Form No. (1)

Application to benefit by the Investment Encouragement Act,  
1999

Date of presenting the application :

No. of the application :

**Dear generous investor :**

The objective of filling the attached form is easiness, in obtaining the basic information, about your project; therefore, you are kindly requested to fill it accurately and thoroughly, in order that the competent persons may be able to approve granting the project the privileges, and customs and taxes exemptions, provided by the Investment Encouragement Act, 1999 .

- Having known that section (20), of the Act provides for the necessity of presenting a technical and economic feasibility study.
- Section (21), as well, provides for presenting the application, for granting the licence, to any project, or granting any of the privileges, provided for in the Investment Encouragement Act, 1999, in the form prescribed there for.
- In accordance with the purport of section 22, of the Act, which provides for the necessity of determining the licence applications, within thirty days, of the date of presenting the satisfied application, the Ministry of Investment, shall be bound to satisfy that.

Your co-operation, by presenting the application, in the shown form, enables expedience in taking the decision.

Allah is the Guarantor of Success

**Licence and Concession Continuity Condition**

- (1) No investor shall adopt any of the following measures, during the period of validity of the licence, and the privileges and facilities, granted thereto, under this Act, without obtaining a written approval, from the Minister, or the State Minister, as the case may be, the measure being :-
  - (a) conducting any amendment, or change in the size of the project, or the purpose, for which the licence has been granted, or transfer of the project, from the place prescribed therefor in the licence;
  - (b) use, or sale of any of the equipment, machinery, instruments, materials or spare parts, with respect to which privileges have been granted, for any other purpose, other than the purpose, for which the licence has been granted;
  - (c) change of the purpose of use of the land, allotted to the project, sale, mortgage or hire of the same wholly, or partially; provided that the investor may dispose of the existing project, without changing the permitted purpose, wholly, or partially, by sale, gift, mortgage, hire or partnership, in accordance with the provisions of the laws in force .
- (2) The investor shall :-
  - (a) start executing the project, within a maximum period of twelve months, of the date of delivery of the land, unless such period is extended, on the part of the Minister, or State Minister, to any period, as he may deem fit;
  - (b) submit, to the Minister, the Competent Minister or the State Minister, periodical reports, every six months, during the period of validity of the privileges, on the progress of the operation of executing the project, to the date of commencement of production, or practice of activity;

- (c) keep regular books, and keep records, in which there shall be entered the assets of the project, exempted from customs duties, and also the exempted imported materials;
  - (d) present, to the Minister, the Competent Minister or the State Minister annually, during the period of validity of the privileges, a copy of the annual accounts of the projects, approved by a certified auditor.
- (3) Important warning :
- contravention of any of the conditions, shown above, subjects the body benefiting by the licence, to the penalties, provided for in section 26, of the Act.
