|--|--------------|
| Table of Contents | i |
| List of Tables | ix |
| List of Figures..... | xii |
| List of Annexes | xviii |
| Abbreviations | xix |
| Measurement Units | xxi |
| | |
| CHAPTER 1 INTRODUCTION | 1-1 |
| 1.1 Background of the Study | 1-1 |
| 1.2 Objectives of the Study | 1-2 |
| 1.3 Study Area | 1-2 |
| 1.4 Basic Approach and Methodology | 1-3 |
| 1.5 Study Schedule | 1-3 |
| 1.6 Outline of the Study | 1-4 |
| 1.6.1 Phase I: Basic Study from June to December 2006..... | 1-4 |
| 1.6.2 Phase II : Formulation of River Basin Management Plan from January 2007 to March 2008 | 1-5 |
| 1.6.3 Technology Transfer Activities | 1-6 |
| 1.7 Counterpart Agency and Participants for the Study | 1-7 |
| | |
| CHAPTER 2 CURRENT STATUS OF THE STUDY AREA..... | 2-1 |
| 2.1 Physical Conditions..... | 2-1 |
| 2.1.1 Topography | 2-1 |
| 2.1.2 Land Use and Land Cover | 2-3 |
| 2.2 Meteorology and Hydrology | 2-5 |
| 2.2.1 Observation Network..... | 2-5 |
| 2.2.2 Meteorology | 2-6 |
| 2.2.3 Hydrology | 2-8 |

| | | |
|--------|---|------|
| 2.3 | Socio-economy | 2-13 |
| 2.3.1 | Administrative Structure and Boundaries | 2-13 |
| 2.3.2 | Population..... | 2-13 |
| 2.3.3 | Economic Active Population (Labor Forces) | 2-14 |
| 2.3.4 | Gross Domestic Products (GDP)..... | 2-15 |
| 2.3.5 | Financial Status of the Government | 2-15 |
| 2.3.6 | International Trade | 2-17 |
| 2.3.7 | Balance of Payment..... | 2-17 |
| 2.3.8 | Industrial Perspective | 2-17 |
| 2.3.9 | Water Sector Status..... | 2-18 |
| 2.3.10 | Salary and Wages, and Family Status and Family Economy | 2-20 |
| 2.3.11 | Prices | 2-22 |
| 2.4 | Water Quantity | 2-24 |
| 2.4.1 | Overview of Water Use in the Country | 2-24 |
| 2.4.2 | Existing Water Supply Systems..... | 2-26 |
| 2.4.3 | Outline of Irrigation..... | 2-27 |
| 2.4.4 | Significant Reservoirs and Water Transfer..... | 2-27 |
| 2.4.5 | Water Balance for Existing Condition..... | 2-29 |
| 2.4.6 | Results of Interview Survey on the Problems of Water | 2-31 |
| 2.5 | Groundwater | 2-33 |
| 2.5.1 | General Hydrogeological Conditions in Bulgaria | 2-33 |
| 2.5.2 | Groundwater Monitoring Networks | 2-37 |
| 2.5.3 | Conditions of Groundwater and the Problematic Areas..... | 2-41 |
| 2.6 | Water Quality | 2-55 |
| 2.6.1 | Current Water Quality Conditions..... | 2-55 |
| 2.6.2 | Existing Urban and Municipal Wastewater Treatment Plants and National Plan | 2-59 |
| 2.7 | Environmental and Social Conditions | 2-60 |
| 2.7.1 | Natural Environment | 2-60 |
| 2.7.2 | Social Conditions | 2-60 |
| 2.8 | Institution and Organizations for Basin Management | 2-62 |
| 2.8.1 | Institution for Basin Management..... | 2-62 |
| 2.8.2 | Organizations for Basin Management..... | 2-65 |

| | | |
|--|---|------------|
| 2.9 | Protected Areas for EU-WFD..... | 2-71 |
| 2.10 | National Parks | 2-72 |
| 2.11 | Forest Management | 2-74 |
| 2.12 | Status of Domestic Water Usage | 2-77 |
| 2.12.1 | Methodology | 2-77 |
| 2.12.2 | General Information..... | 2-77 |
| 2.12.3 | Residents Who are Customers of Public Water Supply System | 2-81 |
| 2.12.4 | Status of Private Water Source..... | 2-85 |
| CHAPTER 3 GIS DATABASE..... | | 3-1 |
| 3.1 | Introduction | 3-1 |
| 3.2 | Main Principles and Stages of GIS Data Modeling and Development | 3-3 |
| 3.2.1 | Main Stages in GIS Data Model Development..... | 3-3 |
| 3.2.2 | Main Elements of the GeoDataBase..... | 3-4 |
| 3.3 | Structure of GIS Data Model..... | 3-6 |
| 3.3.1 | Detail Structure of Core Portion | 3-6 |
| 3.3.2 | Detail Structure of WFD Portion | 3-14 |
| 3.3.3 | Detail Structure of Local Portion | 3-15 |
| 3.4 | GIS Activities | 3-19 |
| 3.4.1 | GIS Workgroup Activities..... | 3-19 |
| 3.4.2 | GIS Training..... | 3-20 |
| 3.5 | Conclusions, Recommendations and Results..... | 3-21 |
| CHAPTER 4 INTEGRATED RIVER BASIN ANALYSIS MODEL | | 4-1 |
| 4.1 | Modeling Concept | 4-1 |
| 4.1.1 | General..... | 4-1 |
| 4.1.2 | Two Different Types of Model..... | 4-2 |
| 4.1.3 | Modeling Cycle..... | 4-3 |
| 4.1.4 | Target Users | 4-4 |
| 4.1.5 | Modeling Layer..... | 4-5 |

| | | |
|---|---|------------|
| 4.2 | Modeling Activities during the Study | 4-6 |
| 4.3 | MIKE11 Model for Water Quantity | 4-7 |
| 4.3.1 | Outline of Model | 4-7 |
| 4.3.2 | Input Data for Water Quantity Model | 4-7 |
| 4.3.3 | Calibration | 4-8 |
| 4.3.4 | Presentation and Analysis of Simulated Results | 4-8 |
| 4.4 | MIKE11 Model for Water Quality | 4-9 |
| 4.4.1 | Introduction | 4-9 |
| 4.4.2 | Input Data for Water Quality Model | 4-9 |
| 4.4.3 | Calibration of Water Quality Models | 4-10 |
| 4.5 | Simple Model..... | 4-11 |
| 4.5.1 | Water Quantity..... | 4-11 |
| 4.5.2 | Water Quality | 4-13 |
| CHAPTER 5 SOCIO-ECONOMIC FRAMEWORK | | 5-1 |
| 5.1 | Population | 5-1 |
| 5.2 | Economic Growth | 5-1 |
| 5.3 | Transition of Industrial Structure and Tasks of Agricultural Sector | 5-2 |
| 5.4 | Irrigation | 5-2 |
| 5.5 | Living Standard and Water Consumption..... | 5-3 |
| CHAPTER 6 RIVER BASIN MANAGEMENT PLAN..... | | 6-1 |
| 6.1 | Formulation of River Basin Management Plan | 6-1 |
| 6.1.1 | Introduction | 6-1 |
| 6.1.2 | Pressures and Impacts in the River Basin Level | 6-2 |
| 6.1.3 | Baseline Scenario for the RBMP | 6-3 |
| 6.1.4 | Required Management Plans..... | 6-4 |
| 6.2 | Water Quality Management Plan | 6-5 |
| 6.2.1 | Objectives of Water Quality Management Plan | 6-5 |
| 6.2.2 | Pollution Loads | 6-5 |
| 6.2.3 | Structural Measures of the Programme of Measures | 6-11 |
| 6.2.4 | Non-Structural Measures of the Programme of Measures | 6-16 |

| | | |
|------------------|---|------------|
| 6.2.5 | Improvement of Surface Monitoring System for Water Quality | 6-18 |
| 6.3 | Water Quantity Management Plan..... | 6-22 |
| 6.3.1 | Programme of Measures for Water Supply Improvement | 6-22 |
| 6.3.2 | Programme of Measures for Irrigation Facility Improvement..... | 6-24 |
| 6.4 | Preliminary Programme of Measures for Groundwater Management (Directions)..... | 6-30 |
| 6.4.1 | Introduction..... | 6-30 |
| 6.4.2 | Directions for Groundwater Management (Some Recommendations) | 6-30 |
| 6.4.3 | Some Recommendations for the New Monitoring Plan | 6-32 |
| 6.5 | River Management | 6-37 |
| 6.5.1 | Introduction..... | 6-37 |
| 6.5.2 | River Morphology Management..... | 6-37 |
| 6.5.3 | Floods and Prevention Measures | 6-38 |
| 6.5.4 | Future Studies Related to the River Basin Management to be Conducted | 6-39 |
| 6.6 | Result of Water Quantity Simulation | 6-41 |
| 6.6.1 | Water Resources Potential | 6-41 |
| 6.6.2 | Water Resources Potential and Demand Analysis | 6-43 |
| 6.7 | Result of Water Quality Simulation | 6-46 |
| 6.8 | Summary of the Programmes of Measures | 6-47 |
| 6.8.1 | Introduction..... | 6-47 |
| 6.8.2 | Proposed Structural Measures..... | 6-47 |
| 6.8.3 | Proposed Non Structural Measures..... | 6-47 |
| CHAPTER 7 | PUBIC CONSULTATIONS..... | 7-1 |
| 7.1 | Introduction | 7-1 |
| 7.2 | Summary of Each Public Consultation | 7-1 |
| 7.3 | Comments of the Public Consultations and the Recommendations..... | 7-1 |
| 7.3.1 | Comments of the Public Consultations..... | 7-1 |
| 7.3.2 | Recommendations for the Public Consultation and Involvement..... | 7-2 |

| | | |
|------------------|---|------------|
| CHAPTER 8 | ENVIRONMENTAL AND SOCIAL CONSIDERATIONS..... | 8-1 |
| 8.1 | Introduction..... | 8-1 |
| 8.2 | Important Law/Regulations and Organizations for Environmental Assessment | 8-1 |
| 8.2.1 | Important Laws/Regulations/Guidelines for Environmental Assessment | 8-1 |
| 8.2.2 | Responsible Organizations/Departments for the Environmental Assessment (EA) in Bulgaria | 8-2 |
| 8.2.3 | Strategic Environmental Assessment (SEA) | 8-2 |
| 8.2.4 | Necessary EA Report Contents | 8-3 |
| 8.3 | The Main Objectives and Proposed Programme of Measures of the Draft RBMPs..... | 8-3 |
| 8.4 | The Existing Environmental Problems relevant to the Draft RBMPs..... | 8-4 |
| 8.4.1 | Surface Water Pollution..... | 8-4 |
| 8.4.2 | Ground Water Pollution..... | 8-4 |
| 8.4.3 | Protected Areas Management Issues | 8-5 |
| 8.4.4 | Waste Problems | 8-5 |
| 8.4.5 | Specific environmental issues in the Study Area | 8-6 |
| 8.5 | Outline for Selecting of the Alternatives | 8-6 |
| 8.6 | Possible Environmental and Social Impacts and Their Evaluations..... | 8-8 |
| 8.6.1 | Air pollution | 8-8 |
| 8.6.2 | Water Pollution..... | 8-9 |
| 8.6.3 | Noise and Vibration..... | 8-9 |
| 8.6.4 | Offensive Odor | 8-10 |
| 8.6.5 | Flora, Fauna, Biodiversity | 8-10 |
| 8.6.6 | Waste | 8-10 |
| 8.6.7 | The Poor, Ethnic Group..... | 8-10 |
| 8.7 | Mitigation Measures for Possible Significant Impacts and a Recommended Monitoring/Control Plan..... | 8-11 |
| 8.7.1 | Mitigation Measures for Possible Main Adverse Impacts..... | 8-11 |
| 8.7.2 | Proposed Monitoring and Control Plan..... | 8-12 |
| 8.8 | Further specific environmental and social considerations for the finalizing RBMPs..... | 8-13 |

| | | |
|--|--|-------------|
| 8.8.1 | Further important environmental and social consideration surveys for the finalizing RBMPs..... | 8-13 |
| 8.8.2 | Further environmental and social considerations for the finalized RBMPs..... | 8-13 |
| 8.9 | Conclusion and Recommendation..... | 8-14 |
| CHAPTER 9 ECONOMIC AND FINANCIAL ANALYSIS | | 9-1 |
| 9.1 | Economic Evaluation | 9-1 |
| 9.1.1 | Methodology | 9-1 |
| 9.1.2 | Identification of Economic Benefit..... | 9-3 |
| 9.1.3 | Identification of Economic Cost | 9-10 |
| 9.1.4 | Economic Evaluation Result of Project and Conclusion | 9-13 |
| 9.2 | Financial Analysis | 9-16 |
| 9.2.1 | Financial Status of Public Institutions Dealing with Water Works..... | 9-16 |
| 9.2.2 | Tariff Systems | 9-20 |
| 9.2.3 | Recommendation | 9-22 |
| CHAPTER 10 PROJECT EVALUATION..... | | 10-1 |
| 10.1 | Introduction | 10-1 |
| 10.2 | Technical Aspect..... | 10-1 |
| 10.3 | Economic Aspects | 10-1 |
| 10.4 | Economic Aspects | 10-2 |
| 10.5 | Social and Environmental Aspects..... | 10-2 |
| CHAPTER 11 IMPLEMENTATION PLAN | | 11-1 |
| 11.1 | Introduction | 11-1 |
| 11.2 | Conditions for Implementation | 11-1 |
| 11.3 | Organization for Implementation | 11-2 |
| 11.4 | Implementation Plan..... | 11-3 |

| | |
|---|-------------|
| CHAPTER 12 IMPROVEMENT OF INSTITUTION AND ORGANIZATION | 12-1 |
| | 12-1 |
| 12.1 Introduction..... | 12-1 |
| 12.2 Gaps in the Existing River Basin Management Systems..... | 12-1 |
| 12.3 Proposals on the Directions for Improvement of the Organizations and Institutions | 12-3 |
| 12.3.1 Directions for Improvement of the Organization | 12-3 |
| 12.3.2 Directions for Improvement of the Institution | 12-5 |
| CHAPTER 13 CONCLUSION AND RECOMMENDATION | 13-1 |
| 13.1 Introduction..... | 13-1 |
| 13.2 Proposal for Implementation of the RBMP | 13-2 |
| 13.3 Recommendation | 13-4 |

List of Tables
