.

Face powder is a flesh-colored cosmetic powder applied to the face to make it look smoother or less shiny.

Commodity 7-2:

A coloured cosmetic substance applied to the lips from a small solid stick of all kinds.

Please note shipment quantity does NOT include the internal consumption.

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exists in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the aboved Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from thier production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend. Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

Description of Products

Commodity 1-1:

Tubes, pipes and hoses, of vulcanized rubber other than pressure-resistant rubber with a diameter of less than 400 mm.

Commodity 1-2:

Tubes, pipes and hoses, of vulcanized rubber other than pressure-resistant rubber with a diameter of over 400 mm.

Commodity 2-1:

Tubes, pipes and hoses, of vulcanized pressure-resistant rubber other than normal rubber with a diameter of less than 400 mm.

Commodity 2-2:

Tubes, pipes and hoses, of vulcanized pressure-resistant rubber other than normal rubber with a diameter of over 400 mm.

Commodity 3:

Conveyor of vulcanized rubber; reinforced only with metal; reinforced only with textile materials.

Commodity 4:

A device that consists typically of a continuous wide flat rubber loop such as conveyor belt of all kinds.

Commodity 5:

A cogged belt, usually of reinforced rubber, such as a timing belt used for the camshaft in an internal combustion engine.

Commodity 6:

Rubberized textile fabrics, excepting tyre cord fabric.

Commodity 7:

A flat disc with a hole in the center made of rubber. It is often placed under a nut to even out pressure and prevent damage to the part on which it rests.

Commodity 8:

Including rubber raincoat.

Commodity 9:

Gloves for adults and children mainly made of rubber material.

Commodity 10:

Sheath contraceptives of all kinds.

Commodity 11:

A short length of rubber and latex formed in the shape of a loop for various purposes.

Remark:

instruction

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business licence.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

3. Address

Please write down address of the establishment (street, commune, district, province/city)

4. Type of Enterprise

Please select the type of enterprise.

5. Respondent

Please write the name of person who filled in this questionnaire.

6. Phone Number

Please write the telephone number of the respondent (area code, direct number).

7. Reference Month

Please write the month referred for this questionnaire.

8. Production Quantity of reference month

Please report the quantity of production for the reference month for each listed products (excluding work-in-process). The item includes products directly produced by establishment with its own material. It also includes products that establishment produced for other establishments.

9. Shipment Quantity of reference month

Please report the quantity of shipment for the reference month for each listed products. The item only includes quantity of products directly shipped by establishment that are produced in the establishment and does not include the quantity of products directly shipped by establishment that are produced by other establishments with survey establishment's material. Please note shipment quantity does NOT include the internal consumption.

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exists in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the aboved Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from thier production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend.

Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

Description of Products

Commodity 1-1:

Soft plastic tubes, pipes and hoses made of plastics of all kinds.

Commodity 1-2:

Hard plastic tubes, pipes and hoses, with a diameter of less than 50 mm.

Commodity 1-3:

Hard plastic tubes, pipes and hoses, with a diameter of over 50 mm.

Commodity 2:

Plastic joints, fittings, and accessories such as joints, elbows, flanges, etc.

Commodity 3-1:

Blow moulded plastic containers of all kinds.

Commodity 3-2:

A bag made of thin plastic material of all kinds.

Commodity 4-1:

A thin and soft film of plastic material used to wrap or cover things.

Commodity 4-2:

A hard film of plastic material used to wrap or cover things.

Commodity 5-1:

Floor, ceiling, wall and roof materials of plastics in rolls or in the form of tiles.

Commodity 5-2:

Other plastic materials for building excepting tubes, joints, accessories and materials for floor, ceiling, wall in rolls or in the form of tiles.

Commodity 6:

Plastic formed products including in the form of plates, mould, sheets, plat plates, and wave plates.

Commodity 7:

Plastic housewares such as household utensils for kitchen, bathroom, living room, etc.

Commodity 8-1:

Plastic container with sloping sides, typically used for holding water or washing of all kinds.

Commodity 8-2:

Plastic bathtub of all kinds.

Commodity 8-3:

Plastic lavatory basin of all kinds.

Commodity 9:

Ponchos and similar waterproof raincoats made of plastic of all kinds.

Commodity 10:

Other plastic products that are not applicable to above classification.

(This item does not include quantity of products produced by other establishment with the survey establishment's material which are internally consumed).

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exists in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the aboved Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from their production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend. Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

instruction

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business licence.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

3. Address

Please write down address of the establishment (street, commune, district, province/city)

4. Type of Enterprise

Please select the type of enterprise.

5. Respondent

Please write the name of person who filled in this questionnaire.

6. Phone Number

Please write the telephone number of the respondent (area code, direct number).

7. Reference Month

Please write the month referred for this questionnaire.

8. Production Quantity of reference month

Please report the quantity of production for the reference month for each listed products (excluding work-in-process). The item includes products directly produced by establishment with its own material. It also includes products that establishment produced for other establishments.

9. Shipment Quantity of reference month

Please report the quantity of shipment for the reference month for each listed products. The item only includes quantity of products directly shipped by establishment that are produced in the establishment and does not include the quantity of products directly shipped by establishment that are produced by other establishments with survey establishment's material. Please note shipment quantity does NOT include the internal consumption.

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exists in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the aboved Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from thier production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend. Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

Description of Products

Commodity 1:

A cement mixture in proper proportions of two or more ingredients of all kinds.

Commodity 2-1:

Ferro-concrete pipes of all kinds.

Commodity 2-2:

Ferro-concrete poles of all kinds.

Commodity 2-3:

Ferro-concrete piles of all kinds.

Commodity 3-1:

Including reinforced concrete sheets, prestressed concrete sheets, etc.

Commodity 3-2:

Concrete blocks, such as hollow concrete blocks and tetrapods, specifically used for the protection of banks of a river, or slopes of embankments along it, from erosion by the current of flow, from floods, etc. Excepting concrete sheets.

Commodity 3-3:

Concrete products specifically used for the construction of road excepting concrete sheets.

Commodity 4-1:

Concrete reinforced beam and crossbeam with steel cables, wires, or the like, which have been embedded in it under tension and thus actively resist loads.

Commodity 4-2:

Other prestress concrete products excepting beam and crossbeam.

Commodity 5-1:

Fire-resistant cement corrugate sheet made of a combination of asbestos fibers and portland cement.

Commodity 5-2:

Other concrete products that are not applicable to above classification.

Remark:

instruction

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business licence.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

Description of Products

Commodity 1-1:

Pig iron for steel making of blocks or other primary forms, excepting foundry pig iron.

Commodity 1-2:

Foundry pig iron of blocks or other primary forms, excepting pig iron for steel making.

Commodity 2-1:

Ordinary steel ingot of blocks or other forms, excepting alloy steel ingot.

Commodity 2-2:

Alloy steel ingot of blocks or other forms, excepting ordinary steel ingot.

Commodity 2-3:

Ordinary cast steel of blocks or other forms, excepting alloy cast steel.

Commodity 2-4:

Alloy cast steel of blocks or other forms, excepting ordinary cast steel.

Commodity 3-1:

Railway or tramway track construction material of iron or steel.

Commodity 3-2:

Sheet piling, of iron or steel; welded angles, shapes and sections, of iron or steel.

Commodity 3-3:

Steel pipes of all kinds.

Commodity 3-4:

Coated steel sheets and plates of all kinds.

Commodity 3-5:

Uncoated steel sheets and plates of all kinds.

Commodity 3-6:

Steel/iron bars of round or square, whether or not rolled, excepting rounded iron with diameter of less than 8mm.

Commodity 3-7:

Rounded steel/iron bar with diameter of less than 8mm.

Commodity 3-8:

Other shaped iron and steel products that are not applicable to above classification.

Commodity 4:

Alloy steel such as stainless steel and silicon-electrical steel of all kinds, excepting alloy steel ingot and alloy cast steel.

Description of Products

Commodity 1-1:

Personal computer of desktop type regardless of specs. The item includes PC servers of desktop type ad lack type.

Commodity 1-2:

Personal computer of notebook type regardless of specs.

Commodity 2-1:

Printers of ink-jet type regardless of specs. The item includes the printer with ribbon cartridge (thermal transfer ribbon and others).

Commodity 2-2:

Laser printer of all kinds regardless of specs. The item EXCLUDES those combined with other peripherals such as copy machine and scanner.

Commodity 2-3:

PC monitor of all kinds including cathode ray tube display, liquid crystal display and other similar products regardless of the specs.

Commodity 2-4:

Hard disk drive of all kinds regardless of specs whether or not for retail sales.

Commodity 3:

Cash register whether or not of digital or analog system.

Commodity 4-1:

Electrostatic photocopying apparatus operating by analog photo copying system. The item EXCLUDES Colour copying machine.

Commodity 4-2:

Electrostatics photocopying apparatus operating by digital photo copying system. The item EXCLUDES Colour copying machine.

Commodity 4-3:

Full colour electrostatic photocopying apparatus whether or not by digital or analog photo copying system. The item EXCLUDES monochrome copying machine.

Commodity 5:

Other office machines such as electronic calculator, sorting machine, card-punch machine, bookbinding machine etc...

Remark:

instruction

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business licence.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

3. Address

Please write down address of the establishment (street, commune, district, province/city)

4. Type of Enterprise

Please select the type of enterprise.

5. Respondent

Please write the name of person who filled in this questionnaire.

6. Phone Number

Please write the telephone number of the respondent (area code, direct number).

7. Reference Month

Please write the month referred for this questionnaire.

8. Production Quantity of reference month

Please report the quantity of production for the reference month for each listed products (excluding work-in-process). The item includes products directly produced by establishment with its own material. It also includes products that establishment produced for other establishments.

9. Shipment Quantity of reference month

Please report the quantity of shipment for the reference month for each listed products. The item only includes quantity of products directly shipped by establishment that are produced in the establishment and does not include the quantity of products directly shipped by establishment that are produced by other establishments with survey establishment's material. Please note shipment quantity does NOT include the internal consumption.

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exits in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the aboved Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from thier production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend. Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

For any inquiries, please contact at:

Description of Products

Commodity 1-1:

DC (direct current) Generators regardless of Output including multiphase.

Commodity 1-2:

DC (direct current) motors or engine regardless of Output including multi phase.

Commodity 1-3:

AC (alternating current) generators regardless of Output including multi phase.

Commodity 1-4:

AC (alternating current) motors and engine regardless of Output including multi phase.

Commodity 2:

Rotary converter, static converter and its parts.

Commodity 3-1:

Electrical transformer under 35/0.4 KV regardless of specs.

Commodity 3-2:

Electrical transformer of 35/0.4 KV and over regardless of specs.

Commodity 4:

Ballast and its parts regardless of specs used for any kind of electronic components.

Commodity 5:

Inductors and its parts regardless of specs used for any kind of electronic components.

Commodity 6:

Voltage stabilizer and its parts regardless of specs.

Remark:

instruction

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business licence.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

3. Address

Please write down address of the establishment (street, commune, district, province/city)

4. Type of Enterprise

Please select the type of enterprise.

Description of Products

Commodity 1-1:

This product used in motor, the main part of engine

Commodity 1-2:

Wire that is not covered with insulation material of all kinds.

Commodity 2-1:

Used for loading high voltage, central axis mainly by aluminium, covered by copper wire, insulated.

Commodity 2-2:

Used for loading high voltage, central axis mainly by aluminium, covered by copper wire, uninsulated.

Commodity 3-1:

Wrapped wire, used in interior house.

Commodity 3-2:

Used for loading low voltage from transformer stations, insulated.

Commodity 4:

Used for loading signal.

Commodity 5:

A set of various electric wires manufactured as car parts.

Description of Products

Commodity 1:

Electronic ignition or starter for combustion engine regardless of material and specs.

Commodity 2-1:

Electrical devices used for the head light and tail light of motor vehicle such as inlet, inner covers and outer covers. The item EXCLUDES light bulb.

Commodity 2-2:

Direction indicator light such as blinker and similar products. The item EXCLUDES light bulb.

Commodity 3:

Sound signaling apparatus such as distributor, mixer and other similar products.

Commodity 4:

Windscreen wipers, electrical defrosters, demisters of all kinds regardless of material and purpose.

Commodity 5:

Electro-magnets whether or not for retail sales regardless of specs.

Commodity 6:

Electrical insulators not made of porcelain, glass, rubber and plastic. The example includes those made of silicon, acrylic, and other material.

Commodity 7:

Carbon electrodes, carbon brushes, lamp carbons and battery carbons and other apparatus made of carbon regardless of specs.

Description of Products

Commodity 1-1:

Rigid printed circuit such as multilayer printed wiring board , printed-wiring board, double-sided printed wiring board , and ceramic printed wiring board.

Commodity 1-2:

Flexible printed circuit board of al kind regardless of material and specs.

Commodity 2-1:

Cathode-ray Tubes for Colour Television and Monochrome Television. The item EXCLUDES those for computer related equipment.

Commodity 2-2:

Cathode-ray Tubes for PC monitor and other related equipment.

Commodity 3:

Capacitors of all kind whether or not fixed or variable regardless of purpose.

Commodity 4:

Resistors of all kind regardless of specs and material.

Commodity 5-1:

Liquid crystal diodes of all kind regardless of size and purpose.

Commodity 5-2:

Light Emitting Diodes of all kinds regardless of material and purpose.

Commodity 5-3:

Other semiconductor devices including photosensitive semiconductor devices regardless of material and purpose.

Commodity 6-1:

Monolithic Integrated Circuits and its parts regardless of specs and purpose.

Commodity 6-2:

Hybrid Integrated Circuits and its parts regardless of specs and purpose.

Description of Products

Commodity 1-1:

Transmission apparatus for radio broadcasting, whether or not incorporating reception apparatus or sound recording or reproducing apparatus.

Commodity 1-2:

Transmission apparatus for TV broadcasting, whether or not incorporating reception apparatus or sound recording or reproducing apparatus.

Commodity 1-3:

Transmission apparatus for radiotelegraphy, whether or not incorporating reception apparatus or sound recording or reproducing apparatus.

Commodity 1-4:

Citizen's transceiver of all kind regardless of specs and purpose.

Commodity 2:

Television camera of all kind regardless of specs and purpose. The item EXCLUDES video camera used for households.

Commodity 3-1:

Telephone and telephone sets of all kind whether or not attached with other apparatus such as answering system. The item includes wireless telephone and public telephone.

Commodity 3-2:

Mobile phone of all kinds regardless of specs. The item EXCLUDES wireless telephone.

Commodity 3-3:

Telephonic or Telegraphic Switching Apparatus regardless of specs.

Commodity 3-4:

Other communication equipments and its parts such as video phone and TV phone.

Commodity 4-1:

Facsimile on the G4 (Group 4) standards and those for digital line.

Commodity 4-2:

Facsimile on the G3 (Group 3) standards and those for analog line.

Commodity 4-3:

Other facsimile machines not listed above regardless of specs.

Description of Products

Commodity 1:

Radio Receivers with Sound Recording or Reproducing Apparatus. The item EXCLUDES those attached with cassette tape player and CD player and similar products. The item also EXCLUDES those used for car audio and audio minicomponent.

Commodity 2:

Cassette tape player of all kinds. The item includes those attached with radio receiver. The item EXCLUDES those attached with CD, DVD, MD, and MP3 players. The item also EXCLUDES those used for car audio and audio minicomponent

Commodity 3:

Digital Audio Disc (CD) Player of all kinds. The item includes those attached with radio, cassette player, MD and similar products. The item also EXCLUDES those used for car audio, audio minicomponent, and Karaoke.

Commodity 4:

Radio receivers, cassette tape player, CD, MD, MP3, and DVD player used as car audio.

Commodity 5:

Audio component of all kind whether or not attached with radio receivers, cassette tape recorders, CD, MD, DVD and other similar products.

Commodity 6-1:

Video camera used for household regardless of specs. The item EXCLUDES those used for broadcasting.

Commodity 6-2:

Video cassette tape player (VCP) and recorder (VCR) of all kinds regardless of specs. The item EXCLUDES those used for audio minicomponent.

Commodity 6-3:

Video compact disc (VCD) player and recorder of all kinds regardless of specs. The item EXCLUDES those used for audio minicomponent and Karaoke.

Commodity 6-4:

Digital versatile disc (DVD) player and recorder. The item EXCLUDES those used for audio minicomponent and Karaoke.

Commodity 7-1:

Microphone and its parts regardless of specs.

Commodity 7-2:

Headphone and earphone, and its parts regardless of specs.

Commodity 7-3:

Speaker and its parts regardless of specs.

Commodity 7-4:

Amplifier and its parts regardless of specs.

Commodity 8-1:

Cathode-ray Tubes for Colour and Monochrome Television regardless of specs. The item EXCLUDES those used for PC Monitor.

Commodity 8-2:

LCD (Liquid crystal display) TV regardless of specs. The item EXCLUDES those used for PC Monitor.

Commodity 8-3:

Plasma TV regardless of specs. The item EXCLUDES those used for PC Monitor.

Commodity 8-4:

Parts of TV whether or not cathode-ray TV, LCD TV, plasma TV and other kinds.

Commodity 9:

Reception Apparatus for Radio-telephony or Radio-telegraphy. The item EXCLUDES those used for household such as mobile phone.

Commodity 10:

Karaoke of all kinds whether or not attached with DVD, VCD and CD regardless of specs.

instruction

Please follow the instruction below.

1-1. Name of Enterprise

Please write down the name of enterprise as in business licence.

1-2. Name of Establishment

In case the target unit is establishment under the enterprise, please write down the name of establishment as in Establishment Decision.

2. Tax code

Please write down the 10-digit tax code in case of enterprise and 13-digit tax code in case of establishment as granted by tax office.

3. Address

Please write down address of the establishment (street, commune, district, province/city)

4. Type of Enterprise

Please select the type of enterprise.

5. Respondent

Please write the name of person who filled in this questionnaire.

6. Phone Number

Please write the telephone number of the respondent (area code, direct number).

7. Reference Month

Please write the month referred for this questionnaire.

8. Production Quantity of reference month

Please report the quantity of production for the reference month for each listed products (excluding work-in-process). The item includes products directly produced by establishment with its own material. It also includes products that establishment produced for other establishments.

9. Shipment Quantity of reference month

Please report the quantity of shipment for the reference month for each listed products. The item only includes quantity of products directly shipped by establishment that are produced in the establishment and does not include the quantity of products directly shipped by establishment that are produced by other establishments with survey establishment's material. Please note shipment quantity does NOT include the internal consumption.

11. Ending Inventory Quantity of reference month

Please report the quantity of ending inventory at the end of reference month for each listed products (excluding work-in-process and products which are produced by other establishments by survey establishment's material). The item only includes finished products that exits in warehouses or other stockyards owned or rented by the establishment.

12. Shipment value of reference month (Million Dong)

Please report shipment value of each listed finished products. The shipment value is the shipment quantity multiplied by the shipment price where the definition of shipment quantity. The shipment value is calculated on the basis of sale invoice (excluding VAT).

13. Projected Production Quantity for the ensuing month

Please report the quantity of projected production for the next month of reference month for each listed products. Please refer the explanation for the aboved Item No 8 "Production Quantity".

II. Total Net Turnover of the Establishment (Million VND)

Please report the total net turnover of the establishment. It is total economic value that the industrial establishments achieved from their production and business activities (excluding tax). It includes (1) receipts from selling goods done by the establishment, (2) Receipts for goods sold as purchased, (3) receipts for services, (4) Receipts from interest, copyright, dividend.

Please report the total net turnover, of which the value from only industrial activities.

III. Remarks (Please describe if there were any causes resulting in differences comparing with the previous month.)

Please describe the specific causes which reflect the main factors of abnormal values comparing with the previous month.

14. Respondent's Signature

Please provide a signature of the respondent.

15. Signature of the Head of Establishment

Please provide a signature of the head of establishment.

16. Date signed by the Head of Establishment

Please provide the date signed by the head of establishment.

Description of Products

Commodity 1:

Road tractors of all kinds used in agriculture regardless of specs. The item EXCLUDES those used for road construction.

Commodity 2:

Autovehicle principally designed for the transport of persons such as sedan, sport car and other similar products regardless of specs. The item EXCLUDES utility vehicle such as pick-up truck and light-wagon, and jeep.

Commodity 3:

Utility vehicle such as pick-up truck and light-wagon, light-van, and jeep mainly used in households regardless of specs. The item EXCLUDES those used mainly in the commercial sector such as buses, trucks and other professional vehicle.

Commodity 4-1:

Trucks and other motor vehicles for the transport of goods with load less than 5 tons.

Commodity 4-2:

Trucks and other motor vehicles for the transport of goods with load over 5 tons but less than 10 tons.

Commodity 4-3:

Trucks and other motor vehicles for the transport of goods with load over 10 tons.

Commodity 5-1:

Small sized buses with 5 - 14 seats including the driver. The item includes those used mainly in the commercial sector.

Commodity 5-2:

Medium sized buses with 15 - 30 seats including the driver. The item includes those used mainly in the commercial sector.

Commodity 5-3:

Large sized buses with more than 31 seats including the driver. The item includes those used mainly in the commercial sector.

Commodity 6:

Special purpose vehicle including fire-fighting vehicles, ambulance cars, garbage trucks, vehicle for construction, cranes and etc.

Commodity 7:

Major repairing conducted NOT on regular basis such as body repair, bumper repair and etc.

Description of Products

Commodity 1-1:

Steel vessel of small size less than 5,000 ton for the transport of goods such as fish boat, cargo ship, and transport ship.

Commodity 1-2:

Steel vessel of medium size from 5,000 ton to 10,000 ton for the transport of goods such as fish boat, cargo ship, and transport ship.

Commodity 1-3:

Steel vessel of large size more than 10,000 ton for the transport of goods such as fish boat, cargo ship, and transport ship.

Commodity 2-1:

Wooden vessel and boat (partially with steel materials) of small size less than 10 ton for the transport of goods such as fish boat, cargo ship, and transport ship.

Commodity 2-2:

Wooden vessel and boat (partially with steel materials) of medium size from 10 ton to 100 ton for the transport of goods such as fish boat, cargo ship, and transport ship.

Commodity 2-3:

Wooden vessel and boat (partially with steel materials) of large size more than 100 ton for the transport of goods such as fish boat, cargo ship, and transport ship.

Commodity 3:

Vessel made of material other than steel and wood for the transport of goods such as fish boat, cargo ship, and transport ship.

Commodity 4:

Towing, Tugging and Pushing Boat, Pilot Boat, Flash-light Boat of all kinds regardless of specs.

Commodity 5:

Barge of all kinds regardless of specs.

Commodity 6-1:

Ferry boats, Cruise ships, excursion boats and similar vessels of those self-propelled. The item is those principally designed for the transport of persons.

Commodity 6-2:

Ferry boats, Cruise ships, excursion boats and similar vessels of those NOT self-propelled. The item is those principally designed for the transport of persons.

Commodity 7:

Floating structures such as rafts, tanks, buoys and etc.

Commodity 8-1:

Overhaul and maintenance of vessel and motor boat used for the transport of person.

Commodity 8-2:

Overhaul and maintenance of barge and ferry-boat used for the transport of goods.
