Kata Al Kil (Qata Al Qaidiy), peri-urbanized area between Sana'a - Taz road and Rulhm, is not to be included in the project area. The land of Kata Al Kil belongs to two villages traditionally. Migrants from various areas are settling in Kata Al Kil by buying or renting land from the landlords. The community leaders of Rulhm perceive that water supply for residents in this new residential area should be under responsibility of the authority of Sana'a City. Kata Al Kil is originally used as a general name for Rulhm Al Olya, Rulhm Al Sulfa and those adjacent areas.
