**The Investment Encouragement
Act, 1999 Amended (2007)**

Be it hereby, approved by the National Assembly and signed by the president of the Republic, in accordance with the provisions of the Interim Constitution of the Republic of the Sudan, 2005, the following Act:-

Chapter I
Preliminary Provisions
Title and commencement

1. This Act may be cited as the "Investment Encouragement (Amendment) Act 2007" and shall come into force as of the first day of January 2008.

Repeal and saving

2. The Investment (Encouragement) Act, 1996 shall be repealed; provided that the regulations and orders made, and measures taken thereunder, shall remain in force, as if they have been made, under the provisions of this Act, until revoked, or amended.

Provisions of the Act to prevail

3. The provisions of this Act shall, in case of inconsistency with the provisions of any other law, prevail to the extent of removing the inconsistency between them.

Application

- 4.(1) The provisions of this Act shall apply, as to such extent, as may achieve the objects thereof; provided that the provisions of the same shall not prejudice such privileges, exemptions and otherwise of guarantees, as may be pre-

scribed to the projects existing at the time of coming into force of this Act.

- (2) Notwithstanding the provisions of sub-section (1), all the exemptions granted to imports of the projects, in accordance with the provisions of the previous Investment Acts, shall be revoked, and there shall apply, with respect thereto, the provisions of section 11, hereof; provided that there shall be excluded, from the same, such projects, as may be existing, at the date of coming into force of this Act, which are organized by special agreements, concluded with the Government of the Republic of the Sudan.

Interpretation

5. In this Act, unless the context otherwise requires, :-

"Competent Minister", means any of the Federal Ministers;

"Invested money", means :-

(a) the local currency paid by the Investor and used in the establishment, operation, of the project;

(b) the foreign convertible currency converted through one of the banks registered with the Bank of Sudan, which is used in the establishment, operation, of the project;

(c) the local currency, by which satisfaction, upon the approval of the competent bodies, is made to meet obligations due for payment to the Investor, in foreign currency, where the same is used in the establishment, operation, of the project;

(d) the corporeal capital and any other corporeal rights, such as mortgages,

debt securities and all the similar rights, dividends, shares and debentures pertaining to companies, and any form of participation therein, the machinery, equipment, apparatuses, materials and other requisites and the means of conveyance imported, from abroad, or the local ones, for the establishment, operation, of the project;

(e) the incorporeal rights and intellectual property rights, and include copy rights, trade marks, patents, industrial designs, which are used in the project; provided that such rights shall be registered, in accordance with the provisions of the law pertaining to each, and owned, by the Investor, or licensed to use the same, on the part of the proprietor thereof;

(f) such profits, as may be achieved by the project, where the capital of the project is completed therewith, or invested into any other project;

"Investor",

means the person who invests his funds, in accordance with the provisions of this Act, into any project , whether he is Sudanese, or non-Sudanese;

"Minister",

means the Minister appointed by the President of Republic of Sudan;

"Ministry",

means the Ministry of Investment;

"Project",

means any economic activity, whatever the legal form thereof, which is includ-

ed into any of such fields of investment, as may be set out in this Act, and such , as may be prescribed by the Council of Ministers, in accordance with the objects of encouragement of investment provided for in section 6, and the project is approved in accordance with the provisions of this Act; means the State Minister, who is specified, by the State Council of Ministers , to have competence as to investment.

"State Minister",

Chapter II

Encouragement of Investment

Objects of encouragement of investment

6. This Act targets encouragement of investment into such projects, as may achieve the objects of the development policy, and the investment initiatives, on the part of the Sudanese and non-Sudanese private sector, the co-operative, mixed and public sector. Without prejudice to the generality of the foregoing, it aims at encouragement of investment into the projects of any of the fields set out in section 7.

Fields of investment

7. This Act encourages investment, into the fields of agricultural, animal and industrial activities, energy and mining, transport, communication, tourism and environment, storage, housing, contracting, infrastructure, economic, administrative and consultative services, information technology, education, health, water and culture and information services and any such other field, as the Council of Ministers may specify.

Discrimination between projects prohibited

- 8.(1) For the purposes of this Act, no discrimination shall be made between invested money, by reason of its being local, Arab or alien, or by reason of its being public, private, co-operative or mixed sector.
- (2) No discrimination shall be made between such similar projects, as may be specified by the regulations, with respect to granting privileges or guarantees.

Chapter III **Privileges and Guarantees**

Branch I

Strategic projects

- 9.(1) Investment, in the following fields, shall be deemed strategic investment, namely :-
 - (a) relating to infrastructure, roads, ports, electricity, dams, communications, energy, transport, contracting business, education, health and tourist and information technology services and water projects;
 - (b) relating to extraction of subterranean and deep seas wealth;
 - (c) agricultural, animal and industrial production;
 - (d) crossing more than one state;
 - (e) any such other fields, as the Council of Ministers may prescribe.
- (2) The regulations shall specify the strategic projects in the fields provided for in sub-section (1).

Exceptional Provisions

- 10.(1) The strategic and non strategic projects which practise their activity or production shall continue to enjoy the exemption from taxes which have been granted thereto, pending the end of the period specified for such exemption.

- (2) The strategic projects which have been granted exemption from taxes and have not practise the activity or production shall continue to enjoy such exemption where they practise the activity or production within three years of the date of coming into force of this amendment.
- (3) The non-Strategic projects which have been granted the exemption from taxes and have not practise the activity or production shall continue to enjoy such exemption where they practise the activity or production within one year of the date of coming into force of this amendment.

Exemption from customs duties

- 11.(1) Subject, to the provisions of section 19, each of such strategic and non-strategic projects, as may be specified in the regulations, after registration thereof, in accordance with the laws organizing the same, shall enjoy such customs privileges, as the Council of Ministers may prescribe.
- (2) Notwithstanding the provisions of sub-section (1), customs privileges shall, with respect to cars, salon cars, box cars and station wagons, be granted as the regulations may specify.
- (3) The Council of Ministers may, upon the recommendation of the Minister, amend the prescribed customs privileges, as he may deem fit.

Project granted the privileges of allocation of land and depreciation account

12. The Minister may grant such strategic and non-strategic projects, as may be specified in the regulations :-
 - (a) the land necessary for the strategic project free of charge, and at the encouragement price for the non-strategic project, in co-ordination with the bodies concerned, from such lands, as may have been planned by the competent

- bodies;
- (b) the privilege of depreciation account of the assets, as to such renewal value, as may be specified by the regulations, and in accordance with the circuits of operation work;
 - (c) deeming any such loss, as may have occurred, during the period of exemption, provided for in sections 10, as if it is such loss, as may have occurred during the last year of such period.

Grant of privileges to State projects

13. The State Minister may grant such state project, as may be specified in the regulations, the following privileges :-
- (a) total, or partial exemption, from such taxes and fees, as may be levied by a state, or local law, for a period not exceeding five years; provided that he may, upon the approval of the State Council of Ministers, extend such exemption for another similar period;
 - (b) any such other state taxes, or fees, as may subsequently be levied on the project;
 - (c) allocation of the land necessary for the state project, at the encouragement price , in co-ordination with the bodies concerned, from the lands allocated by the competent bodies.

State projects granted federal privileges

- 14.(1) The Minister, upon the recommendation of the State Minister, may grant a state project the privileges provided for in section 11.
- (2) The State Minister, upon delegation by the Minister, may grant a state project the privileges, provided for in section 11, as to such conditions and safeguards, as the Minister may deem fit.

No taxes or fees levied on federal projects

15. No state, or locality shall levy any state, or local taxes, fees or rates, on any investment project federally licensed, during the period of the exemption, provided for in sections 11, save in consideration of such services, as may be of public nature, performed by the state, or the locality.

Preference privileges

- 16.(1) The Minister, upon the approval of the Minister of Finance, and in consultation with the Competent Minister may grant preference privileges to such projects, as may satisfy any of the following features :-
- (a) direct investment towards the least developed areas;
 - (b) assist in the development of export capabilities of the country;
 - (c) contribute to achievement of integrated rural development;
 - (d) create great chances of work;
 - (e) strive to encourage charitable trust;
 - (f) strive to develop scientific and technological research;
 - (g) re-invest the profits thereof.
- (2) For the purposes of sub-section (1), privileges mean any of the privileges provided for in section 10, or 11, with respect to the size, extent, or term thereof, as the regulations may specify.
